Chapter L4: Universal Credit - Social Fund - Cold Weather Payments

Social Fund payments - General

Introduction

L4001 SF payments under the Act¹ are made for heating expenses during cold weather².

Note: UC guidance relating to SSMG can be found within ADM chapter L2. UC guidance relating to SFFP can be found within ADM chapter L3.

1 SS A Act 92, s 167; 2 SS CB Act 92, s 138(1)(a) & (2)

L4002 A DM decides any claim for CWP. These decisions have the same right of appeal as other DM decisions¹.

1 SS Act 1998, s 12

Effect of capital

L4003 Capital has no effect on claims for CWPs¹.

1 SFCWP (Gen) Amdt No. 2 Regs 91, reg 5

L4004 – L4050

Cold weather payments

Introduction

L4051 This section provides guidance in respect of CWP for a claimant who is claiming or has claimed UC. This guidance comes into effect on 1.11.13¹.

Note: From 1.11.16, see guidance at L4155 et seq².

*1 SFCWP (Gen) Amdt Regs 13, reg 1(2); SFCWP (Gen) Amdt (No. 2) Regs 13, reg 1(2);
2 Social Fund Cold Weather Payments (General) (Amendment) Regulations 2016, reg 1(2)*

L4052 A CWP is a payment to meet expenses for heating¹ made out of the social fund under specified legislation². A CWP is normally paid automatically by the UC Computer System. (See L4121 where a CWP is not paid automatically.)

1 SFCWP (Gen) Regs, reg 1(2); 2 SS CB Act 92, s 138(2)

L4053 – L4060

Definitions

Care home

L4061 For the purposes of L4093, care home¹ means an establishment which provides accommodation, together with nursing or personal care for people who

1. are or have been ill

2. have or who have had a mental disorder
3. are disabled or infirm
4. are or have been dependent on alcohol or drugs

other than a hospital, independent clinic, children's home or other establishment excepted by regulations.

*1 SFCWP (Gen) Regs, reg 1A(5), Care Standards Act 2000, s 3;
Public Services Reform (Scotland) Act 2010, Sch 12 para 2*

L4062

Claimant

L4063 A claimant is a person who is claiming, or has claimed UC¹.

1 SFCWP (Gen) Regs, reg 1(2)

L4064

Employment

L4065 For the purposes of L4094, employment¹ means employment under a contract of service, or in an office including an elective office.

1 SFCWP (Gen) Regs, reg 1A(7)

L4066

Forecasted or reported period of cold weather

L4067 Forecasted or reported period of cold weather¹ means a period of seven consecutive days, during which the average mean daily temperature is recorded as, or is forecast to be, equal to zero degrees celsius or below. Where any day is included in a forecasted period of cold weather, it cannot be included in any other forecasted period of cold weather. Where any day is included in a reported period of cold weather, it cannot be included in any other reported period of cold weather.

1 SFCWP (Gen) Regs, reg 1(2)

L4068

Gainful self-employment

L4069 For the purposes of L4094, a person is in gainful self-employment¹ where

1. they are carrying on a trade, profession or vocation as their main employment
and
2. their earnings from that trade, profession or vocation are treated as self-employed earnings under specified legislation² **and**
3. the trade, profession or vocation is organised, developed, regular and carried on in expectation of profit.

1 SFCWP (Gen) Regs, reg 1A(7); 2 WR Act 12, s 8(3)

L4070

Home

L4071 Home¹ means the dwelling, together with any garage, garden and outbuildings normally occupied by the claimant as his home, including any premises not so occupied, which is impracticable or unreasonable to sell separately e.g. in Scotland, any croft land on which the dwelling is situated.

1 SFCWP (Gen) Regs, reg 1(2)

L4072

Independent hospital

L4073 For the purposes of L4093, for the meaning of an independent hospital¹ please see ADM chapter L3161.

*1 National Health Service Act 2006, s 275; Care Standards Act 2000, s 2;
National Health Service (Scotland) Act 1978, s 10F(1)(a) & (b)*

L4074

Station

L4075 Station¹ means a station accredited by the Met Office at which a period of cold weather may be forecasted or recorded.

1 SFCWP (Gen) Regs, reg 1(2)

L4076

Winter period

L4077 Winter period¹ means the period beginning on the 1 November in any year and ending on 31 March in the following year.

1 SFCWP (Gen) Regs, reg 1(2)

L4078 – L4090

Conditions of entitlement

L4091 The first condition¹ is that the claimant has been awarded UC for at least one day during the recorded or forecasted period of cold weather.

1 SFCWP (Gen) Regs, reg 1A(2)(e)

L4092 Where the claimant has been awarded UC, the second condition¹ is that, in respect of the day to which L4091 relates,

1. the claimant's family includes a child under the age of 5 **or**
2. the claimant has an award of CTC which includes a disability element² **or**
3. the award of UC includes an amount for a child or qualifying young person who is disabled³ **or**
4. the claimant has LCW or LCWRA⁴.

Note: In relation to L4092 4., where the claimant would qualify for the carer element and the LCWRA element, only one of those elements may be included in the award. The element to be included is the LCWRA if the claimant qualifies for it, or if not, the carer element⁵ (see ADM F6014 & F6015).

*1 SFCWP (Gen) Regs, reg 1A(3); 2 Tax Credits Act 2002, s 9(3);
3 WR Act 12, s 10(2); 4 UC Regs, reg 39 & 40; 57 UC Regs, reg 29(4)*

L4093 The third condition¹, where the claimant has been awarded UC², is that the claimant does not reside in a

1. care home
2. independent hospital
3. Abbeyfield Home.

1 SFCWP (Gen) Regs, reg 1A(4); 2 reg 1A(4A)

L4094 The fourth condition¹, which applies only where the claimant has been awarded UC and their award of UC does not include an amount for a child or qualifying young person who is disabled, is that a CWP is payable where

1. in relation to a recorded period of cold weather, the claimant was not in employment or gainful self-employment on any day during that period **or**
2. in relation to a forecasted period of weather, the claimant is not in employment or gainful self-employment on the day when the Met Office supplies DWP with the forecast.

1 SFCWP (Gen) Regs, reg 1A(6)

L4095 – L4119

Prescribed circumstances

L4120 The prescribed circumstances in which a CWP can be made are that

1. a period of cold weather is recorded or forecasted at a designated Met Office station¹ **and**
2. the claimant's home²
 - 2.1 is situated in a PO postcode district covered by the designated station or specified alternative weather station **or**
 - 2.2 is treated as situated in a PO postcode district covered by the nearest weather station where no alternative station is specified.

1 SFCWP (Gen) Regs, reg 2(1)(a); 2 reg 2(1)(b)

L4121 If a CWP has not been paid automatically by UC Computer System or clerically by the DM, the DM should treat any representations about entitlement as a claim and decide whether there is any entitlement¹. The claimant has the right of appeal against the DM's decision². However, a CWP cannot be made more than 26 weeks from and including the last day of the winter period in which the relevant period of cold weather falls³. This allows time for a claimant to report a change if they feel

they may have qualified after receiving their winter fuel bills in association with the winter season for which help with heating expenses is provided.

1 SS Act 98, s 8(1)(a); 2 s 12(1)(a); SS CS (D&A) Regs 26(b); 3 SFCWP (Gen) Regs, reg 2(6)

Example

A cold weather period is recorded at the Fylingdales Meteorological Station for the period 13.1.14 to 19.1.14. John has been in receipt of UC since September 2013 and lives at an address with a postcode YO62. On 25.6.14 he applies for a backdated payment of a CWP stating his daughter Jordan was born on 2.1.14 but he did not notify the Department of the birth at the time. The DM determines that no additional amount is included in John's UC for a disabled child, so also needs to determine whether John was in employment or gainful self-employment on any day during the recorded period. As John was not in employment or gainful self-employment during that period, the DM treats this as a claim and decides John is entitled to a CWP, as the claim is within 26 weeks of the recorded period of cold weather.

L4122 – L4149

The designated Met Office station

L4150 PO postcode districts¹ are linked to designated weather stations. PO postcodes have four parts to them

1. area example **LS14 1NX**
2. district example **LS14 1NX**
3. sector example **LS14 1NX**
4. group of houses/building example **LS14 1NX**.

A postcode district may also include a letter at the end example **SW1A**.

The DM should ignore the letter at the end of the postcode district when deciding which weather station covers the claimant's home. A list of primary weather stations and their linked PO postcode districts is at Appendix 1 to this Chapter.

Note: From 1.11.16, Schedule 1 is revoked². See guidance at L4155 et seq.

1 SFCWP (Gen) Regs, reg 1(2) & 2 & Sch 1;

2 Social Fund Cold Weather Payments (General) (Amendment) Regulations 2016, reg 2(6)

L4151 A cold weather period is triggered when the weather station

1. records a period of cold weather **or**
2. forecasts¹ that a period of cold weather will occur.

The Met Office notify SF Problem Management, Live Support of cold weather periods, who then notify District Offices.

1 SFCWP (Gen) Regs, reg 1(2)

L4152 Appendix 2 to this Chapter is a list of specified alternative weather stations¹ for use if information is not available from the primary station.

Note: From 1.11.16, Schedule 2 is revoked². See guidance at L4155 et seq.

L4153 If the primary (or any specified alternative) station is unable to provide details for any day, the nearest station to the primary station that can provide temperature details for that day will be treated as the linked station¹.

Note: From 1.11.16, see guidance at L4161.

1 SFCWP (Gen) Regs, reg 2(1A)(b), reg 2(1B)(b)

L4154 If the claimant's home is not situated in a listed area the DM should

1. check the area defined in Appendix 1 to this Chapter.
2. establish which area covers the claimant's home **and**
3. treat the station appropriate to that area as the claimant's designated station¹.

Note: From 1.11.16, see guidance at L4164.

1 SFCWP (Gen) Regs, reg 2 & Sch 1

Amendments to CWP scheme from winter 2016/17

L4155 The following guidance highlights changes to the CWP scheme (from winter 2016/17 which runs from 1.11.16 to 31.3.17). Prior to 1.11.16, legislation provided the designated primary weather stations for postcode districts (see L4150) and the designated alternative stations (see L4152). The designations listed within specified Schedules¹ could only be amended by Statutory Instrument. The following changes to the CWP scheme ensure that appropriate changes to weather station designations can be made quickly and without the need for those changes to be effected through secondary legislation. Changes will usually be agreed as part of an annual review of the CWP scheme, having regard to recommendations made by the Met Office. Any changes can then be implemented expediently (see L4168 to L4170). These changes to the CWP scheme come into effect from 1.11.16².

1 SFCWP (Gen) Regs, Sch 1 & Sch 2;

2 Social Fund Cold Weather Payments (General) (Amendment) Regulations 2016 (S.I 2016. No.876), reg 1(2)

Definitions

Met Office

L4156 Met Office¹ means the Met Office of the Department for Business, Energy and Industrial Strategy.

1 SFCWP (Gen) Regs, reg 1(2)

Primary station

L4157 Primary station¹ means a station designated by the Secretary of State as a primary station for a postcode district².

1 SFCWP (Gen) Regs, reg 2(7); 2 reg 2A(1)

Secondary station

L4158 Secondary station¹ means a station designated by the Secretary of State as a secondary station for a postcode district².

Note: A secondary station would be used in circumstances where

1. a primary station was unable to provide temperature information in respect of a particular day **or**
2. the Met Office is unable to produce a forecast in respect of a particular period at a primary station (see L4162 to L4163).

1 SFCWP (Gen) Regs, reg 2(7); 2 reg 2A(2)

Alternative station

L4159 Alternative station¹ means a station which

1. in the opinion of the Met Office, is the most geographically and climatologically representative for the postcode district in which the home of the claimant is situated **and**
2. is able to provide the temperature information for the relevant
 - 2.1 recorded period of cold weather **or**
 - 2.2 forecasted period of cold weather.

Note: An alternative station would be used to determine whether there is a recorded or forecasted period of cold weather in circumstances where

1. the primary and secondary station is unable produce the requisite information **or**
2. the primary station is unable to produce the requisite information and there is no secondary station specified (see L4162 to L4163).

1 SFCWP (Gen) Regs, reg 2(7)

Revocation of Schedule 1 and Schedule 2

L4160 Schedule 1¹ (L4150 and Appendix 1) contains a list of postcode districts and their primary designated weather station. Schedule 2² (L4152 and Appendix 2) lists alternative stations which are used when the primary station is unable to provide the temperature information. Schedules 1 and 2 are revoked from 1.11.16³.

*1 SFCWP (Gen) Regs, Sch 1; 2 Sch 2;
3 Social Fund Cold Weather Payments (General) (Amendment) Regulations 2016, reg 2(6)*

Secondary and Alternative Stations

L4161 Prior to 1.11.16, legislation¹ does not specify secondary weather stations for every primary station. If the primary (or any specified alternative) station is unable to provide details for any day, the nearest station to the primary station that is able to provide the temperature information is used to determine whether there has been a period of cold weather (see L4153).

1 SFCWP (Gen) Regs, reg 2(1A)(b) & reg 2(1B)(b)

L4162 From 1.11.16, where a primary station is unable to provide temperature information in respect of a particular day, the mean daily temperature of that day at

1. the secondary station **or**
2. an alternative station, where
 - 2.1 there is no secondary station designated **or**
 - 2.2 the secondary station is unable to provide temperature information in respect of that day

is to be used to determine whether or not there is a **recorded** period of cold weather at a primary station¹.

1 SFCWP (Gen) Regs, reg 2(1A)

L4163 From 1.11.16, where the Met Office is unable to produce a forecast in respect of a particular day at a primary station, the forecast in respect of that period produced at

1. the secondary station **or**
2. the alternative station, where
 - 2.1 there is no secondary station designated **or**
 - 2.2 the secondary station is unable to produce a forecast in respect of that period

is to be used to determine whether or not there is a **forecasted** period of cold weather at the primary station¹.

1 SFCWP (Gen) Regs, reg 2(1B)

Home of the claimant

L4164 From 1.11.16, where the home of the claimant is not situated within a postcode district for which a primary station is designated, the home is to be treated as if it were situated within a postcode district

1. which in the opinion of the Met Office, is the most geographically and climatologically representative of that postcode district **and**
2. for which a primary station is designated¹.

1 SFCWP (Gen) Regs, reg 2(2)

Designation of Primary and Secondary Stations

L4165 A primary station must be designated for each postcode district¹.

1 SFCWP (Gen) Regs, reg 2A(1)

L4166 A secondary station may be designated for each postcode district¹.

Publication of designations

L4167 Details of designated primary (and where appropriate, secondary) stations must be published. However the publication of those details may be made in the most appropriate manner¹.

Note: A CWP Postcode Tool is being made available via the Gov.uk website, where departmental staff and the general public can access weather station information and postcode linkages.

1 SFCWP (Gen) Regs, reg 2B

Review and variation of designations

L4168 Each designation must be reviewed every 12 months, in the period beginning 1st November and ending 31st October¹.

1 SFCWP (Gen) Regs, reg 2C(2)

L4169 If, on review or at any other time, a designation is no longer appropriate, the Secretary of State must

1. vary the designation expediently **and**
2. publish details of the varied designation¹, in an appropriate manner².

Note: When determining whether to vary a designation, regard must be given to any recommendation made by the Met Office³.

1 SFCWP (Gen) Regs, reg 2C(3); 2 reg 2C(4); 3 reg 2C(5)

L4170 For the purposes of a review or a variation¹, whether a designation is appropriate includes in particular, whether the station designated

1. is geographically and climatologically representative for the relevant postcode district **and**
2. provides accurate temperature information.

1 SFCWP (Gen) Regs, reg 2C(6)

Amount of Cold Weather Payment

L4171 The amount of the payment in respect of each period of cold weather will be £25.00¹.

1 SFCWP (Gen) Reg, reg 3; SFCWP (Gen) Amdt Regs 2011, reg 1(2)

L4172 – L4175

Overlap period

L4176 When a forecasted period of cold weather shares one or more days with a recorded period of cold weather, the shared days will form an overlap period forming part of the forecasted period¹.

1 SFCWP (Gen) Regs, reg 1(2)

L4177 If both a recorded and a forecasted period of cold weather are linked by an overlap period, the DM should only make payment for the forecasted period¹, but see L4179 if the qualifying conditions are not satisfied in the forecasted period¹.

1 SFCWP (Gen) Regs, reg 2(3)

Example

No cold weather period triggered before day one

Qualifying conditions satisfied throughout the recorded/forecasted periods

Eligible period is days 1-13 inclusive. A CWP is made for the period 7-13.

L4178 Payment may be made for the last recorded period of cold weather¹ if

1. there is a continuous period of recorded and forecasted periods **and**
2. each of those periods is linked by an overlap period **and**
3. the total number of recorded periods exceeds the total number of forecasted periods.

1 SFCWP (Gen) Regs, reg 2(4)

Example

Qualifying conditions satisfied throughout the recorded/forecasted periods

1. Eligible period 14 days 1-14 inclusive
2. A CWP is made for the forecasted period 5-11
3. A CWP is made for the last recorded period 8-14.

L4179 A payment can be made for the recorded period where the claimant

1. would have been entitled to a CWP but for the fact that a forecasted period takes priority **and**
2. is unable to satisfy the qualifying conditions for at least one day of the forecasted period¹.

1 SFCWP (Gen) Regs, reg 2(5)

Example

Qualifying Conditions

1. Qualifying conditions satisfied in the recorded period up to day 4
2. Qualifying conditions not satisfied in the forecasted period
3. Eligible period is days 1-12
4. A CWP is made for the period 1-7.

L4180 - L4999
