6. This is in recognition that THE ESFA's Accounting Officer, the Chief Executive, is accountable to Parliament for ensuring that the use of funds

by THE ESFA by the Secretary of State is consistent with the Secretary of State's statutory remit. THE ESFA is also responsible for the regularity and propriety of expenditure.

In all such reviews the decision of THE ESFA is final.
- 4.7 Where THE ESFA determines, as a result of an audit conducted pursuant to part two clause 15 (Access and Monitoring), that there has been an underpayment to THE COLLEGE, THE ESFA shall be under no obligation to provide additional Funds to THE COLLEGE accordingly.

Financial health and/or control

- 5.6 The financial health of THE COLLEGE is assessed by the ESFA in line with the approach set out in the Financial Planning Handbook. The ESFA will also consider THE COLLEGE's financial control arrangements in accordance with the published approach. These considerations will be informed by the outcomes of audits undertaken by or reported to THE ESFA, and will have regard to compliance with THE COLLEGE's Instrument and Articles of Government, the post-16 audit code of practice, or other funding or regulatory requirements. Inadequate financial control will include, but is not limited to, a qualified audit opinion from a college's external auditors or funding auditors. 5.10 Where THE COLLEGE has obligations to the Secretary of State for Education under any other grant agreement or loan agreement, any default in respect of liabilities under that agreement, including but not limited to defaults in repayments, may lead to THE ESFA taking such actions in respect of this Funding Agreement as it deems appropriate which may include, but is not limited to, terminating in accordance with clause 17.2 (Termination).

5.13 THE ESFA will take action based on Ofsted's provisional and confirmed outcomes as in clause 5.12 above. Where THE ESFA is made aware that THE COLLEGE has made a complaint about the graded outcome of the overall assessment by Ofsted, THE ESFA will continue to progress action under clause 5.12 but will be mindful of the implications arising from the outcome of a complaint. THE ESFA will review any decisions made at such time as outcomes of any complaint are made known.

Study Programmes, incorporating Traineeships

To improve the quality of vocational education provision for post-16 students, Professor Alison Wolf recommended that study programmes be introduced to offer students breadth and depth and without limiting their options for future study or work.

From September 2013, new 16 to 19 study programmes were introduced, supported by changes to post-16 funding. All students in full or part-time education aged 16 to 19 are expected to follow a study programme tailored to their individual needs, education and employment goals, including students with learning difficulties and/or disabilities.

14- to 16-year-olds enrolled at colleges

General further education colleges and sixth-form colleges are able to enrol and receive funding from THE ESFA for students aged 14- to 16-years-old. These students complete full-time study programmes that include high-quality vocational qualifications alongside general qualifications, including English and mathematics, within the Key Stage 4 curriculum.

Raising Participation Age

The participation age was raised in 2013 and young people are now required to continue in education or training until at least their 18th birthday. Young people can choose to participate through full-time education, a job or volunteering combined with part-time study, or by undertaking an apprenticeship or traineeship.

For further information on Raising the Participation Age (RPA) please see the statutory guidance for local authorities:
