Data Protection Act 1998 - Fair Processing Notice

The purpose of this Fair Processing Notice is to inform you of the use that will be made of your personal data, as required by the Data Protection Act 1998.

Defra is the data controller in respect of any personal data that you provide when you complete the Proforma. Defra will use your personal data to register your interest in the categories on which you have requested to receive information relating to intra-Union trade in, and imports from third countries of animals and animal products. The information will be used to send electronic communications when changes in legislation occur that need to be notified to stakeholders.

Defra may be required to release information, including personal data and commercial information, on request under the Environmental Information Regulations 2004 or the Freedom of Information Act 2000. However, Defra will not permit any unwarranted breach of confidentiality nor will we act in contravention of our obligations under the Data Protection Act 1998.
