Reports shall comply with the Defence Research Report Specification which is the format standard for Scientific and Technical Reports prepared for the United Kingdom Ministry of Defence and which can be found via the Athena pages on the GOV.UK website.

The front page of Reports shall carry any notices affecting the custody, transmission or distribution of the report and its copyright status. Such notice must be in accordance with the terms of the Contract. The text to be used for the condition of supply statements is included below.

Reports comprising Technical Information regarding Intellectual Property Rights

<table>
<thead>
<tr>
<th>Foreground Information Version</th>
<th>Version containing both, Foreground and Background Information</th>
</tr>
</thead>

<tr>
<td>(Mandatory – see Note 1)</td>
<td>(If required to supplement Foreground Information Version – see Note 1)</td>
</tr>
</tbody>
</table>

**Conditions Of Supply**

This document is supplied in confidence to MOD in accordance with Contract No [ABC/1234, task XYZ/9876]. (See Note 2) The document comprises information proprietary to [Supplier name] and whose unauthorised disclosure may cause damage to the interests of [Supplier name]. (See Note 3)

The document is supplied to MOD as a FOREGROUND INFORMATION VERSION under the terms of clause 10 and, except with the prior written permission of [Supplier name], MOD’s rights of use and dissemination in the document are limited to those set out in that Condition and the Contract for the use of Foreground Information Versions of Technical Deliverables.

Requests for permission for wider use or dissemination should be made to the relevant [Supplier name] Account Manager.

**Conditions Of Supply**

This document is supplied in confidence to MOD in accordance with Contract No [ABC/1234, task XYZ/9876]. (See Note 2) The document comprises information proprietary to [Supplier name] and whose unauthorised disclosure may cause damage to the interests of [Supplier name]. (See Note 3)

The document is supplied to MOD as a Foreground and Background Information under the terms of clause 10 and, except with the prior written permission of [Supplier name], MOD’s rights of dissemination of the document are limited to UK government departments and to service providers under the terms of Clause 11.

Requests for permission for wider use or dissemination should be made to the relevant [Supplier name] Account Manager.

Notes:

1. A Foreground Information version is required for every deliverable report. An additional Foreground and Background Information Version of the report should also be provided in accordance with clause 11 where the Foreground Information version does not include all of the required deliverable Technical Information.
2. This must always be the customer’s contract number.
3. If subcontractor information is included in reports subject to clause 10 then, unless the IPR in that information is owned by [Supplier name], the text in brackets should be amended in the first case to refer to the subcontractor(s) by name in addition to [Supplier name], and in the second case by referring to the companies concerned.
4. If conditions other than clause 10 apply to third party information included in reports subject to clause 10, then [Supplier name] commercial staff should be consulted for advice on the appropriate means of identification and marking.
