Comprehensive Registration Programme

Priority areas for land registration

In the Housing White Paper, HM Land Registry announced the aim of achieving comprehensive registration by 2030.

The Government is contributing to that aim by registering "...all publicly held land in the areas of greatest housing need...by 2020, with the rest to follow by 2025."

As set out in paragraph 43 of the consultation document, the following list of local authorities¹ has been compiled using the new approach to assessing local housing need and the percentage of unregistered land.
