### 5 Data protection notice

The Environment Agency is responsible for improvements in navigation and the registration of boats on waters for which we have responsibility. We will process the information you provide so we can deal with your mooring application, make sure you keep to the conditions of the registration, and process renewals.

We may also process or release the information to:

- offer you documents or services relating to boat safety, navigation and environmental matters;
- consult the public, public organisations and other organisations (for example, the Health and Safety Executive, local authorities, emergency services, the Department for Environment, Food and Rural Affairs) on boat safety, navigation and environmental issues;
- carry out research and development work on environmental issues;
- prevent anyone from breaking environmental law;
- investigate cases where environmental law may have been broken, and take any action that is needed;
- assess whether customers are satisfied with our service and to improve our service; and
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act 1998 allows).

**We may pass the information to our agents or representatives to do these things for us**

### 6 What happens next

#### Acknowledging your application

When we receive your application form we will send you an acknowledgement.

If we do not have a mooring available, we will add your details to our waiting list. Please note that our moorings are very popular and vacancies rarely become available.

#### Renewing your application

Please contact us each year to let us know if you are still interested in a mooring and we will renew your application. Please do this by 31 December as we review our waiting lists in January and if you have not renewed your application it will be removed from our waiting list.

If there are any changes to the information you gave on your application, please contact us.
