RATINGS OUT OF 10

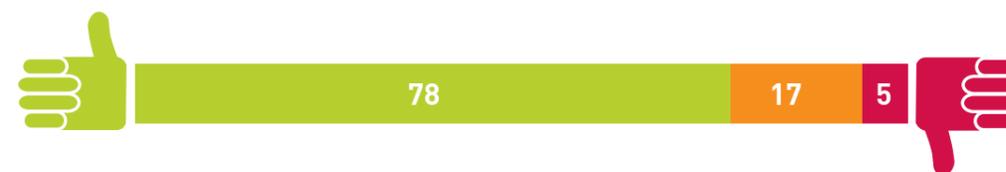

The FE Choices Learner and Employer Satisfaction Surveys collect learner's and employer's ratings on their college or training provider. Over 328,000 learners and 60,000 employers across England took part in the 2016 surveys. Participating employers and learners were in receipt of Skills Funding Agency funded learning or training.

This infographic presents national-level findings from the surveys. To view and compare findings for a specific college or training organisation, enter FE Choices in your browser or go to
