(a) S.I. 2004/291 which has been revoked and replaced by S.I. 2015/1862.
(b) S.I. 2004/627 which has been revoked and replaced by S.I. 2015/1879.
EXPLANATORY NOTE
(This note is not part of the Regulations)

These Regulations revoke and replace the Primary Medical Services (Sale of Goodwill and Restrictions on Sub-contracting) Regulations 2004 (S.I. 2004/906) (“the 2004 Regulations”).

The 2004 Regulations made further provision in respect of the prohibition on the sale of goodwill in a medical practice which is contained in section 259 of the National Health Service Act 2006 (sale of goodwill). They also amended the National Health Service (General Medical Services Contracts) Regulations 2004 (S.I. 2004/291) and the National Health Service (Personal Medical Services Agreements) Regulations 2004 (S.I. 2004/697) so as to impose a restriction on the sub-contracting of any rights and duties under primary medical services contracts to provide essential services. S.I. 2004/291 was revoked and replaced by the National Health Service (General Medical Services Contracts) Regulations 2015 (S.I. 2015/1862) and S.I. 2004/697 was revoked and replaced by the National Health Service (Personal Medical Services Agreements) Regulations 2015 (S.I. 2015/1879).

Regulation 3 defines the meaning of “the relevant area” for the purposes of section 259 of the National Health Service Act 2006 in the context of the area teams of the National Health Service Commissioning Board.

Regulation 4 sets out the types of performers or providers of primary medical services in respect of which the prohibition on the sale of goodwill in a medical practice under section 259 of the National Health Service Act applies. This provision takes account of new contractual arrangements for the provision of primary medical services under Part 4 of the National Health Service Act 2006 together with other health and social care services.

Regulation 5 and the Schedule make provision in respect of the prescribed form of a certificate which the Secretary of State must issue under paragraph 3(b) of Schedule 21 to the National Health Service Act 2006 if the Secretary of State is satisfied that a transaction, or a series of transactions, does not involve giving valuable consideration in respect of the sale of goodwill in a medical practice.

Regulation 6 revokes the 2004 Regulations in their entirety but saves the effect of transitional provisions which were contained in regulation 6 of those Regulations.
