List of medical repatriation companies in the UK

Prepared by Consular Directorate in London

www.gov.uk

The following list of medical repatriation companies has been prepared by the Consular Directorate in London for the convenience of British Nationals who may require this service and assistance overseas. It is provided on the understanding that the FCO does not assume or undertake any legal responsibility to anyone who chooses to take it into account when instructing a provider.

Further, the FCO does not accept any liability to any person or company for any financial loss or damage arising from the use of this information or from any failure to give information.

The purpose of this list is to provide as much relevant information to enable British nationals to make better-informed decisions. Our lists are **not recommendations and should not be treated as such.**
