AUTHORIZED AMENDMENT

Note to provide a summary/overview of the amendment and to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.

The input here should be your 'one minute' to explain what, why and how.

RA 1210 has been restructured and substantially rewritten to provide greater clarity on the Duty Holder (DH) responsibilities for the Ownership and Management of Operating Risk (Risk to Life). The rewrite of RA 1210 shifts the emphasis from how something should be done to what should be done, allowing the DH greater flexibility to choose a risk management methodology that suits their organisational needs.

This RA has been substantially rewritten; no change markers are presented
