

Help to Buy: mortgage guarantee scheme and Help to Buy: ISA scheme Official Statistics: Pre-release access list

The list below shows those individuals who receive access in advance of publication for briefing purposes to Official Statistics on the Help to Buy: ISA and the Help to Buy: mortgage guarantee scheme. The officials on this list are either involved in the production of briefing for ministers or are regularly called upon to give direct advice to ministers to enable them to comment on the figures shortly after their publication. The list includes individuals from the Treasury, the Department for Communities and Local Government and 10 Downing Street. Pre-release access arrangements are in line with The Pre-release Access to Official Statistics Order 2008. Pre-release access for briefing purposes is allowed no earlier than 24 hours prior to publication.

The Treasury ministers and officials on this list also have some pre-release access to data on the Help to Buy: mortgage guarantee scheme and the Help to Buy: ISA scheme as management information. Direct access to this data is minimised and those with this access ensure that the information is not passed on to anyone who does not have an operational need to see it in advance of publication. The detailed arrangements for this are in annex C of the Treasury's Pre-Release [Statement of Compliance](#). A further number of people will have access because they are involved in compilation and quality assurance of the data, or for other operational reasons, including placing the statistical releases on the website. An audit trail is maintained of all those who have pre-release access to the data, and for what purpose.
