

- ▼ You may wish to develop assessment criteria that help to test the following:

## 1 Desirability

### How well does each option:

- ▼ promote the objectives and priorities of LA and partners?
- ▼ help young people to meet outcomes (feel safe, live fulfilling lives, be healthy, have a voice, reach their potential and be resilient)?
- ▼ reduce duplication and promote integrated working?
- ▼ align with market conditions?
- ▼ allow the ADM to operate in a commercially focussed way?

## 2 Viability

### The extent to which each option:

- ▼ demonstrates financial sustainability?
- ▼ allows for savings to be realised (reduced duplication, improved joint working etc)?
- ▼ allows services to develop commercial opportunities & access external funding?
- ▼ requires investment from LA?
- ▼ will realise LA costs?
- ▼ will positively impact upon the market?

## 3 Feasibility

### The extent to which each option:

- ▼ can be implemented within required tolerances (cost/time etc.)?
- ▼ allows LA the required level of ownership/control?
- ▼ allows LA to manage reputational risks?
- ▼ allows partners to discharge relevant statutory functions?
- ▼ exposes LA to risk of challenge (e.g. procurement/state aid)?
