This Order is made by The East Riding of Yorkshire Council under section 53(2)(b) of the Wildlife and Countryside Act 1981 (‘the Act’) because it appears to that authority that the Humberside County Council Borough of East Yorkshire Definitive Map and Statement of Public Rights of Way require modification in consequence of the occurrence of an event specified in section 53(3)(c)(i) of the Act, namely the discovery by the authority of evidence which (when considered with all other evidence available to them) shows that a right of way which is not shown in the map and statement subsists or is reasonably alleged to subsist over land in the area to which the map relates, being a right of way such that the land over which the right subsists is a byway open to all traffic.
