COMMERCIAL SENSITIVE INFORMATION

During the course of your application for funding you may submit ‘Information’ that you consider commercially sensitive or confidential. Information is defined in section 84 of FOIA.

Commercially Sensitive Information comprises Information of a commercially sensitive nature relating to you, your intellectual property rights or your business or which you have indicated to DCLG that, if disclosed by us, would cause you significant commercial disadvantage or material financial loss.

You acknowledge that DWP is subject to the requirements of the Freedom of Information Act 2000 (FOIA) and the Environmental Information Regulations 2004 such that it is under a duty to comply with information disclosure requirements under the FOIA.

Section 43 of FOIA exempts information, disclosure of which would be likely to prejudice the commercial interests of any person (i.e. Commercially Sensitive Information). It also includes a specific exemption for trade secrets. It protects not only the commercial interests of third parties but also the commercial interests of the public authority that holds the information.
Section 41 of FOIA exempts information if the disclosure of the information to the public by the public authority holding it would constitute a breach of confidence actionable by that or any other person (i.e. Confidential Information).

You should bear in mind that the commercial sensitivity (particularly the market sensitivity) of information will usually decrease with time.

If you consider any Information that you provide to DWP as being either Commercially Sensitive Information or Confidential Information, please bring this to the attention of the Department by ticking the relevant box on the application and providing a schedule of such information in the space provided with reasons as to why you consider such information as Commercially Sensitive or Confidential.

The ticking of this box and marking as Commercially Sensitive or Confidential will not automatically exempt such information from disclosure. DWP shall be responsible for determining at its absolute discretion whether the Commercially Sensitive Information and/or any other Information:

b) is to be disclosed in response to a request for information.
