Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the surrender in part of an environmental permit.

The land to be surrendered has not been landfilled. The part surrender is to remove the A2 activity; Landfill for hazardous waste (separate cell for SNRHW) and to remove Pit 6 from the current permit. An amended site plan is attached at Schedule 4 to this notice. The plan shows the reduced permitted area.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
