Ref. 2017/7855

[REDACTED]

7 September 2017

Dear [REDACTED],

Thank you for your e-mail of 8 August asking for information about the RAF's Typhoon, Tornado, Hercules, Globemaster, Atlas aircraft and Puma helicopters together with and Fleet Air Arm Merlin and Sea King helicopters.

You requested the following information:

".....a full fleet list of all Typhoon, Tornado, Puma, Globemaster, Hercules and Atlas aircraft currently serving in the Royal Air Force as of 08/08/2017. As well as this if possible a full fleet list of all Merlin and Sea King helicopters serving in the Fleet Air Arm as of 08/08/2017. If possibly I would like a list of aircraft type and mark, tail numbers and serial/tail code if possible as well as what squadron they are operating in and where they are operating from or based."

I am treating your correspondence as a request for information under the Freedom of Information Act 2000. A search for the information has now been completed within the Ministry of Defence, and I can confirm that information in scope of your request is held which I attach at Annexes A to D, showing the aircraft type, mark, tail number, tail code, unit and where appropriate home Station. You should note that these are snap shots and that the information can alter on a daily basis. The information released excludes those aircraft on loan to industry.

Under Section 16 of the Act (Advice and Assistance) you may find it helpful to note that the list includes aircraft that are in planned maintenance, storage or undergoing modification programmes. Additionally, the Tornado fleet at RAF Marham and a proportion of the Typhoon fleet, including those employed on operations overseas, are organised in aircraft pools from which aircraft can be drawn, rather than permanently allotted to specific squadrons. You may also wish to note that the use of tail codes is being phased out for the Typhoon fleet and are not used on the C-17, Hercules or Atlas fleets.

If you have any queries regarding the content of this letter, please contact this office in the first instance.

If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely,

Air DRes Sec 3a1
