

About this form

Use this form to tell your UK scheme administrator and overseas scheme manager about a change of circumstances that may result in a change to the tax treatment of an overseas transfer or onwards transfer between overseas schemes.

Tax charges

A change of residence may mean:

- that you may have to pay UK tax on an earlier overseas transfer or later payment out of the overseas scheme even if you are not resident in the UK
- that tax you paid on an earlier overseas transfer can be reclaimed from HMRC

You must complete this form and send a copy to your original UK scheme administrator and a copy to your overseas scheme manager. They will take any action to either deduct tax due or reclaim the tax back from HM Revenue and Customs.

You can find more information about transferring to an overseas pension scheme on gov.uk at www.gov.uk/government/collections/overseas-pension-schemes
