The restriction set out in section 4 is designed to help prevent forgery. It does so by requiring that a conveyancer certify they are satisfied that the person transferring or mortgaging the property is the same person as the owner.

Provide the contact address(es) of the individual(s) requesting the entry of the restriction. Where a conveyancer lodges this form, these details must be those of the client(s), not those of the conveyancer.

The restriction will not normally be entered in response to this request if the only contact address supplied is the address of the property concerned, as this indicates that the individual is living at the property.

Enter the full postal address of the property for which a restriction is requested

You must use a separate form for each property.

If you know the title number of the property, enter it here. If you don't know the title number, leave this section blank.
