The Australian Stock Exchange and any of its stock exchange subsidiaries	22-Sep-88	The ASX Market of the Australian Securities Exchange	The Sydney Futures Exchange (SFX) market of the Australian Securities Exchange	The Australian Stock Exchange merged with the Sydney Futures Exchange(SFX) in 2006 to form the Australian Securities Exchange (ASX). The Australian Securities Exchange comprises two markets, the SFX and the ASX, that trade different products. The use of the same acronym (ASX) for the exchange itself and one of its markets is potentially confusing. Only that part of the Australian Securities Exchange that can be identified as the original Australian Stock Exchange is a RSE. Therefore the market platform of the Australian Securities Exchange known as ASX is a RSE.
