 - 1.1 the reason for the change
 - 1.2 full details of the change
 - 1.3 impact of the change
 - 1.4 proposed timescales for implementation of the change

2. You may propose a change by writing to the Learning Records Service, at the address in Appendix 1 with details of the proposed changes. Where a change notice has been issued to request that a Future Permitted Organisation becomes a Permitted Organisation, it will clearly state:
 - Organisation Name
 - Organisations Legal Status
 - Permitted Purposes for Achievement Data Use
 - Basis for Achievement Data Use
 - Scope of Access to Achievement Data
 - Restrictions

3. The ESFA shall notify You and the other parties in writing of any proposed changes and shall allow You 20 working days, (“the Consultation Period”), to provide comments on the change, to include, for the avoidance of doubt, an explicit acceptance or rejection of the change.

4. Man days of effort annual cap to requests for change.

- 4.5 The Awarding Organisation, in its sole discretion, may waive its right to reject a change on the basis of a change that breaks the cap (such waiver to be specific to the change proposed and not in perpetuity).
- 5 At the end of the Consultation Period if the proposed change is accepted by the majority of Awarding Organisations (calculated by reference to the number of individual Learners as measured by ULN for which the Awarding Organisation has submitted Achievement Data in the previous 12 months) party to the agreement the ESFA will write to you informing you of the date the change will become effective.
