BYELAWS.

LANDS AFFECTED.

1. The area of land affected by these Byelaws and set out in the schedule hereto, comprises the danger areas of the DEER PARK RANGE and the HERONTREE RANGE which together constitute and are hereinafter referred to as the danger area.

OFFENCES DURING FIRING.

2. During such time as notice is given by the hoisting or display of signals as hereinafter provided in Byelaw No. 4 that firing is taking place on the danger area, then, so long as the said signals are hoisted or displayed, the danger area, including all roads and footpaths crossing it, will, except as provided in Byelaw No. 3, be closed to the public, and no person shall enter or remain within the danger area and no vehicle, animal or thing shall be permitted to remain therein.

USE OF LEYBURN-GRINTON ROAD.

3. During such time as firing is taking place as indicated by the signals provided in Byelaw No. 4 (1) or (2), look-out men will be posted on the LEYBURN-GRINTON Road at WIMP HILL and near the quarry on the cross roads, who, immediately on sighting traffic desiring to pass, will signal for firing to cease. On receipt of such signal, firing will be discontinued as expeditiously as is consistent with safety, in order that delay in passing traffic through the danger area along the said road be reduced to a minimum. Traffic will then be required to proceed with all reasonable speed along the said road through the danger area.
