**Request for Information**

Thank you for your email dated 16 May 2016 requesting the following information:

*Please could you provide me with details of your involvement in the Mann Island development, in Liverpool. For example, any ownership (or partial ownership) the HCA might hold over the estate, or the buildings thereon.*

We can confirm that the Homes and Communities Agency (HCA) inherited the Mann Island asset from the former North West Regional Development Agency in September 2011. Whilst the site has largely been disposed by way of a long leasehold, the HCA retains the freehold reversionary interest in the site.

If you have any questions regarding this response or any further queries you can contact us at the following addresses and quote your unique reference number found at the top of this letter:
