9.6 The Secretary of State and the Franchisee agree that:

(b) such Significant Alterations are likely to have, in the reasonable opinion of the Franchisee, a materially adverse effect on:

(i) the ability of passengers using any station served by the Passenger Services to make journeys relating to work or education at reasonably convenient times; and/or

consult with Stakeholders who would reasonably be expected to be affected by any such Significant Alterations in relation to such proposed future Timetable.

(c) give consultees such time as is reasonable under all the circumstances to respond (it being agreed that it shall normally be reasonable to give at least twelve (12) weeks to respond in relation to major proposed Timetable changes);

(d) take due account of the responses of consultees;

(e) within six (6) weeks of the close of the consultation (or such longer period as the Secretary of State may agree, such agreement not to be unreasonably withheld or delayed) publish a report containing a summary of the main issues raised by respondents (including quantitative analysis of the responses received), the reasoned response of the Franchisee to them and notification of how the Franchisee will now seek to exercise relevant Timetable Development Rights in the context of its obligation to take due account of the results of the consultation;
12. **Timetable Development Rights**

12.1 The Franchisee shall use all reasonable endeavours to amend and/or enter into such Access Agreements as may be necessary or desirable from time to time to obtain the Timetable Development Rights that it requires to secure a Timetable that enables it to operate railway passenger services that comply with the Train Service Specification and otherwise comply with its obligations under the Franchise Agreement (including under paragraph 14 of this Schedule 1.1).

12.2 Prior to exercising any Timetable Development Rights to secure a Timetable the Franchisee shall make an informed estimate of Forecast Passenger Demand and in doing so shall make reasonable assumptions based on available evidence (making proper use of recognised railway industry systems and forecasting tools as these may develop over the Franchise Period) with the estimate being in such format and to such level of disaggregation as the Secretary of State may reasonably require.

12.3 Subject to the remaining provisions of this paragraph 12, the Franchisee shall exercise its Timetable Development Rights so as to secure a Timetable that enables it to operate railway passenger services that comply with the Train Service Specification and paragraph 14 of this Schedule 1.1 in accordance with its obligations under paragraph 17 of this Schedule 1.1.

12.4 Where the Franchisee proposes to exercise its Timetable Development Rights so that the Timetable in force after the relevant Passenger Change Date contains Significant Alterations to that in force prior to such Passenger Change Date the Franchisee shall, (without prejudice to its obligation to consult pursuant to paragraph 11) act reasonably with the intention of obtaining a Timetable which enables paragraphs 14.1(b) and 14.1(c) of this Schedule 1.1 to be achieved in relation to each Passenger Service in the Timetable to the greatest extent reasonably practicable. It is agreed that in acting reasonably the Franchisee shall take full and proper account of its estimation of Forecast Passenger Demand made pursuant to paragraph 12.2 above.

12.5 Unless the Secretary of State otherwise directs, the Franchisee shall, for the purposes of securing a Timetable that complies with the Train Service Specification and paragraph 14 of this Schedule 1.1, exercise its rights under the Track Access Agreement (including the Network Code) to object, to make presentations and to withhold consent in respect of any actual or proposed act or omission by Network Rail in relation to such agreement in respect of its Timetable Development Rights.

12.6 If the Secretary of State does not consider that the Franchisee has taken sufficient steps under paragraph 12.5, he may require the Franchisee to exercise its rights in such manner as he reasonably considers appropriate in the circumstances, including:

(f) ensure that the published report is promptly provided to the Secretary of State and all respondents who submitted written responses to the consultation and published in a widely accessible form; and

(g) ensure that the relevant Timetable Development Rights to implement the proposed Timetable change are not exercised prior to the publication of the report and exercise such Timetable Development Rights in the manner indicated in the report.
(a) disputing any actual or proposed act or omission by Network Rail in respect of any Timetable Development Rights; and

(b) submitting such dispute to any relevant dispute resolution arrangements or procedures and appealing against any award or determination under such arrangements or procedures, including to the ORR.

12.7 Subject to the Franchisee complying with its obligations under paragraph 12.5, it shall not be liable for any failure to secure a Timetable that enables the Franchisee to operate railway passenger services that comply with the Train Service Specification and paragraph 14 of this Schedule 1.1, to the extent that such failure is caused by:

(a) the Franchisee’s Timetable Development Rights being inadequate to enable it to secure the requisite Train Slots, provided that the Franchisee has exercised and, unless otherwise agreed by the Secretary of State, is continuing to exercise all reasonable endeavours to obtain the requisite Timetable Development Rights in accordance with paragraph 12.3;

(b) Network Rail exercising its flexing rights from time to time under the Track Access Agreement or the Network Code in respect of such Train Slots;

(c) Network Rail exercising its other rights from time to time under the Track Access Agreement or the Network Code; or

(d) the exercise by the ORR of its powers pursuant to Section 22C of the Act.

12.8 TDR Amendments

(a) If and to the extent that the Franchisee is not able to secure a Timetable enabling it to operate railway passenger services that comply with the Train Service Specification as a result of it not being able to obtain the timetable development rights that it requires for that purpose, then the Secretary of State shall (subject to paragraphs 12.8(b) and 12.8(c) below) issue to the Franchisee such amendments to the Train Service Specification (“TDR Amendment”) as the Secretary of State considers necessary such that the Franchisee is able to secure a Timetable in compliance with the Train Service Specification as amended by the TDR Amendment by exercise of the Timetable Development Rights that the Franchisee does have.

(b) The Secretary of State shall have an unfettered discretion as to whether or not to issue a TDR Amendment in circumstances where the Franchisee:

(i) has failed to exercise all reasonable endeavours to obtain the requisite timetable development rights in accordance with paragraph 12.1; and

(ii) it is not relieved by paragraph 12.7 from liability for such failure to secure a Timetable that enables the Franchisee to operate railway passenger services that comply with the Train Service Specification.

(c) Where the Secretary of State reasonably considers that the failure to secure a Timetable that enables the Franchisee to operate the Train Service Specification is partly due to the default of the Franchisee in not properly
complying with its obligations under the Franchise Agreement in relation to
securing timetable development rights any TDR Amendment shall not
relieve the Franchisee of the obligation to comply with the Train Service
Specification to the extent that the Secretary of State determines that the
failure is due to such default of the Franchisee and the Franchisee may be
in contravention of the Franchise Agreement accordingly.

12.9 Following issue of any TDR Amendment pursuant to paragraph 12.8, the Franchisee
shall, unless otherwise agreed by the Secretary of State, continue to use all
reasonable endeavours to amend and/or enter into such Access Agreements as
may be necessary or desirable from time to time to obtain the timetable
development rights that it requires to secure a Timetable that enables it to operate
railway passenger services that comply with the Train Service Specification without
such TDR Amendment.

12.10 Any TDR Amendment issued pursuant to paragraph 12.8 shall:

(a) unless otherwise required by the Secretary of State, cease to have effect on
the date (if any) on which the first Timetable comes into effect after the
Franchisee has obtained the Timetable Development Rights that it requires
to secure a Timetable that enables it to operate railway passenger services
that comply with the Train Service Specification without any such TDR Amendment;

(b) amount to a Change but only to the extent that the Franchisee makes a
saving as a consequence of such TDR Amendment and provided that if such
TDR Amendment has been issued in consequence of Network Rail exercising
the rights referred to in paragraphs 12.7(b) or 12.7(c) there shall be no
Change.

12.11 With effect from the date on which any TDR Amendment ceases to have effect in
accordance with paragraph 12.10:

(a) the Train Service Specification without such TDR Amendment shall
thereafter apply;

(b) where there has been a Change which is a Qualifying Change pursuant to
paragraph 12.10(b) there shall be a further Change (which shall be deemed
to be a Qualifying Change) to the extent necessary so as, with effect from
such date, to disapply the effect of any such a Qualifying Change pursuant
to paragraph 12.10(b) to take into account the fact that the Franchisee will
have ceased to make a saving.

13. Certification and Notification by Franchisee of Exercising Timetable
Development Rights

13.1 Before exercising any Timetable Development Right to bid for Train Slots, the
Franchisee shall provide a certificate addressed to the Secretary of State and signed
by a statutory director of the Franchisee confirming that its proposed exercise of
that Timetable Development Right will be compliant with its obligation specified in
paragraph 12.3.

13.2 If requested by the Secretary of State, the Franchisee agrees to demonstrate to
the reasonable satisfaction of the Secretary of State that the Franchisee's certificate
referred to in paragraph 13.1 is a true and accurate confirmation of compliance with its obligation specified in paragraph 12.3.

13.3 The Franchisee shall:

(a) keep the Secretary of State fully informed of any discussions with Network Rail in relation to the matters referred to in this Schedule 1.1 which may, in the reasonable opinion of the Franchisee, have a material bearing on the ability of the Franchisee to deliver the Train Service Specification or meet the requirements of paragraph 14 of this Schedule 1.1 through the Timetable and shall, if required to do so by the Secretary of State, supply copies of any related correspondence to the Secretary of State; and

(b) update any notification under this paragraph 13.3 and/or certification under paragraph 13.1 as soon as reasonably practicable, if at any time it elects or is required to modify any aspect of its exercise of its Timetable Development Rights following Network Rail's proposed or actual rejection or modification of its bid or any part of it or for any other reason.

14. Planning to meet Target Passenger Demand

14.1 Capacity and Timetable Planning

(a) The Franchisee shall, in preparing its Timetable and Train Plan, unless the Secretary of State otherwise agrees, provide for at least the capacity specified in the Train Service Specification.

(b) The Franchisee shall use all reasonable endeavours to provide for Passenger Carrying Capacity on each Passenger Service that meets as a minimum the Target Passenger Demand for that Passenger Service.

(c) The Franchisee shall use all reasonable endeavours to provide passengers with a reasonable expectation of a seat:

(i) on boarding any Passenger Service during each Off-Peak; and

(ii) 20 minutes after boarding (or such other time period as the Secretary of State may stipulate) on any Passenger Service during each Peak.

14.2 Allocation of rolling stock where Franchisee unable to meet the capacity requirements

If at the time it prepares its Timetable and/or Train Plan, having exercised all reasonable endeavours, the Franchisee is unable to prepare a Timetable and/or Train Plan having the Passenger Carrying Capacity and/or meeting the reasonable expectations referred to in paragraphs 14.1(b) and 14.1(c), then the Timetable and/or the Train Plan shall specify the best allocation of Passenger Services and rolling stock vehicles to Passenger Services that is reasonably practicable with a view to:

(a) minimising, so far as is possible, the amount by which Target Passenger Demand exceeds the provision of Passenger Carrying Capacity on the affected Passenger Services;
ensuring, so far as is possible, that such excess is not unduly concentrated on any particular Route or Passenger Service; and

minimising, so far as is possible, the extent to which passengers are required to stand:

(i) on boarding any Passenger Service during each Off-Peak; and

(ii) 20 minutes after boarding (or such other time period as the Secretary of State may stipulate) on any Passenger Service during each Peak.

14.3 Preparation of Timetable and Train Plan

(a) Subject to paragraph 14.3(b), the Franchisee shall in preparing its Timetable and its Train Plan take full and proper account of its calculation of Forecast Passenger Demand and use all reasonable endeavours to ensure that the Train Fleet is deployed in an optimal manner for the purposes of complying with its obligations under paragraphs 14.1 and 14.2 above.

(b) The Franchisee shall in preparing its Timetable and Train Plan deploy the entire Train Fleet (excluding reasonable planning requirements for the allocation of Hot Standbys or other rolling stock vehicles to be out of service due to maintenance requirements, Mandatory Modifications or any other reason agreed with the Secretary of State (such agreement not to be unreasonably withheld or delayed)) in delivering the Passenger Services:

(i) during each Peak; and

(ii) at such times during each Off-Peak where such deployment of the entire Train Fleet is reasonably required to meet the Franchisee's obligations pursuant to paragraphs 14.1 and 14.2 above.

14.4 Finalising the Train Plan

(a) The Franchisee shall submit its proposed Train Plan to the Secretary of State as soon as reasonably practicable after Network Rail has issued the Timetable on which the Train Plan is to be based.

(b) The Franchisee shall submit its final Train Plan to the Secretary of State prior to the commencement of the Timetable to which it relates.

(c) The Train Plan shall be certified by a statutory director of the Franchisee as being true and accurate and including the minimum capacity specified in the Train Service Requirement.

15. Capacity Mitigation Plan

15.1 Without prejudice to the obligation of the Franchisee to include in the Train Plan the capacity specified in the Train Service Specification, if at any time the Franchisee is unable to prepare a Timetable and/or a Train Plan which meets the requirements of paragraph 14.1 (regardless of whether the Franchisee has used all reasonable endeavours to do so), the Secretary of State may serve a notice on the
Franchisee requiring it to produce a plan to a reasonable specification provided with the notice to remedy or mitigate such inability (“Capacity Mitigation Plan”).

15.2 The Capacity Mitigation Plan may, without limitation, include measures to be implemented by the Franchisee to:

(a) remedy the circumstances leading to the Franchisee being unable to prepare a Timetable and/or a Train Plan which meets the requirements of paragraph 14.1; and/or

(b) minimise, so far as is possible, the amount by which Target Passenger Demand exceeds the provision of Passenger Carrying Capacity on the affected Passenger Services;

(c) ensure, so far as is possible, that such excess is not unduly concentrated on any particular Route or Passenger Service; and

(d) minimise, so far as is possible, the extent to which passengers are required to stand:

(i) on boarding any Passenger Service during each Off-Peak; and

(ii) 20 minutes after boarding (or such other time period as the Secretary of State may stipulate) on any Passenger Service during each Peak

in all such cases (unless the Secretary of State specifies to the contrary) taking into account both Actual Passenger Demand and Forecast Passenger Demand.

15.3 Where the Secretary of State reasonably believes that future circumstances may lead to the Franchisee being unable to prepare a Timetable and/or a Train Plan which meets the requirements of paragraph 14.1 at any time within the next four (4) years (including after the end of the Franchise Term), the Secretary of State shall have the right to serve notice on the Franchisee specifying those future circumstances and the date that the Franchisee should assume that they will arise from and requiring it to produce a Capacity Mitigation Plan to remedy or mitigate such future circumstances on the basis of assumptions provided by the Secretary of State.

15.4 The Capacity Mitigation Plan shall (unless the Secretary of State specifies to the contrary) include the Franchisee’s informed estimate of Forecast Passenger Demand, in such format and to such level of disaggregation as the Secretary of State may reasonably require. Without limitation such specification may require the Franchisee to present options to address relevant issues through:

(a) alterations to the Train Service Specification;

(b) modification of rolling stock or the acquisition of additional or replacement rolling stock;

(c) alterations to Fares; and/or

(d) alterations or enhancements to any track, signalling, station, depot or other relevant railway infrastructure.
15.5 The Capacity Mitigation Plan shall provide a comprehensive analysis backed by relevant data and assumptions of:

(a) all cost and revenue and other financial implications of options contained within it including the potential implications for Franchise Payments;

(b) the implications (if any) for the Benchmarks and/or the Annual Benchmarks; and

(c) the likely impact of options within it for existing and future passenger journeys and journey opportunities.

15.6 The Franchisor shall meet with the Secretary of State to discuss the Capacity Mitigation Plan and provide such further information or analysis and further iterations of the Capacity Mitigation Plan as the Secretary of State shall reasonably require.

16. New or amended Train Service Specification by the Secretary of State and Franchisee Informed Opinion

16.1 As and when required, whether for the purposes of considering alterations to the Train Service Specification or otherwise, the Franchisee shall provide to the Secretary of State:

(a) its informed estimate of Forecast Passenger Demand, in such format and to such level of disaggregation as the Secretary of State may reasonably require in order to assist the Secretary of State's decision making on future service level commitments, infrastructure, station and rolling stock vehicle investment, the best use of the network and the alleviation of overcrowding;

(b) its informed opinion as to any changes to the current Train Service Specification which:

(i) should be made in order to deliver an optimal range of railway passenger service patterns relative to Target Passenger Demand; and

(ii) could be implemented and operated without additional resources or an adjustment to the Franchise Payments;

(c) its informed opinion as to any changes to the current Train Service Specification which:

(i) would deliver an optimal range of railway passenger service patterns relative to Target Passenger Demand; and

(ii) could only be implemented and operated with additional resources and/or an adjustment to the Franchise Payments, together with an explanation as to:

(A) what additional resources and/or adjustments are necessary to make such changes; and
(B) why such additional resources and/or adjustments are necessary;

(d) a draft of the Train Plan that it considers that each set of proposed changes would require.

16.2 Prior to issuing any amended or new Train Service Specification the Secretary of State shall provide to the Franchisee his draft of any proposed amended or new Train Service Specification stating the date upon which he proposes that such amended or new Train Service Specification should take effect along with the Secretary of State’s views as to the changes (if any) that he proposes to make to the Benchmarks and/or the Annual Benchmarks.

16.3 On receipt of any such draft of a proposed amended or new Train Service Specification the Franchisee shall provide to the Secretary of State (if so requested) its informed opinion:

(a) with supporting reasons as to the impact of the proposed amended or new Train Service Specification on the delivery of an optimal range of railway passenger services patterns relative to Target Passenger Demand and compliance with paragraph 14.1 of this Schedule;

(b) with supporting reasons as to the changes to resources and adjustment to Franchise Payments (if any) which would be required in consequence of the proposed amended or new Train Service Specification;

(c) with supporting reasons as to changes (if any) to the Benchmarks;

(d) of the process to be required to implement the proposed amendment to the Train Service Specification together with a plan for the implementation of the amendment to the Train Service Specification (including all steps required to ensure that the Franchisee can deliver a Timetable compliant with such amended or new Train Service Specification) prepared in accordance with procedural arrangements specified by the Secretary of State pursuant to paragraph 17; and

(e) together with a draft of the Train Plan that it considers that the proposed amended or new Train Service Specification would require.

16.4 There may be iterations of drafts of the proposed amended or new Train Service Specification and the Franchisee shall to the extent required by the Secretary of State have the obligations described in this paragraph 16 in respect of all such iterations.

16.5 Processes contained in this paragraph 16 shall take place in accordance with procedural arrangements and timescales stipulated by the Secretary of State pursuant to paragraph 17.2.

16.6 The Secretary of State may, in accordance with any stipulation made under paragraph 17.2, issue to the Franchisee any amended or new Train Service Specification that he requires the Franchisee to operate and notice of the changes (if any) to the Benchmarks and/or Annual Benchmarks. Such amended or new Train Service Specification will be issued prior to the commencement of the timetable development process of Network Rail for the Timetable in respect of
which it is proposed to implement the change to Passenger Services arising from
the amended or new Train Service Specification.

16.7 In the absence of the Secretary of State issuing any amended or new Train Service
Specification the existing Train Service Specification will remain in full force and
effect. The degree of variation from any Train Service Specification specified at the
date of the Franchise Agreement was entered into in respect of any particular period
and brought about by any amended or new Train Service Specification issued
pursuant to this paragraph 16 shall (where relevant) be of a magnitude no greater
than that contemplated in the Invitation to Tender.

16.8 At the same time as the Secretary of State provides the Franchisee with a draft of
any proposed amended or new Train Service Specification pursuant to
paragraph 16.1, the Secretary of State shall also provide to the Franchisee his
opinion of any changes (if any) that are required to the Benchmarks and/or Annual
Benchmarks.

16.9 The Secretary of State shall be permitted to carry out indicative Runs of the
Financial Model for the purposes of considering the effects of his proposed amended
or new Train Service Specification.

17. **Procedural Arrangements and Timescales**

17.1 The Franchisee agrees that the effective operation of the provisions of this Schedule
1.1, and of provisions addressing the same or similar matters in other franchise
agreements, will require certain procedural arrangements and timescales to be
followed to a common timescale by the Secretary of State, the Franchisee, Network
Rail and others.

17.2 The Franchisee agrees that the Secretary of State may stipulate any reasonable
procedural arrangements and timescales that are to be followed by the Secretary
of State and the Franchisee for these purposes (which shall be consistent with any
relevant standard railway industry processes for development of the Timetable and
the resultant Train Plan) and that the Secretary of State may amend any such
stipulation from time to time.

17.3 The Secretary of State agrees to consult the Franchisee as far as reasonably
practicable prior to stipulating or amending any such procedural arrangements and
timescales in accordance with paragraph 17.2.

17.4 Any stipulation by the Secretary of State pursuant to paragraph 17.2:

(a) shall be at the reasonable discretion of the Secretary of State;

(b) may contain procedural arrangements and timescales to be followed by the
Franchisee in relation to other changes to the Franchise Services (pursuant
to paragraph 1 of Schedule 9.3 (Variations to the Franchise Agreement and
Incentivising Beneficial Changes) in conjunction with the Train Service
Specification; and

(c) may provide for iterations of drafts of any amended or new Train Service
Specification, Train Plan or Timetable and for indicative Runs of the Financial
Model in relation thereto.
17.5 Any procedural arrangements and timescales stipulated by the Secretary of State pursuant to paragraph 17.2 shall have contractual effect between the Franchisee and the Secretary of State in accordance with the terms of such stipulation.

18. **Obligations in relation to other Train Operators**

18.1 Subject to the terms of the Licences and any applicable Law, the Franchisee shall co-operate with other Train Operators in respect of their timetable development rights where such other Train Operators provide railway passenger services meeting common or displaced passenger demand, with a view to ensuring that:

(a) the levels of overcrowding over the Routes or other relevant routes are minimised and not unduly concentrated on particular railway passenger services, Routes or other relevant routes;

(b) the stopping patterns of such railway passenger services are placed at approximately evenly-spaced intervals throughout each relevant hour, taking into account the reasonable needs of passengers and the different types of railway passenger services provided by other Train Operators and the Franchisee; and

(c) a reasonable pattern of railway passenger service is provided on the relevant route(s) to enable passengers to make Connections (particularly where low frequency railway passenger services are operated or last trains are involved, taking account of seasonal fluctuations in passenger demand and the time needed to make any such Connection).

19. **Provisions relating to Access Agreements and Property Leases**

19.1 Where the Secretary of State considers it requisite for the purposes of better securing the delivery of railway passenger services under the Franchise Agreement, or any other franchise agreement, or for the better achievement by him of any of his duties, functions and powers in relation to railways, or the implementation of the Crossrail Programme and the operation of the Crossrail Services by the Crossrail Operator, the Secretary of State may require the Franchisee:

(a) to exercise or refrain from exercising any or all of its rights under any Access Agreement or any Property Lease, or any related rights under such other agreements as the Secretary of State may specify; and/or

(b) subject to the consent of the counterparty thereto, to assign, novate or surrender its rights under any Access Agreement or Property Lease.

19.2 Except to the extent that the Secretary of State otherwise indicates from time to time, the Franchisee shall notify the Secretary of State of its intention to enter into or amend any Access Agreement:

(a) where the approval of the ORR is required under the Act, not less than ten (10) Weekdays before the submission to the ORR; and

(b) where no such approval is required, not less than ten (10) Weekdays prior to entering into such amendment or Access Agreement.
19.3 The Franchisee shall comply with its obligations under any Access Agreement or any Property Lease to which it is a party from time to time:

(a) to notify or consult with the Secretary of State on any matter or proposal relating to that Access Agreement or Property Lease; and

(b) which are contingent on a particular course of action being taken by the Secretary of State or which are otherwise expressly included in that Access Agreement or Property Lease for the benefit of the Secretary of State.

19.4 If and to the extent that:

(a) the Secretary of State exercises his rights pursuant to paragraph 19.1; and

(b) the Franchisee's compliance with the Secretary of State's requirements pursuant to paragraph 19.1 would lead to the unavoidable consequence of the Franchisee contravening any other terms of the Franchise Agreement or the occurrence of an Event of Default; and

(c) the Franchisee duly complies with such requirements,

no such contravention of the Franchise Agreement or Event of Default shall have occurred.

20. The Timetable and Network Rail's Working Timetable

20.1 Any specification of Passenger Services in the Train Service Specification shall (unless the Secretary of State states to the contrary) be regarded as relating to how those Passenger Services are to be provided for in the National Rail Timetable that Network Rail publishes for passengers.

20.2 The Franchisee shall ensure, for each period between two (2) consecutive Passenger Change Dates during the Franchise Term that the Timetable for such period is, in its reasonable opinion, not materially different from the relevant working timetable issued by Network Rail.
Schedule 1.2

Operating Obligations

1. Daily Operating Obligations

The Franchisee agrees to use all reasonable endeavours to operate on each day of the Franchise Term each of its Passenger Services as are set out in the Plan of the Day for that day and with at least the Passenger Carrying Capacity specified in the Train Plan for that Passenger Service. The Franchisee shall notify the Secretary of State as soon as reasonably practicable if it has on any day of the Franchise Term failed to operate to a material extent each of its Passenger Services as are set out in the Plan of the Day for that day and with at least the Passenger Carrying Capacity specified in the Train Plan for that Passenger Service.

2. Timetabling and Train Planning Compliance Investigation

2.1 If the Secretary of State considers that the Franchisee may have breached any of its obligations under any of paragraphs 12.1, 12.3, 12.4, 12.5, 14.1, 14.2 or 14.3 of Schedule 1.1 (Franchise Services and Service Development) and/or paragraph 1 of this Schedule 1.2, he shall (in addition to his right to obtain further information pursuant to paragraph 1.1 of Schedule 1.5 (Information about Passengers) and without prejudice to any other rights of the Secretary of State under the Franchise Agreement or otherwise) have the right, by serving notice on the Franchisee, to instigate an investigation of the Franchisee’s compliance with its obligations under paragraphs 12.1, 12.3, 12.4, 12.5, 14.1, 14.2 or 14.3 of Schedule 1.1 (Franchise Services and Service Development) and paragraph 1 of this Schedule 1.2, including any differences between the Forecast Passenger Demand and the Actual Passenger Demand and any unreasonable assumptions about the timetables likely to be operated by other Train Operators made by the Franchisee (“Timetabling and Train Planning Compliance Investigation”).

2.2 Following the service of such a notice the Franchisee shall:

(a) provide such information as the Secretary of State may reasonably require for the purposes of determining if the Franchisee has complied with its obligations under paragraphs 12.1, 12.3, 12.4, 12.5, 14.1, 14.2 or 14.3 of Schedule 1.1 (Franchise Services and Service Development) and/or paragraph 1 of this Schedule 1.2 including evidence of:

(i) the steps taken by the Franchisee to amend and/or enter into Access Agreements, exercise Timetable Development Rights and exercise its rights under the Track Access Agreement to object, to make representations and to withhold consent in respect of any actual or proposed act or omission by Network Rail in relation to such agreement in respect of its Timetable Development Rights;

(ii) the extent to which the Franchisee has operated on each day of the relevant Reporting Period each of its Passenger Services as are set out in the Plan of the Day for that day and with at least the Passenger Carrying Capacity specified in the Train Plan for that Passenger Service;
(iii) Forecast Passenger Demand and the way that it was calculated including all evidence taken into account and assumptions used (including any divergences from then existing industry modelling standards and the reasons for such divergences); and

(iv) any assumptions about the timetables likely to be operated by other Train Operators made by the Franchisee; and

(v) the alternative solutions considered by the Franchisee before finalising the Timetable and Train Plan and the reasons why any such alternative solutions were not adopted; and

(b) permit the Secretary of State to carry out an audit of the extent to which the Timetable and Train Plan enables the Franchisee to operate railway passenger services that comply with the Train Service Specification and paragraph 14 of Schedule 1.1 (Franchise Services and Service Development) and fully co-operate with and provide all information needed to facilitate such audit.

2.3 Contravention of the Franchise Agreement

(a) The Franchisee shall be in contravention of the Franchise Agreement if following the completion by the Secretary of State of the Timetabling and Train Planning Compliance Investigation he concludes that the Franchisee breached any of its obligations under any of paragraphs 12.1, 12.3, 12.4, 12.5, 14.1, 14.2 or 14.3 of Schedule 1.1 (Franchise Services and Service Development) and/or paragraph 1 of this Schedule 1.2 including where the Franchisee:

(i) failed to act reasonably in calculating Forecast Passenger Demand because it unreasonably assumed that there would be differences between Forecast Passenger Demand and Actual Passenger Demand at the time that the Forecast Passenger Demand calculation was made; or

(ii) made unreasonable assumptions about the timetables likely to be operated by other Train Operators serving some or all of the same stations as the Franchisee.

(b) Where the Secretary of State does conclude pursuant to paragraph 2.3(a) above that the Franchisee has breached any relevant obligation the Franchisee shall pay to the Secretary of State the costs incurred by him in undertaking any Timetabling and Train Planning Compliance Investigation (including any audit pursuant to paragraph 2.2(b)).

(c) The Secretary of State shall notify the Franchisee if he concludes pursuant to paragraph 2.3(a) that the Franchisee is in contravention of the Franchise Agreement and he may at his discretion, and entirely without prejudice to his other rights consequent upon the relevant contravention, serve a Remedial Plan Notice pursuant to paragraph 2 of Schedule 10.1 (Procedure for remedying a Contravention of the Franchise Agreement).
3. **Timetable changes proposed by Network Rail**

3.1 The Franchisee shall notify the Secretary of State promptly after being notified by Network Rail that Network Rail has decided or proposes to:

   (a) omit from the Plan of the Day Passenger Services that are included in the Timetable; or

   (b) reschedule in the Plan of the Day Passenger Services from their scheduling in the Timetable.

3.2 To the extent that any such decision or proposal may, in the reasonable opinion of the Franchisee, materially (having regard to both duration and scale) prejudice the Franchisee's ability to deliver the Timetable with the Passenger Carrying Capacity stipulated in the Train Plan the Franchisee shall explain in such notification the way in which, in its reasonable opinion, such omission or rescheduling may materially prejudice the Franchisee's ability to deliver the Timetable with the Passenger Carrying Capacity stipulated in the Train Plan.

3.3 The Franchisee agrees to supply to the Secretary of State from time to time, in the format required by the Secretary of State, such details of any actual or proposed omission or rescheduling of Passenger Services by Network Rail as the Secretary of State may reasonably require, including details of the steps which the Franchisee proposes to take pursuant to paragraph 3.4.

3.4 Where the actual or proposed omission or rescheduling of Passenger Services is one which may, in the reasonable opinion of the Secretary of State or the Franchisee, materially prejudice the Franchisee's ability to deliver the Timetable with the Passenger Carrying Capacity stipulated in the Train Plan, the Franchisee agrees (unless the Secretary of State specifically agrees otherwise) to exercise its rights under the Track Access Agreement (including the Network Code) to:

   (a) object (including submitting its objection to any relevant dispute resolution arrangements or procedures and appealing against any award or determination under such arrangements or procedures, including to the ORR);

   (b) make representations; and

   (c) withhold consent,

   in respect of any actual or proposed omission or rescheduling of Passenger Services by Network Rail.

3.5 The provisions of this paragraph 3 shall apply to any actual or proposed omission or rescheduling of Passenger Services that originates from any person other than Network Rail, as those provisions apply to Network Rail.

4. **Timetable changes proposed by the Franchisee**

4.1 The Franchisee agrees, subject to paragraph 4.3, not to propose to Network Rail:

   (a) the addition to the Plan of the Day of any railway passenger services which are not included in the Timetable;
(b) the omission from the Plan of the Day of any Passenger Services included in the Timetable; or

(c) the rescheduling in the Plan of the Day of any Passenger Services from their scheduling in the Timetable,

without the Secretary of State's prior consent.

Schedule 2.1

Asset Vesting and Transfer

1. **Not used.**

2. **Vesting of Property Leases during the Franchise Term**

2.1 The Franchisee shall not without the prior written consent of the Secretary of State (such consent not to be unreasonably withheld), whether generally or on a case-by-case basis:

(a) enter into any new Property Lease; or

(b) effect any amendment to any Property Lease, except to the extent that the Franchisee is required to do so by virtue of any station or depot access conditions to which it is a party.

2.2 In respect of the new Property Leases specified in paragraph 2.3 or any other new Property Lease with Network Rail, the Franchisee shall enter into such Property Leases:

(a) with the intent that section 31 of the Act shall apply to such leases; and

(b) in the agreed terms marked **SL** and **DL** (as appropriate).

2.3 The Franchisee shall enter into the following leases with Network Rail:

(a) a lease of each Station, on or before the expiry of the Station Lease relating to each such Station (each such lease, once granted, shall be a Station Lease for the purposes of the Franchise Agreement);

(b) a lease of each Depot, on or before the expiry of the Depot Lease relating to each such Depot (each such lease, once granted, shall be a Depot Lease for the purposes of the Franchise Agreement);

(c) a supplemental lease relating to any Station or Depot, as soon as practicable following the successful completion of any procedure (including obtaining any requisite approval from the ORR) for including additional land within the demise of such Station or Depot (as the case may be) and each such supplemental lease, once granted, shall be a Station Lease or a Depot Lease (as the case may be) for the purposes of the Franchise Agreement; and

(d) a lease of any Network Rail owned station or depot, which:

(i) the Secretary of State consents to or requires the Franchisee to be a party to; and

(ii) the Franchisee was not a party to on the date hereof, but which has been contemplated by the Franchise Agreement,

and the Franchisee shall enter into such lease as soon as practicable after its terms and form have been agreed and all applicable preconditions to its granting have been satisfied or waived (including obtaining any requisite approval of the ORR). Any such supplemental lease, once granted, shall be a Station Lease or a Depot Lease (as the case may be) for the purposes of
the Franchise Agreement and any such station or depot (as the case may be) shall be a Station or Depot for the purposes of the Franchise Agreement.

2.4 The Franchisee shall not be in contravention of paragraph 2.3 if and to the extent that Network Rail refuses to enter into any leases specified therein.

2.5 In respect of any assignment or amendment of any Property Lease to which section 31 of the Act applied on its grant, each of the Secretary of State and the Franchisee acknowledges that it is their intention that section 31 of the Act shall continue to apply to such assigned or amended lease.

2.6 The Franchisee shall use all reasonable endeavours to ensure that any Station Lease that it enters into accurately records all fixtures and fittings in relation to such Station Lease.
Schedule 2.2

Security of Access Agreements, Rolling Stock Leases, Station and Depot Leases

1. **Novation of Access Agreements during the Franchise Term**

1.1 The Franchisee shall, to the extent so requested by the Secretary of State (other than on termination of the Franchise Agreement, for which the provisions of paragraph 1 of Schedule 15.4 (Provisions Applying on and after Termination) apply):

(a) following receipt of a notice purporting to terminate any Access Agreement to which it is a party, in relation to such Access Agreement; or

(b) following receipt of a notice purporting to terminate a Station Lease or Depot Lease in whole or in part or on becoming aware of any proceedings or any other steps having or purporting to have similar effect, in relation to any Access Agreement under which it is a Facility Owner by virtue of such Station Lease or Depot Lease,

    novate its interest under any such relevant Access Agreement (and any related Collateral Agreement) to the Secretary of State or as he may direct.

1.2 Such obligation to novate shall be subject to the agreement of any counterparty to such Access Agreement or Collateral Agreement and, to the extent applicable, the ORR.

1.3 Such novation shall be on such terms as the Secretary of State may reasonably require, including:

(a) that the Franchisee shall not be released from any accrued but unperformed obligation, the consequences of any breach of the relevant agreement which is the subject of arbitration or litigation between the Parties thereto or any liability in respect of any act or omission under or in relation to the relevant agreement prior to, or as at the date of, any such novation (except to the extent that the Secretary of State or his nominee agrees to assume responsibility for such unperformed obligation, such liability or the consequences of such breach in connection with the relevant novation); and

(b) that neither the Secretary of State nor his nominee shall be obliged, in connection with the novation, to agree to assume responsibility for any unperformed obligation, liability or consequences of a contravention referred to in paragraph 1.3(a),

    but shall not, unless the Franchisee otherwise agrees, be on terms which release any counterparty to the relevant agreement from any liability to the Franchisee arising prior to the date of such novation.

1.4 The Franchisee shall, on the occurrence of any of the circumstances specified in paragraph 1.1 in relation to any other Train Operator who is a party to an Access Agreement to which the Franchisee is also party, agree to the novation of the relevant Train Operator's interest under the relevant Access Agreement to the Secretary of State or as he may direct, subject, to the extent applicable, to the consent of the ORR. The provisions of paragraph 1.3 shall apply to any such novation.
1.5 The Franchisee shall notify the Secretary of State on becoming aware of any circumstances which might lead to the Secretary of State being able to require the Franchisee to novate its interest or agree to the novation of another Train Operator's interest under this paragraph 1.

2. **Rolling Stock Related Contracts and Insurance Arrangements**

2.1 The Franchisee shall not:

(a) execute any Rolling Stock Related Contract;

(b) exercise any option or other discretion in any Rolling Stock Related Contract that would result in any increased payment or delay in delivery being made by or to the Franchisee or the relevant counterparty or which may result in it being reasonably likely to be unable to comply with the terms of the Franchise Agreement; or

(c) amend or waive the terms of any Rolling Stock Related Contract, without, in each case, the prior written consent of the Secretary of State (not to be unreasonably withheld).

2.2 The Franchisee shall supply to the Secretary of State a copy of all draft Rolling Stock Related Contracts and, immediately following execution, all executed Rolling Stock Related Contracts (including any agreement amending any Rolling Stock Related Contract) together with:

(a) such other information or documentation relating to such Rolling Stock Related Contract and/or the relevant rolling stock as the Secretary of State may request (which may include offer letters (original and final));

(b) the terms proposed by any person providing finance in relation to the relevant rolling stock (including cash flows);

(c) any agreement (in whatever form) to which the Franchisee (or an Affiliate of the Franchisee) is a party and which relates to the relevant rolling stock;

(d) information relating to capital allowances, details of any changes in the terms (including rentals) on which the relevant rolling stock is proposed to be leased compared to the terms on which such rolling stock was previously leased; and

(e) a detailed justification of the Franchisee's proposed maintenance strategy for the relevant rolling stock and/or the Franchisee's analysis of the whole life costs of the relevant rolling stock.

2.3 Where the information or documentation so requested by the Secretary of State is not held by the Franchisee, the Franchisee shall use reasonable endeavours to obtain the relevant information or documentation from a third party (including any person from whom the Franchisee leases rolling stock).
2.4 The Franchisee shall not, without the prior written consent of the Secretary of State:

(a) amend the terms of any insurance arrangements which relate to rolling stock vehicles used by it in the provision of the Passenger Services to which it is a party on the Start Date; or

(b) enter into any new insurance arrangements after the Start Date which relate to rolling stock vehicles used or to be used by it in the provision of the Passenger Services ("New Insurance Arrangements").

2.5 The Franchisee shall, in addition, if it enters into any New Insurance Arrangements, use all reasonable endeavours to ensure that the relevant insurers waive their rights of subrogation against any Train Operator which may have equivalent insurance arrangements providing for a similar waiver of rights of subrogation against the Franchisee, whether on a reciprocal basis or otherwise.

3. **Cascaded Rolling Stock and Delayed Cascade Mitigation Plan**

3.1 Without limiting paragraph 2.1, where the rolling stock to be leased by the Franchisee under any Rolling Stock Lease is Cascaded Rolling Stock the Secretary of State may:

(a) as a condition of giving his consent to the Franchisee executing such Rolling Stock Lease, require that such Rolling Stock Lease contains a provision whereby, in the event of a Relevant Delay, the Secretary of State may require that such Cascaded Rolling Stock can continue to be used by the Prior Train Operator during such period as the Secretary of State shall specify. Without limitation this may include the Franchisee subleasing the Cascaded Rolling Stock back to the Prior Train Operator and/or a delay to the date on which the Cascaded Rolling Stock is required to be delivered to the Franchisee under such Rolling Stock Lease; and

(b) where the Secretary of State requires such a provision to be included in the relevant Rolling Stock Lease, if a Relevant Delay occurs, require the Franchisee to make the Cascaded Rolling Stock available for use by the Prior Train Operator during such period as the Secretary of State may require.

For the purpose of this paragraph 3:

"**Cascaded Rolling Stock**" means rolling stock proposed to be used by the Franchisee in the provision of the Passenger Services the availability of which is, in the opinion of the Secretary of State, directly or indirectly dependent upon the successful introduction into service of any Relevant Rolling Stock by any other Train Operator;

"**Prior Train Operator**" means the Train Operator which used or is using the Cascaded Rolling Stock immediately prior to its proposed use by the Franchisee;

"**Relevant Delay**" means any delay to the successful introduction into service of any Relevant Rolling Stock; and

"**Relevant Rolling Stock**" means rolling stock to be acquired by another Train Operator which, when acquired, will initiate the "cascade" of rolling
stock that directly or indirectly makes the Cascaded Rolling Stock available for use by the Franchisee.

3.2
(a) Where the Secretary of State exercises his right pursuant to paragraph 3.1(b) to make Cascaded Rolling Stock available for use by the Prior Train Operator during a specified period there shall be a Change and where this is a Qualifying Change, it shall be assumed that the period that the Prior Train Operator retains any Cascaded Rolling Stock shall not exceed ninety (90) days and the only Revised Inputs shall be in relation to the difference between each of the rolling stock lease costs and variable track usage charge for the Cascaded Rolling Stock and the rolling stock lease costs and variable track usage charge applicable in relation to whatever rolling stock is to be used by the Franchisee in place of the Cascaded Rolling Stock.

(b) Where there is a Change pursuant to paragraph 3.2(a) and the period that the Prior Train Operator retains any Cascaded Rolling Stock is more than ninety (90) days there shall be a further Change. Where such Change is a Qualifying Change the modifications to the methodology for calculating Revised Inputs provided for in paragraph 3.1(a) shall not apply.

(c) Where there is a Change pursuant to paragraphs 3.2(a) or 3.2(b) and any such Change is a Qualifying Change there shall be a further Change (which shall be a Qualifying Change irrespective of whether such Change meets the requirements of the definition of Qualifying Change) on the date that the last Cascaded Rolling Stock ceases to be retained by the Prior Train Operator.

3.3 NOT USED.

3.4 Where the Secretary of State exercises his right pursuant to paragraph 3.1(b) to require the Franchisee to make the Cascaded Rolling Stock available for use by the Prior Train Operator during a specified period, the Franchisee shall not be liable for any failure to comply with its obligations under the Franchise Agreement to the extent that:

(a) such failure to comply arises directly as a result of the Franchisee being unable to use the Cascaded Rolling Stock; and

(b) the Franchisee uses all reasonable endeavours to comply with the relevant obligations notwithstanding the unavailability of the Cascaded Rolling Stock.

3.5
(a) The Franchisee shall notify the Secretary of State as soon as reasonably practicable if it becomes aware of any material risk that a Relevant Delay will occur. If a Relevant Delay does occur the Franchisee shall use all reasonable endeavours to mitigate the impact on the delivery of the Franchise Services of the unavailability of the Cascaded Rolling Stock at the expected time including by identifying and proposing value for money alternative sources of replacement rolling stock.

(b) If a Relevant Delay has occurred or the Secretary of State believes that there is a material risk that a Relevant Delay will occur he may serve a notice on the Franchisee requiring it to produce a plan to a reasonable specification
provided with the notice to remedy or mitigate the impact of the delayed availability of the Cascaded Rolling Stock ("Delayed Cascade Mitigation Plan"). Such specification may include measures to be implemented by the Franchisee to mitigate the direct or indirect impact of the Relevant Delay on the Prior Train Operator or any other affected Train Operator. The Delayed Cascade Mitigation Plan shall provide a comprehensive analysis backed by relevant data and assumptions of:

(i) all cost and revenue and other financial implications of options contained within it including the potential implications for Franchise Payments;

(ii) the implications (if any) for the Benchmarks; and

(iii) the likely impact of options within it for existing and future passenger journeys and journey opportunities.

3.6 The Franchisee shall meet with the Secretary of State to discuss the Delayed Cascade Mitigation Plan and provide such further information or analysis and further iterations of the Delayed Cascade Mitigation Plan as the Secretary of State shall reasonably require.

3.7 Where any rolling stock vehicles cease to be part of the Train Fleet but are acquired by another Train Operator for use in delivering passenger services the Franchisee shall:

(a) ensure that:

(i) such rolling stock is in an acceptable redelivery condition consistent with the hand back terms agreed with the lessor;

(ii) a complete set of maintenance and mileage records are handed over in a suitable format; and

(iii) the Train Operator is given reasonable access to the relevant rolling stock prior to handover to assist with an effective hand over in relation to both operation and maintenance; and

(b) use reasonable endeavours to ensure that:

(i) the Train Operator is offered 'knowledge transfer' sessions to enable recipient engineers and operational personnel to learn from informed peers;

(ii) the Train Operator is offered on-train development programmes to train their maintenance staff to an appropriate level of competence; and

(iii) it offers medium-term support and advice in relation to such rolling stock including technical and operational support.

4. Assignment of Property Leases during the Franchise Term

4.1 The Franchisee shall (other than on termination of the Franchise Agreement, for which the provisions of paragraph 4.5 of Schedule 15.4 (Provisions Applying on and after Termination) shall apply) following receipt of a notice purporting to terminate.
a Property Lease or on becoming aware of any proceedings or any other steps having or purporting to have similar effect, if requested by the Secretary of State, assign its interest under all or any Property Leases to the Secretary of State or as he may direct, subject where applicable to the agreement of any other party to such Property Lease or the ORR.

4.2 Such assignment shall be on such terms as the Secretary of State may reasonably require, including:

(a) that the Franchisee shall not be released from any accrued but unperformed obligation, the consequences of any antecedent breach of a covenant or obligation in the Property Leases or any liability in respect of any act or omission under or in relation to the Property Lease prior to, or as at the date of, any such assignment (except to the extent that the Secretary of State or his nominee agrees to assume responsibility for such unperformed obligation, such liability or the consequences of such antecedent breach in connection with the relevant assignment); and

(b) that neither the Secretary of State nor his nominee shall be obliged, in connection with such assignment, to agree to assume responsibility for any unperformed obligation, liability or consequences of a contravention referred to in paragraph 4.2(a), and the Franchisee shall indemnify the Secretary of State or his nominee, as the case may be, on an after-tax basis against any costs, losses, liabilities or expenses suffered or incurred in relation thereto.

4.3 The Franchisee shall, on the occurrence of any of the circumstances specified in paragraph 4.1 in relation to any other Train Operator who is a party to a Property Lease to which the Franchisee is also party, agree to the assignment of such Train Operator's interest under the relevant Property Lease to the Secretary of State or as he may direct, subject, where applicable, to the consent of Network Rail. The provisions of paragraph 4.2 shall apply to any such assignment.

4.4 The Franchisee shall notify the Secretary of State on becoming aware of any circumstances which might lead to the Secretary of State being able to require the Franchisee to assign its interest or agree to the assignment of another Train Operator's interest under this paragraph 4.

5. **Station and Depot Leases**

5.1 The Franchisee shall at all times enforce its rights under each Station Lease and Depot Lease.

5.2 The Franchisee shall not:

(a) terminate or agree to terminate in whole or in part, or take or omit to take any other action which might result in the termination of any Station Lease or Depot Lease;

(b) assign all or part of its interest under any Station Lease or Depot Lease; or

(c) sublet the whole or substantially the whole of the property comprised in any Station Lease or Depot Lease,

except to the extent that the Secretary of State may otherwise agree from time to time (such agreement not to be unreasonably withheld if the Franchisee has made arrangements, reasonably satisfactory to the
Secretary of State, for the continued operation of such Station or Depot (as the case may be) for the remainder of the Franchise Term or if consent to the Closure of the relevant Station or Depot has been granted).

6. **Station Subleases**

6.1 Unless the Secretary of State agrees otherwise, the Franchisee shall not sublet to any of its Affiliates any part of the property comprised in any Property Lease except on terms that any such subletting:

(a) (other than any subletting to an Affiliate which is a Train Operator) is terminable without compensation immediately upon the termination of the Franchise Agreement; and

(b) is excluded from the provisions of Part II of the Landlord and Tenant Act 1954 and the Tenancy of Shops (Scotland) Act 1949.

6.2 If so requested by the Secretary of State, the Franchisee shall:

(a) extend each Station Sublease on the same terms for such period as the Secretary of State may request (including a period equivalent to the franchise term of the Train Operator who is the lessee under such Station Sublease); and

(b) if such Station Sublease terminates (which for the purposes of this paragraph 6.2(b) shall include the termination, at or around the time of termination of the Previous Franchise Agreement, of a station sublease in respect of which the Franchisee was the lessor), grant a new Station Sublease on the same terms to such Train Operator and for such period as the Secretary of State may request (including a period equivalent to the franchise term of the Train Operator who is the lessee under such Station Sublease), subject, where required, to the consent of Network Rail (and, if required, the relevant sub-lessee) and to the duration of the relevant Station Lease.

6.3 The Franchisee shall notify the Secretary of State immediately on it becoming aware of any event which might give the Franchisee a right to forfeit or terminate any Station Sublease. The Franchisee shall notify the Secretary of State if it wishes to forfeit or terminate any such Station Sublease but shall not (without the Secretary of State’s prior written consent) effect such forfeiture or termination until the date which occurs three (3) months after the date of such notice.
Schedule 2.3

Other Franchisees

1. Other Franchisees

1.1 If the franchise agreement of another franchisee terminates or a railway administration order is made in respect of another franchisee, the Franchisee shall co-operate with any reasonable request of the Secretary of State to ensure:

(a) that the services provided or operated by such other franchisee may continue to be provided or operated by any successor Train Operator or the railway administrator; and

(b) that the benefit of any arrangements between the Franchisee and such other franchisee which were designated as a key contract under such franchise agreement immediately prior to its termination or to a railway administration order being made will continue to be provided to any successor Train Operator or to the railway administrator.

1.2 The benefit of any arrangements of the type referred to in paragraph 1.1(b) shall be provided on substantially the same terms as previously obtained by the relevant franchisee, subject to clause 14.8 (Arm's length dealings) and paragraph 1.3 of this Schedule 2.3, provided that the Secretary of State may exclude or modify any terms agreed or amended by such franchisee in the twelve (12) months preceding the date on which such franchisee's franchise agreement was terminated or the date on which the relevant railway administration order was made which were, in the Secretary of State's reasonable opinion, to the material detriment of such franchisee's business. The benefit of such arrangements shall be provided for such period as the Secretary of State may reasonably require to allow the relevant Train Operator or railway administrator to renegotiate such arrangements or make alternative arrangements.

1.3 The Franchisee shall notify the Secretary of State of its intention to terminate any contract with any other Train Operator which is designated as a “Key Contract” under that Train Operator's franchise agreement and shall give that Train Operator sufficient notice to enable it to make suitable alternative arrangements for its passengers without causing disruption to the railway passenger services provided by such Train Operator.

1.4 If the franchise agreement of another franchisee terminates in contemplation of the entry into or entry into effect of a new franchise agreement with the same franchisee in respect of all or a material part of the relevant railway passenger services, the Franchisee shall waive any event of default or other right it may have to terminate any agreement with such franchisee arising out of such termination, provided that the entry into or entry into effect of such new franchise agreement takes place.

1.5 References in this paragraph 1 to “a franchisee” include references to any franchise operator of that franchisee.
Schedule 2.4

NOT USED
Schedule 2.5

Transport, Travel and Other Schemes

1. Local Authority Concessionary Travel Schemes

1.1 The Franchisee shall:

(a) subject to paragraph 1.2, participate in and comply with its obligations under:

(i) the concessionary travel schemes listed in Appendix 1 (List of Transport, Travel and Other Schemes) to this Schedule 2.5; and

(ii) any other concessionary travel scheme which the Franchisee is required to participate in during the Franchise Term pursuant to paragraph 1.1(b); and

(b) subject to paragraph 1.3, if so requested by the Secretary of State, participate in and comply with its prospective obligations under:

(i) any concessionary travel scheme listed in the Franchise Agreement the terms of which have been amended since the date of the Franchise Agreement; and

(ii) such other concessionary travel schemes as any relevant Local Authority may require or request it to participate in.

1.2 Subject to the terms of the relevant concessionary travel scheme, the Franchisee shall be entitled to cease to participate in any scheme referred to in paragraph 1.1(a) where, in the reasonable opinion of the Secretary of State:

(a) the Franchisee's continuing participation in such scheme; and/or

(b) the obligations assumed by the relevant Local Authority in connection therewith,

each pursuant to Part II of the Travel Concession Schemes Regulations 1986 (SI 1986/77) (the “Regulations”), would fail to leave the Franchisee financially no worse off (following consideration of the application of the reimbursement test in paragraph 5(2) of the Regulations) than it was immediately following the Start Date.

1.3 The Secretary of State shall not require the Franchisee to participate in any scheme referred to in paragraph 1.1(b) where the Secretary of State is reasonably satisfied that:

(a) the reimbursement arrangements with respect to the Franchisee's participation in any such scheme; and/or

(b) the obligations to be assumed by such Local Authority in connection therewith,

each pursuant to the Regulations would fail to leave the Franchisee financially no worse off (following consideration of the application of the
reimbursement test in paragraph 5(2) of the Regulations) as a result of such participation.

1.4 The Secretary of State shall consult the Franchisee before making any request of the Franchisee to participate in any amended or new concessionary travel scheme pursuant to paragraph 1.1(b) and shall allow the Franchisee a reasonable opportunity to make representations to him with respect to any such participation.

1.5 The Franchisee shall supply to the Secretary of State, in respect of any concessionary travel schemes referred to in paragraph 1.1(b), such information within such period as the Secretary of State may reasonably require for the purposes of determining whether or not the Franchisee is or will be financially no worse off (following consideration of the application of the reimbursement test in paragraph 5(2) of the Regulations) as a consequence of its participation in any such scheme, and/or the obligations assumed by such Local Authority in connection therewith.

1.6 If the Secretary of State and the Franchisee are unable to agree whether the Franchisee will be financially no worse off (following consideration of the application of the reimbursement test in paragraph 5(2) of the Regulations), the Secretary of State and the Franchisee may resolve such dispute in accordance with the Dispute Resolution Rules.

2. Multi-modal Fares Schemes

2.1 The Franchisee shall:

(a) subject to paragraph 2.2, participate in and comply with its obligations under:

(i) the multi-modal fares schemes set out in paragraph 2 of Appendix 1 (List of Transport, Travel and Other Schemes) to this Schedule 2.5; and

(ii) any other multi-modal fares scheme which the Franchisee is required to participate in during the Franchise Term pursuant to paragraph 2.1(b); and

(b) subject to paragraph 2.3, if so requested by the Secretary of State, participate in and comply with its prospective obligations under:

(i) any multi-modal fares scheme set out in paragraph 2 of Appendix 1 (List of Transport, Travel and Other Schemes) to this Schedule 2.5, the terms of which have been amended since the date of signature of this Agreement; and

(ii) such other multi-modal fares schemes as any relevant Local Authority may require or request it to participate in.

2.2 Subject to the terms of the relevant multi-modal fares scheme, the Franchisee shall be entitled to cease to participate in any scheme referred to in paragraph 2.1(a) where, in the reasonable opinion of the Secretary of State:

(a) the Franchisee's continuing participation in such scheme; and/or
(b) the obligations assumed by the relevant Local Authority in connection therewith,

would fail, by way of distribution of income or otherwise, to render the Franchisee financially no worse off.

2.3 The Secretary of State shall not require the Franchisee to participate in any scheme referred to in paragraph 2.1(b) where the Secretary of State is reasonably satisfied that the Franchisee's participation in any such scheme and/or the obligations to be assumed by the relevant Local Authority in connection therewith, would fail, by way of distribution of income or otherwise, to render the Franchisee financially no worse off.

2.4 In determining whether the Franchisee shall, pursuant to paragraph 2.2, continue to participate or, pursuant to paragraph 2.3, participate in any multi-modal fares scheme, the Secretary of State shall construe the term “financially no worse off” to mean:

(a) in respect of any multi-modal fares scheme set out in paragraph 2 of Appendix 1 (List of Transport, Travel and Other Schemes) to this Schedule 2.5, that the Franchisee incurs no greater financial loss than the financial loss (if any) incurred by the Franchisee at the Start Date under that scheme, as adjusted by reference to any change in the level of prices according to the Retail Prices Index since such date;

(b) in respect of any multi-modal fares scheme which replaces and (in the Secretary of State's reasonable opinion) is reasonably similar to any such scheme as may be set out in paragraph 2 of Appendix 1 (List of Transport, Travel and Other Schemes) to this Schedule 2.5, that the Franchisee incurs no greater financial loss than the financial loss (if any) incurred by the Franchisee at the Start Date under the replaced scheme, as adjusted by reference to any change in the level of prices according to the Retail Prices Index since such date; and

(c) in respect of any multi-modal fares scheme which does not replace or which does replace but which is not (in the Secretary of State's reasonable opinion) reasonably similar to any such scheme or schemes as may be set out in paragraph 2 of Appendix 1 (List of Transport, Travel and Other Schemes) to this Schedule 2.5, such reimbursement arrangements as agreed by the relevant parties to such multi-modal fares schemes (or on failure to agree, as determined by the Secretary of State).

2.5 The Secretary of State shall consult the Franchisee before making any request of the Franchisee to participate in any amended or new multi-modal fares scheme pursuant to paragraph 2.1(b) and shall allow the Franchisee a reasonable opportunity to make representations to it with respect to any such participation.

2.6 The Franchisee shall supply to the Secretary of State, in respect of any multi-modal fares schemes referred to in paragraph 2.1 such information within such period as the Secretary of State may reasonably require for the purposes of determining whether or not the Franchisee is or will be financially no worse off as a consequence of its participation in any such scheme and/or the obligations to be assumed by the relevant Local Authority in connection therewith.
2.7 If the Secretary of State and the Franchisee are unable to agree whether the Franchisee will be financially no worse off, the Secretary of State and the Franchisee may resolve such dispute in accordance with the Dispute Resolution Rules.

3. **Discount Fare Schemes**

3.1 If the Secretary of State:

(a) effects, or proposes to effect, an amendment to a Discount Fare Scheme;

(b) introduces any new Discount Fare Scheme; or

(c) ceases to approve a Discount Fare Scheme,

for the purposes of Section 28 of the Act, such amendment, intended amendment, introduction or cessation of approval shall be a Change.

3.2 The Secretary of State shall provide a reasonable opportunity to the Franchisee to make representations to him before amending, introducing or ceasing to approve a Discount Fare Scheme pursuant to paragraph 3.1.

3.3 The Franchisee shall supply to the Secretary of State, in respect of any Discount Fare Scheme referred to in paragraph 3.1, such information within such period as the Secretary of State may reasonably require for the purposes of determining the financial effect of any such amendment, intended amendment, introduction or cessation of approval.

4. **Inter-Operator Schemes**

4.1 The Franchisee shall participate in and comply with its obligations under the terms of each of the Inter-Operator Schemes.

4.2 Without limiting paragraphs 4.1 and 4.3, the Franchisee agrees to be bound by Parts IV and V of Chapter 4 of the Ticketing and Settlement Agreement and shall not amend, or agree or propose to amend, the Ticketing and Settlement Agreement without the prior written consent of the Secretary of State.

4.3 The Franchisee shall not amend, or agree or propose to amend, any Inter-Operator Scheme other than in accordance with its terms.

4.4 The Franchisee shall:

(a) provide reasonable notice to the Secretary of State of any proposal to amend any Inter-Operator Scheme which it intends to make or of which it receives notification and which, in its opinion, is reasonably likely to materially affect the provision of the Franchise Services; and

(b) have regard to the Secretary of State's views in respect of any such proposal.

4.5 If an amendment is effected or proposed to be effected to an Inter-Operator Scheme which requires the consent or approval of the Secretary of State in accordance with the terms thereof, such amendment shall be treated as a Change to the extent and only to the extent that the Franchisee makes a saving as a consequence of such amendment or proposed amendment.

SCHEDULE 4

Accessibility and Inclusivity

1. **Relationship with other obligations relating to persons with disabilities**

1.1 The Franchisee acknowledges that its obligations in this Schedule 4 are in addition to and do not limit its obligations to comply with:

(a) the EA and any regulations imposed by it;

(b) any applicable condition(s) in any of its Licences (including in respect of persons with disabilities); and

(c) any other requirements of the Franchise Agreement.

1.2 This Schedule 4 sets out:

(a) specific arrangements which apply in respect of physical alterations to stations to facilitate accessibility and use by Disabled Persons; and

(b) specific obligations of the Franchisee directed at meeting the needs of persons with disabilities.

2. **Physical Alterations and Accessibility of Stations**

2.1 In respect of physical alteration works at stations to facilitate accessibility and use by Disabled Persons, it is acknowledged by the Franchisee that:

(a) there is limited funding available to the Secretary of State to assist franchisees and/or franchise operators with the carrying out of those works;

(b) consequently, there is a need for such works to be carried out over a period of time to reflect the availability of funding, and for such works to be prioritised with regard to where there is the greatest need and/or where physical alterations can have the greatest effect; and

(c) the Secretary of State's national programme of works of physical alterations at stations addresses these issues in a structured way.

2.2 The Franchisee shall:

(a) co-operate reasonably with and assist the Secretary of State in the development and furtherance by the Secretary of State of the programme described in paragraph 2.1(c) by providing to the Secretary of State:

(i) information concerning the usage of Stations (including, where and to the extent reasonably practicable, usage of Stations by Disabled Persons); and

(ii) advice as to the most economical way in which accessibility for Disabled Persons could, in the Franchisee's reasonable opinion, be improved at Stations;

(b) co-operate reasonably with other Train Operators and/or Network Rail to seek to ensure that, where it would be advantageous to do so, having regard
to the needs of Disabled Persons, any planned work on the Stations to facilitate accessibility and use by Disabled Persons is, so far as reasonably practicable, co-ordinated with other work to be carried out at the Stations and/or other parts of the network; and

(c) use all reasonable endeavours to secure sources of grant funding (other than from itself or an Affiliate) for improving accessibility for Disabled Persons at Stations (in addition to any funding secured through the Secretary of State pursuant to paragraph 2.5), including from Local Authorities, local development agencies and the National Lottery Commission. The Franchisee shall notify the Secretary of State of:

(i) any such additional funding which it secures; and

(ii) the terms on which such additional funding has been granted.

2.3 In participating in any multi-modal fares scheme, the Franchisee shall use all reasonable endeavours to secure, through the planning and development of such scheme, improvements in disabled access to the entrances of any relevant station, including within and in the immediate proximity of such station.

2.4 If, during the Franchise Term:

(a) the Franchisee has complied with its obligations in Section 20(4) and Section 20(9), as varied by paragraph 2(3) of Schedule 2, of the EA (to take such steps as are reasonable to provide a reasonable alternative method of making services at a Station accessible to a Disabled Person to avoid a Disabled Person being placed at a substantial disadvantage by a physical feature at a Station) and its obligations in paragraph 2.7 concerning Minor Works; and

(b) notwithstanding such compliance, the Franchisee reasonably considers it is still required to carry out or procure physical works of alteration at a Station in order to comply with the EA Requirements in respect of that Station, and, in so carrying out or procuring, would incur expenditure which it would not otherwise have an obligation to incur,

the Franchisee may seek funding from the Secretary of State in respect of that expenditure.

2.5 If the Franchisee seeks funding from the Secretary of State under paragraph 2.4, and demonstrates to the Secretary of State's satisfaction that the criteria in paragraph 2.4 have been satisfied, then the Secretary of State may agree to adjust the amount of Franchise Payments in respect of some or all of the works and/or expenditure. In considering his response to any such request, the Secretary of State will have regard to the availability of funding and the priorities set out in the national programme described in paragraph 2.1(c), together with any other available sources of funding described in paragraph 2.2(c). If and to the extent the Secretary of State agrees to adjust Franchise Payments in accordance with this paragraph 2.5 in any Franchisee Year:

(a) the Secretary of State shall make such adjustment to the Franchise Payments; and
(b) the Franchisee shall spend such additional funds:

(i) in order to comply with the EA Requirements referred to in paragraph 2.4(b); and

(ii) in accordance with any conditions the Secretary of State may notify the Franchisee of.

2.6 If and to the extent the Franchisee is required to pay any increased access charges as a result of additional expenditure required to be incurred by another station Facility Owner for the purpose of complying with the EA Requirements in respect of a Franchisee Access Station, provided that the Franchisee:

(a) notifies the Secretary of State within seven (7) days of becoming aware of any proposal for the increase in such charges (or the works to which they relate); and

(b) complies with the Secretary of State's reasonable directions regarding the exercise of any rights the Franchisee may have in respect thereof,

the imposition of the increased access charges shall be a Change.

2.7 The Franchisee shall:

(a) establish and manage the Minor Works' Budget to fund the carrying out of Minor Works. For the purposes of this paragraph 2.7, Minor Works means small scale physical alterations or additions to improve accessibility of Stations to Disabled Persons, not involving substantial works of construction or reconstruction. The Minor Works:

(i) may, but shall not necessarily include, the Minor Works described in Appendix 1 (Minor Works) to this Schedule 4;

(ii) shall not include any works which Network Rail, the Franchisee or any other person has a separate obligation to carry out, except where:

(A) such obligation is an obligation of the Franchisee under the EA; or

(B) the inclusion of such works would lead to the acceleration of the timescale for their completion and the Secretary of State gives his consent pursuant to paragraph 2.7(a)(iii);

(iii) shall only include works other than those permitted by paragraphs 2.7(a)(i) and 2.7(a)(ii) with the prior consent of the Secretary of State; and

(iv) must comply with the standards provided for in the Code of Practice, unless otherwise agreed with the prior consent of the Secretary of State;
(b) as soon as reasonably practicable (and in any event within four (4) months) after the Start Date and thereafter before the start of each Franchisee Year:

(i) develop a Minor Works' Programme and consult with the Disabled Persons Transport Advisory Committee and relevant Passengers' Council in relation thereto;

(ii) in conjunction with its activities in paragraph 2.7(b)(i), and, consistent with its obligations under paragraph 2.2(b), liaise with Network Rail and other Train Operators as necessary with regard to the determination and implementation of each Minor Works' Programme; and

(iii) following the consultation and liaison described in paragraphs 2.7(b)(i) and 2.7(b)(ii), obtain the Secretary of State's prior approval (such approval not to be unreasonably withheld) of each Minor Works' Programme;

(c) carry out or procure the carrying out of the Minor Works' Programme in each Franchisee Year and in doing so, spend at least the amount of the Minor Works' Budget for the relevant Franchisee Year in such Franchisee Year (unless otherwise agreed by the Secretary of State);

(d) report progress to the Secretary of State in determining and carrying out the Minor Works' Programme no less than once every three (3) Reporting Periods; and

(e) co-operate, as the Secretary of State may reasonably require, with Network Rail or any other person seeking to carry out or procure Minor Works at the Stations or any other stations.

3. Dealing with Claims relating to Stations

3.1 If the Franchisee receives notification of a claim under the EA in respect of any alleged non-compliance with the EA Requirements or otherwise in respect of any Station (an “EA Claim”) then the Franchisee shall:

(a) notify the Secretary of State within seven (7) days of receiving notification of the EA Claim. The Franchisee shall at the same time notify the Secretary of State of any reasonable alternative methods of making services at the Station accessible to Disabled Persons that it has considered and/or put in place pursuant to Section 20(4) and Section 20(9), as varied by paragraph 2(3) of Schedule 2, of the EA;

(b) if required by the Secretary of State, defend the EA Claim or any aspect of the EA Claim (which may include appealing the judgment). The Secretary of State will, subject to paragraph 3.4, pay the Franchisee's reasonable costs of:

(i) any defence or appeal required by the Secretary of State; and/or

(ii) compliance with the Secretary of State's instructions in accordance with paragraph 3.1(c); and

(c) act in accordance with the reasonable instructions of the Secretary of State to defend the EA Claim (or any aspect of it) as required under
paragraph 3.1(b) and shall not (without the prior consent of the Secretary of State) settle or enter into any compromise in relation to the EA Claim (or the relevant aspect of it), including by entering into mediation.

3.2 If, in the reasonable opinion of the Franchisee, it will be more cost effective to settle the EA Claim rather than act in accordance with the Secretary of State's requirement under paragraph 3.1, it shall produce for the Secretary of State's approval a settlement proposal, setting out the terms of the Franchisee's proposals to make an offer to the Disabled Person making the EA Claim and its reasons for making such offer (the “Settlement Proposal”).

3.3 If the Secretary of State does not accept the Settlement Proposal and still requires the Franchisee to defend the EA Claim (or any aspect of it) then the Franchisee shall defend the EA Claim in accordance with paragraph 3.1.

3.4 If the Franchisee is required to defend an EA Claim where it has submitted a Settlement Proposal to the Secretary of State and an award is made in respect of the EA Claim in favour of the person bringing it which is higher than the figure set out in the Settlement Proposal, then, subject to paragraph 3.5, the Secretary of State shall pay to the Franchisee:

(a) the difference between such an award and the figure set out in the Settlement Proposal; and

(b) the further reasonable costs incurred or payable by the Franchisee in defending the EA Claim, to the extent that such costs have not already been paid by the Secretary of State under paragraph 3.1(b).

3.5 The Secretary of State shall not have any obligation to make the payments described in paragraphs 3.1(b) or 3.4 where it is determined or, if no declaration or determination by the court on this point has been sought or made, the Secretary of State, in his reasonable opinion, considers that the Franchisee has not taken such steps as it is reasonable, in all the circumstances of the case, for it to take to provide a reasonable alternative method of making services at the Station accessible to Disabled Persons.

4. Specific additional obligations relating to persons with disabilities

4.1 The Franchisee shall establish and implement procedures necessary to:

(a) record the making of reservations for seating accommodation for and/or the provision of assistance to, persons with disabilities which are made through the Passenger Assistance (or whatever service may replace it from time to time for the purposes of ORR's most recent guidance on Disabled People's Protection Policies);

(b) record whether such seating accommodation and/or assistance is actually provided; and

(c) provide such records to the Secretary of State on his request.

4.2 Any helpline established by the Franchisee for the purposes of making reservations for seating accommodation for and/or the provision of assistance to, persons with disabilities shall be provided free of charge.
4.3 Where the Franchisee’s Disabled People's Protection Policy:

(a) has been established before the date of the Franchise Agreement; and

(b) has not been revised and approved by the ORR to take into account the ORR’s most recent published guidance on Disabled People's Protection Policies as at the date of the Franchise Agreement,

the Franchisee shall within six (6) months of the date of the Franchise Agreement revise its Disabled People's Protection Policy such that it complies with that guidance, and obtain the ORR's approval of the revised version.

Exceeding the Regulated Value, Regulated Price or Regulated Child Price

1. **Exceeding the Regulated Value**

1.1 If the Franchisee is in contravention of paragraph 1 of Schedule 5.4 (Regulation of Fares Basket Values) in respect of either the Commuter Fares Basket or the Protected Fares Basket:

(b) such excess is caused by the Price or Child Price of any relevant Commuter Fare being set pursuant to the terms of the Ticketing and Settlement Agreement by another person (other than an Affiliate); and

(c) the Franchisee does not have a reasonable opportunity, under any procedure for consulting or notifying Train Operators of alterations to the Prices and Child Prices of Fares under the Ticketing and Settlement Agreement or otherwise, to alter some or all of the other Commuter Fares in the Commuter Fares Basket so as to avoid the Value of the Commuter Fares Basket exceeding its Regulated Value.

1.4 If and to the extent that the circumstances described in paragraph 1.3 prevail in any Fare Year, the Franchisee shall not subsequently increase during that Fare Year,
or any subsequent Fare Year, the Price or Child Price of any Commuter Fare in the Commuter Fares Basket which it is entitled to set pursuant to the terms of the Ticketing and Settlement Agreement, unless, following such increase, the Franchisee would, otherwise than under paragraph 1.3, comply with the provisions of paragraph 1 of Schedule 5.4 (Regulation of Fares Basket Values) in relation to the Commuter Fares Basket.

1.5 Where circumstances described in paragraph 1.3 prevail in any Fare Year, the Franchisee shall not be required to reduce the Price or Child Price of any other Commuter Fare at any time during that Fare Year, or any subsequent Fare Year, where such Price or Child Price has previously been set in a Fares Setting Round.

2.2 Any adjustment to Franchise Payments by the Secretary of State pursuant to paragraph 2.1:

(a) the value of factor A is re calculated by using the Gross Revenue in respect of the sales of the relevant Fares for the most recently completed period of twelve (12) months ending 31 March; and/or

(b) the value of factor B is recalculated by using the Price or Child Price (as the case may be) of the relevant Fares recorded by RSP in the month of February during such period.

2.2 The Secretary of State shall act reasonably in relation to any such application but shall not under any circumstances be obliged to accept any such application in whole or in part. The Secretary of State shall be entitled to impose conditions upon any such acceptance, including conditions requiring that the value of both factors A and B are adjusted and/or are adjusted in respect of any or all Fares in the relevant Fares Basket.

3. Changes to the Reference Revenue, Gross Revenue, 2010 Nominal Ticket Sales and/or 2010 Ticket Revenue

3.1 The Secretary of State may, by notice in writing served on the Franchisee no later than the date of commencement of any Fares Setting Round, require:

(a) the Reference Revenue of any Fares Basket to be calculated by reference to a different reference period for the purpose of paragraph 2 of Schedule 5.3 (Allocation of Fares to Fares Baskets) than the period of twelve (12) months ended 31 March 2010; and/or

(b) the Gross Revenue of all Commuter Fares and Protected Fares to be recalculated for the purpose of paragraph 2 of Schedule 5.3 (Allocation of Fares to Fares Baskets) by reference to a different reference period than the period of twelve (12) months ended 31 March 2010; and/or

(d) the value of factor B in the formula for determining the 2010 Nominal Ticket Sales in paragraph 3 of Schedule 5.4 (Regulation of Fares Basket Values) to be recalculated in respect of any Fare by reference to a different reference date other than February 2010; and/or
(e) the 2010 Ticket Revenue in respect of any Fares Basket to be recalculated for the purpose of paragraph 4 of Schedule 5.4 (Regulation of Fares Basket Values) by reference to a different reference period than the period of twelve (12) months ended 31 March 2010.

3.2 Where, in accordance with paragraph 3.1(e), the 2010 Ticket Revenue in respect of any Fares Basket is recalculated by reference to a different reference period, the value of “PPAI” in paragraph 4 of Schedule 5.4 (Regulation of Fares Basket Values) shall be determined solely by reference to the product of the Permitted Aggregate Increase for each Fare Year beginning after the end of such reference period.

3.3 Any revision pursuant to paragraph 3.1 or 3.2 shall take effect upon commencement of the next Fare Year to commence after the Fares Setting Round referred to in paragraph 3.1.

(i) the letting of a franchise agreement or concession agreement in relation to the operation of the Crossrail Services; or

(ii) the implementation of the Crossrail Programme,

except that, to the extent that paragraph 1.6(b)(i) or (ii) lead to the Franchisee having rights under railway industry practices including Network Change and Station Change, the Franchisee may make reasonable objections with a view to mitigating the impact of the Crossrail Programme and its implementation on passengers and the Franchise Services, whilst recognising the need for the Crossrail Programme to be able to be undertaken in a reasonable manner;

In the event such notification has been given and the Franchisee believes that:

(a) there is any conflict between instructions received from TfL and instructions received from the Secretary of State; or

(b) instructions received from TfL are inconsistent with the terms of this Agreement,

the Franchisee shall notify the Secretary of State forthwith identifying the conflict or inconsistency. The Franchisee shall act in accordance with instructions received from the Secretary of State in relation to any such matter. The Franchisee shall not be liable for any failure to act in accordance with the instructions of TfL where such a conflict or inconsistency is established to the extent that such failure was a consequence of such conflict or inconsistency.

2.2 In respect of any plan developed by Network Rail pursuant to paragraph 2.1 above, the Franchisee shall:

(a) use all reasonable endeavours to provide assistance to Network Rail, any relevant ROSCO and any other relevant third party in connection with the development of the elements of the plan relating to:

Where instructed to do so by the Secretary of State the Franchisee shall fully and effectively co-operate with the Secretary of State and relevant interested parties identified by him including Network Rail, Transport for London and Heathrow Airport Limited in relation to development work in connection with the development and provision of a new rail access to Heathrow Airport from Routes over which the Passenger Services are operated and the integration of such new rail access with the network of Network Rail and the passenger services operating over it.

5. **Creation of an Island Line Business Unit and Cooperation**

5.1 With effect from the Start Date, the Franchisee shall reorganise the business of providing the Franchise Services by the creation of a business unit (the “**Island Line Business Unit**”) in relation to the Island Line Services. The Franchisee shall ensure that, on and following its creation on the Start Date, the Island Line Business Unit shall be subject to separate accounting and reporting arrangements which shall, for these purposes, include an obligation on the Franchisee to implement and maintain such financial reporting systems as are reasonably required by the Secretary of State for the purpose of identifying the costs and revenues associated with the operation of the Island Line Services (including the establishment and maintenance of separate financial statements (including a profit and loss account) for the Island Line Business Unit).

5.2 The Franchisee shall from the Start Date fully and effectively co-operate with the Secretary of State and any and all interested bodies and/or relevant stakeholders including, the Isle of Wight Council, the ORR, Network Rail and the Solent Local Enterprise Partnership (together the “**Island Line Stakeholders**”), in respect of any future discussions, consultations, plans and/or proposals in relation to the future operation of the Island Line Services.

5.2A The Franchisee shall throughout the Franchise Term make available on secondment to the Isle of Wight Council its “Solent & South” Regional Development Manager (or other suitable Franchise Employee) for not less than four days per month. The role of the Regional Development Manager (or other suitable Franchise Employee) shall be to work with representatives of the Isle of Wight Council and Island Line

The Regional Development Manager (or other suitable Franchise Employee) shall have reasonably appropriate experience and knowledge to fulfil the specified role.

5.3 Pursuant to paragraph 5.2, and without limiting the provisions of paragraph 2 of Schedule 15.1 (Reletting Provisions), the Franchisee shall, if so requested by the Secretary of State (including in connection with any proposal (whether or not yet finalised) to transfer any Franchise Services to a Replacement Island Line Operator (including any invitation to potential Replacement Island Line Operators to tender for the right and obligation to provide any Franchise Services in succession to the Franchisee)), provide the:

(a) Secretary of State (or any of his advisers, employees, representatives, nominees or agents); and/or

(b) Island Line Stakeholders specified by the Secretary of State (or any of their advisers, employees, representatives, nominees or agents),

with such information, reports and analysis as the Secretary of State may specify in respect of the Island Line Business Unit. This may include:

(i) operational and financial information, data, reports and analysis (including driver, other train crew and rolling stock diagrams, health and safety and environmental information, information about Franchise Employees employed in relation to the delivery of Franchise Services in connection with the Island Line Stations and the Island Line Passenger Services, information about relevant real property and Network Rail charges and performance data);

(v) any other relevant information as the Secretary of State (or any of his advisers, employees, representatives, nominees or agents) may specify from time to time.

5.4 Where applicable, if so requested by the Secretary of State the Franchisee shall provide upon reasonable notice access to the Island Line Stations and other related facilities to the Secretary of State (or any of his advisers, employees, representatives, nominees or agents) including access accompanied by representatives of bidders seeking to become a Replacement Island Line Operator and their advisers and/or Island Line Stakeholders and their advisers, provided that such access shall not interfere in any material way with the performance by the Franchisee of its obligations in connection with the Franchise Services.
5.5 The Franchisee and the Secretary of State acknowledge that if it is decided to transfer responsibility for the Island Line Services to a Replacement Island Line Operator during the Franchise Term a Variation will be required pursuant to Schedule 9.3 (Variations to the Franchise Agreement and Incentivising Beneficial Change) of the Franchise Agreement.

5.6

(a) Subject to sub paragraph (b) below, the Franchisee shall at the direction of the Secretary of State enter into a Replacement Island Line Lease effective from the end of the lease term of the Island Line Lease and with such terms as are necessary to:

(i) secure the continued provision of the Island Line Services; and

(ii) enable the transfer of any Franchise Services to a Replacement Island Line Operator,

it being acknowledged and agreed that the Secretary of State shall issue any such direction by 31 August 2017 (or such later date as the Secretary of State may reasonably determine and confirm in writing to the Franchisee). The Franchisee shall not enter into any Replacement Island Line Lease without the Secretary of State's prior approval to its terms. Where the Secretary of State has issued a direction pursuant to this paragraph 2.1(a) he may withdraw it before the date on which the Franchisee has entered into a Replacement Island Line Lease if he exercises the Island Line Future Operation Priced Option in accordance with paragraph 16 of Part 1 of Schedule 6.2.

(b) In the event that the Secretary of State exercises the Island Line Future Operations Priced Option in accordance with paragraph 16 of Schedule 6.2 the right of the Secretary of State to direct the Franchisee to enter into a Replacement Island Line Lease shall lapse and the terms of the Replacement Island Line Lease shall be those contained in the draft Replacement Island Line Lease submitted to the Secretary of State with the Island Line Future Operation Priced Option or such amended version the terms of which have obtained the prior approval of the Secretary of State.

5.7 The Franchisee shall not be in contravention of paragraph 5.6 if and to the extent the Franchisee has used all reasonable endeavours to agree a Replacement Island Line Lease in accordance with any direction from the Secretary of State but where Network Rail refuses to enter into any such Replacement Island Line Lease.

5.8 The Franchisee and the Secretary of State acknowledge and agree that the Island Line Lease and any Replacement Island Line Lease shall in each case constitute and be treated for the purposes of this Agreement as a Property Lease.

6. Island Line CCI Scheme

6.1 No later than three (3) months prior to the start of each Island Line CCI Period, the Franchisee shall provide to the Secretary of State details of those initiatives, works or proposals (each an "Island Line CCI Scheme") which the Franchisee proposes to undertake in that Island Line CCI Period in order to resolve or mitigate issues raised with the Franchisee through the consultations as carried out pursuant to
paragraph 8 of Schedule 7.2 (National Rail Passenger Surveys, Customer Report and CCI Scheme). The Franchisee shall use all reasonable endeavours to propose, in respect of each Island Line CCI Period, Island Line CCI Schemes with an aggregate projected Island Line CCI Scheme Shortfall of not less than the aggregate of the Island Line CCI Amount for each Franchisee Year in the relevant Island Line CCI Period.

6.2 In relation to each Island Line CCI Scheme proposed by the Franchisee pursuant to paragraph 6.1 the Franchisee shall provide:

(a) details of the specific issues which that Island Line CCI Scheme is intended to resolve or mitigate (including how those issues have been identified) and how that Island Line CCI Scheme will resolve or mitigate those issues; and

(b) fully worked up details of the Island Line CCI Scheme sufficient to enable the Secretary of State to evaluate the same, including:

(i) a timetable for the implementation of that Island Line CCI Scheme, setting out the proposed commencement and completion date of such Island Line CCI Scheme and any other key dates and milestones;

(ii) details of the projected Island Line CCI Scheme Cost; and

(iii) details of the projected Island Line CCI Scheme Revenue.

6.3 The Franchisee shall provide the Secretary of State with such further information in relation to any Island Line CCI Scheme proposed by the Franchisee pursuant to paragraph 6.1 as the Secretary of State may reasonably require.

6.4 An Island Line CCI Scheme proposed by the Franchisee pursuant to paragraph 6.1 shall not be an Approved Island Line CCI Scheme unless and until approved by the Secretary of State pursuant to this paragraph 6.4. Without limitation, the Secretary of State may withhold his approval to any proposed Island Line CCI Scheme which:

(a) has not been identified and/or developed in accordance with the Customer and Stakeholder Engagement Strategy;

(b) is not designed to resolve or mitigate issues raised with the Franchisee through the consultations referred to in paragraph 8 Schedule 7.2 (National Rail Passenger Surveys, Customer Report and CCI Scheme);

(c) has a completion date falling later than the end of the relevant Island Line CCI Period;

(d) is projected to generate an Island Line CCI Scheme Commercial Return or in relation to which the Secretary of State considers the Island Line CCI Scheme Costs (or any part of them) to be too high or disproportionate to the benefits accruing from the Island Line CCI Scheme;

(e) the Franchisee is otherwise funded to undertake; or

(f) in the opinion of the Secretary of State, amounts to actions or steps which the Franchisee is otherwise obliged to take or which any competent train operator should be taking in relation to the operation of the Franchise.
6.5 Approved Island Line CCI Schemes shall be deemed to be, and treated for the purposes of this Agreement as, Committed Obligations.

6.6 Paragraph 6.8 will apply if:

(a) the aggregate projected Island Line CCI Scheme Shortfall in respect of all Approved Island Line CCI Schemes for any Island Line CCI Period is less than the aggregate of the Island Line CCI Amount for each Franchisee Year in that Island Line CCI Period; or

(b) subject to paragraph 6.7 in any Island Line CCI Period, in the Secretary of State's reasonable opinion, the aggregate of the actual Island Line CCI Scheme Shortfall incurred by the Franchisee during that Island Line CCI Period upon Approved Island Line CCI Schemes is less than the aggregate of the Island Line CCI Amount for each Franchisee Year in that Island Line CCI Period,

in each case the underspend against the aggregate Island Line CCI Amount being the “Island Line CCI Underspend”.

6.7 If:

(a) the amount of the Island Line CCI Scheme Costs actually incurred by the Franchisee in relation to any Approved Island Line CCI Scheme exceed the projected Island Line CCI Scheme Costs notified to the Secretary of State pursuant to paragraph 6.2 for such Approved Island Line CCI Scheme, then the amount of the excess shall not amount to Island Line CCI Scheme Cost; or

(b) in the Secretary of State's reasonable opinion, the amount of the Island Line CCI Scheme Revenue actually earned by the Franchisee in relation to any Approved Island Line CCI Scheme is less than the projected Island Line CCI Scheme Revenue notified to the Secretary of State pursuant to paragraph 6.2 for such Approved Island Line CCI Scheme then, for the purposes of paragraph 6.6(b) the actual Island Line CCI Scheme Revenue shall be deemed to be the projected Island Line CCI Scheme Revenue.

6.8 Where this paragraph 6.8 applies the Secretary of State may require:

(a) all or part of the Island Line CCI Underspend to be added to the Island Line CCI Amount for the first Franchisee Year in the subsequent Island Line CCI Period;

(b) the Franchisee to propose further Island Line CCI Schemes using all or part of the Island Line CCI Underspend by such new deadline as the Secretary of State may specify;

(c) the Franchisee to spend all or part of the Island Line CCI Underspend in such manner as the Secretary of State may direct; and/or

(d) the Franchisee to pay all or part of the Island Line CCI Underspend to the Secretary of State,
provided that paragraph 6.8(d) shall automatically apply in respect of the last Island Line CCI Period unless the Secretary of State specifies otherwise.

6.9 Any Franchise Asset arising as a result of an Approved Island Line CCI Scheme shall be designated as a Primary Franchise Asset and shall not be de-designated as such. Any such Primary Franchise Asset which falls to be valued in accordance with the Supplemental Agreement shall be valued at nil.

7. Station Improvements

7.1 The Franchisee shall procure that by no later than **31 August 2019**27 all existing lamps that light parts of each of the Stations used by passengers (including station forecourts, platforms and car parks) are replaced with commissioned and operational new LED lighting to a reasonably appropriate standard (including any standard prescribed by Network Rail) which must include a lamp design life of at least eight years.

7.2 The Franchisee shall procure that by no later than **28 February 2020**28 the footbridge linking the platforms at Pokesdown station is fitted with new commissioned and operational lifts (one on each platform) so that such footbridge is fully accessible to passengers with impaired mobility and the Franchisee shall enter into such agreements with Network Rail as may be required to install and commission such new lifts on the basis that the Franchisee shall meet the consequent costs incurred by Network Rail.

7.3 The provisions of Part 2 (Special Terms Related to Committed Obligations) of Schedule 6.2 (Committed Obligations) shall apply to this paragraph 7 *mutatis mutandis* as if this paragraph 7 had been set out in Schedule 6.2 (Committed Obligations).

8. Status of Guildford and Clapham Junction stations

8.1 In accordance with paragraph 3.2(d) of the Appendix to the Conditions Precedent Agreement the Franchisee shall enter into Station Leases with Network Rail in relation to each of Guildford and Clapham Junction stations prior to the Start Date on the basis that such Station Leases shall be surrendered on or around **31 March 2018**29 and both Guildford and Clapham Junction stations shall then become Managed Stations. Such surrenders shall not constitute a Change. The Franchisee shall enter into such other agreements or arrangements as Network Rail may reasonably require for the purpose of facilitating the transfer of relevant employees, assets, rights and liabilities on the basis of appropriate apportionments by reference to the date that such stations become Managed Stations. It is acknowledged that each of Guildford and Clapham Junction Stations becoming Managed Stations as contemplated by this paragraph 8.1 shall be treated as a disaggregation of Franchise Services which is covered by paragraph 5.2 of Schedule 16 (Pensions).

The Secretary of State shall be permitted to serve such a notice in relation to one such station and subsequently serve a second such notice in respect of the other.

8.3 Where the Secretary of State serves notice on the Franchisee pursuant to paragraph 8.2 requiring the Franchisee to enter into such a Station Lease after the relevant station has become a Managed Station the Franchisee shall:

(a) enter into a Station Lease in relation to Guildford and/or Clapham Junction stations as the case may be effective from the date specified in the notice from the Secretary of State; and

(b) enter into such other agreements or arrangements as Network Rail may reasonably require for the purpose of facilitating the transfer of relevant employees, assets, rights and liabilities on the basis of appropriate apportionments by reference to the date that the Franchisee shall become lessee of the relevant station.

The provisions of paragraph 2 of Schedule 2.1 (Asset Vesting and Transfer) shall apply where the Franchisee is required to enter into any new Station Lease pursuant to this paragraph.

8.4 Where notice is served by the Secretary of State pursuant to paragraph 8.2 the Secretary of State shall give the Franchisee at least six months’ notice of the date upon which the new Station Lease shall commence.

8.5 The Franchisee entering into a Station Lease in relation to Guildford and/or Clapham Junction stations following the service of a notice pursuant to paragraph 8.2 shall be a Change.

8.6 If at any time whilst Guildford or Clapham Junction is a managed station it is proposed that an agreement between Network Rail and the Franchisee is entered into in relation to the management or operation of such station the Franchisee shall not enter into such agreement unless it has obtained the prior approval of the Secretary of State (such approval not to be unreasonably withheld or delayed).

9. Potential devolution to Transport for London

9.1 Co-operation by the Franchisee in relation to the consideration and development of proposal(s) to transfer some or all of the Greater London Franchise Services to a Greater London Services Concessionaire

The Franchisee shall to the extent reasonably required by the Secretary of State fully and effectively co-operate with him, TfL, Network Rail, ORR and such other relevant stakeholders as the Secretary of State may reasonably specify for the purposes of considering and developing any proposal to transfer some or all of the Greater London Franchise Services to a Greater London Services Concessionaire.

(ii) remapping of passenger services between franchises

and shall comment on how its proposals might be most effectively implemented identifying relevant costs and risks and how they might be minimised or mitigated.

11.2 For the purposes of informing the production of the report the Franchisee shall use all reasonable endeavours to engage effectively with all other Train Operators, and open access passenger operators and freight operators using each relevant route together with Network Rail and relevant Stakeholders.

11.3 The Secretary of State shall have the right to require the Franchisee to produce revised and updated reports in relation to any of the Specified Routes to a specification provided by him on reasonable notice so that such reports are submitted to the Secretary of State on any of 1 December 2018, 1 December 2019 and 1 December 2020.

11.4 As required by the Secretary of State the Franchisee shall meet with the Secretary of State to discuss the contents of any report provided to the Secretary of State pursuant to this paragraph and provide such further information and analysis as he may reasonably require.

13. **TSS Enhancement Services**

13.1 The Secretary of State and the Franchisee acknowledge that:

(a) the Train Service Specification specifies a significant increase (in terms of number and frequency) in the provision of Passenger Services on certain Routes (each a “**TSS Enhancement Service**”) and that the Secretary of State will wish to review whether the:

(i) benefits of the continued provision of any TSS Enhancement Service, in the reasonable opinion of the Secretary of State, outweigh the costs of operating any such TSS Enhancement Service; and

(ii) level of passenger demand for such TSS Enhancement Services is considered likely to have, in the reasonable opinion of the Secretary of State, a positive commercial or economic value-for-money case for implementing further enhancements to Passenger Services, either on those Routes or on other Routes; and

(b) in undertaking the review contemplated in paragraph 13.1(a), it may not be feasible to effectively determine the benefits and the specific passenger demand generated by a particular TSS Enhancement Service as distinct from that generated by other Passenger Services operating on the same Route.

13.2 Accordingly, at the request of the Secretary of State and within two months from the date of any such request (or such alternative period as may be agreed by the Secretary of State), the Franchisee shall submit a report containing such information and analysis as the Secretary of State may reasonably request in relation to any Relevant Service. In particular (without limitation), such information and analysis may include:

(e) an assessment of whether, taking into account the level of passenger demand for a Relevant Service there is likely to be a commercial or a value-for-money economic case for further enhancements to Passenger Services (either on the Routes on which such TSR Enhancement Service operates, or on other Routes).

13.3 For the purposes of this paragraph 13, a “Relevant Service” is a Passenger Service identified as such by the Secretary of State in a written notice served by him on the Franchisee.

13.4 In relation to the reports required to be provided by the Franchisee under paragraph 13.2 the Secretary of State:

(a) shall only be entitled to require the Franchisee to submit no more than one such report in any twelve month period;

(b) may request that any such report is provided in relation to one or more Relevant Services and by reference to such level of disaggregation (including by Route or Service Group or journey time (such as early – morning and late – evening Passenger Services in general)) as the Secretary of State may reasonably require; and

(c) shall, prior to issuing a request to the Franchisee to submit a report pursuant to paragraph 13.2, consult the Franchisee such that the Franchisee has the opportunity to comment on whether or not it will be feasible to provide the information and analysis that the Secretary of State intends to request in exercise of his rights pursuant to paragraph 13.2. In exercising his rights under paragraph 13.2 to require the Franchisee to submit a report the Secretary of State shall have due regard to any such comments made by the Franchisee.

13.5 Following the submission of any report required pursuant to paragraph 13.2 the Franchisee shall:

(a) promptly respond to the Secretary of State’s reasonable queries in relation to such report (including the provision of such assistance as the Secretary of State may reasonably require in connection with the verification of any information contained in such report);

(b) upon reasonable notice, attend any such meeting as the Secretary of State may reasonably require for the purposes of discussing the contents of any such report; and

(c) at the request of the Secretary of State, prepare and submit to the Secretary of State within the timescales specified in any such request (or such other timescales as may be agreed by the Secretary of State and the Franchisee) a plan for the introduction of such further enhancements to Passenger Services (either on the Routes on which such TSS Enhancement Service
operates, or on other Routes) ("Further Enhancement Services"), such plan to include:

(i) the impacts (if any) that the introduction of such Further Enhancement Services will have on the delivery of the Franchise Services including the expected impacts on costs and revenues;

(ii) any additional costs or risks that might be imposed on Network Rail as a direct consequence of the introduction of the Further Enhancement Services;

(iii) the expected operational performance impacts that the introduction of the Further Enhancement Service will have on operational performance by reference to Cancellations Benchmarks, the Annual Cancellations Benchmarks, the TOC Minute Delay Benchmarks, the Annual TOC Minutes Delay Benchmarks, the Short Formations Benchmarks, the Annual Short Formations Benchmarks, PPM and CaSL; and

(iv) the expected operational performance impacts that the introduction of the Further Enhancement Services will have on Train Operators and freight operators whose railway passenger services or freight services (as the case may be) may be directly or indirectly affected by the introduction of the Further Enhancement Services.

13.6 It is agreed by the Secretary of State and the Franchisee that the Secretary of State may require the Franchisee to implement a plan as submitted by the Franchisee to the Secretary of State pursuant to paragraph 13.5(c) and any such requirement by the Secretary of State shall be a Change.

14. Infrastructure Projects

14.1 The Franchisee shall from the Start Date until completion of each Infrastructure Project engage constructively with all relevant parties responsible for the delivery of such Infrastructure Project with the intention of assisting its timely, efficient and effective completion.

14.2 To the extent that any Infrastructure Project leads to the Franchisee having rights under railway industry procedures (including Network Change and Station Change) the Franchisee shall not act in a way designed to directly or indirectly prevent, prejudice or frustrate the delivery of such Infrastructure Project and the Franchisee shall not unreasonably raise any objection under any railway industry procedure (including Network Change or Station Change) and any reasonable objections shall be raised by the Franchisee in accordance with the relevant railway industry procedures. It is acknowledged that the Franchisee may make reasonable objections with a view to mitigating the impact of the Infrastructure Projects and their implementation on passengers and the Franchise Services, while recognising the need for the Infrastructure Projects to be able to be undertaken in a reasonable manner.

(b) in any event introduce 27 units of CP5 Rolling Stock into passenger service by 31 January 2018;

(c) subsequent to the introduction of each unit of CP5 Rolling Stock set out in the table in paragraph 19.1(a) into passenger service, use all reasonable endeavours to operate 27 units of CP5 Rolling Stock in accordance with the Plan of the Day for the relevant day with at least the passenger carrying capacity specified in the Train Plan.

19.2 The Franchisee shall not be in breach of its obligation under paragraph 19.1 (and accordingly there shall not be a contravention of this Agreement) if and to the extent that failure to introduce one or more units of CP5 Rolling Stock into passenger service on or before the relevant date for introduction into passenger service set out in column 2 of the table in paragraph 19.1(a), arises as a result of a failure by Angel Trains to deliver to the Franchisee one or more units of CP5 Rolling Stock in accordance with the terms of the CP5 Rolling Stock Lease in circumstances where the Franchisee has used all reasonable endeavours to enforce relevant obligations against Angel Trains provided that the Franchisee shall only be required to commence any court proceedings or other form of dispute resolution against Angel Trains in circumstances where a reasonable skilled and experienced train operator would take such action.

19.3 Where the circumstance referred to in paragraph 19.2 applies the Franchisee shall:

(a) notify the Secretary of State promptly upon becoming aware of any anticipated or actual delay to the introduction into passenger service of one or more units of CP5 Rolling Stock on or after the Start Date of the fact that Angel Trains has failed or is anticipated to fail to deliver to the Franchisee
one or more units of CP5 Rolling Stock in accordance with the terms of the CP5 Rolling Stock Lease (a "CP5 RS Unavailability");

(b) use all reasonable endeavours to mitigate the effects of the relevant CP5 RS Unavailability;

(c) provide the Secretary of State updates on any CP5 RS Unavailability in accordance with paragraph 21 (Project Management), including any management escalation process with Angel Trains which the Franchisee has taken or plans to take to address the CP5 RS Unavailability.

19.4 Subject to paragraph 19.2, where the Previous Franchisee or the Franchisee has failed to introduce one or more units of CP5 Rolling Stock into passenger service by the date specified in column 2 of the table in paragraph 19.1(a):

(a) a CP5 RS Franchise Payment Adjustment shall be paid by the Franchisee to the Secretary of State:

(i) in respect of a failure by the Previous Franchisee to introduce one or more units of CP5 Rolling Stock into passenger service by the date specified in column 2 of the table in paragraph 19.1(a) before the Start Date, from the Start Date until the relevant unit has been introduced into passenger service; and

(ii) in respect of a failure by the Franchisee to introduce one or more units of CP5 Rolling Stock into passenger service by the date specified in column 2 of the table in paragraph 19.1(a) on and after the Start Date, from the relevant date specified in column 2 of the table at paragraph 19.1(a) until the relevant unit has been introduced into passenger service

The amount of the CP5 RS Franchise Payment Adjustment payable by the Franchisee to the Secretary of State shall be calculated as [REDACTED] per vehicle within the relevant unit (which shall be indexed by the Retail Prices Index in the same way as variable costs are indexed in Schedule 8.2 (Profit Share Mechanism) multiplied by the number of days in the relevant Reporting Period following either the Start Date (in respect of a CP5 RS Franchise Payment Adjustment payable pursuant to paragraph 19.4(a)(i)) or the date specified in column 2 of the table in paragraph 19.1(a) (in respect of a CP5 RS Franchise Payment Adjustment payable pursuant to paragraph 19.4(a)(ii)) during which the relevant vehicle was not in passenger service, multiplied by the number of vehicles in the unit; and

(b) relevant CP5 RS Franchise Payment Adjustments shall be payable on a Reporting Period basis so that the Secretary of State shall be paid by way of an adjustment to the Franchise Payment for any Reporting Period the

19.5 The provisions of Part 2 (Special Terms Related to Committed Obligations) of Schedule 6.2 (Committed Obligations) shall apply to this paragraph 19 mutatis mutandis as if this paragraph 19 had been set out in Schedule 6.2 (Committed Obligations).

20. Gauging Risk

20.1 The Secretary of State and the Franchisee agree that:

(a) the introduction of the CP5 Rolling Stock into passenger service on the South West Core Network will require certain works (being potentially both infrastructure works and alterations to the CP5 Rolling Stock) to be undertaken in order that the CP5 Rolling Stock obtains route clearance from Network Rail ("CP5 Gauging Works");

(b) the Franchisee will be required from the Start Date to incur costs in consequence of such CP5 Gauging Works;

(c) Acceptance of the first unit of CP5 Rolling Stock is conditional upon all CP5 Gauging Works on the South West Electrified Network being planned to be completed by no later than the anticipated Acceptance date of the first unit of CP5 Rolling Stock (being 9 June 2017) provided that if some or all the CP5 Gauging Works are not completed by such date, the first unit of CP5 Rolling Stock may be Accepted if all CP5 Gauging Works relating to the South West Core Network have been completed and the outstanding CP5 RS Gauging Works are scheduled to be completed by no later than 31 January 2019;

(d) where all CP5 Gauging Works relating to the South West Core Network have been completed, no further CP5 Gauging Works shall be required on the South West Core Network after Acceptance of that first unit has occurred.

20.2 The Franchisee shall act reasonably in seeking to minimise any CP5 Gauging Works which are outstanding at the Start Date and their cost to the greatest extent reasonably practicable. If the Franchisee is notified by Siemens, or itself reasonably believes that CP5 Gauging Works of any nature are required to be undertaken in order to achieve route clearance from Network Rail, it shall notify the Secretary of State and seek his prior written consent to proceed. The Franchisee shall provide with such notification a report explaining the nature of the relevant CP5 Gauging Works, why they are required, and an estimate of the costs for such works and an analysis of the potential impact on the introduction into passenger service of the CP5 Rolling Stock. The Franchisee shall provide such further information as the Secretary of State shall reasonably request in order for the Secretary of State to reasonably evaluate the request for consent. The Secretary of State shall not unreasonably withhold or delay his consent to a request from the Franchisee pursuant to this paragraph it being agreed that:

(a) it will be reasonable for the Secretary of State to withhold his consent if, in consequence of giving his consent, the amount of the CP5 Gauging Works Franchise Payment Adjustments payable pursuant to paragraph 20.4 and/or any CP5 RS Siemens Expenditure Franchise Payment Adjustment payable pursuant to paragraph 20.5 would, when taken in aggregate, be likely to
exceed [REDACTED47] (such amount being the “Maximum SoS Contribution”) when further taken in aggregate with any CP5 Gauging Works Franchise Payment Adjustment and any CP5 RS Siemens Expenditure Franchise Payment Adjustment already paid, including any equivalent payments paid to the Previous Franchisee, in respect of works previously undertaken in the programme of gauge clearance for the CP5 Rolling Stock (which amount shall not be indexed); and

(b) without prejudice to any other reason the Secretary of State may have for withholding his consent, it will be unreasonable for the Secretary of State to withhold his consent if:

(i) in the reasonable opinion of the Secretary of State the aggregate amount of the direct costs payable to third parties (excluding any profit to the Franchisee) in furtherance of the CP5 Gauging Works ("CP5 Gauging Costs") likely to be properly incurred by the Franchisee (before application of this paragraph) is less than [REDACTED48] (such amount being the “Gauging Costs Cap”) (which amount shall not be indexed) when taken in aggregate with any direct costs previously incurred, including by the Previous Franchisee, in respect of works previously undertaken in the programme of gauge clearance for the CP5 Rolling Stock (which amount shall not be indexed); or

(ii) in the reasonable opinion of the Secretary of State the amount of the CP5 Gauging Costs likely to be properly incurred by the Franchisee (before application of this paragraph) in furtherance of the CP5 Gauging Works when aggregated with any equivalent costs previously incurred by the Previous Franchisee is greater than the Gauging Costs Cap but Siemens, Angel Trains or any appropriate third party has agreed in a legally binding form enforceable by the Secretary of State to bear all of the costs of the CP5 Gauging Works in excess of such aggregate amount.

20.3 If following the granting by Secretary of State of his consent pursuant to paragraph 20.2 the Franchisee becomes aware that additional CP5 Gauging Works are required and/or that the CP5 Gauging Costs will be greater than the estimate of such costs provided to the Secretary of State, the Franchisee shall notify the Secretary of State and seek his consent to carry out the additional CP5 Gauging Works and/or for additional funding in respect of the increased CP5 Gauging Costs. The Franchisee shall provide such further information as the Secretary of State shall reasonably request in order for the Secretary of State to reasonably evaluate the request for

consent. The Secretary of State shall not unreasonably withhold or delay his consent
to a request from the Franchisee pursuant to this paragraph and the provisions of
paragraph 20.2(b)(i) and (ii) shall apply.

20.4 Where such consent is given by the Secretary of State in accordance with paragraph
20.2, a franchise payment adjustment (which shall be known as a “CP5 Gauging
Works Franchise Payment Adjustment”) shall be payable by the Secretary of
State to the Franchisee equivalent to the amount of CP5 Gauging Costs properly
incurred by the Franchisee in excess of [REDACTED\textsuperscript{49}] when taken in aggregate
with any CP5 Gauging Costs previously incurred by the Previous Franchisee and by
Siemens (which amount shall not be indexed) pursuant to any or all consents given
under this paragraph. The Franchisee shall give the Secretary of State at least one
(1) months' notice of the incurring of any CP5 Gauging Costs over [REDACTED\textsuperscript{50}]
when taken in aggregate with any CP5 Gauging Costs previously incurred by the
Previous Franchisee and by Siemens (which amount shall not be indexed), provided
that the Secretary of State, acting reasonably, reserves the right to increase such
notice period depending on the nature and scope of the CP5 Gauging Costs proposed
to be incurred. Such CP5 Gauging Works Franchise Payment Adjustment shall be
paid by way of an adjustment to the Franchise Payments payable in relation to the
Reporting Period after that in which the relevant CP5 Gauging Cost was incurred
(and the Franchisee shall provide evidence of such cost having been incurred). The
maximum aggregate amount of CP5 Gauging Works Franchise Payment
Adjustments payable pursuant to this paragraph shall be the amount of the
Maximum SoS Contribution when taken in aggregate with any CP5 Gauging Works
Franchise Payment Adjustment and CP5 RS Siemens Expenditure Franchise
Payment Adjustment already paid, including equivalent payments to the Previous
Franchisee (which amount shall not be indexed). The Franchisee shall report to the
Secretary of State frequently and in detail on: (a) the progress made; and (b) all
costs incurred in the performance of the CP5 Gauging Works, including a detailed
breakdown of all proposed and actual expenditure.

20.5 Where such consent is given by the Secretary of State in accordance with paragraph
20.2, a reimbursement payment (which shall be known as the “CP5 RS Siemens
Expenditure Franchise Payment Adjustment”) shall be payable by the
Secretary of State to the Franchisee equivalent to the amount of CP5 Gauging Costs
properly incurred by Siemens in excess of [REDACTED\textsuperscript{51}] when taken in aggregate
with any CP5 Gauging Costs previously incurred by Siemens (which amount shall
not be indexed) pursuant to any or all consents given under this paragraph. The
Franchisee shall give the Secretary of State at least one (1) months' notice of the

incuring of any CP5 Gauging Costs previously incurred by Siemens over [REDACTED] when taken in aggregate with any CP5 Gauging Costs previously incurred by Siemens (which amount shall not be indexed), provided that the Secretary of State, acting reasonably, reserves the right to increase such notice period depending on the nature and scope of the CP5 Gauging Costs proposed to be incurred by Siemens. Such CP5 RS Siemens Expenditure Franchise Payment Adjustment shall be paid by way of an adjustment to the Franchise Payments payable in relation to the Reporting Period after that in which the relevant CP5 Gauging Cost was incurred (and the Franchisee shall provide evidence of such cost having been incurred).

20.6 In the event that CP5 Gauging Works are required to enable the CP5 Rolling Stock to obtain route clearance from Network Rail and these works are not carried out because:

(a) the aggregate amount of the CP5 Gauging Costs required to be incurred by the Franchisee would exceed the Gauging Costs Cap when taken in aggregate with any CP5 Gauging Costs incurred by the Previous Franchisee (which amount shall not be indexed);

(b) the Secretary of State refuses to give consent to proceed with relevant works pursuant to paragraph 20.2, then:

(i) CP5 RS Franchise Payment Adjustments including those payable pursuant to paragraphs 18.6 and 19.4 shall remain payable in accordance with such relevant provisions;

(ii) (subject to the Franchisee having complied with its obligations pursuant to paragraph 20.2 above and its relevant obligations to Angel Trains under the CP5 Rolling Stock Lease relating to facilitating gauge clearance including by reasonably exercising rights under the Track Access Agreement) there shall not be a contravention of the Franchise Agreement to the extent that the Franchisee cannot deliver its obligation to introduce the CP5 Rolling Stock into passenger service in consequence of the CP5 Gauging Works not having been carried out;

(iii) the Franchisee and the Secretary of State shall discuss in good faith options for reasonably mitigating the impact on passengers of the CP5 Rolling Stock not being introduced into passenger service in whole or in part in consequence of the relevant CP5 Gauging Works not having been delivered (provided that the Franchisee shall not be required to incur significant costs in relation to such mitigation except to the extent agreed).

20.7 The Franchisee shall notify the Secretary of State and seek his prior written consent to any amendments to the Maintenance Agreement on or after the Start Date as they relate to the CP5 Gauging Works or the CP5 Gauging Costs. For the avoidance

of doubt no obligation on the Secretary of State to make any payment to the Franchisee under this paragraph 20 shall arise to the extent CP5 Gauging Works are carried out or CP5 Gauging Costs are incurred as a result of an amendment to the Maintenance Agreement on or after the Start Date to which the Secretary of State has not provided his prior written consent.

20.8 NOT USED.

20.9 The amounts of the Maximum SoS Contribution and the Gauging Costs Cap will be calculated on an aggregate basis taking into account CP5 Gauging Works Franchise Payment Adjustments and CP5 RS Siemens Expenditure Franchise Payment Adjustments paid to the Franchisee and equivalent payments paid to the Previous Franchisee. Accordingly the amount of the Maximum SoS Contribution already made and the amounts already counting towards the Gauging Costs Cap at the Start Date will be the same as the relevant amounts that applied in relation to the equivalent provisions under the Previous Franchise Agreement immediately prior to the Start Date.

20.10 Nothing in the CP5 RS Network Rail Route Clearance Contract or the Maintenance Agreement shall prejudice the Franchisee’s obligations under this Agreement.

20.11 The provisions of Part 2 (Special Terms Related to Committed Obligations) of Schedule 6.2 (Committed Obligations) shall apply to this paragraph 20 mutatis mutandis as if this paragraph 20 had been set out in Schedule 6.2 (Committed Obligations).

In particular the Franchisee shall keep the Secretary of State updated on progress in relation to compliance with the anticipated delivery schedule of the New EMUs and risk that any Manufacturer Events of Default Termination Right and if applicable any Minimum Fleet Return Right will become exercisable under the New EMU MSA prior to the date upon which all of the New EMUs that have been ordered have been Accepted. In the absence of significant unforeseen adverse developments (in which case the Franchisee shall keep the Secretary of State promptly informed), the Franchisee may keep the Secretary of State so informed through the regular reporting contemplated at paragraph 5 of Part 2 of Schedule 6.2 (Committed Obligations and Related Provisions).

31A.2

(a) The Franchisee shall consult with the Secretary of State if any Manufacturer Events of Default Termination Right and if applicable any Minimum Fleet Return Right has become exercisable or is likely to become exercisable prior to the date upon which all of the New EMUs which have been ordered have been Accepted. 31A.6 The exercise of any Manufacturer Events of Default Termination Right and if applicable the Minimum Fleet Return Right prior to the date upon which all of the New EMUs that have been ordered have achieved Acceptance and any exercise by the Secretary of State of his right to require the Franchisee to implement a Termination Mitigation Plan shall be a Change which shall be a Qualifying Change if the consequences of a Qualifying Change would be financially beneficial to the Secretary of State (meaning that there would be an overall increase in Franchise Payments payable by the Franchisee to the Secretary of State or an overall decrease in Franchise Payments payable by the Secretary of State to the Franchisee as the case may
be). There shall be no Change if the consequences of a Qualifying Change under this paragraph would be financially beneficial to the Franchisee (meaning that there would be an overall increase in Franchise Payments payable by the Secretary of State to the Franchisee or an overall decrease in Franchise Payments payable by the Franchisee to the Secretary of State as the case may be).

31A.7 For the purposes of this paragraph 31A:

(e) “New EMU MSA” means the manufacture and supply agreement in respect of the fleet of 60 x 10 car electric multiple units and 30 x 5 car electric multiple units and associated equipment dated 19 June 2017 and entered into between Bombardier Transportation UK Limited, Rock Rail South Western PLC and the Franchisee.

32. Delayed Rolling Stock Franchise Payment Adjustment

32.1 Where all of the New Five Car EMUs or the New Ten Car EMUs to be leased by the Franchisee pursuant to its obligations under paragraph 31 are not introduced into unrestricted passenger carrying service by the New EMU Target Date then (without prejudice to any other remedies that might be available to the Secretary of State), the net financial effect of the delay to the Franchisee shall be agreed by the Secretary of State and the Franchisee or, in default of agreement within a timescale regarded as reasonable by the Secretary of State, the Secretary of State shall reasonably determine such net financial effect. The Franchisee shall provide all information that the Secretary of State shall reasonably require for the purposes of identifying such net financial effect. The assessment of such net financial effect shall take into account matters including:

(a) any liquidated damages payable to the Franchisee in relation to any such delay;
the lease, maintenance and other operating costs avoided or
defered by the Franchisee in consequence of the delay (including
costs relating to the provision of depot facilities in relation to the
new rolling stock);

(c) any additional lease, maintenance and other operating costs
reasonably incurred by the Franchisee as a result of extending the
leases on other rolling stock within the Train Fleet beyond the lease
expiry dates specified in Schedule 1.6 (The Rolling Stock) or the
leasing or hiring of other rolling stock vehicles to substitute for
delayed new vehicles;

(d) any reasonably anticipated loss of revenue suffered by the
Franchisee as a consequence of delay with such loss being calculated
consistently with the most appropriate industry standard revenue
forecasting guidance and practices; and

(e) any other cost savings made by the Franchisee as a consequence of
the delay.

No account shall be taken of any impacts of the delay to the delivery of new
rolling stock on amounts to be incurred by the Franchisee under Schedule 7.1
(Operational Performance) and Schedule 7.2 (National Rail Passenger
Surveys, Customer Report and CCI Scheme). The Franchisee shall use all
reasonable endeavours to minimise increased costs incurred and revenue
foregone as a result of the delay to the new rolling stock and, if the Secretary
of State reasonably determines it has not done so, the Secretary of State shall
be entitled to substitute a lower cost and/or a higher revenue based on his
reasonable determination of what the cost incurred and/or revenue foregone
by the Franchisee should have been if it had exercised all reasonable
endeavours.

32.2 If it is agreed or reasonably determined that the net financial effect of the
delay to any new rolling stock is a positive one for the Franchisee, so that it
is financially better off than it would have been had such delay not occurred,
then an amount shall be payable by the Franchisee to the Secretary of State
of the amount required to pass such financial benefit of the delay to the
Secretary of State (a "Delayed Rolling Stock Franchise Payment
Adjustment"). The Delayed Rolling Stock Franchise Payment Adjustment
shall be calculated and paid on a Reporting Period by Reporting Period basis
as reasonably determined by the Secretary of State and paid by way of
adjustment to Franchise Payments. The first such amount shall be payable on
the first Payment Date falling no less than seven (7) days after such
determination. If the net financial effect of the delay to any new rolling stock
is a negative one for the Franchisee, so that it is financially worse off than it
would have been had such delay not occurred, no adjustment shall be made
to Franchise Payments.
33. **Enhancement of Class 158, 159, 444 and 450s**

33.1 **The Franchisee shall:**

(a) use all reasonable endeavours to modify and refresh all Class 444 and Class 450 rolling stock vehicles comprised in the Train Fleet by no later than 31 December 2018, provided that the Franchisee shall not be in breach of the Franchise Agreement if it has not done so by such date if it has used all reasonable endeavours to do so. Under such circumstances the Franchisee shall continue to use all reasonable endeavours to comply with such obligation as soon as reasonably practicable and in any event shall modify and refresh all Class 444 and Class 450 rolling stock vehicles comprised in the Train Fleet by no later than 31 March 2019; and

(b) modify and refresh all Class 158 and Class 159 rolling stock vehicles comprised in the Train Fleet by no later than 31 December 2020,

to the specification set out in paragraph 33.2.

33.2 The rolling stock vehicles referred to in paragraph 33.1 shall be modified and refreshed to the following specification:

(a) fitted with at least one power socket (230V or USB) per row of seats (each side of the vehicle) for use by passengers;

(b) fitted with table top inductive charging points for use by passengers in first class accommodation so that each designated first class vehicle has one such point per seat (such obligation to be without prejudice to and in addition to the obligation set out in sub paragraph (a) above);

(c) fitted with a commissioned and operational passenger information system which is capable of being updated remotely, providing real-time passenger announcements and displaying live information about relevant onward travel options and disruptions;

(d) in consequence of the reconfiguration of first class seating referred to below provide the number of first and standard class seats in relation to each relevant unit specified in Table 1 to Appendix 1 to Schedule 1.6 (The Rolling Stock);

(e) refreshing and reconfiguring first class accommodation, including by:

---

104 Date of contract change 20/08/2017 - Agreed by the Secretary of State and Franchisee

(ii) relocation of first class accommodation at unit ends and the replacement of first class “2+1” seating with “2+2” seating; and

(iii) replacement of all tables located in the first class accommodation;

(f) refreshing all Standard Class Accommodation by replacing all existing seat covers (including cushions and squabs) with new covers;

(g) refreshing all toilet facilities, including:

(i) incorporating decorative decals which are consistent with and/or display the Franchisee’s branding and which are reflective of the region in which the rolling stock vehicles are to be operated; and

(ii) replacing all flooring and toilet seats;

(h) in respect of the Class 444 rolling stock vehicles only, fitting upgraded traction equipment (including upgraded traction software) that will enable Class 444 units to draw two thousand (2000) amps of power so that they can operate to Class 450 sectional running times; and

(i) in respect of rolling stock vehicles which are to be retained in the Train Fleet after 31 December 2020, installing commissioned and operational media servers.

33.3 The Franchisee shall, by no later than the Passenger Change Date occurring in December 2020, procure the fitting of commissioned and operational fuel meters to all Class 158 and Class 159 rolling stock vehicles comprised in the Train Fleet.

34. Refurbishment of Class 442s

34.1 The Franchisee shall use all reasonable endeavours to overhaul, refurbish, repaint and re-traction all Class 442 rolling stock vehicles comprised in the Train Fleet for the purposes of enabling such rolling stock vehicles to continue to be effectively operated throughout the Franchise Term by the Passenger Change Date occurring in December 2018 provided that the Franchisee shall not be in breach of the Franchise Agreement if it has not achieved such output by such date if it has used all reasonable endeavours to do so. Under such circumstances the Franchisee shall continue to use all reasonable endeavours to comply with such obligation as soon as reasonably practicable and in any event shall overhaul, refurbish, repaint and re-traction all Class 442 rolling stock vehicles comprised in the Train Fleet.
Fleet by no later than the date falling 12 weeks after the Passenger Change Date occurring in December 2018. 105

34.2 Retractioning of the Class 442 units pursuant to paragraph 34.1 shall involve:

(a) the replacement of all 300kW DC traction motors with new 300kW AC traction motors;

(b) the replacement of all DC camshaft equipment with new AC traction convertor and control systems;

(c) the replacement of all high speed circuit breakers and surge arresters with new equipment of an appropriate modern specification;

(d) the installation of new brake resistors; and

(e) the replacement of the existing brake control and wheel slip/slide protection with a [REDACTED106] system (or such other replacement system as would provide outputs which are substantially the same as or better than a [REDACTED107] system).

34.3 The interior refurbishment of Class 442 units pursuant to paragraph 32.1 shall include:

(a) the relocation of first class seating to the vehicle currently classified as “DTSB” with it to be configured in 2+2 formation;

(b) the conversion of the train manager’s office in the vehicle currently classified “MLC” to provide bicycle storage accommodation; and

(c) the provision of two “tip up seats” in each wheelchair space.

35. New depot and stabling facilities

35.1 The Franchisee shall use all reasonable endeavours to satisfy the New Feltham Depot Conditions Precedent by no later than the CP Date.

35.2 By no later than the CP Date the Franchisee shall provide a statement to the Secretary of State confirming that either:

105 Date of contract change 20/08/2017 - Agreed by the Secretary of State and Franchisee

106 Date of redaction 05/12/2017 - where text has been omitted from the document, this is because the Director General Rail or Secretary of State has decided to exclude the text in accordance with the provisions within the Freedom of Information Act 2000.

107 Date of redaction 05/12/2017 - where text has been omitted from the document, this is because the Director General Rail or Secretary of State has decided to exclude the text in accordance with the provisions within the Freedom of Information Act 2000.
(a) the New Feltham Depot Conditions Precedent have been satisfied with an appendix providing information in reasonably appropriate detail verifying this; or

(b) the New Feltham Depot Conditions Precedent have not been satisfied with an appendix providing information in reasonably appropriate detail explaining the nature and extent of the failure to satisfy the New Feltham Depot Conditions Precedent and the actions that would be required to ensure that the New Feltham Depot Conditions Precedent are satisfied.

35.3 If the New Feltham Depot Conditions Precedent are satisfied by the CP Date:

(a) the Franchisee shall:

(i) complete and commission the Preferred Rolling Stock Stabling Solution and use all reasonable endeavours to do so by no later than the Passenger Change Date occurring in December 2020;

(ii) expend not less than [REDACTED\textsuperscript{108}] on meeting its obligation to complete and commission the Virginia Water Turnback Project; and

(iii) proceed to implement the Depot Safety and Enhancement Works in respect of Feltham Depot as are referred to in the table at paragraph 37.1; and

(b) Appendix 1 of Schedule 14.6 of the Franchise Agreement shall be populated to show that the New Feltham Depot Project is an RV Asset that is a Network Rail Fixture Asset. The Capital Cost in Appendix 1 of Schedule 14.6 (Residual Value Mechanism) shall be [REDACTED\textsuperscript{109}] and the RV Asset Transfer Value in Appendix 1 of Schedule 14.6 (Residual Value Mechanism) shall be [REDACTED\textsuperscript{110}], subject to the adjustment principles in Schedule 14.6 by reference to the depreciation principles set out in the Record of Assumptions. The Parties acknowledge and agree that the references to monetary amounts in this paragraph 35.3(b) are, notwithstanding paragraph 2.2 of Part 2 to this Schedule 6.2

\textsuperscript{108} Date of redaction 31/08/2017 - where text has been omitted from the document, this is because the Director General Rail or Secretary of State has decided to exclude the text in accordance with the provisions within the Freedom of Information Act 2000.

\textsuperscript{109} Date of redaction 31/08/2017 - where text has been omitted from the document, this is because the Director General Rail or Secretary of State has decided to exclude the text in accordance with the provisions within the Freedom of Information Act 2000.

\textsuperscript{110} Date of redaction 31/08/2017 - where text has been omitted from the document, this is because the Director General Rail or Secretary of State has decided to exclude the text in accordance with the provisions within the Freedom of Information Act 2000.
(Committed Obligations), references to nominal (as opposed to real) amounts.

35.4 If the Franchisee is required to deliver the Preferred Rolling Stock Stabling Solution pursuant to paragraph 35.3(a) above and, despite it using all reasonable endeavours to do so, the Franchisee is unable to complete and commission the Preferred Rolling Stock Stabling Solution by the Passenger Change Date in December 2020 (including because Network Rail has been unable to deliver the Virginia Water Turnback Project by such date) the Franchisee shall use all reasonable endeavours to ensure that the Preferred Rolling Stock Stabling Solution is delivered as soon as reasonably practicable thereafter. Under such circumstances pending completion and commissioning of all aspects of the Preferred Rolling Stock Stabling Solution the Franchisee shall use all reasonable endeavours to mitigate the impact of delay to completion and commissioning on the delivery of the TSS. The Franchisee shall not be entitled to any derogation from its obligations under the TSS or a TDR Amendment pursuant to paragraph 12.8 of Schedule 1.1 (Franchise Services and Service Development) if any aspect of the Preferred Rolling Stock Stabling Solution is not commissioned and operational by the Passenger Change Date occurring in December 2020.

35.5 The Franchisee shall submit to the Secretary of State project status reports in relation to the Preferred Rolling Stock Stabling Solution at four (4) weekly intervals or more frequently if reasonably required by the Secretary of State. The reports shall:

(a) prior to the satisfaction of the New Feltham Depot Conditions Precedent provide a full update in relation to progress towards satisfying them; and

(b) after any satisfaction of the New Feltham Depot Conditions Precedent provide updates in relation to:

(i) all material risks in relation to the delivery of the Preferred Rolling Stock Stabling Solution in accordance with its specification, planned delivery date and estimated cost;

(ii) actual and estimated costs of delivering the Preferred Rolling Stock Stabling Solution; and

(iii) any other matters in relation to the delivery of the Preferred Rolling Stock Stabling Solution reasonably specified by the Secretary of State.

35.6 If the New Feltham Depot Conditions Precedent are not satisfied by the CP Date or, prior to the CP Date the Secretary of State and the Franchisee agree that they are not capable of being satisfied, then within 30 days of the earlier of the CP Date or such date of agreement between the parties the Franchisee shall provide to the Secretary of State a report setting out options for addressing the consequences of the non delivery of the Preferred Rolling Stock Stabling Solution. Such options may involve investment in depot and stabling infrastructure, changed operational arrangements or a combination of both with the intention that such options mitigate the impact of the non delivery of
the Preferred Rolling Stock Stabling Solution to the greatest extent reasonably practicable. The report shall identify:

(a) all contingent factors upon which the delivery of each option are subject including requirements for third party consents and an assessment of risk in relation to such contingent factors:

(b) the estimated cost of delivering each option and an assessment and quantification of contingent risks to such cost estimates; and

(c) the extent to which risk to the delivery of the TSS and other Franchise Agreement obligations will be increased if each such option is implemented compared with the position if the Preferred Rolling Stock Stabling Solution had been implemented by the Passenger Change Date in December 2020 in accordance with its specification.

35.7 The Franchisee shall provide such further information in relation to its report as the Secretary of State shall reasonably require and update it to consider new and varied options. The Secretary of State and the Franchisee shall seek to agree the solution that should be implemented. Such solution shall involve the Franchisee taking costs risk on the delivery of the solution. In the event that a solution cannot be agreed within a period that the Secretary of State considers reasonable he shall be entitled to reasonably determine the solution and make those amendments to the Franchise Agreement that are reasonably required to impose obligations on the Franchisee to deliver it (“Rolling Stock Stabling Mitigation Solution”). Where the Secretary of State reasonably determines that the net cost to the Franchisee of delivering the Rolling Stock Stabling Mitigation Solution is less than the net cost that the Franchisee would have incurred had the Preferred Rolling Stock Stabling Solution been implemented (being a Capital Cost of [REDACTED] minus an RV Asset Transfer Value of [REDACTED]) he shall be permitted to require the payment to him of Franchise Payment adjustments on a Reporting Period basis of an amount reasonably determined by him for the purposes of ensuring that the Franchisee does not make any financial gain as a result of the Preferred Rolling Stock Stabling Solution not being implemented. The Parties acknowledge and agree that the references to monetary amounts in this paragraph 35.7 are, notwithstanding paragraph 2.2 of Part 2 to this Schedule 6.2 (Committed Obligations), references to nominal (as opposed to real) amounts.

111 Date of redaction 31/08/2017 - where text has been omitted from the document, this is because the Director General Rail or Secretary of State has decided to exclude the text in accordance with the provisions within the Freedom of Information Act 2000.

112 Date of redaction 31/08/2017 - where text has been omitted from the document, this is because the Director General Rail or Secretary of State has decided to exclude the text in accordance with the provisions within the Freedom of Information Act 2000.
36. Enhancement of existing depot operations and facilities

36.1 The Franchisee shall incur expenditure of not less than [REDACTED] throughout the Franchise Term in implementing its plan called “Disciplined Operations Area of Expertise” for the enhancement and integration of operational and management processes at the Specified Depots at Wimbledon, Salisbury and Bournemouth (the "Relevant Specified Depots"), the outputs of which shall, as a minimum, include:

(c) implementation and establishment of commissioned and operational Visualisation Centres at each Relevant Specified Depot to enable Franchise Employees to access Franchisee, team, depot and Train Fleet information by no later than 31 March 2019; and

(d) procuring the commencement of the delivery of training in “business improvement techniques” to all Franchise Employees who from time to time fall within the category of, or whose job description defines them as, “rolling stock and traction engineers” by no later than 31 May 2018. Such training shall involve all relevant Franchise Employees attending a basic three (3) day “National Vocational Qualification – Business Improvement Technique” course. In addition the Franchisee shall offer further training in specific techniques including “SS”, “Kaizen process mapping” and wider management training courses of up to six (6) months duration.

36.2 The Franchisee shall, by no later than the Passenger Change Date occurring in December 2018 appoint, and thereafter for the remainder of the Franchise Term employ, five (5) service delivery managers to be based at Siemens’ depot at Northam to enable on-site monitoring (on a twenty four (24) hours a day, seven (7) days a week basis) of Siemens’ cleaning and maintenance of the Class 444 and Class 450 rolling stock vehicles comprised in the Train Fleet, with the objective of working with Siemens to drive and deliver improvements in the quality of such rolling stock vehicles.

36.3 The Franchisee shall:

Part 2 - SPECIAL TERMS RELATED TO COMMITTED OBLIGATIONS

1. Continuation of Availability

1.1 The Franchisee shall maintain facilities or activities or other matters established in accordance with its Committed Obligations throughout the remainder of the Franchise Term, regardless of whether or not such Committed Obligation specifically provides for the Franchisee to maintain throughout the Franchise Term the facilities, activities or other matters established in accordance with such Committed Obligation, unless such Committed Obligation expressly provides for the cessation of such maintenance at an earlier date.

1.2 The Franchisee shall be treated as maintaining the relevant facilities, activities or other matters which are the subject of the Committed Obligations notwithstanding temporary non-availability due to accidental damage or vandalism or maintenance, repair or replacement activities, or temporary staff absence, subject in each case to the Franchisee taking all reasonable steps to keep any such period of temporary non-availability to a minimum.

1.3 Where Part 1 to Schedule 6.2 (Committed Obligations) includes a commitment regarding staffing or particular appointments the Franchisee plans to make:

(a) the obligation of the Franchisee shall not be regarded as being contravened by:
   (i) temporary absences (for example for sickness or holiday); or
   (ii) temporary non-fulfilment of a relevant post whilst the Franchisee is recruiting for that post, subject to the Franchisee using all reasonable endeavours to keep the duration between appointments as short as reasonably practicable; and

(b) the Franchisee's rights and obligations in relation to the numbers or deployment of its other staff remain unaffected.

2. Expenditure Commitments

2.1 Annual Expenditure

Where Part 1 to Schedule 6.2 (Committed Obligations) provides for the expenditure of an annual amount (or an amount over some other period) by the Franchisee, that amount:

(a) is assessed net of Value Added Tax; and

(b) is the amount required to be expended by the Franchisee itself or procured by the Franchisee to be expended.

2.2 Expenditure Commitments in real amounts

All expenditure commitments set out in Part 1 to Schedule 6.2 (Committed Obligations), to the extent they have not already been incurred by the Franchisee, shall be indexed by the Retail Prices Index (in the same way as variable costs are indexed in Appendix 1 (Annual Franchise Payments) to Schedule 8.1 (Franchise Payments)).
2.3 **Expenditure by Network Rail**

All amounts which the Franchisee has committed (whether unconditionally or otherwise) pursuant to Part 1 to Schedule 6.2 (Committed Obligations) to expend in connection with improvements to track or Stations shall be in addition to any expenditure made by Network Rail as part of its infrastructure improvements or maintenance programme to the extent such expenditure is not directly funded or reimbursed by the Franchisee.

2.4 **Underspend**

(a) Where in relation to any Committed Obligation that is expressed in terms of a requirement to spend not less than a specified sum in fulfilling its stated objective, the Franchisee is able to achieve that stated objective without incurring the full amount referred to in that Committed Obligation, whether because of cost savings or otherwise, the Franchisee shall notify the Secretary of State, together with a statement of the costs it has incurred (excluding any third party funding) in delivering the relevant obligations and a reconciliation against the amount it had committed to spend (excluding any third party funding) (“Underspend”).

(b) The Parties shall, acting reasonably, seek to agree an alternative scheme or schemes which would give rise to benefits to passengers using the Passenger Services to be funded using the Underspend and, once agreed, the Franchisee shall apply such Underspend in the delivery of the agreed scheme(s). In circumstances only where, despite having used reasonable endeavours the Parties fail to agree an alternative scheme in relation to which the Underspend will be applied, such Underspend shall be repaid to the Secretary of State as soon as reasonably practicable.

3. **Liaison and Co-Operation**

Where the Franchisee is committed to liaison and co-operation under Part 1 to Schedule 6.2 (Committed Obligations), it shall participate actively in the relevant measures including through the application of management time and internal resources, correspondence and attendance at meetings, in each case as the Franchisee reasonably considers in all the circumstances to be an appropriate use of its resources and effective to help achieve the relevant objective.

4. **Nature of Commitment**

4.1 Any commitment in terms of Part 1 to Schedule 6.2 (Committed Obligations) shall be in addition to any obligation of the Franchisee elsewhere in this Agreement and nothing in this Schedule 6.2 (Committed Obligations) shall limit or restrict an obligation imposed on the Franchisee elsewhere in this Agreement.

4.2 Save as expressly provided in Part 1 to Schedule 6.2 (Committed Obligations), each Committed Obligation is a separate obligation from any other Committed Obligation and satisfaction of or steps taken towards the satisfaction of one Committed Obligation will not amount to or contribute towards satisfaction of any other Committed Obligation.

4.3 Where in Part 1 to Schedule 6.2 (Committed Obligations), references are made to particular manufacturers or suppliers of equipment or services, the Franchisee may fulfil its relevant commitment by using reasonable equivalents.
4.4 Each commitment under this Schedule 6.2 (Committed Obligations) shall come to an end on expiry of the Franchise Term for whatever reason.

5. **Review of Compliance**

5.1 Progress with Committed Obligations shall be considered and discussed at Franchise Performance Meetings and the Franchisee shall ensure that progress with regard to Committed Obligations is included in Periodic Update Reports provided in accordance with paragraph 8 of Schedule 11.2 (Management Information).

5.2 In addition to its obligation under paragraph 5.1, the Franchisee shall from time to time promptly provide such evidence of its compliance with any Committed Obligation as the Secretary of State may reasonably request.

6. **Remedy for Late Completion or Non-Delivery of Committed Obligations**

If the Franchisee fails to deliver in full a Committed Obligation in accordance with and by the timeframe specified for its delivery in Schedule 6.2 (Committed Obligations), such late, partial or non-delivery shall constitute a contravention of the Franchise Agreement.

7. **Specimen Schemes**

7.1 The Franchisee may propose to undertake an Alternative Scheme in place of a Specimen Scheme. Any such Alternative Scheme must:

(a) be intended to deliver as a minimum the relevant Specimen Scheme Output;

(b) require the Franchisee to incur expenditure of no less than the expenditure which the Franchisee is committed to incur in relation to the relevant Specimen Scheme; and

(c) deliver at least an equivalent level of benefits (whether to passengers, the Secretary of State, the wider rail industry or otherwise) as the Specimen Scheme.

7.2 If the Franchisee wishes to propose an Alternative Scheme, the Franchisee will provide the Secretary of State with such details of the Alternative Scheme as the Secretary of State may reasonably require.

7.3 If the Secretary of State approves (such approval not to be unreasonably withheld or delayed) such Alternative Scheme then it shall replace the relevant Specimen Scheme and Part 1 to Schedule 6.2 (Committed Obligations) shall be amended accordingly.

7.4 For the avoidance of doubt, if the Franchisee does not propose or the Secretary of State does not approve an Alternative Scheme then the Franchisee shall remain obliged to deliver the relevant Specimen Scheme in accordance with Part 1 to Schedule 6.2 (Committed Obligations).

8. **Third Party Consents, Agreement and Conditions**

8.1 Where, in delivering a Committed Obligation, the Franchisee is required to obtain one or more consents or satisfy one or more conditions, the Franchisee shall use all reasonable endeavours to obtain such consents and/or satisfy such conditions
within such timescales as would enable the Franchisee to deliver such Committed Obligation by the delivery date specified in respect of such Committed Obligation. If the Franchisee is unable to satisfy the relevant condition and/or obtain the relevant consent or the proposed terms upon which the relevant consent would be granted would, in the reasonable opinion of the Franchisee, be likely to prejudice the financial and/or commercial viability of delivering the Committed Obligation, the Franchisee may apply to the Secretary of State for the approval referred to in paragraph 8.3.

8.2 For the purposes of this paragraph 8, the expression “consent” shall mean those approvals, authorisations, consents, derogations, exemptions, licences, permissions, and registrations which are required by Law or any contract to which the Franchisee is a party, to be obtained by the Franchisee in connection with the delivery of a Committed Obligation.

8.3 The Secretary of State's approval for the purposes of this paragraph 8 is his approval for the Franchisee to modify the relevant Committed Obligation so as to deliver a scheme which would give rise to benefits to passengers using the Passenger Services similar to (but not necessarily the same as) those benefits which would have arisen if the Franchisee delivered the relevant Committed Obligation. The modifications to the relevant Committed Obligation shall be agreed between the Franchisee and the Secretary of State or failing such agreement shall be reasonably determined by the Secretary of State. The approval of the Secretary of State may not be unreasonably withheld.

8.4 If the Secretary of State gives his approval pursuant to this paragraph 8 in respect of a Committed Obligation, then to the extent that the Franchisee delivers the modified Committed Obligation by the date agreed between the Franchisee and the Secretary of State, or failing such agreement by the date reasonably determined by the Secretary of State, the Franchisee shall not be in breach of the Franchise Agreement.

9. **Definition of “all reasonable endeavours” or “reasonable endeavours”**

   Where in respect of any Committed Obligation the Franchisee is obliged to use “all reasonable endeavours” or “reasonable endeavours” to do or procure that something is done by a specified date then, without prejudice to any other rights the Secretary of State may have (whether under the Franchise Agreement or otherwise) in respect of any contravention of the Franchise Agreement if the same is not achieved by such specified date the Franchisee shall consult with the Secretary of State and if required by the Secretary of State shall continue to use all reasonable endeavours or reasonable endeavours (as applicable) to do or procure that the relevant thing is done as soon as reasonably practicable thereafter.

10. **Designation of Assets comprised in COs as Primary Franchise Assets**

10.1 Save in respect of the property and rights comprised in committed obligations which are designated as RV Assets pursuant to Schedule 14.6, the Secretary of State may at any time and from time to time during the Franchise Period by serving notice on the Franchisee, designate as a Primary Franchise Asset some or all of the property and rights of the Franchisee comprised in any asset introduced by a Committed Obligation (the “Designated CO Primary Franchise Assets”). Such designation shall take effect from the date of delivery of such notice.
10.2 The transfer value in relation to any Designated CO Primary Franchise Asset, which at the end of the Franchise Period is:

(a) not de-designated as a Primary Franchise Asset pursuant to paragraph 10 of Schedule 14.4 (Designation of Primary Franchise Assets); and

(b) transferred to a Successor Operator (whether pursuant to the Transfer Scheme or otherwise),

shall (unless otherwise agreed by the Secretary of State) be nil.

- \[ XY \] is the number of Reporting Periods in that Franchisee Year.

25. Network Rail Claim

25.1 The Franchisee shall not include in any claim for compensation from Network Rail, whether under Schedule 8 of the Track Access Agreement or otherwise, any amounts to compensate the Franchisee for a CaSL/PPM Loss.

25.2 Without prejudice to the Secretary of State's rights under Schedule 10 (Remedies, Events of Default and Termination Events), if the Franchisee receives compensation from Network Rail in respect of a CaSL/PPM Loss, the Franchisee shall pay such compensation received to the Secretary of State within five (5) Weekdays of receipt.

- (b) not being entitled to receive from the Secretary of State any CaSL Performance Sum or PPM Performance Sum (as the case may be),

in each case in accordance with paragraph 22 (Performance Sum Payments – Annual Benchmarks and Annual Measures).

26. Consequences for Poor Performance – Annual Benchmarks and Annual Measures

26.1 Where in any Franchisee Year a relevant Performance Sum is due from the Franchisee, the Franchisee shall, subject to paragraph 29 (Payments in respect of the Final Franchisee Year), incur expenditure equal to the amount of the relevant Performance Sum in order to secure an improvement in the Franchisee's performance against:

- (a) the Annual Cancellations Benchmark so that such level is better than or equal to the Annual Target Performance Level for that Annual Cancellations Benchmark; and/or
- (b) the Annual TOC Minute Delay Benchmark so that such level is better than or equal to the Annual Target Performance Level for that Annual TOC Minute Delay Benchmark; and/or
(c) the Annual Short Formation Benchmark so that such level is equal to the Annual Target Performance Level for the Annual Short Formation Benchmark; and/or

(d) the Annual CaSL Measure so that such level is better than or equal to the Annual Target Performance Level for that Annual CaSL Measure; and/or

(e) the Annual PPM Measure so that such level is better than or equal to the Annual Target Performance Level for that Annual PPM Measure,

or, in each case, as the Secretary of State may otherwise direct (the “Required Performance Improvement”).

26.2 Action Plans

(a) Without limiting paragraph 26.1, on each occasion that the Franchisee becomes obliged to incur expenditure under paragraph 26.1 for the purposes of securing a Required Performance Improvement the Franchisee shall produce a plan which is consistent with its obligations under paragraph 26.1 (the “Action Plan”).

(b) The Franchisee shall (i) produce, (ii) obtain the Secretary of State's approval of, and (iii) commence the implementation of the Action Plan within three (3) months after the notification of the results of calculations in accordance with paragraph 1.14 (Notice of Performance Results).

(c) The Action Plan shall contain specific tangible action points and indicate in the case of each action point:

(i) how that action will contribute to achieving the Required Performance Improvement;

(ii) where the action is to be implemented;

(iii) when the action is to be commenced and by when it is to be implemented provided always that where any action is expressed to be ongoing the Action Plan shall include specific review dates;

(iv) how performance of the action is to be measured; and

(v) identify the amount of the Cancellations Performance Sum, the TOC Minute Delay Performance Sum, the Short Formation Performance Sum, the CaSL Performance Sum and/or the PPM Performance Sum associated with each such action.

(d) The Franchisee shall, except to the extent otherwise agreed by the Secretary of State in advance, implement each Action Plan referred to in this paragraph 26.2 in accordance with its terms.

(e) It is acknowledged by the Franchisee that the approval or lack of approval by the Secretary of State of each Action Plan as contemplated in this paragraph 26.2 shall not relieve the Franchisee of its obligations under this Schedule 7.1 or any other provisions of the Franchise Agreement.
27. **Payments made by Secretary of State**

Each Cancellations Performance Sum, TOC Minute Delay Performance Sum, CaSL Performance Sum and PPM Performance Sum calculated pursuant to paragraphs 22.3, 22.4, 22.6 and 22.7 (Performance Sum Payments – Annual Benchmarks and Annual Measures) (respectively) in respect of any Franchisee Year payable by the Secretary of State to the Franchisee shall, subject to paragraph 29 (Payments in respect of the Final Franchisee Year), be paid by way of adjustment to Franchise Payments on the Performance Sum Adjustment Date.

28. **NOT USED.**

29. **Payments in respect of the Final Franchisee Year**

Any Cancellations Performance Sum, TOC Minute Delay Performance Sum, Short Formation Performance Sum, CaSL Performance Sum and/or PPM Performance Sum:

(a) to be made in respect of the Final Franchisee Year shall be calculated in accordance with the provisions of this paragraph 29 but shall be paid by the Secretary of State to the Franchisee or the Franchisee to the Secretary of State (as the case may be); and/or

(b) relating to any Franchisee Year preceding the Final Franchisee Year and which has not been incurred by the Franchisee prior to the end of the Final Franchisee Year for the purposes of securing the Required Performance Improvements shall be paid by the Franchisee to the Secretary of State,

in each case, within thirty (30) days of the Secretary of State giving written notice to the Franchisee of the amount of such Cancellations Performance Sum, TOC Minute Delay Performance Sum, Short Formation Performance Sum, CaSL Performance Sum and/or PPM Performance Sum.

Schedule 7.2

National Rail Passenger Surveys, Customer Report and CCI Scheme

1. Definitions

For the purposes of this Schedule 7.2:

“Additional Expenditure” or “AD” has the meaning given to it in paragraph 6.1 of this Schedule 7.2 (National Rail Passenger Surveys, Customer Report and CCI Scheme);

“Alternative NRPS” has the meaning given to it in paragraph 2.6 of this Schedule 7.2 (National Rail Passenger Surveys, Customer Report and CCI Scheme);

“Existing Expenditure” has the meaning given to it in paragraph 6.2(a) of this Schedule 7.2 (National Rail Passenger Surveys, Customer Report and CCI Scheme);

“First Additional Expenditure Year” has the meaning given to it in paragraph 6.2(a) of this Schedule 7.2 (National Rail Passenger Surveys, Customer Report and CCI Scheme);

“NRPS Action Plan” has the meaning given to it in paragraph 5.1 of this Schedule 7.2 (National Rail Passenger Surveys, Customer Report and CCI Scheme);

“NRPS Benchmark” means, in respect of a relevant Franchisee Year, the benchmark for each NRPS Measure and for each NRPS Service Group as set out in the NRPS Benchmark Table;

“NRPS Benchmark Table” means each of tables 1, 2 and 3 in Appendix 1 to this Schedule 7.2 (National Rail Passenger Surveys, Customer Report and CCI Scheme);

“NRPS Measure” means each of the factors more particularly described in the Passenger Survey Methodology and grouped as “Stations (S), “Trains (T)” and “Customer Service (C)”;

“NRPS Service Group” means each of the service groups set out in the Passenger Survey Methodology and more particularly described as:

(a) Outer Suburban, Local and Island Line;

(b) Long Distance; and

(c) Metro;

“Required Improvement” means an improvement in the level of customer satisfaction for the relevant NRPS Measure as measured by a National Rail Passenger Survey so that such level is equal to or higher than the related NRPS Benchmark; and

“RPIX” has the meaning given to it in paragraph 6.2(a) of this Schedule 7.2 (National Rail Passenger Surveys, Customer Report and CCI Scheme);
2. **Conduct of National Rail Passenger Surveys**

2.1 The Franchisee agrees with the Secretary of State that:

(a) the Passengers’ Council may measure the level of passenger satisfaction with the Franchise Services through National Rail Passenger Surveys;

(b) the Passengers’ Council shall determine how, when (normally twice per annum) and where National Rail Passenger Surveys are to be carried out;

(c) the Franchisee shall grant access on trains or at stations to the Passengers’ Council (or its representatives and agents) to carry out National Rail Passenger Surveys;

(d) the Franchisee shall co-operate with the Passengers’ Council (in such manner as the Passengers’ Council may reasonably request or as the Secretary of State may reasonably direct) in order to enable the Passengers’ Council to carry out National Rail Passenger Surveys; and

(e) the Passengers’ Council and/or the Secretary of State may, from time to time, publish the results of each National Rail Passenger Survey.

2.2 The Secretary of State shall ensure or shall procure that:

(a) the findings of any National Rail Passenger Survey are made available by the Passengers’ Council to the Franchisee within a reasonable period of time after the completion of each such survey and shall use all reasonable endeavours to procure that those findings are made available in a timely manner to enable the Franchisee to comply with its obligations under paragraph 2.3; and

(b) if any such survey includes a comparison between its findings and the findings of any equivalent earlier survey, such comparison forms a reasonable basis for monitoring the trends of passenger satisfaction over time.

2.3 The Franchisee shall, as soon as reasonably practicable after such information is made available to the Franchisee in accordance with paragraph 2.2, publicise its performance against the NRPS Benchmarks by including such information in its Customer Report and displaying such information at all of the Stations and on its website.

2.4 It is agreed by the Franchisee that, subject to paragraph 2.5, the methodology to be adopted by the Passengers’ Council in conducting any such National Rail Passenger Survey shall be as described in the document in the agreed terms marked PSM (the “Passenger Survey Methodology”);

2.5 If:

(a) at any time during the Franchise Term the methodology adopted in conducting any National Rail Passenger Survey is, in the reasonable opinion of the Secretary of State, materially inconsistent with the Passenger Survey Methodology; and

(b) the Secretary of State reasonably determines that in consequence a revision to the NRPS Benchmark is required in order to hold constant the risk of the Franchisee failing to satisfy the NRPS Benchmark,
then the Secretary of State shall make such revisions to such NRPS Benchmarks as he reasonably considers appropriate to hold constant such risk.

2.6 If the Passengers' Council ceases to undertake National Rail Passenger Surveys then the relevant National Rail Passenger Survey for the purposes of this Schedule 7.2 shall be such other passenger survey as the Secretary of State may, after consultation with the Franchisee, reasonably determine to be appropriate in the circumstances (the “Alternative NRPS”). The provisions of this Schedule 7.2 shall apply in respect of any Alternative NRPS and for these purposes Passengers' Council shall be replaced with such other entity that is responsible for conducting such Alternative NRPS.

3. **NRPS Benchmarks**

3.1 It is agreed by the Secretary of State and the Franchisee that, subject to paragraph 2.6, the results of the National Rail Passenger Survey(s) published by the Passengers’ Council in any Franchisee Year should be used to determine the Franchisee's performance against the NRPS Benchmarks for that Franchisee Year. If in any Franchisee Year the Passengers’ Council has published:

(a) only one (1) National Rail Passenger Survey in that Franchisee Year then the performance of the Franchisee against the NRPS Benchmarks shall be measured against the results of such National Rail Passenger Survey; or

(b) more than one (1) National Rail Passenger Survey in that Franchisee Year then the performance of the Franchisee against the NRPS Benchmarks shall be measured against the average of the results of all of the National Rail Passenger Surveys published by the Passengers’ Council in that Franchisee Year.

4. **Performance Review**

4.1 For each Franchisee Year the Secretary of State shall determine the Franchisee’s performance against each NRPS Benchmark by comparing:

(a) if only one (1) National Rail Passenger Survey has been published by Passengers’ Council in that Franchisee Year, the results of such National Rail Passenger Survey against the NRPS Benchmarks applicable in respect of that Franchisee Year; or

(b) if more than one (1) National Rail Passenger Survey has been published by Passengers’ Council in that Franchisee Year, the average of the results of all of the National Rail Passenger Surveys published by the Passengers’ Council in that Franchisee Year against the NRPS Benchmarks applicable in respect of that Franchisee Year.

4.2 For the purposes of undertaking the comparison pursuant to paragraph 4.1, the results referred to in paragraph 4.1(a) or paragraph 4.1(b) (as the case may be) shall be rounded up to one (1) decimal place with the midpoint (that is, 4.45) rounded upwards (that is, 4.5).

4.3 If, following the Secretary of State’s determination pursuant to any of paragraphs 4.1(a) or 4.1(b) (as the case may be), the results show that the level of customer satisfaction in respect of any NRPS Measure is below the NRPS Benchmark for such measure then the Franchisee shall, unless the Secretary of State shall otherwise direct, incur Additional Expenditure in order to secure the Required Improvement.
5. **Required Improvement and NRPS Action Plans**

5.1 Without limiting paragraph 4.3, on each occasion that the Franchisee becomes obliged to incur Additional Expenditure to secure a Required Improvement, the Franchisee shall produce a plan (the "NRPS Action Plan") which is consistent with its obligations under paragraph 4.3 and in compliance with the following provisions:

(a) the Franchisee shall (i) produce, (ii) obtain the Secretary of State's approval of, and (iii) commence the implementation of the NRPS Action Plan within three (3) months after the date on which the results of such National Rail Passenger Survey which triggered the requirement for the Required Improvement were published or otherwise made available to the Franchisee pursuant to paragraph 2.2;

(b) the NRPS Action Plan will contain specific tangible action points and indicate in the case of each action point:

(i) how that action will contribute to meeting the NRPS Measure;

(ii) where the action is to be implemented;

(iii) when the action is to be commenced and by when it is to be implemented provided always that where any action is expressed to be ongoing the plan shall include specific review dates; and

(iv) how performance of the action is to be measured; and

(c) the NRPS Action Plan will identify the Additional Expenditure associated with each action.

5.2 The Franchisee shall, except to the extent otherwise agreed by the Secretary of State in advance, implement each NRPS Action Plan referred to in paragraph 5.1 in accordance with its terms.

5.3 It is acknowledged by the Franchisee that the approval or lack of approval by the Secretary of State of each NRPS Action Plan as contemplated in paragraph 5.1(a) shall not relieve the Franchisee of its obligations under this Schedule 7.2 or any other provisions of the Franchise Agreement.

6. **Additional Expenditure**

6.1 For the purposes of paragraphs 4, 5 and 7 of this Schedule 7.2 "Additional Expenditure" or "AD" means for each NRPS Service Group and in respect of a single NRPS Measure [REDACTED] provided that:

(a) for any Franchisee Year which is shorter than thirteen (13) Reporting Periods, AD for that Franchise Year shall be reduced pro rata; and

---

299 Date of redaction 31/08/2017 - where text has been omitted from the document, this is because the Director General Rail or Secretary of State has decided to exclude the text in accordance with the provisions within the Freedom of Information Act 2000.
(b) AD shall be adjusted at the beginning of each Franchisee Year in accordance with the following formula:

<table>
<thead>
<tr>
<th>AD x RPI</th>
</tr>
</thead>
<tbody>
<tr>
<td>where:</td>
</tr>
<tr>
<td>AD</td>
</tr>
<tr>
<td>RPI</td>
</tr>
</tbody>
</table>

6.2 For the purposes of paragraph 4.3, the Additional Expenditure shall be:

(a) in addition to any sums provided for expenditure in respect of the same or similar commitments as those to be specified in an NRPS Action Plan in the Business Plan for the Franchisee Year (the “First Additional Expenditure Year”) in which the obligation to incur Additional Expenditure under paragraph 4.3 first arises (the “Existing Expenditure”) and, in respect of any subsequent Franchisee Year, shall be in addition to the Existing Expenditure increased by an amount equivalent to RPIX. For the purpose of this paragraph 6.2(a) “RPIX” means the increase in the Retail Prices Index between the beginning of the First Additional Expenditure Year and the beginning of that subsequent Franchisee Year; and

(b) in addition to and without limiting paragraph 6.2(a), any expenditure made, or to be made, by the Franchisee for the purposes of complying with the provisions of Schedule 1 (Passenger Service Obligations), Schedule 4 (Accessibility and Inclusivity), Part 1 (Committed Obligations) of Schedule 6.2 (Committed Obligations) and Schedule 7 (Performance Benchmarks).

7. Payments on Termination

Upon the termination of this Agreement the Franchisee shall pay to the Secretary of State, by way of adjustment to the Franchise Payments, an amount equivalent to the amount of any Additional Expenditure that the Franchisee is committed to incur pursuant to paragraph 4.3 and which it has not yet incurred as at the end of the Franchise Period.

8. Consultations

The Franchisee shall undertake consultations from time to time as required with:

(a) passengers, potential passengers, Stakeholders and other users of the rail network; and

(b) persons who are protected by a Disabled People's Protection Policy; and

(c) persons with other protected characteristics within the meaning of the EA, for the purposes of the Customer and Stakeholder Engagement Strategy, the Customer Report, paragraph 11 of this Schedule 7.2 (National Rail Passenger Surveys, Customer Reports and CCI Scheme) and paragraph 6 of Schedule 6.1 (Franchise Specific Obligations).
9. **Customer and Stakeholder Engagement Strategy**

9.1 The Franchisee shall comply with the Customer and Stakeholder Engagement Strategy from the Start Date.

9.2 The Franchisee shall:

(a) undertake and complete a review of its Customer and Stakeholder Engagement Strategy during the fourth (4th) Franchisee Year; and

(b) provide the Secretary of State with any proposed revisions to the Customer and Stakeholder Engagement Strategy arising out of such review by no later than the end of each such Franchisee Year.

9.3 The aim of such review shall be to update the Customer and Stakeholder Engagement Strategy to reflect lessons learned in the period since the Start Date or the previous review of the Customer and Stakeholder Engagement Strategy (as applicable) and to ensure that the Customer and Stakeholder Engagement Strategy achieves effective passenger engagement. Any revisions to the Customer and Stakeholder Engagement Strategy shall require the consent of the Secretary of State (such consent not to be unreasonably withheld or delayed).

10. **Customer Report**

10.1 The Franchisee shall, in accordance with the requirements of paragraph 10.2 and paragraph 10.3 below, publish a Customer Report in such readily accessible formats as the Secretary of State may reasonably require (including in booklet or other similar hard copy formats, in electronic formats (such as on the Franchisee's website, through social media channels and by email)), in each case in accordance with the Customer and Stakeholder Engagement Strategy and the provisions of paragraph 8 (Publication of Performance Data), paragraph 9 (Publication of Complaints and Faults Handling Data) of Schedule 1.4 (Passenger Facing Obligations) and paragraph 16 of Schedule 11.2 (Management Information).

10.2 The Franchisee shall publish a Customer Report as follows:

(a) in respect of the first Franchisee Year:

(i) where such Franchisee Year is less than seven (7) Reporting Periods, the Franchisee shall only be required to publish a Customer Report for that Franchisee Year by no later than the Start Date; or

(ii) where such Franchisee Year is less than thirteen (13) Reporting Periods but equal to or more than seven (7) Reporting Periods, the Franchisee shall be required to publish two (2) Customer Reports in that Franchisee Year, the first Customer Report to be published by no later than the Start Date and the second Customer Report to be published before the end of that first Franchisee Year; and

(b) in respect of each subsequent Franchisee Year, the Franchisee shall be required to publish a Customer Report at least twice in that Franchisee Year provided that where any such subsequent Franchisee Year is less than thirteen (13) Reporting Periods the Franchisee shall only be required to publish a Customer Report only once in respect of that Franchisee Year.

10.3 Without prejudice to the obligations of the Franchisee as specified in each of paragraphs 12.1 and 12.3 of this Schedule 7.2, paragraphs 8.3 and 9 of Schedule
1.4 (Passenger Facing Obligations) and paragraph 16 of Schedule 11.2 (Management Information), the Secretary of State and the Franchisee acknowledge and agree that in respect of each Franchisee Year to which the provisions of paragraph 10.2(b) apply, the first Customer Report to be published for that Franchisee Year shall be prepared in respect of the first six (6) Reporting Periods of that Franchisee Year and the second Customer Report to be published for that Franchisee Year shall be prepared in respect of the last seven (7) Reporting Periods of that Franchisee Year.

11. CCI Scheme

11.1 Without prejudice to paragraph 6 of Schedule 6.1 (Franchise Specific Obligations) no later than three (3) months prior to the start of each CCI Period the Franchisee shall provide to the Secretary of State details of those initiatives, works or proposals (each a “CCI Scheme”) which the Franchisee proposes to undertake in that CCI Period in order to resolve or mitigate issues raised with the Franchisee through the consultations as carried out pursuant to paragraph 8. The Franchisee shall use all reasonable endeavours to propose, in respect of each CCI Period, CCI Schemes with an aggregate projected CCI Scheme Shortfall of not less than the aggregate of the CCI Amount for each Franchisee Year in the relevant CCI Period. The Parties agree that the Franchisee shall not put forward for consideration pursuant to this paragraph 11.1 any initiative, works or proposal which relates to any aspect of the Island Line Services, it being acknowledged that any such initiative, works or proposal may only be proposed to the Secretary of State for consideration pursuant to paragraph 6.1 of Schedule 6.1 (Franchise Specific Obligations).

11.2 In relation to each CCI Scheme proposed by the Franchisee pursuant to paragraph 11.1 the Franchisee shall provide:

(a)  details of the specific issues which that CCI Scheme is intended to resolve or mitigate (including how those issues have been identified) and how that CCI Scheme will resolve or mitigate those issues; and

(b)  fully worked up details of the CCI Scheme sufficient to enable the Secretary of State to evaluate the same, including:

(i)  a timetable for the implementation of that CCI Scheme, setting out the proposed commencement and completion date of such CCI Scheme and any other key dates and milestones;

(ii)  details of the projected CCI Scheme Cost; and

(iii)  details of the projected CCI Scheme Revenue.

11.3 The Franchisee shall provide the Secretary of State with such further information in relation to any CCI Scheme proposed by the Franchisee pursuant to paragraph 11.1 as the Secretary of State may reasonably require.

11.4 A CCI Scheme proposed by the Franchisee pursuant to paragraph 11.1 shall not be an Approved CCI Scheme unless and until approved by the Secretary of State pursuant to this paragraph 11.4. Without limitation, the Secretary of State may withhold his approval to any proposed CCI Scheme which:

(a)  has not been identified and/or developed in accordance with the Customer and Stakeholder Engagement Strategy;

(b)  is not designed to resolve or mitigate issues raised with the Franchisee through the consultations referred to in paragraph 8;
(c) has a completion date falling later than the end of the relevant CCI Period;

(d) is projected to generate a Commercial Return or in relation to which the Secretary of State considers the CCI Scheme Costs (or any part of them) to be too high or disproportionate to the benefits accruing from the CCI Scheme;

(e) the Franchisee is otherwise funded to undertake; or

(f) in the opinion of the Secretary of State, amounts to actions or steps which the Franchisee is otherwise obliged to take or which any competent train operator should be taking in relation to the operation of the Franchise.

11.5 Approved CCI Schemes shall be deemed to be, and treated for the purposes of this Agreement as, Committed Obligations.

11.6 Paragraph 11.8 will apply if:

(a) the aggregate projected CCI Scheme Shortfall in respect of all Approved CCI Schemes for any CCI Period is less than the aggregate of the CCI Amount for each Franchisee Year in that CCI Period; or

(b) subject to paragraph 11.7 in any CCI Period, in the Secretary of State's reasonable opinion, the aggregate of the actual CCI Scheme Shortfall incurred by the Franchisee during that CCI Period upon Approved CCI Schemes is less than the aggregate of the CCI Amount for each Franchisee Year in that CCI Period,

in each case the underspend against the aggregate CCI Amount being the "CCI Underspend".

11.7 If:

(a) the amount of the CCI Scheme Costs actually incurred by the Franchisee in relation to any Approved CCI Scheme exceed the projected CCI Scheme Costs notified to the Secretary of State pursuant to paragraph 11.2 for such Approved CCI Scheme, then the amount of the excess shall not amount to CCI Scheme Cost; or

(b) in the Secretary of State's reasonable opinion, the amount of the CCI Scheme Revenue actually earned by the Franchisee in relation to any Approved CCI Scheme is less than the projected CCI Scheme Revenue notified to the Secretary of State pursuant to paragraph 11.2 for such Approved CCI Scheme then, for the purposes of paragraph 11.6(b) the actual CCI Scheme Revenue shall be deemed to be the projected CCI Scheme Revenue.

11.8 Where this paragraph 11.8 applies the Secretary of State may require:

## Schedule 8.3

**Track Access Adjustments and Station Charge Adjustments**

### 1. Track Access Adjustments

1.1 The Track Access Adjustment to be made in respect of any Reporting Period shall be determined in accordance with the following formula:

\[ TAA = \left( GCA - W \right) \times \frac{RPD}{FYD} \]

<table>
<thead>
<tr>

<tr>

</tbody>
</table>

1.2 The Franchisee shall notify the Secretary of State upon becoming aware that any Track Access Adjustment is to be made and shall supply such information as the Secretary of State may require in relation thereto. The Franchisee shall exercise its rights under the Track Access Agreement in such manner and take such other action as the Secretary of State may reasonably require in connection with any related payment thereunder (including in relation to any agreement of the amount of any such payment and including submitting any relevant dispute to any relevant dispute resolution procedures). The Franchisee shall not, without the consent of the Secretary of State, agree or propose to agree a value for “Wt” or “GC” under Parts 2 or 3A of Schedule 7 of the Track Access Agreement.

1.3 The Franchisee shall provide such evidence of payment as the Secretary of State may require (including any certificates) for the purpose of determining the value of W and GCA under paragraph 1.1.
1.4 If no value is ascertained for W or GCA prior to the date on which the Franchise Payment for the relevant Reporting Period is determined, then a Track Access Adjustment shall only be determined to the extent such values can be ascertained at such time and, when such values are subsequently ascertained, adjustment shall be made to reflect the full Track Access Adjustment for such Reporting Period.

1.5 The values of W and GCA when used in the computation in paragraph 1.1 shall be taken to exclude any input Value Added Tax which is recoverable in respect of the payments they represent by the Franchisee under Sections 24 to 26 of the Value Added Tax Act 1994.

1.6 References in this paragraph 1 to "Wt" and "GC" and Parts 2 and 3A of Schedule 7 of the Track Access Agreement shall be deemed also to be references to such other provisions, and such other algebra under any such other provisions, of any Track Access Agreement as the Secretary of State may reasonably consider have an equivalent effect, or are intended to fulfil the same function, as "Wt" or "GC" and Parts 2 or 3A of Schedule 7 of the Track Access Agreement to which the Franchisee is a party on the Start Date.
2. **Station Charge Adjustment**

2.1 **NOT USED.**

2.2 The Station Charge Adjustment to be made in respect of any Reporting Period shall be the aggregate of the Individual Station Charge Adjustments as determined in accordance with the following formula for each Station and each other Franchisee Access Station:

\[
\text{ISCA} = \frac{L \times \text{RPD}}{\text{FYD}}
\]

Where:

<table>

<td>(a) if the relevant station is not an Independent Station, Condition F11.2 of the Station Access Conditions entitled “National Station Access Conditions 2013 (England and Wales) (incorporating amendments with effect from 1 April 2014)” relating to such station; or</td>
</tr>
<tr>

</tr>
</tbody>
</table>

2.3 The Franchishee shall notify the Secretary of State upon becoming aware that any Station Charge Adjustment is to be made and shall supply such information as the Secretary of State may require in relation thereto. The Franchishee shall exercise such rights as it may have under any Access Agreement in such manner and take such other action as the Secretary of State may reasonably require in connection with any related payment thereunder (including in relation to any agreement of the amount of any such payment and including submitting any relevant dispute to any relevant dispute resolution procedures). The Franchishee shall not, without the consent of the Secretary of State, agree or propose to agree a value for “Lt” under any relevant Access Agreement.
2.4 The Franchisee shall provide such evidence of payment as the Secretary of State may require (including any certificates) for the purpose of determining the value of L under paragraph 2.2.

2.5 If no value is ascertained for “L” prior to the date on which the Franchise Payment for the relevant Reporting Period is determined, then a Station Charge Adjustment shall only be determined to the extent such values can be ascertained at such time and, when such values are subsequently ascertained, an adjustment shall be made to reflect the full Station Charge Adjustment for such Reporting Period.

2.6 The value of “L” when used in the computation in paragraph 2.2 shall be taken to exclude any input Value Added Tax which is recoverable in respect of the payments they represent by the Franchisee under Sections 24 to 26 of the Value Added Tax Act 1994.

2.7 For the purposes of this paragraph 2, “Independent Station” shall mean, at any time, any station of which Network Rail is the Facility Owner at that time.

2.8 References in this paragraph 2 to “Lt”, Condition F11.2 of the Station Access Conditions entitled “National Station Access Conditions 2013 (England and Wales) (incorporating amendments with effect from 1 April 2014)” and Condition 42.3 of the Independent Station Access Conditions shall be deemed also to be references to such other provisions, and such other algebra under any such other provisions, of any relevant station access conditions as the Secretary of State may reasonably consider have an equivalent effect, or are intended to fulfil the same function as, “Lt” and Condition F11.2 of the Station Access Conditions entitled “National Station Access Conditions 2013 (England and Wales) (incorporating amendments with effect from 1 April 2014)” and Condition 42.3 of the Independent Station Access Conditions which are in effect on the Start Date.
Schedule 8.4

GDP Adjustment Payments

1. Purpose and Application of Schedule

1.1 This Schedule 8.4 sets out the formulae to be used to calculate the value of GDPA, GDPR\textsubscript{1} and GDPR\textsubscript{2} for the purposes of Schedule 8.1 (Franchise Payments).

1.2 The provisions of this Schedule 8.4 shall survive the expiry or earlier termination of the Franchise Agreement, in the case of an early termination irrespective of the reason for such termination.

2. Definitions

2.1 For the purposes of this Schedule 8.4:

“Adjusted Actual GDP Index” (expressed in the formulae in this Schedule 8.4 as GDP\textsubscript{CA}) means, in respect of each Franchisee Year, the figure calculated for that Franchisee Year in accordance with paragraph 4.3;

“Adjusted Target GDP Index” (expressed in the formulae in this Schedule 8.4 as GDP\textsubscript{CT}) means, in respect of each Franchisee Year, the figure specified for that Franchisee Year in the Column headed “GDP\textsubscript{CT}” in Appendix 2 (Adjusted Target GDP Index);

“Base Year GDP” (expressed in the formulae in this Schedule 8.4 as GDP\textsubscript{B}) means, at the time of any calculation pursuant to paragraph 4.3, 5.2 and 5.5, the sum of the GDP (ABMI) Figures most recently published by the Office for National Statistics for the quarters ending at the end of each of June 2015, September 2015, December 2015 and March 2016;

“Current Year GDP” means, in respect of a Franchisee Year, the sum of the GDP (ABMI) Figures most recently published (as at the time of any calculation pursuant to paragraph 4.3, 5.2 and 5.5) by the Office for National Statistics in respect of each quarter of the Franchisee Year, being those figures published for the quarters ending at the end of each of June, September, December and March of that Franchisee Year;

“GDP Adjustment Payment” (expressed in this Schedule 8.4 as “GDPA”) means, in respect of each Franchisee Year, the figure calculated in accordance with paragraph 4.2 or paragraph 6.1 (as applicable) which shall be due in accordance with paragraph 4.5 and payable in accordance with Schedule 8.1 (Franchise Payments);

“GDP (ABMI) Figures” means the “Gross Domestic Product at Market Prices in Chained Volume Measure, Seasonally Adjusted in £m” output figures as published by the Office for National Statistics for the quarters ending at the end of each March, June, September and December of each year or, if such figures cease to be published or there is, in the reasonable opinion of the Secretary of State, a material change in the basis on which those figures are calculated or if, at any relevant time, there is a delay in the publication of those figures, such other gross domestic product figures as the Parties may agree or the Secretary of State shall
reasonably determine together with such changes as may be appropriate to this Schedule 8.4 to reflect any such reasonable replacement measure;

“GDP Nil Band Lower” means, in respect of each Franchisee Year, the figure specified in Column 6 headed “GDP Nil Band Lower” of the table in Appendix 2 (Adjusted Target GDP Index) in respect of that Franchisee Year;

“GDP Nil Band Upper” means, in respect of each Franchisee Year, the figure specified in Column 7 headed “GDP Nil Band Upper” of the table in Appendix 2 (Adjusted Target GDP Index) in respect of that Franchisee Year;

“GDP Reconciliation Payments” (expressed in this Schedule 8.4 as “GDPR”₁ and GDPR₂) means the reconciliations to the GDP Adjustment Payment payable in respect of the relevant Franchisee Year, calculated in accordance with paragraph 5 and/or paragraph 6 (as applicable);

“GDPR₁ Reconciliation Date” has the meaning given to it in paragraph 5.1; and

“GDPR₂ Reconciliation Date” has the meaning given to it in paragraph 5.4.

3. GDP Adjustment Payment

3.1 If, in respect of any Franchisee Year:

(a) Adjusted Actual GDP Index and Adjusted Target GDP Index are the same; or

(b) Adjusted Actual GDP Index for that Franchisee Year is equal to or greater than the GDP Nil Band Lower figure for that Franchisee Year but less than or equal to the GDP Nil Band Upper figure for that Franchisee Year,

GDPA in respect of that Franchisee Year shall be zero.

However, GDPR₁ and/or GDPR₂ may be greater or less than zero in respect of that Franchisee Year as a result of a reconciliation made in accordance with paragraph 5 or paragraph 6.

3.2 Subject to paragraph 3.1(b), if, in respect of any Franchisee Year:

(a) Adjusted Actual GDP Index is less than Adjusted Target GDP Index, GDPA will be a positive number for the purposes of Schedule 8.1 (Franchise Payments); or

(b) Adjusted Actual GDP Index is greater than Adjusted Target GDP Index, GDPA will be a negative number for the purposes of Schedule 8.1 (Franchise Payments).

3.3 The Office for National Statistics publishes the GDP (ABMI) Figures by quarters and calendar years. In respect of each Franchisee Year, the GDP (ABMI) Figures to be used for the purposes of calculating GDPA, GDPR₁ and GDPR₂ will be the sum of those GDP (ABMI) Figures published in respect of (a) quarter 2 (ending in June), (b) quarter 3 (ending in September), (c) quarter 4 (ending in December), in each case, of the calendar year in which the relevant Franchisee Year starts and (d) quarter 1 (ending in March) of the following calendar year.
3.4 As the GDP (ABMI) Figures used in the calculation of Base Year GDP may be refined and/or rebased by the Office for National Statistics from time to time following their initial publication, the most recently published GDP (ABMI) Figures in respect of the quarters ending June 2015, September 2015, December 2015 and March 2016 shall be used to determine Base Year GDP for the purpose of calculating Adjusted Actual GDP Index.

3.5 As the GDP (ABMI) Figures used in the calculation of Current Year GDP for each Franchisee Year may be revised by the Office for National Statistics from time to time following their initial publication, two (2) reconciliation payments shall, subject to paragraph 6, be calculated in respect of each Franchisee Year in accordance with paragraph 5, to adjust for the difference between the amount of GDPA already paid in respect of each Franchisee Year and the amount of GDPA which would have been payable in respect of that Franchisee Year had the GDP (ABMI) Figures used in the calculation of Current Year GDP and Base Year GDP been those most recently published at the GDPR\textsubscript{1} Reconciliation Date or the GDPR\textsubscript{2} Reconciliation Date (as the case may be).

3.6 The GDP (ABMI) Figures as at the date of the Franchise Agreement are specified in 2012 prices. During the Franchise Period the Office for National Statistics may rebase to a different base year. If it does so, the rebased GDP (ABMI) Figures shall be used for the purpose of calculating the Adjusted Actual GDP Index. The final GDPA and reconciliation payments to be made at the end of the Franchise Period shall be calculated in accordance with paragraph 6.

3.7 If the Final Franchisee Year ends other than on the date set out in Column 1 of the table at Appendix 1 (DFT\textsubscript{GDPRW}) to this Schedule 8.4:

(a) there shall be a pro-rata adjustment to DFT\textsubscript{GDPRW} for that Franchisee Year in accordance with paragraph 6.1; and

(b) there shall be no change to the figures for the Adjusted Target GDP Index or the figures used to calculate the Adjusted Actual GDP Index.

4. GDP Adjustment Payments (GDPA)

4.1 GDP Nil Band

The GDP Adjustment Payment for a Franchisee Year shall be zero if the Adjusted Actual GDP Index for that Franchisee Year is equal to or greater than the GDP Nil Band Lower figure for that Franchisee Year but less than or equal to the GDP Nil Band Upper figure for that Franchisee Year.

4.2 GDP Adjustment Payments outside the GDP Nil Band

Where paragraph 4.1 does not apply for a Franchisee Year, the GDP Adjustment Payment payable for that Franchisee Year shall be an amount calculated in accordance with the following formula:
GDPA = \( \text{DfT}_{\text{GDPRW}} \times \left[ \frac{(\text{GDP}^C_A) - \text{A}}{\text{GDP}^C_T} \right] \times \text{RPI} \)

Where:

- \( \text{DfT}_{\text{GDPRW}} \) is, subject to paragraph 5, the figure shown in respect of the relevant Franchisee Year in:
  - (a) Column 4 of the table in Appendix 1 (\( \text{DfT}_{\text{GDP1RW}} \)) where \( \text{GDP}^C_A \) is greater than \( \text{GDP}^C_T \); or
  - (b) Column 5 of the table in Appendix 1 (\( \text{DfT}_{\text{GDP2RW}} \)) where \( \text{GDP}^C_A \) is less than \( \text{GDP}^C_T \).

- \( \text{GDP}^C_A \) is the Adjusted Actual GDP Index for the relevant Franchisee Year;
- \( \text{GDP}^C_T \) is the Adjusted Target GDP Index for the relevant Franchisee Year;
- \( \text{A} \) means the figure determined in accordance with paragraph 4.4 for the relevant Franchisee Year; and
- \( \text{RPI} \) has the meaning given to it in Appendix 1 (Annual Franchise Payments) to Schedule 8.1 (Franchise Payments).

### 4.3 Calculating Adjusted Actual GDP Index (\( \text{GDP}^C_A \))

The Adjusted Actual GDP Index for a Franchisee Year shall be an amount calculated in accordance with the following paragraph:

\[ \text{GDP}^C_A = \left[ \frac{\text{GDP}_y}{\text{GDP}_B} \right]^c \]

Where:

- \( c \) means 1.16;
- \( \text{GDP}_y \) is Current Year GDP for the relevant Franchisee Year;
- \( \text{GDP}_B \) is Base Year GDP.

The Adjusted Actual GDP Index shall be specified as a decimal (to 4 decimal places) and where Adjusted Actual GDP Index is negative, it shall be specified as a positive number less than 1.

### 4.4 Calculating the relevant GDP threshold (A)

The figure A for a Franchisee Year shall be:

- (a) the GDP Nil Band Upper figure for that Franchisee Year, where \( \text{GDP}^C_A \) is greater than the GDP Nil Band Upper figure for that Franchisee Year; or
- (b) the GDP Nil Band Lower figure for that Franchisee Year, where \( \text{GDP}^C_A \) is less than the GDP Nil Band Lower figure for that Franchisee Year.
4.5 Payment

Where an amount of GDPA is payable in respect of a Franchisee Year, GDPA shall be payable in accordance with Schedule 8.1 (Franchise Payments) as a single annual payment on the first Payment Date to occur following the date falling fifteen (15) days after publication of the GDP (ABMI) Figures published as part of the Office for National Statistics second estimate of GDP for quarter one, relating to the final quarter of the relevant Franchisee Year (such date of publication being the “Second Estimate Date”), or where there is no Payment Date which occurs following the date falling fifteen (15) days after the Second Estimate Date, not later than thirty (30) days after the Second Estimate Date.

5. GDP Reconciliation Payments (GDPR₁ and GDPR₂)

First Reconciliation - GDPR₁

5.1 Subject to paragraph 6, GDPR₁ for a Franchisee Year shall be calculated based on the GDP (ABMI) Figures in respect of that Franchisee Year published in the UK Quarterly National Accounts for quarter one in the year following the Second Estimate Date (as defined in paragraph 4.5) for that Franchisee Year (the “GDPR₁ Reconciliation Date”).

5.2 GDPR₁ for a Franchisee Year shall be an amount equal to:

(a) the amount which GDPA would have been for that Franchisee Year if:

(i) Current Year GDP for that Franchisee Year had been calculated using the UK Quarterly National Accounts for Q1 GDP (ABMI) Figures in respect of that Franchisee Year available at the GDPR₁ Reconciliation Date; and

(ii) Base Year GDP had been calculated using the most recently published GDP (ABMI) Figures available at the GDPR₁ Reconciliation Date;

minus

(b) GDPA for that Franchisee Year.

5.3 If GDPR₁ is:

(a) a negative number, GDPR₁ will be a negative number for the purpose of Schedule 8.1 (Franchise Payments); or

(b) a positive number, GDPR₁ will be a positive number for the purpose of Schedule 8.1 (Franchise Payments).

Second Reconciliation - GDPR₂

5.4 Subject to paragraph 6, GDPR₂ for a Franchisee Year shall be calculated based on the GDP (ABMI) Figures in respect of that Franchisee Year published in the UK Quarterly National Accounts for quarter one in the year following the GDPR₁ Reconciliation Date (the “GDPR₂ Reconciliation Date”).
5.5 GDPR₂ for a Franchisee Year shall be an amount equal to:

(a) the amount which GDPA would have been for that Franchisee Year if:

(i) Current Year GDP for that Franchisee Year had been calculated using the UK Quarterly National Accounts for Q1 GDP (ABMI) Figures in respect of that Franchisee Year available at the GDPR₂ Reconciliation Date; and

(ii) Base Year GDP had been calculated using the most recently published GDP (ABMI) Figures available at the GDPR₂ Reconciliation Date;

minus

(b) the sum of GDPA and any GDPR₁ for that Franchisee Year.

5.6 If GDPR₂ is:

(a) a negative number, GDPR₂ will be a negative number for the purpose of Schedule 8.1 (Franchise Payments); or

(b) a positive number, GDPR₂ will be a positive number for the purpose of Schedule 8.1 (Franchise Payments).

5.7 Payment of any GDPR₁ or GDPR₂

Where an amount of GDPR₁ or GDPR₂ is payable for a Franchisee Year, such amount shall be payable in accordance with Schedule 8.1 (Franchise Payments) as a single annual payment on the first Payment Date to occur following the date falling fifteen (15) days after publication of the refined GDP (ABMI) Figures referred to in paragraph 5.2(a) or 5.5(a) (as applicable) or as set out in paragraph 6 (the “GDP Publication Date”) or, where there is no Payment Date which occurs following the date falling fifteen (15) days after the GDP Publication Date, not later than fifteen (15) days after the GDP Publication Date.

6. Final Adjustments/Reconciliations

Final Year

6.1 GDPA for the Final Franchisee Year (including in the event of an early termination) shall be calculated and payable in accordance with paragraph 4 provided that, if such Final Franchisee Year ends other than on the date set out in Column 1 of the table at Appendix 1 (DFT_GDP_RW) to this Schedule 8.4, for the purpose of calculating GDPA for that Final Franchisee Year:

(a) DFT_GDP_RW shall be adjusted on a pro-rata basis to reflect the number of days by which the number of days in the Final Franchisee Year was less than the number of days there would have been in the Final Franchisee Year had the Final Franchisee Year ended on the date set out in Column 1 of the table at Appendix 1 (DFT_GDP_RW) to this Schedule 8.4; and

(b) no other component of GDPA referred to in the formula in paragraph 4.2 shall be adjusted to reflect that the Final Franchisee Year ended other than
on the date set out in Column 1 of the table at Appendix 1 (DFT\textsubscript{GDPRW}) to this Schedule 8.4, and

GDPA for the Final Franchisee Year shall be payable in accordance with paragraph 4.5.

6.2 No GDPR\textsubscript{1} or GDPR\textsubscript{2} payment shall be payable in respect of the Final Franchisee Year.

**Penultimate Year**

6.3 GDPR\textsubscript{1} for the penultimate Franchisee Year shall be calculated in accordance with paragraph 5.2 and payable in accordance with paragraph 5.7 provided that, if the Final Franchisee Year ends other than on 31 March, in paragraph 5.2(a) the words:

(a) "at the GDPR\textsubscript{1} Reconciliation Date"

shall be deemed to be replaced by the following words:

(b) "in the month in which GDPA is calculated for the Final Franchisee Year".

6.4 No GDPR\textsubscript{2} payment shall be payable in respect of the penultimate Franchisee Year.

**Year before Penultimate Year**

6.5 GDPR\textsubscript{2} for the Franchisee Year immediately prior to the penultimate Franchisee Year shall be calculated in accordance with paragraph 5.5 and payable in accordance with paragraph 5.7 provided that, where the Final Franchisee Year ends other than on 31 March, in paragraph 5.5(a) the words:

(a) "at the GDPR\textsubscript{2} at the Reconciliation Date"

Schedule 8.5

CLE Adjustment Payments

1. Purpose and Application of Schedule

1.1 This Schedule 8.5 sets out the formulae to be used to calculate the value of CLEA and CLER for the purposes of Schedule 8.1 (Franchise Payments).

1.2 The provisions of this Schedule 8.5 shall survive the expiry or earlier termination of the Franchise Agreement, in the case of an early termination irrespective of the reason for such termination.

2. Definitions

2.1 For the purposes of this Schedule 8.5:

“Adjusted Actual CLE Index” (expressed in the formulae in this Schedule 8.5 as $CLE_A$) means, in respect of each Franchisee Year, the figure calculated for that Franchisee Year in accordance with paragraph 4.3;

“Adjusted Target CLE Index” (expressed in the formulae in this Schedule 8.5 as $CLE_T$) means, in respect of each Franchisee Year, the figure specified for that Franchisee Year in the Column headed “CLE$T$” in Appendix 2 (Adjusted Target CLE Index);

“APS Workplace Analysis Figures” has the meaning given to it in paragraph 3.3;

“Base Year CLE” (expressed in the formulae in this Schedule 8.5 as $CLE_B$) means, at the time of any calculation pursuant to paragraph 4.3 and 5.2, the CLE (APS) Figures incorporating the APS Workplace Analysis Figures most recently published by the Office for National Statistics for the 4 quarters up to and including 31 March 2016;

“CLE Adjustment Payment” (expressed in this Schedule 8.5 as “CLEA”) means, in respect of each Franchisee Year, the figure calculated in accordance with paragraph 4.2 or paragraph 6.1 (as applicable) which shall be due in accordance with paragraph 4.5 and payable in accordance with Schedule 8.1 (Franchise Payments);

“CLE (APS) Figures” means the aggregate output figures in respect of the London Boroughs of Camden, City of London, Islington, Kensington & Chelsea, Lambeth, Tower Hamlets, Southwark and Westminster for the 4 quarters preceding 31 March as published in the “APS Workplace Analysis Figures” within the first four (4) months of the following Franchisee Year;

“CLE Reconciliation Payment” (expressed in this Schedule 8.5 as “CLER”) means the reconciliation to the CLE Adjustment Payment payable in respect of the relevant Franchisee Year, calculated in accordance with paragraph 5 and/or paragraph 6 (as applicable);

“CLER Reconciliation Date” has the meaning given to it in paragraph 5.1;
“CLE Nil Band Lower” means, in respect of each Franchisee Year, the figure specified in Column 6 headed “CLE Nil Band Lower” of the table in Appendix 2 (Adjusted Target CLE Index) in respect of that Franchisee Year;

“CLE Nil Band Upper” means, in respect of each Franchisee Year, the figure specified in Column 7 headed “CLE Nil Band Upper” of the table in Appendix 2 (Adjusted Target CLE Index) in respect of that Franchisee Year; and

“Current Year CLE” means, in respect of a Franchisee Year, the CLE (APS) Figures most recently published (as at the time of any calculation pursuant to paragraph 4.3 and 5.2) by the Office for National Statistics in respect of the 4 quarters up to and including 31 March of that Franchisee Year.

3. **CLE Adjustment Payment**

3.1 If, in respect of any Franchisee Year:

(a) Adjusted Actual CLE Index and Adjusted Target CLE Index are the same; or

(b) Adjusted Actual CLE Index for that Franchisee Year is equal to or greater than the CLE Nil Band Lower figure for that Franchisee Year but less than or equal to the CLE Nil Band Upper figure for that Franchisee Year,

CLEA in respect of that Franchisee Year shall be zero.

However, CLER may be greater or less than zero in respect of that Franchisee Year as a result of a reconciliation made in accordance with paragraph 10 or paragraph 6.

3.2 Subject to paragraph 3.1(b), if, in respect of any Franchisee Year:

(a) Adjusted Actual CLE Index is less than Adjusted Target CLE Index, CLEA will be a positive number for the purposes of Schedule 8.1 (Franchise Payments); or

(b) Adjusted Actual CLE Index is greater than Adjusted Target CLE Index, CLEA will be a negative number for the purposes of Schedule 8.1 (Franchise Payments).

3.3 The Office for National Statistics publishes the “Annual Population Survey – Workplace Analysis” output figures ("APS Workplace Analysis Figures") from which the CLE (APS) Figures are derived for the 4 quarters up to and including the end of March each year.

3.4 In the event that the Office of National Statistics revises the basis upon which the APS Workplace Analysis Figures are determined, the Parties may agree or the Secretary of State shall reasonably determine, such amendments that are appropriate to deal with the changes to the basis upon which the APS Workplace Analysis Figures are determined, to the provisions of this Schedule 8.5 (including any revisions to the tables set out in Appendix 1 or 2) of this Schedule 8.5 so that risk apportioned between the Secretary of State and the Franchisee in respect of CLE (APS Figures) within this Schedule 8.5 is held constant.
3.5 In determining what amendments to this Schedule 8.5 are required pursuant to paragraph 3.4, the Secretary of State shall take into account any guidance, explanatory papers and revised output figures issued by, or on behalf of, the Office of National Statistics in respect of the relevant revision to the basis of the APS Workplace Analysis Figures.

3.6 If the APS Workplace Analysis Figures cease to be published or there is, in the reasonable opinion of the Secretary of State, a material change in the basis on which those figures are calculated or if, at any relevant time, there is a delay in the publication of those figures, such other central London employment figures to be substituted for the APS Workplace Analysis Figures as the Parties may agree or the Secretary of State shall reasonably determine together with such other changes as may be appropriate to this Schedule 8.5 to reflect any such reasonable replacement measure.

3.7 In respect of each Franchisee Year, the CLE (APS) Figures to be used for the purposes of calculating CLEA and CLER will be the CLE (APS) Figures determined following the publication of the APS Workplace Analysis Figures for the 4 quarters up to and including 31 March.

3.8 As the APS Workplace Analysis Figures which, pursuant to paragraph 3.3, forms the basis of the CLE (APS) Figures used in the calculation of Current Year CLE for each Franchisee Year may be revised by the Office for National Statistics from time to time following initial publication, a reconciliation payment shall, subject to paragraph 6, be calculated in respect of each Franchisee Year in accordance with paragraph 5, to reflect the difference between the amount of CLEA already paid in respect of that Franchisee Year and the amount of CLEA which would have been payable in respect of that Franchisee Year had the CLE (APS) Figures used in the calculation of Current Year CLE and Base Year CLE been those most recently published at the CLER Reconciliation Date.

3.9 The final CLEA and reconciliation payments to be made at the end of the Franchise Period will be calculated in accordance with paragraph 6.

3.10 If the Final Franchisee Year ends other than on the date set out in Column 1 of the table at Appendix 1 (DfTCLERW) to this Schedule 8.5:

(a) there shall be a pro-rata adjustment to DfTCLERW for that Franchisee Year in accordance with paragraph 6.1; and

(b) there shall be no change to the figures for the Adjusted Target CLE Index or the figures used to calculate the Adjusted Actual CLE Index.

4. **CLE Adjustment Payments (CLEA)**

4.1 **CLE Nil Band**

The CLE Adjustment Payment for a Franchisee Year shall be zero if the Adjusted Actual CLE Index for that Franchisee Year is equal to or greater than the CLE Nil Band Lower figure for that Franchisee Year but less than or equal to the CLE Nil Band Upper figure for that Franchisee Year.

4.2 **CLE Adjustment Payments outside the CLE Nil Band**
Where paragraph 4.1 does not apply for a Franchisee Year, the CLE Adjustment Payment payable for that Franchisee Year shall be an amount calculated in accordance with the following formula:

\[
CLEA = DfT_{CLERW} \times \left[ \frac{(CLE^A_{CA}) - A}{CLE^T_{CT}} \right] \times RPI
\]

Where:
- \(DfT_{CLERW}\) is, subject to paragraph 5, the figure shown in respect of the relevant Franchisee Year in:
  - (a) Column 4 of the table in Appendix 1 (\(DfT_{CLE1RW}\)) where \(CLE^A_{CA}\) is greater than \(CLE^T_{CT}\); or
  - (b) Column 5 of the table in Appendix 1 (\(DfT_{CLE2RW}\)) where \(CLE^A_{CA}\) is less than \(CLE^T_{CT}\).
- \(CLE^A_{CA}\) is the Adjusted Actual CLE Index for the relevant Franchisee Year;
- \(CLE^T_{CT}\) is the Adjusted Target CLE Index for the relevant Franchisee Year;
- \(A\) means the figure determined in accordance with paragraph 4.4 for the relevant Franchisee Year; and
- \(RPI\) has the meaning given to it in Appendix 1 (Annual Franchise Payments) to Schedule 8.1 (Franchise Payments).

4.3 **Calculating Adjusted Actual CLE Index (CLE^A_{CA})**

The Adjusted Actual CLE Index for a Franchisee Year shall be an amount calculated in accordance with the following paragraph:

\[
CLE^A_{CA} = \left( \frac{CLE^Y_{CP}}{CLE^B_{CP}} \right)^c
\]

Where:
- \(c\) means 1.28;
- \(CLE^Y_{CP}\) is Current Year CLE for the relevant Franchisee Year;
- \(CLE^B_{CP}\) is Base Year CLE.

The Adjusted Actual CLE Index shall be specified as a decimal (to 4 decimal places) and where Adjusted Actual CLE Index is negative, it shall be specified as a positive number less than 1.

4.4 **Calculating the relevant CLE threshold (A)**

The figure A for a Franchisee Year shall be:

(a) the CLE Nil Band Upper figure for that Franchisee Year, where \(CLE^A_{CA}\) is greater than the CLE Nil Band Upper figure for that Franchisee Year; or
(b) the CLE Nil Band Lower figure for that Franchisee Year, where $C_{A}$ is less than the CLE Nil Band Lower figure for that Franchisee Year.

4.5 **Payment**

Where an amount of CLEA is payable in respect of a Franchisee Year, CLEA shall be payable in accordance with Schedule 8.1 (Franchise Payments) as a single annual payment on the first Payment Date to occur following the date falling fifteen (15) days after publication of the APS Workplace Analysis Figures which form the basis of the CLE (APS) Figures by the Office for National Statistics (within the first four (4) months of the following Franchisee Year), relating to the final quarter of the relevant Franchisee Year (such date of publication being the “CLE Estimate Date”), or where there is no Payment Date which occurs following the date falling fifteen (15) days after the CLE Estimate Date, not later than thirty (30) days after the CLE Estimate Date.

5. **CLE Reconciliation Payment (CLER)**

**Reconciliation - CLER**

5.1 CLER for a Franchisee Year (including, in the Final Franchisee Year, in respect of CLEA for the penultimate Franchisee Year, if applicable) shall be calculated based on the CLE (APS) Figures in respect of that Franchisee Year which incorporate the APS Workplace Analysis Figures used to calculate the CLEA payable pursuant to paragraph 4.5 that have been revised and re-published by the Office for National Statistics within twelve (12) months of the CLE Estimate Date ("Revised CLE (APS) Figures" for that Franchisee Year (the “CLER Reconciliation Date”). If no Revised CLE APS Figures are published within such twelve (12) months, no CLER shall be payable for the relevant Franchisee Year.

5.2 CLER for a Franchisee Year shall be an amount equal to:

(a) the amount which CLEA would have been for that Franchisee Year if:

   (i) Current Year CLE for that Franchisee Year had been calculated using the APS Workplace Analysis Figures which form the basis of the CLE (APS) Figures in respect of that Franchisee Year available at the CLER Reconciliation Date; and

   (ii) Base Year CLE had been calculated using the most recently published Annual Population Survey – Workplace Analysis Figures which form the basis of the CLE (APS) Figures available at the CLER Reconciliation Date;

minus

(b) CLEA for that Franchisee Year.

5.3 If CLER is:

(a) a negative number, CLER will be a negative number for the purpose of Schedule 8.1 (Franchise Payments); or
(b) a positive number, CLER will be a positive number for the purpose of Schedule 8.1 (Franchise Payments).

5.4 **Payment of any CLER**

Where an amount of CLER is payable for a Franchisee Year, such amount shall be payable in accordance with Schedule 8.1 (Franchise Payments) as a single annual payment on the first Payment Date to occur following the date falling fifteen (15) days after publication of the revised APS Workplace Analysis Figures which form the basis of the CLE (APS) Figures referred to in paragraph 5.2(a) (the “CLE Publication Date”) or, where there is no Payment Date which occurs following the date falling fifteen (15) days after the CLE Publication Date, not later than fifteen (15) days after the CLE Publication Date.

6. **Final Adjustments/Reconciliations**

6.1 CLEA for the Final Franchisee Year (including in the event of an early termination) shall be calculated and payable in accordance with paragraph 4 provided that, if such Final Franchisee Year ends other than on the date set out in Column 1 of the table at Appendix 1 (DfT_CLE_RW) to this Schedule 8.5, for the purpose of calculating CLEA for that Final Franchisee Year:

(a) DfT_CLE_RW shall be adjusted on a pro-rata basis to reflect the number of days by which the number of days in the Final Franchisee Year was less than the number of days there would have been in the Final Franchisee Year had the Final Franchisee Year ended on the date set out in Column 1 of the table at Appendix 1 (DfT_CLE_RW) to this Schedule 8.5; and

(b) no other component of CLEA referred to in the formula in paragraph 4.2 shall be adjusted to reflect that the Final Franchisee Year ended other than on the date set out in Column 1 of the table at Appendix 1 (DfT_CLE_RW) to this Schedule 8.5, and

CLEA for the Final Franchisee Year shall be payable in accordance with paragraph 4.5.

6.2 No CLER payment shall be payable in respect of the Final Franchisee Year.

Schedule 9.1

Financial and Other Consequences of Change

1. Purpose and Application of Schedule

1.1 This Schedule 9.1 sets out:

(a) the circumstances in which the occurrence of a Change will result in an adjustment to the Franchise Payments and/or the Benchmarks and/or the Annual Benchmarks and wherever in Schedule 9 reference is made to “adjustment to Franchise Payments” such reference shall be construed to include (unless the context otherwise requires) the restatement of the values of FPST, SPST and TPST as specified in respect of each Franchise Year in paragraphs 1, 2 and 3 (respectively) of Appendix 1 (Profit Share Thresholds) to Schedule 8.2 (Profit Share Mechanism) (“Profit Share Components”);

(b) the process by which that adjustment to the Franchise Payments and/or the Benchmarks and/or the Annual Benchmarks will be determined and effected; and

(c) provisions dealing with the responsibility for costs incurred by the Franchisee in connection with any audit of the Run of the Financial Model and its results.

1.2 Schedule 9.2 (Identity of the Financial Model) contains provisions dealing with the Financial Model which are relevant to the operation of this Schedule 9.1.

1.3 This Schedule 9.1 shall apply in relation to a Change where:

(a) there are good reasons for considering that that Change will be a Qualifying Change or, with other Changes, part of an Aggregated Qualifying Change; and

(b) the required notice(s) has/have been given in accordance with paragraph 1.4 (or the Parties have agreed that this Schedule 9.1 will apply and there should be a Run of the Financial Model and/or a review of the Benchmarks and/or the Annual Benchmarks even though the required notices have not been given).

1.4 The notice requirements are that:

(a) subject to paragraph 1.4(b), a Party must have notified the other that it considers that the Change will be a Qualifying Change and that it requires a Run of the Financial Model and/or a review of the Benchmarks and/or the Annual Benchmarks in respect of that Change:

(i) within six (6) months of the notification or agreement of that Change if it is a Variation pursuant to paragraph 1.1 of Schedule 9.3 (Variations to the Franchise Agreement and Incentivising Beneficial Changes); or

(ii) within six (6) months of becoming aware of it, if it is any other type of Change; and
(b) in the case of an Aggregated Qualifying Change, a Party must have notified the other:

(i) after an individual Change occurs, within the time limits stated in paragraphs 1.4(a)(i) or 1.4(a)(ii), that it reserves the right to count that Change towards an Aggregated Qualifying Change; and

(ii) within six (6) months of the occurrence of the last Change which that Party considers will trigger an Aggregated Qualifying Change, that the Party requires a Run of the Financial Model and/or a review of the Benchmarks and/or the Annual Benchmarks in respect of the Changes comprised in that Aggregated Qualifying Change. The notice must identify each of the Changes included in the Aggregated Qualifying Change.

1.5 References in the remainder of this Schedule 9.1 and in Schedule 9.2 (Identity of the Financial Model) to a “Change” are to a Change in respect of which the requirements in paragraph 1.3 have been satisfied.

2. Timescales

2.1 Where this Schedule 9.1 applies, any resulting restatement of the Annual Franchise Payment Components and the Profit Share Components, the Benchmarks and/or the Annual Benchmarks (as applicable) shall be made in accordance with this Schedule 9.1:

(a) where it is reasonably practicable to do so, at least three (3) Reporting Periods prior to the Change; or

(b) where the timescale in paragraph 2.1(a) is not reasonably practicable, as soon as reasonably practicable after that.

2.2 If paragraph 2.1(b) applies and it is not reasonably practicable for the restatement of the Annual Franchise Payment Components and the Profit Share Components to be made before the Change occurs, then paragraph 10 (Estimated Revisions) shall apply.

3. How any adjustments to Franchise Payments will be established

3.1 The adjustments, if any, to the Franchise Payments to be made in respect of any Change shall be established by:

(a) establishing those Model Changes and/or Revised Inputs required to take account of the Change; then

(b) applying those Model Changes and/or Revised Inputs to the Financial Model before performing a Run of the Financial Model to generate the New Results; then

(c) restating the Annual Franchise Payment Components and the Profit Share Components, by substituting the New Results for the Old Results (so that, to the extent that the New Results and the Old Results are different, this will result in an adjustment to the Franchise Payments),

in each case, subject to and in accordance with the terms more particularly described in this Schedule 9.1.
4. **How Model Changes and/or Revised Inputs will be established**

4.1 The Parties shall agree or the Secretary of State shall reasonably determine the Revised Inputs and (if any) the Model Changes.

4.2 **“Revised Inputs”** means:

(a) the data that the Financial Model utilised in order to produce the Old Results, as such data is recorded in the Financial Model released by the Secretary of State pursuant to either of paragraphs 2.1(d) or 2.2 of Schedule 9.2 (Identity of the Financial Model) for the purposes of the Run of the Financial Model; but

(b) amended, whether by way of increase, reduction or other alterations to such data, (if at all) only as the Parties may agree or the Secretary of State may reasonably determine is required by the provisions of Appendix 2 (Agreement or Determination of Revised Inputs) to this Schedule 9.1 in respect of a Change.

4.3 **“Model Changes”** means any changes that the Parties may agree or the Secretary of State may reasonably determine are required to the Financial Model and/or the Operational Model, as released by the Secretary of State pursuant to either of paragraphs 2.1(d) or 2.2 of Schedule 9.2 (Identity of the Financial Model), for the purposes of the Run of the Financial Model, as a consequence of and in order to give effect to the Revised Inputs.

4.4 The Secretary of State shall provide a written statement of the Revised Inputs and any Model Changes to the Franchisee for the purposes of paragraph 7 promptly after they have been agreed or determined.

5. **Changes to Benchmarks and/or Annual Benchmarks**

5.1 This paragraph 5 shall apply if either Party has given notice to the other that it considers that a Change has or will have, in that Party’s reasonable opinion, a material effect on the risk of the Franchisee failing to satisfy the requirements of any Benchmark and/or Annual Benchmark (whether in terms of increasing or reducing that risk).

5.2 Any notice referred to in paragraph 5.1 shall be given as soon as reasonably practicable and in any event before the Parties have agreed or the Secretary of State has reasonably determined the Revised Inputs in respect of the Change.

5.3 Where this paragraph 5 applies, the relevant Benchmarks and/or Annual Benchmarks shall be revised to the extent that such revision is reasonably considered to be necessary to hold constant the risk of the Franchisee failing to satisfy the requirements of that Benchmark and/or Annual Benchmarks. The Parties shall agree or the Secretary of State shall reasonably determine any such revision(s).

5.4 For the purposes of any revision to the Benchmarks and/or Annual Benchmarks under this paragraph 5, regard may be had to:

(a) any relevant assumptions in the Record of Assumptions (as proposed to be updated to reflect the relevant Change) and the contents of an Operational Model; and/or
(b) any other information,

to the extent they are relevant to the consideration of whether a revision is reasonably considered to be appropriate to take account of the Change.

6. Run of the Financial Model following agreement or determination of the Revised Inputs and Model Changes

6.1 When the Revised Inputs and Model Changes (if any) are agreed or determined there shall be a Run of the Financial Model.

6.2 The Run of the Financial Model shall be performed after making any Model Changes and utilising the Revised Inputs and shall be performed by:

(a) the Franchisee promptly on receiving notification of the Revised Inputs and any Model Changes from the Secretary of State pursuant to paragraph 4.4 or within such period of time as the Secretary of State shall reasonably determine; or

(b) the Secretary of State if the Franchisee fails to do so. In these circumstances, the Franchisee shall reimburse to the Secretary of State the Secretary of State’s costs of performing the Run of the Financial Model.

6.3 The Party that performs the Run of the Financial Model pursuant to paragraph 6.2 shall provide the non performing Party with a reasonable opportunity to be in attendance and shall promptly notify such other Party of the New Results.

6.4 Where there is more than one Change, Runs of the Financial Model in respect of such Changes shall (unless otherwise agreed or the Secretary of State reasonably determines) be undertaken in the order in which such Changes occur. For this purpose, the order of occurrence will be determined by reference to the earliest date from which the Franchise Payments are reasonably expected to require adjustment as a result of the restatement of the Annual Franchise Payment Components and the Profit Share Components triggered by a Change. This will be as agreed between the Parties or in the absence of agreement be reasonably determined by the Secretary of State.

7. Certification or Audit of the New Results

7.1 The Secretary of State, as soon as reasonably practicable after receiving or generating the New Results pursuant to paragraphs 6.2 and 6.3, shall either:

(a) certify to the Franchisee his approval of the New Results; or

(b) notify the Franchisee that he requires the Run of the Financial Model and its results to be audited by an independent auditor appointed by the Secretary of State with the approval (not to be unreasonably withheld) of the Franchisee.

7.2 For the purposes of paragraph 7.1(b), the requirement for an audit is one that requires the auditor either to certify:

(a) that the New Results have been produced by applying the Revised Inputs (as provided to the Franchisee by the Secretary of State pursuant to paragraph 4.4) to the Financial Model after making the Model Changes (as
provided to the Franchisee by the Secretary of State pursuant to paragraph 4.4); or

(b) the New Results themselves, by itself applying the Revised Inputs (as provided to the Franchisee by the Secretary of State pursuant to paragraph 4.4) to the Financial Model after making the Model Changes (as provided to the Franchisee by the Secretary of State pursuant to paragraph 4.4).

7.3 The Parties shall procure that any auditor is, as soon as reasonably practicable after his appointment, able to discharge the audit requirements.

7.4 The results as certified by the Secretary of State pursuant to paragraph 7.1 or by the auditor pursuant to paragraph 7.2 shall be final and binding on the Parties, except in the case of manifest error.

7.5 The Secretary of State may stipulate (on or before the date on which the Secretary of State approves or the auditor certifies the results of the Run of the Financial Model) in respect of a Change that the restated Annual Franchise Payment Components and the Profit Share Components are to apply for a limited period of time only (the "Initial Period"), with provision thereafter, if appropriate, for a further Run of the Financial Model with new Revised Inputs and/or Model Changes based on information available at that time.

8. Costs of Audit

8.1 This paragraph deals with the costs incurred by the Franchisee in connection with any audit required by the Secretary of State pursuant to paragraph 7.

8.2 The costs of any audit required under paragraph 7.1(b) shall be met by the Secretary of State subject to the following:

(a) the costs of the audit shall be met entirely by the Franchisee in the case of a Change falling within any of the following sub-paragraphs within the definition of Change:

(i) a Charge Variation;

(ii) an event set out in any Secretary of State Risk Assumptions specified in Schedule 9.4 (Secretary of State Risk Assumptions); and

(b) the costs of the audit shall be met entirely by the Franchisee:

(i) where,

(A) the New Results produced by applying the Revised Inputs to the Financial Model after making the Model Changes (if any); or

(B) the New Results themselves,

were incorrect as a result of manifest error by the Franchisee; and

(c) where paragraphs 8.2(a) and/or 8.2(b) do not apply, the Secretary of State shall only be responsible for the reasonable costs reasonably incurred
of the Franchisee in connection with the audit, and the Franchisee shall comply with the Secretary of State’s reasonable directions in connection with the audit which may include a requirement for a competitive tender for the appointment of the auditor.

9. **Restatement of Annual Franchise Payment Components and/or Benchmarks and/or Annual Benchmarks and/or Profit Share Components**

9.1 When the New Results have been certified by the Secretary of State or the auditor in accordance with paragraph 7 then:

(a) if:

   (i) there is any difference between the Old Results and the New Results; and

   (ii) the New Results are such that the Change:

       (A) meets the criteria for a Qualifying Change; or

       (B) with other Changes meets the criteria for an Aggregated Qualifying Change,

       the Annual Franchise Payment Components and the Profit Share Components shall be restated in the amounts of the New Results; and

(b) if any changes to the Benchmarks and/or Annual Benchmarks have been agreed or determined in accordance with paragraph 5, the Benchmarks and/or Annual Benchmarks shall be restated to give effect to those changes.

9.2 Subject to paragraph 9.3, the restatement of the Annual Franchise Payment Components and the Profit Share Components shall have effect on and from the date on which the Secretary of State or the auditor certifies the results of the Run of the Financial Model.

9.3 If and to the extent that:

(a) the application of the New Results in respect of the then current or any earlier Franchisee Year would result in any change to the amount of any payments already made between the Secretary of State and the Franchisee; and

(b) that change in payments is not already taken into account in any Reconciliation Amount payable pursuant to paragraph 10.11,

then a reconciliation payment shall be paid by the Franchisee or the Secretary of State (as the case may be). The payment shall be made on the first Payment Date which falls more than seven (7) days after agreement or determination of the amount of the reconciliation payment required (or if there is no such Payment Date, within fourteen (14) days after such agreement or determination).
9.4 Changes to DfT\textsubscript{GDP}R in Schedule 8.4 which may arise as a consequence of a Change

(a) Following the certification of the New Results by the Secretary of State or the auditor in accordance with paragraph 7, “DfT\textsubscript{GDP}R” as specified in Column 3 of Appendix 1 (DfT\textsubscript{GDP} RW) to Schedule 8.4 (GDP Adjustment Payments) shall be adjusted to reflect the adjustment to “PRR\textsubscript{GDP}I” in accordance with the following formula and for each Franchisee Year in respect of which the change to “PRR\textsubscript{GDP}I” applies:

\[
\text{New DfT}\textsubscript{GDP}R = \text{DfT}\textsubscript{GDP}R \times \left( \frac{\text{PRR}\textsubscript{GDP}I_{\text{new}}}{\text{PRR}\textsubscript{GDP}I_{\text{old}}} \right)
\]

where:

- **DfT\textsubscript{GDP}R** is, in respect of a Franchisee Year, the figure included for DfT\textsubscript{GDP}R in Column 3 in Appendix 1 (DfT\textsubscript{GDP} RW) of Schedule 8.4 (GDP Adjustment Payments) at the time of certification of the New Results;
- **PRR\textsubscript{GDP}I_{\text{new}}** is, in respect of a Franchisee Year, the figure for PRR\textsubscript{GDP}I for that Franchise Year in the New Results; and
- **PRR\textsubscript{GDP}I_{\text{old}}** is, in respect of a Franchisee Year, the figure for PRR\textsubscript{GDP}I for that Franchisee Year in the Old Results.

(b) Following calculation of New DfT\textsubscript{GDP}R by the Secretary of State in accordance with this paragraph 9.4, the Secretary of State shall issue a replacement Appendix 1 (DfT\textsubscript{GDP} RW) of Schedule 8.4 (GDP Adjustment Payments) which, in respect of each Franchisee Year, shall specify: New DfT\textsubscript{GDP}R in Column 3 of that appendix as “DfT\textsubscript{GDP}R” and [REDACTED\textsuperscript{336}] of New DfT\textsubscript{GDP}R in Column 4 (being “DfT\textsubscript{GDP}1RW”) and [REDACTED\textsuperscript{337}] of New DfT\textsubscript{GDP}R in Column 5 (being “DfT\textsubscript{GDP}2RW”) of that appendix, together being “DfT\textsubscript{GDP}RW”, and such replacement appendix shall replace the existing appendix without further act.

9.5 Changes to DfT\textsubscript{CLE}R in Schedule 8.5 which may arise as a consequence of a Change

(a) Following the certification of the New Results by the Secretary of State or the auditor in accordance with paragraph 7, “DfT\textsubscript{CLE}R” as specified in Column 3 of Appendix 1 (DfT\textsubscript{CLE} RW) to Schedule 8.5 (CLE Adjustment Payments) shall be adjusted to reflect the adjustment to “PRR\textsubscript{CLE}I” in accordance with the following formula and for each Franchisee Year in respect of which the change to “PRR\textsubscript{CLE}I” applies:

\[
\text{New DfT}\textsubscript{CLE}R = \text{DfT}\textsubscript{CLE}R \times \left( \frac{\text{PRR}\textsubscript{CLE}I_{\text{new}}}{\text{PRR}\textsubscript{CLE}I_{\text{old}}} \right)
\]

where:

- **DfT\textsubscript{CLE}R** is, in respect of a Franchisee Year, the figure included for DfT\textsubscript{CLE}R in Column 3 in Appendix 1 (DfT\textsubscript{CLE} RW) of Schedule 8.5 (CLE Adjustment Payments) at the time of certification of the New Results;
- **PRR\textsubscript{CLE}I_{\text{new}}** is, in respect of a Franchisee Year, the figure for PRR\textsubscript{CLE}I for that Franchise Year in the New Results; and
- **PRR\textsubscript{CLE}I_{\text{old}}** is, in respect of a Franchisee Year, the figure for PRR\textsubscript{CLE}I for that Franchise Year in the Old Results.

**DfTCLER** is, in respect of a Franchisee Year, the figure included for DfTCLER in Column 3 in Appendix 1 (DfTCLERW) of Schedule 8.5 (CLE Adjustment Payments) at the time of certification of the New Results;

**PRRPICLEnew** is, in respect of a Franchisee Year, the figure for PRRPICLE for that Franchisee Year in the New Results; and

**PRRPICLEold** is, in respect of a Franchisee Year, the figure for PRRPICLE for that Franchisee Year in the Old Results.

(b) Following calculation of New DfTCLER by the Secretary of State in accordance with this paragraph 9.5, the Secretary of State shall issue a replacement Appendix 1 (DfTCLERW) of Schedule 8.5 (CLE Adjustment Payments) which, in respect of each Franchisee Year, shall specify: New DfTCLER in Column 3 of that appendix as “DfTCLER” and [REDACTED338] of New DfTCLER in Column 4 (being "DfTCLE1RW") and [REDACTED339] of New DfTCLER in Column 5 (being "DfTCLE2RW") of that appendix, together being “DfTCLERW” and such replacement appendix shall replace the existing appendix without further act.

10. **Estimated Revisions**

10.1 This paragraph 10 applies where there is or is to be a Change before there is a Run of the Financial Model in respect of it. It provides a mechanism for interim adjustments in Franchise Payments pending the final agreement or determination of those adjustments under this Schedule 9.1.

10.2 Where this paragraph 10 applies, the Secretary of State shall make the Estimated Revisions described in paragraph 10.3:

(a) if the Franchisee requests the Secretary of State to do so at the same time as requesting a Run of the Financial Model in respect of the Change under paragraph 1.4; or

(b) if the Secretary of State otherwise agrees or chooses (in his discretion) to do so.

10.3 The estimated revisions are the Secretary of State’s estimates of the New Results which will apply once the process in paragraphs 4 to 9 of this Schedule 9.1 has been completed in respect of the Change (the “Estimated Revisions”). For the avoidance of doubt, Revised Inputs are not made in order to generate or take account of the Estimated Revisions.

10.4 The estimates referred to in paragraph 10.3 will be such estimates as the Secretary of State, acting reasonably, makes having regard to the time and the information

available to him at the time the estimates fall to be made, provided always that it is acknowledged that:

(a) the purpose of the estimates is to enable provision to be made in respect of adjustments to the Annual Franchise Payment Components and the Profit Share Components before full information about the Change is available and/or full consideration of the nature and extent of Revised Inputs and/or Model Changes has been undertaken;

(b) it may not be reasonably practicable in all circumstances for the Secretary of State to take into account in such an estimate all actual or potential impacts of a Change. Where the Secretary of State is aware that there are any such actual or potential impacts which he has not taken into account, he shall notify the Franchisee of them when notifying the Estimated Revisions pursuant to paragraph 10.2; and

(c) the Secretary of State shall be entitled to adjust any Estimated Revision notified pursuant to paragraph 10.2 to the extent he reasonably considers appropriate if at any time:

(i) the Secretary of State becomes aware of any new or revised information which would, if it had been available to him at the time he made his original estimate, have resulted in him making a different Estimated Revision; and

(ii) it is reasonable to revise the Estimated Revision having regard to the likely period of delay prior to the Run of the Financial Model in respect of the relevant Change.

10.5 In the circumstances described in paragraph 10.2 and paragraph 10.4(c), the Annual Franchise Payment Components and the Profit Share Components shall be restated in the amounts and values of the Estimated Revisions, and Franchise Payments shall be paid accordingly until the Run of the Financial Model has taken place and its results have been put into effect.

10.6 The Secretary of State shall use all reasonable endeavours to notify the Franchisee of the Estimated Revisions required by paragraph 10.2 at least two (2) Reporting Periods before he considers the Change is likely to occur. If, having exercised all reasonable endeavours, the Secretary of State cannot provide two (2) Reporting Periods' notice, he shall provide such notification as soon as reasonably practicable afterwards.

10.7 The restatement of the Annual Franchise Payment Components and the Profit Share Components referred to in paragraph 10.5 shall have effect on and from:

(a) the date on which the Secretary of State notifies the Franchisee of the Estimated Revisions; or

(b) such other date as the Secretary of State, acting reasonably, may notify the Franchisee as the date on which the Secretary of State considers the Estimated Revisions should reasonably take effect, consistent with the matters taken into account by the Secretary of State in estimating the Estimated Revisions.
10.8 No estimate made by the Secretary of State pursuant to this paragraph 10 shall prejudice the Secretary of State's subsequent determination of any Revised Input or Model Change pursuant to paragraph 4.

10.9 Subject to paragraph 10.10, where adjustments to Franchise Payments have resulted from the operation of paragraph 10.5, then, as soon as reasonably practicable after the certification of the New Results following the related Run of the Financial Model, the Parties shall agree or the Secretary of State shall reasonably determine the difference (the “Reconciliation Amount”) between:

(a) the total amount of Franchise Payments paid or to be paid to which adjustments have been made pursuant to the operation of paragraph 10.5; and

(b) the total amount of the Franchise Payments, as determined by that Run of the Financial Model, in respect of the same period as the period over which the adjusted Franchise Payments referred to in paragraph 10.9(a) have been paid or are to be paid.

10.10 If a Change is agreed or determined not to be a Qualifying Change or not to be part of an Aggregated Qualifying Change with or without any Run of the Financial Model having been performed, the Reconciliation Amount shall be the total amount of the adjustments to Franchise Payments which have resulted from the operation of paragraph 10.5.

10.11 The Reconciliation Amount shall be paid:

(a) by the Franchisee to the Secretary of State where the Estimated Revisions resulted in an overpayment of Franchise Payments by the Secretary of State to the Franchisee or an underpayment of Franchise Payments by the Franchisee to the Secretary of State compared with:

(i) the amount of the Franchise Payments described in paragraph 10.9(b); or

(ii) where paragraph 10.10 applies, the amount of the unrestated Franchise Payments over the same period; and

(b) by the Secretary of State to the Franchisee where the Estimated Revisions resulted in an underpayment of Franchise Payments by the Secretary of State to the Franchisee or an overpayment of Franchise Payments by the Franchisee to the Secretary of State compared with:

(i) the amount of the Franchise Payments described in paragraph 10.9(b); or

(ii) where paragraph 10.10 applies, the amount of the unrestated Franchise Payments over the same period.

In either case, such payment shall be made on the first Payment Date which falls more than seven (7) days after agreement or determination (or if none, within fourteen (14) days after such agreement or determination).

10.12 For the purposes of paragraphs 10.9, 10.10 and 10.11, references to Franchise Payments shall include any profit share payments made under Schedule 8.2 (Profit Share Mechanism).
11. **Information**

The Franchisee shall promptly, having regard to the other timescales anticipated in this Schedule 9.1, provide to the Secretary of State such information as the Secretary of State may request for the purpose of enabling the Secretary of State to exercise his rights and comply with his obligations pursuant to this Schedule 9.1.

APPENDIX 2 TO SCHEDULE 9.1

Agreement or Determination of Revised Inputs

1. The Parties shall agree or the Secretary of State shall reasonably determine the Revised Inputs that are required in respect of a Change:

   (a) on the basis of the general adjustments and/or assumptions referred to in paragraph 2;

   (b) on the basis of the assumptions in the Record of Assumptions as added to and/or amended (if at all) in accordance with paragraph 3;

   (c) so as to provide for profit in accordance with paragraph 5;

   (d) so as to give effect to the provisions of paragraph 6 in relation to indexation;

   (e) so as to provide for Traction Electricity Charges in accordance with paragraph 4;

   (f) so as to give effect to the provisions of paragraph 8 in relation to Cancellations Performance Sum and TOC Minute Delay Performance Sum,

provided that if there is any inconsistency between the assumptions in the Record of Assumptions described in paragraph (b) above and any other of the requirements of this paragraph 1, those other requirements shall prevail, unless the Secretary of State (acting reasonably) otherwise elects.

2. General Adjustments/Assumptions

   2.1 Revised Inputs are to be agreed between the Parties or reasonably determined by the Secretary of State on the basis that:

   (a) any increase in costs relating to a Change; and/or

   (b) any reduction in revenues relating to a Change,

   that is attributable to any activities, actions or omissions of the Franchisee which are not permitted under, or would otherwise constitute a contravention of, the terms of the Franchise Agreement, is to be disregarded.

   2.2 Revised Inputs are to be agreed between the Parties or reasonably determined by the Secretary of State on the basis that:

   (a) any reduction in costs relating to a Change; and/or

   (b) any increase in revenues relating to a Change,

   that is attributable to any activities, actions or omissions of the Franchisee which are not permitted under, or would otherwise constitute a contravention of, the terms of the Franchise Agreement, is to be taken into account.
2.3 Revised Inputs are also to be agreed between the Parties or reasonably determined by the Secretary of State on the basis that:

(a) the Franchisee will use all reasonable endeavours to:

(i) reduce any costs that may arise or income that may be foregone; and

(ii) increase any revenue that may arise and avoid any cost that may be avoided,

as a consequence of a Change; and

(b) any requirement for borrowing in respect of Capital Expenditure by the Franchisee is dealt with in accordance with paragraph 3 of Schedule 9.3 (Variations to the Franchise Agreement and Incentivising Beneficial Changes).

2.4 Where and as directed to do so by the Secretary of State (acting reasonably) the Franchisee shall undertake one or more competitive tendering exercises for the purposes of ascertaining the likely level of any costs relating to a Change which are relevant to a Revised Input.

3. Assumptions in the Record of Assumptions

3.1 The Parties shall (unless to do so would be contrary to paragraph 2) agree or the Secretary of State shall reasonably determine Revised Inputs that are in accordance with the assumptions that are contained in the Record of Assumptions, as added to or modified pursuant to paragraph 3.2 or paragraph 3.3.

3.2 Where the Secretary of State reasonably considers that the assumptions contained in the Record of Assumptions are ambiguous or that additional assumptions are required in relation to circumstances not dealt with by the assumptions in the Record of Assumptions, the Parties shall agree or the Secretary of State shall reasonably determine the assumptions or additional assumptions to be utilised for this purpose.

3.3 Where the Secretary of State reasonably considers that:

(a) a Change is likely to result in an increase in either or both of the costs of the Franchisee and the revenues of the Franchisee; and

(b) an assumption relevant to the Change contained in the Record of Assumptions does not accord with what would be achievable by, or experienced by, an economic and efficient franchisee,

then the Parties shall agree or the Secretary of State shall reasonably determine a modification to the assumption so that, as modified, it does accord with what would be achievable by, or experienced by, an economic and efficient franchisee.

4. Traction Electricity Charges

4.1 This paragraph 4 applies only in relation to Charge Variations.
4.2 In agreeing or determining Revised Inputs, no adjustment shall be made in respect of a Charge Variation to the extent that Charge Variation relates, directly or indirectly and however it may be effected, to the Traction Electricity Charge payable by the Franchisee pursuant to any Track Access Agreement. For this purpose (and subject to clause 1.1(k) of this Agreement), the Traction Electricity Charge is the component of the Track Charges (as defined in the Track Access Agreement) identified as such in any Track Access Agreement or any similar arrangement under which the Franchisee pays for traction current consumed by rolling stock vehicles operated by or on behalf of the Franchisee.

5. **Revised Input for Profit**

5.1 (a) Where a Change is forecast to result in an increase to the Franchisee's revenue in a Franchisee Year, the Parties shall agree or the Secretary of State shall reasonably determine Revised Inputs in relation to profit that provide for an increase in the amount of profit in any Franchisee Year equal to the percentage corresponding to the profit margin specified in respect of that Franchisee Year in the table below of the forecast increase in revenue for that Franchisee Year:

342 Date of contract change 20/08/2017 – Agreed by the Secretary of State and Franchisee
(b) Where a Change is forecast to result in a reduction in the Franchisee's revenue in a Franchisee Year, the Parties shall agree or the Secretary of State shall reasonably determine Revised Inputs in relation to profit that provide for a decrease in the amount of profit in any Franchisee Year equal to the lower of:

(i) the percentage specified in paragraph 5.1(a); or

(ii) the average profit margin in the current Business Plan for the remaining Franchise Term,

of the forecast reduction in revenue for that Franchisee Year.

5.2 In agreeing or determining Revised Inputs in relation to profit in respect of any Change, the Parties or the Secretary of State shall effect such change (if any) in the amount attributable to profit in paragraph 5.1 as they agree or the Secretary of State reasonably determines to reflect:

(a) the risk for the Franchisee in continuing to operate the Franchise on the terms of the Franchise Agreement after and as a result of the Change; and

(b) the likelihood of:

(i) material benefit from such Change arising after expiry of the Franchise Term; and

(ii) material detriment from such Change arising prior to the expiry of the Franchise Term.

5.3 In agreeing or determining Revised Inputs for the purposes of any Protected Proposal, the Parties or the Secretary of State shall effect such change (if any) to the amount attributable to profit as they agree or the Secretary of State reasonably determines:

(a) fairly rewards the Franchisee for proposing the Protected Proposal; and

(b) reasonably incentivises the Franchisee to propose further Protected Proposals,

by sharing with the Franchisee a reasonable amount of the additional profit that is expected to arise from implementing the Protected Proposal.

5.4 Schedule 14.7 (Incentivising Long Term Investment) sets out the Secretary of State's guidance on how he approaches incentivising long term investment. Nothing in Schedule 14.7 (Incentivising Long Term Investment) is intended to limit
or be limited by, the provisions of paragraph 2.2 of Schedule 14.4 (Designation of Franchise Assets).

6. **Indexation**

6.1 In agreeing or determining Revised Inputs, the Parties shall apply the following principles in connection with indexation. For each relevant item of data in the Financial Model in respect of which a Revised Input is agreed or determined to be required:

(a) the Parties shall agree or the Secretary of State shall reasonably determine, having regard to the particular facts of the Change, the base date at which that item is priced; and

(b) that item shall be deflated by reference to the original base date and index (if any) relevant to that item in the Financial Model.

7. **Route Efficiency Benefit Share Mechanism/REBS Mechanism**

7.1 No Revised Inputs shall be made to reflect:

(a) any amount payable by or to the Franchisee in respect of Route Efficiency Benefit Share Mechanism or REBS Mechanism; or

(b) any change in the basis on which Route Efficiency Benefit Share Mechanism or REBS Mechanism is calculated or is to be paid (including any change which may require amounts in respect of Route Efficiency Benefit Share Mechanism to be payable by as well as payable to the Franchisee).

8. **Cancellations Performance Sum, TOC Minute Delay Performance Sum, PPM Performance Sum and CaSL Performance Sum**

In agreeing or determining Revised Inputs, no adjustment shall be made to the Financial Model to reflect any change in the amount of the Cancellations Performance Sum, TOC Minute Delay Performance Sum, PPM Performance Sum or CaSL Performance Sum payable either by the Secretary of State or the Franchisee and arising from the exercise by the Secretary of State of his rights pursuant to paragraph 1.11 of Schedule 7.1 (Operational Performance). For example if prior to such exercise the Franchisee would have been entitled to receive a Cancellations Performance Sum of one hundred pounds (£100) for a particular level of performance against the Annual Cancellations Benchmark and after such exercise the Franchisee would only be entitled to receive a Cancellations Performance Sum of fifty pounds (£50) for achieving the same level of performance, no adjustment shall be made to the Financial Model to reflect this.
Schedule 9.2

Identity of the Financial Model

1. Franchisee's Obligations

1.1 The Franchisee shall deliver two copies of each of the Financial Model, the Operational Model and the Record of Assumptions (each such copy in electronic format on CD-ROM or other appropriate electronic medium) together with hard format copies of the output template of the Financial Model in the format set out in the document in the agreed terms marked **FF** (the “Escrow Documents”) to the Secretary of State in the agreed form, accompanied by a notice that the Escrow Documents are to be Placed in Escrow.

1.2 The Franchisee shall deliver the Escrow Documents to the Secretary of State in accordance with paragraph 1.1:

(a) on the date of the Franchise Agreement;

(b) within seven (7) days of the Start Date, but updated only as strictly necessary for any elapsed time between the actual Start Date and the date assumed to be the Start Date in the Initial Business Plan; and

(c) within seven (7) days of any approval or audit of a Run of the Financial Model as provided for in paragraph 7 of Schedule 9.1 (Financial and Other Consequences of Change), but updated with the Revised Inputs and any Model Changes together with an updated Record of Assumptions and copies of both the modified and unmodified Financial Model.

1.3 The Franchisee shall deliver with each such deposit of the Escrow Documents all of the following information to the extent that it is relevant:

(a) details of the Escrow Documents deposited (including full filename and version details, any details required to access the Escrow Documents including media type, backup command/software used, compression used, archive hardware and operating system details);

(b) the names and contact details of persons who are able to provide support in relation to accessing and interpreting the Escrow Documents; and

(c) if required by the Secretary of State, a certificate from independent auditors approved by the Secretary of State, confirming that the deposited version of the Escrow Documents is in the agreed form in accordance with paragraph 1.1 or (as the case may be) is in accordance with paragraphs 1.2(a), 1.2(b) or 1.2(c).

2. Secretary of State's Obligations

2.1 The Secretary of State shall:

(a) within three (3) days following receipt, acknowledge receipt to the Franchisee of any version of the Escrow Documents delivered to him for the purposes of being Placed in Escrow;

(b) save as provided under paragraph 2.1(c), store each copy of the Escrow Documents in a different physical location from any other copy of each
such document and use all reasonable endeavours to ensure that each copy of the Escrow Documents is at all times kept in a safe and secure environment. In so doing the Secretary of State shall be deemed to have Placed in Escrow the Escrow Documents for the purposes of the Franchise Agreement;

(c) notify the Franchisee if he becomes aware at any time during the term of the Franchise Agreement that any copy of the Escrow Documents or part thereof stored in a particular location has been lost, damaged or destroyed. In such an event, the Secretary of State shall be permitted to create a new copy of the Escrow Documents or part thereof from the other copy Placed in Escrow and shall within seven (7) days notify the Franchisee accordingly and afford it the right to make reasonable inspections in order to satisfy itself that a “complete and accurate” copy has been made. Following the making of such a new copy of the Escrow Documents, the Secretary of State shall retain all copies of the Escrow Documents in accordance with paragraph 2.1(b);

(d) within seven (7) days of receipt of a notice from the Franchisee stating that the Escrow Documents are required for the purposes of a Run of the Financial Model in relation to any Change, or should the Secretary of State himself so decide that the Escrow Documents are required by the Franchisee or by the Secretary of State for such purposes release one copy of the Escrow Documents accordingly and retain one copy of the Escrow Documents in escrow in accordance with paragraph 2.1(b);

(e) maintain a record of any release of any copy of any version of the Escrow Documents made, including details of any version released and the date of release as well as the identity of the person to whom the Escrow Documents are released;

(f) have no obligation or responsibility to any person whatsoever to determine the existence, relevance, completeness, accuracy, effectiveness or any other aspect of the Escrow Documents; and

(g) not be liable for any loss, damage or destruction caused to the Franchisee arising from any loss of, damage to or destruction of the Escrow Documents.

2.2 If the Franchisee fails to perform a Run of the Financial Model pursuant to paragraph 6.2(a) of Schedule 9.1 (Financial and Other Consequences of Change) or fails to return the copy of the Escrow Documents released pursuant to paragraph 2.1(d):

(a) such failure to perform or to return the released copy to the Secretary of State shall be a contravention of the Franchise Agreement;

(b) the Secretary of State may release the other copy of the Escrow Documents Placed in Escrow and take a copy thereof (the “Replacement Copy”) in order that the Secretary of State may perform a Run of the Financial Model pursuant to paragraph 6.2(a) of Schedule 9.1 (Financial and Other Consequences of Change);

(c) once copied, the second copy of the Escrow Documents released pursuant to this paragraph 2.2 shall be Placed in Escrow; and
(d) once the Run of the Financial Model has been approved or audited as provided for in paragraph 7 of Schedule 9.1 (Financial and Other Consequences of Change), two copies of the Replacement Copy shall also be Placed in Escrow.

Nothing in this Schedule 9.2 shall prevent the Secretary of State or the Franchisee each retaining for their working use one or more copies of any of the Escrow Documents Placed in Escrow provided that no such working copy shall (unless otherwise explicitly agreed by the Parties) be regarded as a copy released from Escrow for the purposes of this Schedule 9.2 or any Run of the Financial Model.

3. **Errors in Escrow Documents**

3.1 Any feature of the Escrow Documents which is in the reasonable opinion of the Secretary of State an error will be addressed as follows:

(a) if rectification of such an error would (as the case may be) over the Franchise Term result in a net increase in the amount of Franchise Payments payable by the Secretary of State to the Franchisee or a net decrease in the amount of Franchise Payments payable by the Franchisee to the Secretary of State then such error shall be rectified provided that there shall not be a restatement of the values of the Annual Franchise Payment Components and the Profit Share Components;

(b) if rectification of such an error would (as the case may be) over the Franchise Term result in a net decrease in the amount of Franchise Payments payable by the Secretary of State to the Franchisee or a net increase in the amount of Franchise Payments payable by the Franchisee to the Secretary of State then such error shall be rectified and the values of the Annual Franchise Payment Components and the Profit Share Components shall be restated where appropriate;

(c) a record of the error shall be noted in the Record of Assumptions and, if applicable, the Financial Model; and

as soon as reasonably practicable after the date of the rectification of the error, the Franchisee shall (unless otherwise agreed by the Secretary of State) deliver to the Secretary of State a certificate from independent auditors approved by the Secretary of State confirming that the error has been rectified as required by this paragraph 3 and is now in the agreed form in accordance with paragraphs 1.1, 1.2(a), 1.2(b) or 1.2(c) as the case may be.
Schedule 9.3

Variations to the Franchise Agreement and Incentivising Beneficial Changes

1. Variations

1.1 The terms of the Franchise Agreement may be varied as follows but not otherwise:

(a) by the Secretary of State (as contemplated where relevant in the Invitation to Tender) in relation to:

(i) any aspect of the Franchise Services; and/or

(ii) any provision of the Franchise Agreement other than those provisions specified in paragraph 1.2,

by service of a notice on the Franchisee referring to this paragraph 1.1(a) and setting out the variation to the terms of the Franchise Agreement; and

(b) in relation to any other provision of the Franchise Agreement, by agreement in writing between the Parties to that effect, (each a "Variation").

1.2 Without prejudice to the Secretary of State's rights under paragraph 1.1(a), the terms of each of:

(a) clauses 5 (Duration of the Franchise Agreement), 7 (Assignment), 10 (Cumulative Rights and Remedies), 11 (Dispute Resolution), 12 (Notices), 13 (Set-Off) and 14 (Miscellaneous Provisions) of this Agreement;

(b) Schedules 8 (Payments), 9 (Changes and Variations), 10 (Remedies, Events of Default and Termination Events), 12 (Financial Covenants and Bonds) and 14 (Preservation of Assets) of this Agreement; and

(c) the definitions set out at clause 3 (Definitions) of this Agreement insofar as such affect the respective rights and obligations of the Secretary of State and the Franchisee pursuant to the provisions referred to at (a) and (b) above,

shall not be varied at any time other than in accordance with the terms of the Franchise Agreement or with the agreement of the Parties.

1.3 The Secretary of State shall, to the extent reasonably practicable, allow the Franchisee a reasonable opportunity to make representations to the Secretary of State concerning any Variation to be made in accordance with paragraph 1.1(a), prior to making any such Variation.

1.4 The Secretary of State may:

(a) issue, revise and withdraw from time to time procedures that he requires to be followed for the purposes of orderly consideration of Variations. This will include for the purpose of establishing in relation to any Change whether it is a Qualifying Change; and
require the Franchisee to provide any information that the Secretary of State reasonably requires for this purpose (including in relation to prospective change to profit, costs and revenue as a consequence of proceeding with the Variation).

1.5 Procedures issued pursuant to paragraph 1.4 may provide for indicative iterations of Runs of the Financial Model in relation to one or more Changes that the Secretary of State is considering and may also provide for any number of Changes to be grouped together as a single Change for the purposes of agreeing or determining Revised Inputs and then performing a Run of the Financial Model.

1.6 Procedures issued pursuant to paragraph 1.4 shall have contractual effect between the Parties in accordance with their terms.

1.7 The Franchisee may notify the Secretary of State of any proposal for a Variation by notice setting out the proposed method of implementing such Variation including:

(a) the timescale for doing so;
(b) the effect (if any) on the timing of the performance of its other obligations under the Franchise Agreement;
(c) the impact of effecting the proposed Variation on the provision of the Franchise Services and the Franchisee's proposals as to how to minimise such impact; and
(d) the financial consequences of implementing the Variation proposed by the Franchisee in terms of the Revised Inputs that the Franchisee considers the Variation would require.

2. **Protected Proposals**

2.1 Where the Franchisee proposes a Variation in sufficient detail for it to be apparent that its implementation is likely to result in an increase in the overall profitability of the Franchisee through costs saving measures (a “**Protected Proposal**”), the Secretary of State may not proceed with the Protected Proposal or seek to implement the substance of it by proposing a Variation of his own without complying with the provisions of paragraph 2 (General Adjustments/Assumptions), and paragraph 5 (Revised Input for Profit) of Appendix 2 (Agreement or Determination of Revised Inputs) to Schedule 9.1 (Financial and Other Consequences of Change).

2.2 The Franchisee and the Secretary of State acknowledge that the Franchisee may during the Franchise Term identify actions that could be taken by the Franchisee to achieve savings and improved financial performance and that such actions may if implemented give rise to a Change under the terms of this Agreement which, if it is a Qualifying Change, will give a financial benefit to the Secretary of State. It is further acknowledged that it is appropriate for the Franchisee to seek to identify such actions for the purposes of improving the cost effective delivery of railway passenger services.

2.3 To incentivise the Franchisee to seek to identify such actions it is agreed that the Franchisee may approach the Secretary of State with a proposal to take an action that would constitute a Change on the basis that if such a Change occurred and was a Qualifying Change in agreeing or determining Revised Inputs the Parties or
the Secretary of State would effect such change (if any) to the amount attributable to profit as they agree or the Secretary of State reasonably determines:

(a) fairly rewards the Franchisee for proposing the Change; and

(b) reasonably incentivises the Franchisee to propose further Changes that achieve savings and/or improved financial performance by sharing with the Franchisee a reasonable amount of the additional profit that is expected to arise from implementing the relevant Change.

2.4 The Secretary of State shall have an unfettered discretion as to whether or not to agree such a proposal but if he does so agree and a Qualifying Change in consequence occurs then in agreeing or determining Revised Inputs the provisions referred to in paragraph 2.3 above shall apply.

3. **Capital Expenditure**

3.1 **Capital Expenditure Threshold**

The Franchisee shall notify the Secretary of State promptly if it reasonably expects that a Change to which paragraph 1 or 2 relates would require it to incur, singly or in aggregate with other Changes from time to time, Capital Expenditure in excess of one per cent (1%) of its annual Turnover as disclosed by its latest available Annual Audited Accounts and, when so notified, the Secretary of State shall either:

(a) withdraw (or direct the Franchisee to withdraw) the Change;

(b) undertake to meet the excess through additional funding as and when such Capital Expenditure is incurred; or

(c) direct the Franchisee to use all reasonable endeavours to borrow or otherwise raise the money required to fund any Change on commercial terms and at rates which are consistent with market conditions at the time, unless borrowing or otherwise raising such money would result in the Franchisee failing to comply with the financial covenants contained in Schedule 12 (Financial Covenants and Bonds).

3.2 **Franchisee to Seek Finance**

If the Secretary of State elects to require the Franchisee to use all reasonable endeavours as described in paragraph 3.1(c) then the Franchisee shall:

(a) seek finance from a representative range of lending institutions and other financial institutions including those which at that time provide finance to the Franchisee, the Guarantors and the Parents;

(b) if it is unable to raise funding, provide the Secretary of State with all information the Secretary of State may reasonably require in relation to the efforts made by the Franchisee and the reasons for a failure to raise additional finance;

(c) so far as it is able (having used all reasonable efforts to do so), the Franchisee shall provide to the Secretary of State letters from lenders and financiers it has approached for finance stating their reasons for refusing to provide it and if the Secretary of State so requires, arrange and attend
meetings with them for the Secretary of State to discuss those reasons; and

(d) if funding is not available, or is not available on terms that the Secretary of State considers to be commercial terms or at rates which are consistent with market conditions at that time the Secretary of State may:

(A) withdraw the Change; or

(B) undertake to fund the Capital Expenditure as and when such Capital Expenditure is incurred.

3.3 Treatment of Borrowings in Revised Inputs

In calculating the Revised Inputs for the purposes of any Change referred to in this paragraph 3, the Franchisee shall account for the Capital Expenditure in accordance with GAAP, taking into account the basis on which such Capital Expenditure has been financed.

3.4 Meaning of Capital Expenditure

The expression “Capital Expenditure” when used in this Schedule 9.3 refers to the nature of the expenditure incurred by the Franchisee and, accordingly, does not include expenditure incurred under operating leases.
Schedule 9.4

Secretary of State Risk Assumptions

1. Island Line Lease / Ryde Pier renewal works

1.1 It shall be a Change if:

(a) the Island Line Lease is not renewed on substantially the same terms (except with regard to lease term) from its expiry date of 31 March 2019 until the end of the Franchise Term; and/or

(b) Network Rail carries out major renewal works (excluding routine maintenance) in relation to Ryde pier and the Franchisee is in consequence required to make a financial contribution to Network Rail pursuant to the Island Line Lease or the Replacement Island Line Lease (whether in the form of lump sum contributions, higher lease rentals, supplemental charges or any other form of monetary payment).

1.2 Where there is a Change pursuant to paragraph 1.1(b) and it is a Qualifying Change:

(a) Revised Inputs shall (subject to paragraph 1.2(b) below) take into account amounts that the Franchisee or Network Rail, as the case may be, actually receive under any insurance policy in relation relevant renewal works in relation to Ryde pier; and

(b) Revised Inputs shall be agreed between the Parties or reasonably determined by the Secretary of State on the basis that the Franchisee shall use all reasonable endeavours to ensure that sums payable pursuant to insurance policies of the type referred to in paragraph 1.2(a) above are actually received.

2. Depot Stabling and Ancillary Works

2.1 It shall be a Change if pursuant to clause 6.12 of the Grant Funding Agreement the Franchisee is entitled to submit an invoice to Network Rail in relation to Qualifying Costs but is not permitted to invoice Excess Qualifying Costs because of the provisions of Clause 6.12 and Clause 6.12A.

2.2 If any Change pursuant to this paragraph is a Qualifying Change the Franchisee shall keep the Secretary of State fully informed of discussions and proposals in relation to an increase in the Authorised Funding Cap and will notify him as soon as reasonably practicable if the Authorised Funding Cap is increased. If the Franchisee subsequently becomes entitled to invoice Network Rail for any relevant Excess Qualifying Costs pursuant to Clause 6.12A of the Grant Funding Agreement it shall do so and pay the amount received from Network Rail to the Secretary of State.

2.3 The Franchisee shall apply for, and use all reasonable endeavours to obtain, Excess Qualifying Costs from Network Rail pursuant to the Grant Funding Agreement. If the Franchisee fails to obtain Excess Qualifying Costs from Network Rail pursuant to the Grant Funding Agreement in accordance with this paragraph 2.3 in circumstances where it has failed to use all reasonable endeavours to obtain them, then for the purposes assessing any Qualifying Change under this paragraph 2 the
Franchisee shall be deemed to have obtained such Excess Qualifying Costs from Network Rail pursuant to the Grant Funding Agreement.

2.4 For the purposes of this paragraph 2:

(a) "Grant Funding Agreement" means the agreement dated 23rd December 2015 made between Network Rail and the Previous Franchisee; and

1. **Background and commercial principles**

1.1 The Secretary of State and the Franchisee acknowledge and agree that:

(a) one or more of the Working Completed Depot and Stabling Works Assumptions, Working Reading to Aldershot via Ascot Power Supply Upgrade Assumptions, Working Reading to London Platform Lengthening Assumptions, Working Waterloo International Recommissioning Assumptions and Working Waterloo Platform 1 – 4 Lengthening Programme Assumptions may cease to be correct in circumstances which involve complex and interrelated infrastructure and rolling stock change, the consequences of which may require mitigating action to be taken during the Franchise Term;

(b) the Franchisee is a skilled and experienced train operator with the ability to manage these circumstances in a way that is, so far as is reasonably practicable, consistent with the efficient and effective delivery of railway infrastructure and rolling stock projects in accordance with planned timescales and budgets;

(c) there are risk areas that are within the control of the Franchisee but it is also the case that successful delivery of infrastructure and rolling stock projects is materially dependent on third parties including Network Rail and other external factors over which the Franchisee has limited or no ability to control;

1.2 accordingly in this Schedule 9.5 (Specified Infrastructure and Rolling Stock Change) the parties have sought to allocate risk between them and establish a process for mitigating risks that materialise or are likely to materialise on a reasonable and good faith basis in accordance with the following general principles:

(a) regular and effective reporting by the Franchisee;

(b) regular and effective discussion and engagement between the parties leading to appropriate decision making;

(c) effective risk management and the taking of appropriate risk mitigation actions on a timely basis;

(d) review of, and where appropriate adjustment to, agreed risk mitigation actions in response to developing circumstances; and

(e) the use of rail industry regulated compensation mechanisms under Access Agreements and the Network Code in appropriate circumstances and the provision of appropriate Change adjustments under the Franchise Agreement whilst at the same time avoiding any multiple compensation to the Franchisee in relation to the same losses or excessive compensation including where applicable by way of retrospective adjustment through
Franchise Payments or otherwise where it subsequently becomes apparent that the Franchisee has received multiple compensation in relation to the same loss or excessive compensation.

2. **Change to Base Assumptions**

2.1 Subject to paragraph 2.2 below it shall be a Change if and whenever:

(a) any of the Base Completed Depot and Stabling Works Assumptions is incorrect and any relevant depot and stabling enhancements are not available for use until after the Start Date;

(b) the Base Reading to Aldershot via Ascot Power Supply Upgrade Assumption is incorrect and in consequence the Franchisee is not able to operate Passenger Services of ten 20 metre length vehicles over such route in accordance with the TSS;

(c) any of the Base Reading to London Platform Lengthening Assumptions are incorrect and in consequence Passenger Services made up of ten 20 metre length vehicles are not able to call at any relevant platform after the specified date;

(d) any of the Base Waterloo International Recommissioning Assumptions are incorrect and in consequence Passenger Services made up of ten 20 metre length vehicles are not able to call at any relevant platform after the specified date; or

(e) any of the Base Waterloo Platform 1 – 4 Lengthening Programme Assumptions are incorrect and in consequence Passenger Services made up of ten 20 metre length vehicles are not able to call at any relevant platform after the specified date.

2.2 If there is a Change pursuant to paragraph 2.1 and the Secretary of State reasonably determines that this is caused by any unreasonable action or inaction of the Franchisee or the Franchisee not acting in accordance with its obligations pursuant to clause 6.1 of the Franchise Agreement the Secretary of State shall have the right to require that:

(a) where the Franchisee is wholly and exclusively responsible for such circumstances arising there shall be no Change; or

(b) where the Franchisee is partly responsible for such circumstances arising if there is a Qualifying Change then the impacts of relevant actions or inactions of the Franchisee, or its not acting in accordance with its obligations pursuant to clause 6.1 of the Franchise Agreement, shall not be taken into account in such Qualifying Change to the extent that to do so would be to compensate the Franchisee in relation to adverse impacts for which it was responsible.

2.3 Where there is a Change pursuant to paragraph 2.1(a), (b), (c), (d) or (e) which is a Qualifying Change, there will be a further Change:

(a) where the Change is pursuant to paragraph 2.1(a), when the relevant depot and stabling enhancements are made available for use after the Start Date;
(b) where the Change is pursuant to paragraph 2.1(b) when the electrification infrastructure on the route has been upgraded so that the Franchisee is able to operate Passenger Services of ten 20 metre length vehicles over such route in accordance with the TSS;

(c) where the Change is pursuant to paragraph 2.1(c) when Passenger Services made up of ten 20 metre length vehicles are able to call at relevant platforms after the specified date;

(d) where the Change is pursuant to paragraph 2.1(d) when Passenger Services made up of ten 20 metre length vehicles are able to call at relevant platforms after the specified date; or

(e) where the Change is pursuant to paragraph 2.1(e) when Passenger Services made up of ten 20 metre length vehicles are able to call at relevant platforms after the specified date.

2.4 It is agreed by the parties that where there is one or more Qualifying Changes pursuant to paragraph 2.1, 2.3 and/or 3.9 and there is an interrelationship between that Qualifying Change and any other such Qualifying Change then:

(a) Model Changes and Revised Inputs shall be established and applied to the Financial Model, Runs of the Financial Model shall be performed and any Estimated Revisions shall be made in an appropriately co-ordinated way to take proper account of such interrelationships; and

(b) the Franchisee shall not be entitled to recover more than once in relation to the same loss suffered by it.

3. **Infrastructure and Rolling Stock Assumptions Reviews**

3.1 Not less than three nor more than six weeks prior to each Infrastructure and Rolling Stock Review Date (and otherwise in accordance with such timescales as the parties may agree in relation to any interim Infrastructure and Rolling Stock Review Date) the Franchisee shall deliver to the Secretary of State a written review of each of the Working Assumptions in paragraph 1 of the IRAD including its latest forecast for achievement of the Working Assumptions based on the reasonable knowledge of the Franchisee with appropriate supporting information (the "IRAD Review"). The IRAD Review shall identify in relation to each Working Assumption in paragraph 1 of the IRAD:

(a) whether the Franchisee remains reasonably confident that the Working Assumption will be met; and

(b) if the Franchisee does not remain reasonably confident that the Working Assumption will be met:

(i) whether there are any steps which may be taken by the Franchisee to increase to a reasonable level its confidence that the Working Assumption will be met, with an assessment of the relevant implications of such steps;

(ii) where it is reasonably able to provide the same, its forecast for when the Working Assumption is likely to be met, identifying
any material concerns or conditions and any changes from any forecast previously provided; 

(iii) what a revised Working Assumption should reasonably be in order for the Franchisee to be reasonably confident that it will be met, with reasons and supporting information (to the extent reasonably available to the Franchisee) including (where an amendment to the relevant existing Base Assumption is proposed) an estimate by the Franchisee of the nature and extent of any Change which would be involved in amending and restating the relevant Base Assumption to reflect such revised Working Assumption; and

(iv) how likely it is that any such forecast or revised Working Assumption will require further revision in future and what the probable parameters of such further revision are expected to be with reasons and supporting information (taking into account the information reasonably available to the Franchisee at the time),

(c) it being acknowledged that the Franchisee shall be permitted to weight its review towards Working Assumptions which are falling due first or in respect of which there are material concerns or which in its reasonable opinion require attention or which the Secretary of State otherwise requests are given priority attention in the relevant IRAD Review, as the case may be.

(d) The IRAD Review shall also include:

(x) a report on progress against any Infrastructure and Rolling Stock Action Programme already established under paragraph 3.4 and not then completed;

(y) identification (taking into account the information reasonably available to the Franchisee at the time) of any changes or anticipated changes to the forecasts or assumptions on which actions in the Infrastructure and Rolling Stock Action Programme have been based or other developments which it considers should be taken into account; and

(z) any proposals for an Infrastructure and Rolling Stock Action Programme to be established or (where one already exists) revised, together with an estimate by the Franchisee of the nature and extent of any Change which would be involved in amending and restating the Infrastructure and Rolling Stock Action Programme.

3.2 Where in the context of carrying out any IRAD Review from time to time the Franchisee believes that any matter relevant to a Working Assumption will be delayed beyond the end of the Franchise Term (as it may be extended pursuant to clause 5 (Duration of the Franchise Agreement) of the Franchise Agreement) the Franchisee shall provide its reasonable and informed view (based on the information reasonably available to it) of the likely implications of this for the Successor Operator and the Secretary of State. The Franchisee shall actively engage with Network Rail, relevant rolling stock leasing companies and rolling stock
manufacturers and other relevant parties for the purpose of ensuring each IRAD Review is as accurate as reasonably practicable under the circumstances.

3.3 The Franchisee shall:

(a) provide such additional information as the Secretary of State shall reasonably request in relation to the contents of each IRAD Review; and

(b) meet with the Secretary of State to discuss the contents of each IRAD Review.

3.4 The Secretary of State and the Franchisee shall use reasonable endeavours to agree within two months of an Infrastructure and Rolling Stock Review Date (or by such other date as the parties may agree):

(a) an amended and restated IRAD including updating, as appropriate, the Working Completed Depot and Stabling Works Assumptions, Working Reading to Aldershot via Ascot Power Supply Upgrade Assumption, Working Reading to London Platform Lengthening Assumptions, Working Waterloo International Recommissioning Assumptions and/or Working Waterloo Platform 1 – 4 Lengthening Programme Assumptions by reference to then prevailing circumstances and taking proper account of the interrelationships between them;

(b) as appropriate, a programme of actions ("Infrastructure and Rolling Stock Action Programme") intended to mitigate the impacts of any forecasts for or material changes to any of the Working Completed Depot and Stabling Works Assumptions, Working Reading to Aldershot via Ascot Power Supply Upgrade Assumptions, Working Reading to London Platform Lengthening Assumptions, Working Waterloo International Recommissioning Assumptions and/or Working Waterloo Platform 1 – 4 Lengthening Programme Assumptions taking into account the interrelationships between them and their interrelationship with other relevant interfacing infrastructure projects, the importance attached to ensuring that relevant outputs are delivered in accordance with relevant programmes and the overriding duties of the Secretary of State in relation to the proper expenditure of public monies. The Infrastructure and Rolling Stock Action Programme shall record any material forecasts or assumptions on which proposed mitigations are based in order to help identify aspects of the mitigation which may require review if those forecasts or assumptions prove incorrect or are otherwise subject to change.

3.5 Following each Infrastructure and Rolling Stock Review Date after the first, any then existing Infrastructure and Rolling Stock Action Programme shall be amended and restated to take account of any latest or updated forecasts, changes to Working Assumptions and the latest programme with effect from the date that a further Infrastructure and Rolling Stock Action Programme is agreed or reasonably determined by the Secretary of State.

3.6 In the event that the Secretary of State and the Franchisee fail to agree an amended or restated IRAD or Infrastructure and Rolling Stock Action Programme the Secretary of State shall have the right to reasonably determine them (or to determine that no amendments shall be made, or no Infrastructure and Rolling Stock Action Programme shall be put in place, as the case may be). Where the
Secretary of State declines to include within an Infrastructure and Rolling Stock Action Programme any action proposed by the Franchisee, the failure of the Franchisee to take that action shall not be regarded as a failure on the part of the Franchisee to act reasonably to mitigate any Qualifying Change pursuant to paragraph 2.1.

3.7 It shall be a term of the Franchise Agreement that the Franchisee shall use all reasonable endeavours to comply with any Infrastructure and Rolling Stock Action Programme.

3.8 In connection with the establishment of any amended and restated IRAD and/or any Infrastructure and Rolling Stock Action Programme the Franchisee and the Secretary of State acting reasonably shall consider and to the extent possible reach agreement upon the likelihood that any Change will occur pursuant to paragraph 2.1.

3.9 Following consideration by him pursuant to paragraph 3.8 and discussion with the Franchisee and without prejudice to the occurrence of a Change at the latest when the relevant facts are not in accordance with the relevant Base Assumption, the Secretary of State shall have the right (but not the obligation) to require that a Change shall have occurred in consequence of:

(a) the Base Completed Depot and Stabling Works Assumptions being different to any revised Working Completed Base Depot and Stabling Works Assumptions contained in in paragraph 1.2 of the amended and restated IRAD;

(b) the Base Reading to Aldershot via Ascot Power Supply Upgrade Assumption being different to any revised Working Reading to Aldershot via Ascot Power Supply Upgrade Assumption contained in paragraph 1.5 of the amended and restated IRAD;

(c) the Base Reading to London Platform Lengthening Assumptions being different to any revised Working Reading to London Platform Lengthening Assumptions contained in in paragraph 1.6 of the amended and restated IRAD;

(d) the Base Waterloo International Recommissioning Assumptions being different to any revised Working Base Waterloo International Recommissioning Assumptions contained in paragraph 1.7 of the amended and restated IRAD; or

(e) the Base Waterloo Platform 1 – 4 Lengthening Programme Assumptions being different to any revised Working Waterloo Platform 1 – 4 Lengthening Programme Assumptions contained in paragraph 1.8 of the amended and restated IRAD.

In such circumstances:

(i) the Secretary of State and the Franchisee shall agree and (in the absence of agreement) the Secretary of State shall reasonably determine an adjusted Base Assumption to be included in the amended and restated IRAD;
the difference between the relevant Base Assumption as it existed before the amended and restated IRAD and the relevant adjusted Base Assumption included in the amended and restated IRAD shall be a Change;

(iii) the Change provisions of paragraph 2.1 shall remain in force on the basis that (subject to any further application of this paragraph 3.9) any Change pursuant to paragraph 2.1 shall be assessed when the relevant actual position is known by reference (as the case may be) to the adjusted Base Completed Depot and Stabling Works Assumptions, Base Reading to Aldershot via Ascot Power Supply Upgrade Assumption, Base Reading to London Platform Lengthening Assumptions, Base Waterloo International Recommissioning Assumptions and Base Waterloo Platform 1–4 Lengthening Programme Assumptions included in paragraph 2 of the amended and restated IRAD; and

(iv) this process may be repeated on subsequent IRAD Reviews.

3.10 Where the Franchisee is required to implement an Infrastructure and Rolling Stock Action Programme or any revised Infrastructure and Rolling Stock Action Programme and the relevant impacts of such implementation are not addressed in any Change pursuant to paragraphs 2.1 and 3.9 or otherwise then the requirement for the Franchisee to implement an Infrastructure and Rolling Stock Action Programme (or the revision to that programme) shall be a Change and the provisions of paragraph 10 "Estimated Revisions" of Schedule 9.1 (Financial and Other Consequences of Change) shall apply where appropriate. If the implementation of an Infrastructure and Rolling Stock Action Programme gives rise to any other Change (for example in consequence of a change to the Train Service Specification) leading to there being more than one Qualifying Change it is agreed that Model Changes and Revised Inputs shall be established and applied to the Financial Model and Runs of the Financial Model shall be performed in a co-ordinated way to take proper account of relevant interdependencies.

3.11 Where the Secretary of State reasonably determines that the requirement to implement an Infrastructure and Rolling Stock Action Programme is caused by any unreasonable action or inaction of the Franchisee or the Franchisee not acting in accordance with its obligations pursuant to clause 6.1 of the Franchise Agreement the Secretary of State shall have the right to require that:

(a) where the Franchisee is wholly and exclusively responsible for such circumstances arising there is no Change; or

(b) where the Franchisee is partly responsible for such circumstances arising, then if there is any Qualifying Change the impacts of relevant actions or inactions of the Franchisee, or its not acting in accordance with its obligations pursuant to clause 6.1 of the Franchise Agreement, shall not be taken into account in such Qualifying Change to the extent that to do so would be to compensate the Franchisee in relation to adverse impacts that it was responsible for.

3.12 The Franchisee and the Secretary of State acknowledge and agree that any revised Working Completed Depot and Stabling Works Assumptions, Working Reading to Aldershot via Ascot Power Supply Upgrade Assumption, Working Reading to London
Platform Lengthening Assumptions, Working Waterloo International Recommissioning Assumptions and Working Waterloo Platform 1 – 4 Lengthening Programme Assumptions in an amended and restated IRAD may include dates that only fall within the Franchise Term if the Secretary of State exercises his rights pursuant to clause 5.2 of the Franchise Agreement to extend the Franchise Term. It is acknowledged that this will not lead to the Franchisee acquiring any liability arising after the end of the Franchise Term.

3.13 It is acknowledged that circumstances may arise on short notice with a short term impact between Infrastructure and Rolling Stock Review Dates which increase the likelihood of a Change occurring pursuant to paragraph 2.1 or which are otherwise related to the Working Completed Depot and Stabling Works Assumptions, Working Reading to Aldershot via Ascot Power Supply Upgrade Assumption, Working Reading to London Platform Lengthening Assumptions, Working Waterloo International Recommissioning Assumptions and Working Waterloo Platform 1 – 4 Lengthening Programme Assumptions and may lead to adverse impacts on the delivery of the Franchise Services. In such cases the parties will expeditiously discuss such circumstances and possible mitigations. The Secretary of State and the Franchisee may following such discussions agree mitigating actions and, where appropriate, related financial adjustments. Proper account shall be taken of any such mitigating actions and related financial adjustments in subsequent Infrastructure and Rolling Stock Action Programmes and Changes pursuant to paragraphs 2.1, 3.9 or 3.10.

4. Use of rail industry compensation mechanisms and rights of the Secretary of State in relation to multiple or excessive compensation in relation to relevant losses

4.1 The Secretary of State and the Franchisee acknowledge that railway industry procedures including Station Change and Network Change are designed to compensate train operators fairly in relation to rail infrastructure disruption and changes and agree that the Franchisee should pursue any relevant rights to obtain compensation in a reasonable way so that, where relevant, any Qualifying Change pursuant to this Schedule 9.5 (Specified Infrastructure and Rolling Stock Change) shall assume that the Franchisee has been or will be paid such compensation.

4.2 The Franchisee shall notify the Secretary of State as soon as reasonably practicable if it becomes aware of circumstances which mean that it has been, may have been or is likely to be compensated more than once or excessively in relation to the same adverse financial impact in connection with any matter pertaining to the Working Completed Depot and Stabling Works Assumptions, Working Reading to Aldershot via Ascot Power Supply Upgrade Assumption, Working Reading to London Platform Lengthening Assumptions, Working Waterloo International Recommissioning Assumptions and Working Waterloo Platform 1 – 4 Lengthening Programme Assumptions. For these purposes a compensation claim properly made under railway industry procedures including Station Change and Network Change shall not be regarded as excessive but without prejudice to the rights of the Secretary of State if the Franchisee has in consequence of such a claim received multiple compensation with regard to the same loss. Such notification shall identify the relevant circumstances and quantify the potential excess compensation. If requested by the Secretary of State the Franchisee shall provide such further information in relation to relevant circumstances as the Secretary of State may reasonably require.
4.3 Where the Secretary of State believes that the Franchisee has been or may be compensated more than once or excessively in relation to the same adverse financial impact in respect of any matter pertaining to the Working Completed Depot and Stabling Works Assumptions, Working Reading to Aldershot via Ascot Power Supply Upgrade Assumption, Working Reading to London Platform Lengthening Assumptions, Working Waterloo International Recommissioning Assumptions and Working Waterloo Platform 1 – 4 Lengthening Programme Assumptions the Secretary of State shall, except where the circumstances have been notified to the Secretary of State by the Franchisee pursuant to paragraph 4.1 above, identify the relevant circumstances and quantify the potential excess compensation. Where the circumstances have been notified to the Secretary of State by the Franchisee pursuant to paragraph 4.1 above, the Secretary of State shall confirm that he agrees with the Franchisee’s view of the circumstances and the amount of the potential excess compensation or notify the Franchisee of any different view that he may have with reasons.

4.4 The Franchisee shall be entitled to make representations to the Secretary of State in relation to any Secretary of State notification pursuant to paragraph 4.3 above. The parties shall discuss any representations made in good faith with the intention of agreeing whether or not there has been any excess compensation of the Franchisee and, if so, how much the relevant amount is. In the event that agreement cannot be reached within twenty Weekdays the Secretary of State shall have the right to reasonably determine whether there has been excess compensation and, if so, the amount of such excess compensation.

4.5 Where the amount of any excess compensation of the Franchisee is agreed or reasonably determined there shall be an adjustment to the Franchise Payment due in relation to the Reporting Period after that in which relevant agreement was reached or the Secretary of State made his determination or, where agreement or determination occurs after the end of the Franchise Period, by way of a direct payment from the Franchisee to the Secretary of State. Such adjustment shall be of an amount equal to the amount of excess compensation received by the Franchisee as agreed or reasonably determined by the Secretary of State and not otherwise repaid by the Franchisee.

This includes where the Franchisee is under an obligation to use all reasonable endeavours to achieve a particular result by a particular time, where such result is not achieved by such time.

1.2 The Franchisee shall deliver to the Secretary of State, or procure the delivery to the Secretary of State of, such information, records or documents as the Secretary of State may request within such period as the Secretary of State may reasonably require for the purpose of determining the existence, likelihood, nature or scope of any contravention of, Event of Default or Termination Event under, the Franchise Agreement.

2. Remedies for Contraventions of the Franchise Agreement

If the Secretary of State is satisfied that the Franchisee is contravening or is likely to contravene any term of the Franchise Agreement, he may serve a notice on the Franchisee requiring it to propose such steps as the Franchisee considers appropriate for the purpose of securing or facilitating compliance with the term in question (a “Remedial Plan Notice”).

3. Remedial Plan Notices

3.1 Each Remedial Plan Notice shall specify the following:

(a) the term or terms of the Franchise Agreement that the Secretary of State is satisfied that the Franchisee is contravening or is likely to contravene (each a “Relevant Term”); and

(b) the time period (“Remedial Plan Period”) within which the Secretary of State requires the Franchisee to provide an appropriate plan for the purpose of facilitating or securing compliance with such Relevant Term (a “Remedial Plan”).

4. Remedial Plans

4.1 If the Secretary of State issues a Remedial Plan Notice, the Franchisee shall submit a Remedial Plan to the Secretary of State within the Remedial Plan Period.

4.2 Each Remedial Plan shall set out:

(a) the Relevant Term which has caused such Remedial Plan to be required;

(b) an explanation of the reasons for the contravention or likely contravention of the Relevant Term;

(c) the steps proposed for the purposes of securing or facilitating compliance with the Relevant Term; and
(d) the time period within which the Franchisee proposes to implement those steps.

5. **Remedial Agreements**

5.1 If the Secretary of State is satisfied that the matters within such Remedial Plan referred to in paragraphs 4.2(c) and (d) are appropriate (with or without further modification as the Parties may agree) he may require the Franchisee to enter into a supplemental agreement (the “Remedial Agreement”) with the Secretary of State to implement those matters.

5.2 It is a term of the Franchise Agreement that the Franchisee (at its own cost) complies with each Remedial Agreement in accordance with its terms.

6. **Effect of Force Majeure Event on a Remedial Agreement**

6.1 Without prejudice to the operation of paragraph 2.1 of Schedule 10.2 (Events of Default and Termination Events), the following provisions shall apply in relation to Force Majeure Events affecting the Franchisee’s performance of their obligations pursuant to a Remedial Agreement:

(a) the Franchisee shall give written notice to the Secretary of State promptly after the Franchisee becomes aware (and in any event within 24 hours after becoming aware) of the occurrence or likely occurrence of a Force Majeure Event which will or is likely to affect the Franchisee’s ability to comply with a Remedial Agreement within the period specified therein;

(b) each notice submitted in accordance with paragraph 6.1(a) shall state the extent or likely extent of the relevant Force Majeure Event and in the case of a Force Majeure Event which has not occurred at such time, the reasons why the Franchisee considers it likely to occur;

(c) the Franchisee shall use, and shall continue to use, all reasonable endeavours to avoid or reduce the effect or likely effect of any Force Majeure Event on its ability to comply with any Remedial Agreement; and

(d) subject to the Franchisee having complied with its obligations under paragraphs 6.1(a) to 6.1(c) (inclusive) the Franchisee shall be entitled to a reasonable extension of the remedial period applicable to a Remedial Agreement in order to take account of the effect of a Force Majeure Event which has occurred on the Franchisee’s ability to comply with that Remedial Agreement.

7. **Monitoring by the Secretary of State**

7.1 Following the occurrence of a contravention of the Franchise Agreement, the Secretary of State may at his option (but shall not be obliged to) commence or increase the level and/or frequency of monitoring (whether by inspection, audit or otherwise) of the Franchisee’s performance of any relevant obligations until such time as the Franchisee demonstrates, to the Secretary of State’s reasonable satisfaction, that it is capable of performing and will perform such obligations as required by the Franchise Agreement.

7.2 The Franchisee shall co-operate fully with the Secretary of State in relation to the monitoring referred to in paragraph 7.1.
7.3 The results of such monitoring will be reviewed at each Franchise Performance Meeting held pursuant to Schedule 11.1 (Franchise Performance Meetings).

7.4 The Franchisee shall compensate the Secretary of State for all reasonable costs incurred by the Secretary of State in carrying out such monitoring.

Immediately upon receipt of such notification or notice, the Franchisee shall provide the Secretary of State with a copy of such notification or notice.

(c) The Franchisee shall participate in industry groups and committees addressing the domestic and European safety agenda of the Railway Group.

12. Further Information

12.1 The Franchisee shall:

procurement, leasing, financing or maintenance of any such rolling stock vehicles;

(c) any agreement for the manufacture or supply of any rolling stock vehicles; or

(d) any arrangements for the securitisation of any lease granted in respect of such rolling stock vehicles.

12.3 The Secretary of State may require the Franchisee to provide:

13. **Information from Third Parties**

13.1 The Franchisee shall, if the Secretary of State so requests, use all reasonable endeavours to ensure that the Secretary of State has direct access to any information, data or records relating to the Franchisee which is or are maintained by third parties and to which the Secretary of State is entitled to have access, or of which the Secretary of State is entitled to receive a copy under the Franchise Agreement.

13.2 The Franchisee shall, if the Secretary of State so requests, procure the provision by RSP to the Secretary of State of such information, data and records as the Franchisee is entitled to receive under the Ticketing and Settlement Agreement, in such form as the Secretary of State may specify from time to time.

13.3 The obligations of the Franchisee under this Schedule 11.2 to provide information to the Secretary of State shall not apply if the Secretary of State notifies the Franchisee that he has received the relevant information directly from any other person (including Network Rail or RSP). The Franchisee shall, if the Secretary of State so requests, confirm or validate any such information which is received from any such other person.

14. **Compatibility of Information**

14.1 All financial, operational or other information, and any data and records required to be provided to the Secretary of State under the Franchise Agreement shall be provided, if so requested by the Secretary of State, in a form compatible with the Secretary of State's electronic data and records systems on the Start Date, as
modified from time to time in accordance with paragraph 3 of Schedule 13.1 (Rail Industry Initiatives).

14.2 The Franchisee shall ensure that the interconnection of such systems or the provision of such information, data and records to the Secretary of State under the Franchise Agreement will not result in any infringement of any third party Intellectual Property Rights to which its systems or such information, data or records may be subject.

15. **Environmental Information**

15.1 **Environmental Information Data Collection Plan**

(a) The Franchisee shall, by no later than three (3) months after the Start Date, provide a report to the Secretary of State setting out:

(i) which measures included in the Dataset the Franchisee is unable to provide, despite using reasonable endeavours to do so ("Excluded Data");

(ii) for each item of Excluded Data, the technical, operational or commercial reason why the Franchisee is unable to provide the Excluded Data; and

(iii) a plan ("Environmental Data Collection Plan") detailing, in relation to each item of Excluded Data, the actions which the Franchisee would need to take in order to be able to provide such Excluded Data, the Franchisee's best estimate of the cost of taking such action and the date by which, if such actions were taken, the Franchisee would be able to begin providing such Excluded Data to the Secretary of State.

(b) The Dataset, excluding any measures which the Secretary of State agrees, acting reasonably, that the Franchisee is, despite using reasonable endeavours, unable to provide, shall be referred to as the "Initial Dataset".

(c) The Secretary of State may require:

(i) the Franchisee to implement the Environmental Data Collection Plan in whole or in part; and/or

(ii) the Franchisee to take such other actions as, in the reasonable opinion of the Secretary of State, would enable the Franchisee to provide any item of Excluded Data,

following which the relevant item of Excluded Data will form part of the Initial Dataset.

(d) Where the Franchisee is:

(i) undertaking works, whether at a Station or Depot or in respect of rolling stock;

(ii) procuring rolling stock; or
(iii) taking any other action which could enable the Franchisee to provide any items of Excluded Data in a cost effective manner,

the Franchisee will use reasonable endeavours to do so in a manner which would enable the Franchisee to provide any relevant item of Excluded Data (and any item of Excluded Data which the Franchisee becomes able to provide as a result will, with effect from the date on which the Franchisee becomes able to provide the same, form part of the Initial Dataset).

(e) With effect from the Start Date the Franchisee shall measure and collect the data included in the Initial Dataset.

(f) The Franchisee may, in its discretion, measure and collect additional data provided that the minimum required under the Initial Dataset is adhered to and the Franchisee will co-operate with the Secretary of State to seek to identify improvements in the efficiency and/or cost effectiveness of the collection of the data in the Dataset.

(g) The Franchisee shall ensure that the form of measurement of the Initial Dataset enables it to report a consolidated periodic or annual usage figure to the Secretary of State as specified for each measure in paragraph 1 of Appendix 1 (Environmental Information) to this Schedule 11.2.

15.2 Environmental Impact Monitoring Report and Environmental Impact Monitoring Audit

(a) The Franchisee shall submit to the Secretary of State a report setting out the result of the data collection of the Initial Dataset required by this paragraph 15 in accordance with the applicable granularity and regularity specified in paragraph 1 of Appendix 1 (Environmental Information) to this Schedule 11.2 (the “Environmental Impact Monitoring Report”) within three (3) months following the end of each Franchisee Year.

(b) The Franchisee shall procure a suitably qualified independent body (such independent body to be appointed only with the prior written approval of the Secretary of State) to undertake an annual independent written audit of the data provided in the Environmental Impact Monitoring Report and the collection methodology of the Initial Dataset in respect of each Franchisee Year (the “Environmental Impact Monitoring Audit”).

(c) The Franchisee shall procure that the independent body appointed pursuant to paragraph 15.2(b) includes in the Environmental Impact Monitoring Audit:

(i) a retrospective assessment (covering the Franchisee Year to which the audit relates) of the Franchisee’s data collection methodology and level of data granularity carried out in accordance with this paragraph 15.2 and any recommendations by the independent body in respect of such methodology;

(ii) a verification of the accuracy of past data submissions made in respect of the Initial Dataset and as summarised in the Environmental Impact Monitoring Report; and
(iii) an assessment of the Franchisee's proposed data collection methodology and level of data granularity for the following Franchisee Year's data collection, and

(iv) where the independent body has identified as part of its audit any errors, discrepancies or concerns with any of the items described in paragraphs 15.2(c) (i) to (iii) above, whether these are, in the reasonable opinion of the independent body undertaking the audit material or minor errors, discrepancies or concerns.

(d) The Franchisee shall submit a copy of the Environmental Impact Monitoring Audit to the Secretary of State at the same time as Environmental Impact Monitoring Report is submitted in accordance with paragraph 15.2(a) above.

(e) Where the Environmental Impact Monitoring Audit highlights errors, discrepancies or concerns with any of the items described in paragraphs 15.2(c)(i) to (iii) above, the Franchisee shall, at the Franchisee's cost:

(i) **in the case of minor errors, discrepancies or concerns which are capable of rectification without material additional expenditure** - rectify such minor errors, discrepancies or concerns and resubmit the relevant Environmental Impact Monitoring Report updated to address these to the Secretary of State as soon as reasonably practicable, and in any event within ten (10) Weekdays, following the date of the submission of the Environmental Impact Monitoring Audit to the Secretary of State so that there is a complete and accurate record of the data in question;

(ii) **in the case of material errors, discrepancies or concerns which are capable of rectification** - rectify such material errors, discrepancies or concerns and resubmit the relevant Environmental Impact Monitoring Report updated to address these to the Secretary of State as soon as reasonably practicable, and in any event within ten (10) Weekdays, following the date of submission of the Environmental Impact Monitoring Audit to the Secretary of State so that there is a complete and accurate record of the data in question; and

(iii) **in the case of concerns in relation to the Franchisee's data collection methodology and level of data granularity for the forthcoming Franchisee Year's data collection** – make such amendments to such methodology as recommended in the Environmental Impact Monitoring Audit so as to address those concerns.

16. **Environmental Impact Targets**

16.1 **Environmental Impact Targets set by the Secretary of State**

The Secretary of State sets out in paragraph 2 of Appendix 1 (Environmental Information) of this Schedule 11.2 the targets for improving the environmental performance of the Franchise (the "Environmental Impact Targets"), and the Franchisee shall meet such Environmental Impact Targets during the Franchise Period.
16.2 **Performance against the Environmental Impact Targets**

(a) For each Franchisee Year the Secretary of State shall determine the Franchisee's performance against each Environmental Impact Target on an annual basis (within two (2) Reporting Periods of receipt of the Environmental Impact Monitoring Report) by comparing:

(i) **for traction carbon emissions:** the Franchisee's performance set out in the Environmental Impact Monitoring Report (as updated following the Environmental Impact Monitoring Audit) against the relevant Environmental Impact Target for the relevant Franchisee Year, in accordance with the annual trajectory specified in the Sustainable Development Strategy;

(ii) **for non-traction energy use:** the Franchisee's performance as set out in the Environmental Impact Monitoring Report (as updated following the Environmental Impact Monitoring Audit) against the relevant Environmental Impact Targets;

(iii) **for waste:** the Franchisee's performance as set out in the Environmental Impact Monitoring Report (as updated following the Environmental Impact Monitoring Audit) against the relevant Environmental Impact Targets;

(iv) **for mains water:** for the second (2nd) Franchisee Year, the number of automatic water meters installed against the total number of water meters. These details shall be reported by the Franchisee within three (3) months of the end of the second (2nd) Franchisee Year. For subsequent Franchisee Years, the Franchisee's performance as set out in the Environmental Impact Monitoring Report (as updated following the Environmental Impact Monitoring Audit) against the relevant Environmental Impact Targets.

(b) For the purposes of undertaking the comparison pursuant to paragraph 16.2(a), the results referred to in paragraphs 16.2(a)(i) to (iii) (as the case may be) shall be rounded up to one (1) decimal place with the midpoint (that is, 4.45) rounded upwards (that is, 4.5).

(c) As soon as reasonably practicable following the Start Date and in any event within six (6) months of the Start Date, the Franchisee shall produce and provide to the Secretary of State for approval an implementation plan for the duration of the Franchise Period which is capable of achieving each of the Environmental Impact Targets each Franchisee Year (as such implementation plan may be revised in accordance with paragraph 16.3 (the “Environmental Impact Targets Plan”).

(d) Following the Secretary of State’s approval, the Franchisee shall use all reasonable endeavours to implement the Environmental Impact Targets Plan (including any such plan which is revised in accordance with paragraph 16.2(e)) in order to achieve the Environmental Impact Targets.

(e) Notwithstanding the requirements of this paragraph 16.2, the Franchisee shall review its then current Environmental Impact Targets Plan and revise such plan as necessary by the end of the fifth (5th) Franchisee Year to ensure that such plan, in the reasonable opinion of the Secretary of State,
is capable of achieving each Environmental Impact Target in each Franchisee Year.

16.3 **Remedial Actions**

(a) In the event that an Environmental Impact Target is not met in any Franchisee Year, the Franchisee shall as soon as reasonably practicable produce and provide to the Secretary of State a revised Environmental Impact Targets Plan which, in the reasonable opinion of the Secretary of State, is capable of achieving the Environmental Impact Targets.

(b) The Franchisee shall use all reasonable endeavours to implement the revised Environmental Impact Targets Plan, which shall be the Environmental Impact Targets Plan for the purposes of the Franchise Agreement.

16.4 **Publication**

The Franchisee shall publish (in such format as the Secretary of State may reasonably require) details of its performance against the Environmental Impact Targets in widely accessible forms including, as a minimum, publishing them on its website and in each Customer Report.

SCHEDULE 12

Financial Covenants and Bonds

1. Obligations

Except to the extent that the Secretary of State may otherwise agree from time to time, the Franchisee shall not:

(a) incur any liability or financial indebtedness except in the ordinary course of providing and operating the Franchise Services;

(b) make any loan or grant any credit, or have or permit to subsist any loan or any credit, to any person (other than the deposit of cash with a Bank as permitted under paragraph (d) or to an employee in the ordinary course of its business);

(c) create or permit to subsist any Security Interest over any of its assets or property or give any guarantee or indemnity to or for the benefit of any person or otherwise assume liability or become obliged (actually or contingently) in respect of any obligation of any other person, in each case other than in the ordinary course of the business of providing and operating the Franchise Services; or

(d) create or acquire any subsidiary or make or have any investment in any other entity, except for the deposit of cash with a Bank.

2. Financial Ratios

2.1 The Franchisee covenants that as at the end of each Reporting Period during the Franchise Term:

(a) the ratio of its Modified Revenue to its Actual Operating Costs during the Preceding thirteen (13) Reporting Periods of the Franchise Term (or, prior to the end of the thirteenth such Reporting Period, during all preceding Reporting Periods) will equal or exceed the ratio of 1.050:1; and

(b) the ratio of its Forecast Modified Revenue to its Forecast Operating Costs for the next thirteen (13) Reporting Periods (or, where there are less than thirteen (13) Reporting Periods remaining in the Franchise Term, for all such remaining Reporting Periods) will equal or exceed the ratio of 1.050:1; and

for the purposes of this paragraph 2 “Preceding thirteen (13) Reporting Periods” means the Reporting Period just ended and the preceding twelve (12) Reporting Periods of the Franchise Term.

2.2 If:

(a) in respect of any Reporting Period, the Franchisee fails pursuant to paragraph 9.2(b) of Schedule 11.2 (Management Information) to provide a statement of calculation of performance against the covenants set out in paragraph 2.1(b) for each of the next thirteen (13) Reporting Periods (or, where there are less than thirteen (13) Reporting Periods remaining in the Franchise Term, for all such remaining Reporting Periods) following any such Reporting Period; or
(b) the Secretary of State reasonably considers that any particular item of Forecast Modified Revenue or Forecast Operating Cost used for the purposes of determining the Franchisee’s performance against the covenants set out in paragraph 2.1(b) has not been accounted for on a reasonable basis (including where the accounting treatment looks to the form rather than the substance), then the Secretary of State may:

(i) in the circumstances referred to in paragraph 2.2(a) above reasonably determine the ratio of the Forecast Modified Revenue and Forecast Operating Cost on the basis of information available to him; or

(ii) in the circumstances referred to in paragraph 2.2(b) above require any such particular item of Forecast Modified Revenue or Forecast Operating Cost to be adjusted in a manner which is fair and reasonable and, so far as reasonably determinable, on the basis on which such particular item of Forecast Modified Revenue or Forecast Operating Cost should have been accounted for by the Franchisee as reasonably determined by the Secretary of State,

in either case after having exercised his rights under paragraph 9.7 (Secretary of State Audit of calculations provided pursuant to paragraph 9.2(b) (ii)) of Schedule 11.2 (Management Information) to the extent that he considers appropriate in the circumstances for the purpose of making any such reasonable determination.

3.1 The Franchisee shall not during any Lock-up Period, do any of the following without the Secretary of State's consent:

(b) pay management charges to any of its Affiliates in excess of those specified in the Initial Business Plan; or

(c) make payment under any intra-group borrowings,

provided that, during the Lock-up Period, the Franchisee may repay any borrowing and/or make any payment in respect of interest accrued on such borrowing, in each case relating to the Agreed Funding Commitment in accordance with the AFC Plan (each as defined in the Funding Deed).

3.2 “Lock-up Period” means any period from the time when either of the ratios referred to in paragraphs 2.1(a) and 2.1(b) falls below the ratio of 1.070:1 until the time at which the Secretary of State is satisfied that the relevant ratio is again above the ratio of 1.070:1.
3.3 Failure by the Franchisee at any time to comply with either of the ratios referred to in paragraph 2.1 shall be an Event of Default under paragraph 1.8 of Schedule 10.2 (Events of Default and Termination Events).

(b) If the Secretary of State makes a demand under the Performance Bond, he shall, within a reasonable period, account to the Franchisee for the proceeds of such Performance Bond less the amount of the losses, liabilities, costs or expenses which, in the reasonable opinion of the Secretary of State, the Secretary of State or a Successor Operator has incurred or suffered or may be reasonably likely to incur or suffer including as a result of:

(d) Nothing in paragraphs 4.5(b) and 4.5(c) shall oblige the Secretary of State to account to the Franchisee for the proceeds of such Performance Bond in the circumstances described in paragraphs 4.5(a)(iii), 4.5(a)(v) or 4.5(a)(vi) until such time as the Franchisee has procured a replacement Performance Bond which complies with the requirements of paragraph 4.
4.6 **Characteristics of Performance Bond Provider**

(a) In determining whether a Bond Provider under any replacement Performance Bond is acceptable, the Secretary of State may exercise his discretion and shall not be obliged to accept a Bond Provider accepted under any previous Performance Bond.

(b) The Franchisee shall provide such information relating to any Bond Provider or proposed Bond Provider as the Secretary of State may require from time to time.

4.7 **Provision of more than one Performance Bond**

The Franchisee shall be permitted subject to the prior consent of the Secretary of State (such consent not to be unreasonably withheld or delayed) to meet its obligations to provide a valid and effective Performance Bond by providing up to three valid and effective Performance Bonds, the aggregate value of which at all times is equal to the value determined under paragraph 4.4. With the exception of the value of each individual Performance Bond the provisions of the Franchise Agreement in relation to the Performance Bond shall be deemed to apply separately in relation to each such Performance Bond. Where more than one Performance Bond is provided the Secretary of State shall have a discretion as to whether to make a demand under some or all of such Performance Bonds and the extent to which he accounts for the proceeds of each such Performance Bond in accordance with the provisions of paragraph 4.5(b).

5. **Season Ticket Bond**

5.1 **Provision of Season Ticket Bond**

The Franchisee shall procure that, for each Franchisee Year throughout the Franchise Term and during the relevant call period specified in Clauses 4 and 5 of the Season Ticket Bond, there shall be in place a valid and effective Season Ticket Bond substantially in the form of Appendix 2 (Form of Season Ticket Bond) to this Schedule 12.

5.2 **Provision of Replacement Season Ticket Bond**

No later than one (1) Reporting Period before the expiry of each Bond Year, the Franchisee shall provide to the Secretary of State (or procure that the Secretary of State receives) a Season Ticket Bond for the following Bond Year:

- (a) substantially in the form of Appendix 2 (Form of Season Ticket Bond) to this Schedule 12 (or in any other form acceptable to the Secretary of State in his discretion);

- (b) duly executed and delivered by a Bond Provider acceptable to the Secretary of State; and

- (c) in an amount determined in accordance with paragraph 5.3.
5.3 **Amount of Season Ticket Bond**

The amount of any Season Ticket Bond shall vary for each Reporting Period during the Bond Year to which the Season Ticket Bond relates in accordance with the following formula:

\[
STBA = STL \times \left( \frac{((RPI \times 100) + k)}{100} \right) \times Z
\]

**Where:**

- **STBA** equals the amount of the Season Ticket Bond in the relevant Reporting Period;
- **STL** equals in respect of such Reporting Period:
  (a) the maximum amount which would be payable by the Franchisee in respect of Season Ticket Fares under and in accordance with a Supplemental Agreement and paragraph 3.3 of Schedule 15.4 (Provisions Applying on and after Termination) and the rights and liabilities of the Franchisee relating to an obligation of carriage under the terms of any Season Ticket Fares which were transferred under a Transfer Scheme relating to that Supplemental Agreement to a Successor Operator at that time; and
  (b) the Stored Credit Balance which would be held by the Franchisee, if the Franchise Agreement were to terminate on any day during the Reporting Period (the “**Relevant Reporting Period**”) falling thirteen (13) Reporting Periods before such Reporting Period, provided that for these purposes only:
    (i) Season Ticket Fares shall mean any Season Ticket Fare which expires more than seven (7) days after it first comes into effect;
    (ii) the Start Date shall be assumed, where relevant, to have occurred before the commencement of the Relevant Reporting Period; and
    (iii) if STL cannot reasonably be determined at the time at which the Franchisee is required under paragraph 5.4 to provide its estimate of the amount of the relevant Season Ticket Bond (including because the Relevant Reporting Period has not yet occurred), the Relevant Reporting Period shall be the Reporting Period falling twenty six (26) Reporting Periods before the Reporting Period in the relevant Bond Year;

- **RPI** equals the quotient of the Retail Prices Index for the month for which the Retail Prices Index has most recently been determined at the time the Franchisee is required under paragraph 5.4 to provide its estimate of the amount of the relevant Season Ticket Bond divided by the Retail Prices Index for the month falling twelve (12) months before such month;

- **k** has the value attributed to it in Schedule 5 (Fares and Ticketing) for the Fare Year in which the Reporting Period in the relevant Bond Year falls; and
\( Z \) equals +1 or, if the Relevant Reporting Period falls twenty six (26) Reporting Periods before such Reporting Period, an amount equal to:

\[
\frac{(RPI \times 100) + 100}{100}
\]

where \( RPI \) and \( k \) are determined for the twelve (12) months and the Fare Year preceding the twelve (12) months and the Fare Year for which \( RPI \) and \( k \) are respectively determined above.

5.4 The Franchisee shall supply to the Secretary of State, not later than three (3) Reporting Periods before the end of each Bond Year, its estimate of the amount of the Season Ticket Bond for each Reporting Period during the following Bond Year and shall supply such details as the Secretary of State may request in connection therewith.

5.5 The Franchisee and the Secretary of State shall endeavour to agree the amount of such Season Ticket Bond by no later than two (2) Reporting Periods before the end of each Bond Year. If the Parties are unable to agree the amount of the Season Ticket Bond in respect of any Reporting Period during the following Bond Year, the matter shall be resolved in accordance with the Dispute Resolution Rules.

5.6 If the amount of the Season Ticket Bond for each Reporting Period during a Bond Year has not been agreed two (2) Reporting Periods before the end of the preceding Bond Year, then, until the amount is agreed or determined in accordance with the Dispute Resolution Rules, the amount thereof shall be the amount determined by the Secretary of State.

5.7 The Secretary of State and the Franchisee may agree to increase or reduce the amount covered or required to be covered under a Season Ticket Bond from time to time.

5.8 **Demands under the Season Ticket Bond**

(a) The Season Ticket Bond shall be on terms that it is payable without further enquiry by the Bond Provider to the Secretary of State in full in London on first written demand by the Secretary of State on the Bond Provider, certifying as to any one or more of the following:

(i) that the Franchise Agreement has terminated or expired;

(ii) that a railway administration order has been made in relation to the Franchisee pursuant to Sections 60 to 62 of the Act; or

(iii) that an Event of Default:

(A) under paragraph 1.12(a) of Schedule 10.2 (Events of Default and Termination Events) in relation to the Season Ticket Bond; or

(B) under paragraph 1.12(c) of Schedule 10.2 (Events of Default and Termination Events),

has occurred (whether or not the Franchise Agreement is, or is to be, terminated as a result thereof).
(b) If the Secretary of State makes a demand under the Season Ticket Bond, he shall account to the Franchisee for the proceeds of such Season Ticket Bond remaining following settlement of all liabilities or obligations of the Franchisee in respect of any Season Ticket Fares and/or Stored Credit Balance that may be transferred or is transferred whether under a Transfer Scheme (or otherwise) to a Successor Operator.

5.9 Characteristics of Season Ticket Bond Provider

(a) In determining whether a Bond Provider under any replacement Season Ticket Bond is acceptable, the Secretary of State may exercise his discretion and shall not be obliged to accept a Bond Provider accepted under any previous Season Ticket Bond.

(b) The Franchisee shall provide such information relating to any Bond Provider or proposed Bond Provider as the Secretary of State may require from time to time.

(c) The Secretary of State agrees that, subject to receipt of a Season Ticket Bond in an amount determined in accordance with paragraph 5.3 in respect of any Bond Year, he shall release the relevant Bond Provider from any liability under the Season Ticket Bond provided in relation to the preceding Bond Year on the expiry of such Bond Year, provided that no Event of Default has occurred and is unremedied or continuing.

5.10 Meaning of “Reporting Period”

References in this paragraph 5 to a “Reporting Period” shall be construed, where the Franchisee so requests and the Secretary of State consents (such consent not to be unreasonably withheld), to be references to each consecutive seven (7) day period (or such other period as may be agreed) during such Reporting Period. The Franchisee may only make such a request in respect of a maximum of two (2) Reporting Periods in each Bond Year and only where the amount of the Season Ticket Bond over any such period would, in the reasonable opinion of the Franchisee, differ materially if determined by reference to such seven (7) day periods.

6. Tax Compliance

6.1 The Franchisee represents and warrants that as at the Start Date, it has notified the Secretary of State in writing of any Occasions of Tax Non-Compliance where the Franchisee (including where the Franchisee is an unincorporated joint venture or consortium, the members of that unincorporated joint venture or consortium) is the Affected Party (as defined in paragraph 6.3 below) or any litigation that it is involved in that is in connection with any Occasions of Tax Non Compliance where the Franchisee (including where the Franchisee is a joint venture or consortium, the members of that joint venture or consortium) is the Affected Party.

(a) notify the Secretary of State in writing of such fact within five (5) Weekdays of its occurrence; and

Schedule 14.1

Maintenance of Franchise

1. Maintenance as a going concern

1.1 The Franchisee shall maintain and manage the business of providing the Franchise Services so that, to the greatest extent possible and practicable:

(a) the Franchisee is able to perform its obligations under the Franchise Agreement; and

(b) a Successor Operator would be able to take over the business of providing the Franchise Services immediately at any time.

1.2 The Franchisee's obligation under paragraph 1.1 shall include an obligation to ensure that any computer and information technology systems of the Franchisee shared in whole or in part with Affiliates or third parties can be operated by a Successor Operator as a stand alone system without continued reliance on such Affiliates or other third parties immediately from the date of termination of the Franchise Agreement without any reduction in functionality or any increase in maintenance or support costs to the Successor Operator (this obligation being without prejudice to any requirement for the Franchisee to obtain consent to such arrangements relating to sharing computer and information technology systems from the Secretary of State).

1.3 The Franchisee shall use all reasonable endeavours to ensure that such Successor Operator would have immediate access to all Franchise Employees and Primary Franchise Assets for such purpose.

1.4 The Franchisee shall maintain and manage the business of providing the Franchise Services on the basis that such business will be transferred, in the manner contemplated under the Franchise Agreement, as a going concern at the end of the Franchise Period to, and continued immediately thereafter by, a Successor Operator.

1.5 The Franchisee shall use all reasonable endeavours to ensure that an appropriate number of employees (having sufficient skills, qualifications and experience) will transfer by operation of Law to any Successor Operator following the expiry of the Franchise Period and in so doing shall plan for the recruitment and training of Franchise Employees to continue up until the end of the Franchise Term.

1.6 The Franchisee shall comply with all reasonable requirements of the Secretary of State to obtain or maintain the property and rights that a Successor Operator would require, or that it would be convenient for it to have, on the basis that the same will transfer by operation of Law to any Successor Operator following the expiry of the Franchise Term.

2. Post-Franchise timetables

2.1 Both prior to and following the selection of a Successor Operator (whether a franchisee or otherwise and whether or not subject to the satisfaction of any conditions), the Franchisee shall:
(a) co-operate with, where a Successor Operator has been appointed, that Successor Operator, or where not, the Secretary of State; and

(b) take such steps as may reasonably be requested by the Secretary of State, so as to ensure the continuity of, and orderly handover of control over of the Franchise Services.

2.2 The steps that the Secretary of State may reasonably request the Franchisee to take pursuant to paragraph 2.1 include:

(a) participating in any timetable development process that takes place during the Franchise Period, but which relates to any timetable period applying wholly or partly after the expiry of the Franchise Term ("Successor Operator Timetable"), including bidding for and securing any Successor Operator Timetable, whether or not:

(i) the Successor Operator has been identified; or

(ii) there is in place an Access Agreement relating to the period over which that Successor Operator Timetable is intended to be operated;

(b) using reasonable endeavours to seek amendments to and/or extensions of Access Agreements which can be transferred to the Successor Operator on expiry of the Franchise Period;

(c) assisting the Secretary of State or the Successor Operator (as the case may be) in the preparation and negotiation of any new Access Agreement relating to any Successor Operator Timetable; and/or

(d) entering into that Access Agreement in order to secure the relevant priority bidding rights required by the Successor Operator to operate that Successor Operator Timetable, provided that the Franchisee shall not be required to enter into any such Access Agreement unless the Secretary of State has first provided to it confirmation in writing that he will include that Access Agreement in any Transfer Scheme pursuant to paragraph 3.1 of Schedule 15.4 (Provisions Applying on and after Termination).
Schedule 14.2

Maintenance of Operating Assets

1. **Operating Assets**

1.1 The Franchisee shall maintain, protect and preserve the assets (including any Intellectual Property Rights or intangible assets) employed in the performance of its obligations under the Franchise Agreement (the “Operating Assets”) in good standing or good working order, subject to fair wear and tear.

1.2 The Franchisee shall carry out its obligations under paragraph 1.1 so that the Operating Assets may be transferred at the end of the Franchise Period to a Successor Operator and used by such Successor Operator in the provision or operation of similar services to the Franchise Services.

1.3 Where any Operating Asset is lost, destroyed or otherwise beyond repair, the Franchisee shall replace the Operating Asset with property, rights or liabilities in modern equivalent form to the Operating Asset to be replaced. The Franchisee shall at all times maintain an appropriate volume of Spares, and/or an appropriate level of access to Spares from a third party, to enable it to perform its obligations under the Franchise Agreement.

1.4 The Secretary of State may at any time require the Franchisee to provide to the Secretary of State a schedule specifying the condition of any asset or class of assets that he specifies for this purpose. Such schedule shall cover such aspects of asset condition as the Secretary of State may reasonably require. If the Parties are unable to agree the content of such schedule of condition, either Party may refer the dispute for resolution in accordance with the Dispute Resolution Rules. Until such dispute is resolved, the Franchisee shall comply with the Secretary of State's requirements in respect of such schedule of condition.

1.5 The Franchisee shall keep vested in it at all times during the Franchise Period all Franchise Assets designated as such pursuant to Schedule 14.4 (Designation of Franchise Assets) as it may require in order to comply with:

(a) the Licences;

(b) any contracts of employment with Franchise Employees;

(c) any relevant Fares;

(d) any Key Contracts; and

(e) any applicable safety legislation regulations or safety standards and the Safety Certificate,

in order to ensure that the Secretary of State may designate such assets as Primary Franchise Assets.
2. **Brand Licence and Branding**

2.1 **Brand Licences**

The Franchisee shall comply with its obligations under each of the Brand Licences.

2.2 **Branding**

Subject to any applicable obligations or restrictions on the Franchisee (including the terms of the Rolling Stock Leases), the Franchisee may apply registered or unregistered trade marks (including company names, livery and other distinctive get-up) to any assets owned or used by it in the operation and provision of the Franchise Services.

(a) Subject to paragraphs 2.2(c) and (g), the Franchisee may:

(i) in respect of unregistered Marks, provide or procure the provision of an irrevocable undertaking to any relevant Successor Operator to the effect that neither it nor the owner of the Marks will enforce such rights as it may have or may in the future have in respect of such Marks against such Successor Operator and its successors; and

(ii) in respect of registered Marks, grant or procure the grant of an irrevocable licence to use such Marks to such Successor Operator and its successors.

(b) Any such licence or undertaking under paragraph 2.2(a) shall be in such form as the Secretary of State shall reasonably require except that the terms of any such licence and, to the extent appropriate, any such undertaking shall accord with the provisions of paragraph 8.3 of Schedule 15.4 (Provisions Applying on and after Termination).

(c) Subject to paragraph 2.2(g), to the extent that:

(i) the Franchisee does not provide a relevant undertaking or licence in accordance with paragraph 2.2(a);

(ii) the Secretary of State considers the relevant Marks to be so distinctive or otherwise such that a Successor Operator could not reasonably be asked to use the relevant assets to which the Marks are applied; or

(iii) the Franchisee has not otherwise removed or covered such Marks in such a way as may be reasonably acceptable to the Secretary of State prior to the expiry of the Franchise Period,

then the Franchisee shall pay to the relevant Successor Operator such amount as may be agreed between the Franchisee and such Successor Operator, as being the reasonable cost (including any Value Added Tax for which credit is not available under Sections 25 and 26 of the Value Added Tax Act 1994) of covering such Marks or otherwise removing all indications of or reference to the Marks in a manner reasonably acceptable to the Secretary of State. Such amount shall not in any event exceed the cost to the Successor Operator of replacing such Marks with its own. If the Franchisee and the relevant Successor Operator fail to agree such cost within twenty eight (28) days of the expiry of the Franchise Period, the
Franchisee shall submit such dispute for resolution in accordance with such dispute resolution procedures as the Secretary of State may require.

(d) The amount to be paid to a Successor Operator under paragraph 2.2(c) may include the reasonable cost of:

(i) removing or covering Marks from the exterior of any rolling stock vehicle;

(ii) removing or covering interior indications of the Marks including upholstery and carpets;

(iv) replacing or covering all station or other signs including bill boards; and

(iv) otherwise ensuring that such removal, covering or replacement is effected with all reasonable care and in such manner that the relevant assets may reasonably continue to be used by a Successor Operator in the provision of the Franchise Services.

(e) The Franchisee shall, in addition to making a payment under paragraph 2.2(c) grant or procure the grant of a licence or undertaking complying with paragraphs 2.2(a) and (b) except that such licence shall only be for such period as may be agreed between the Franchisee and the Successor Operator as being reasonably required by the Successor Operator to remove the Marks from all relevant assets without causing excessive disruption to the operation of services similar to the Franchise Services provided by such Successor Operator. If such period cannot be agreed, the Franchisee shall submit such dispute for resolution in accordance with such dispute resolution procedures as the Secretary of State may require.

(f) The Secretary of State shall determine at or around the end of the Franchise Period, and after consultation with the Franchisee, the maximum liability of the Franchisee under paragraph 2.2(c) and the maximum length of licence or undertaking under paragraph 2.2(e).

(g) The provisions of paragraphs 2.2(a) to 2.2(f) shall not apply to the extent that the relevant asset is not to be used by a Successor Operator in the provision of services similar to the Franchise Services. The Secretary of State shall notify the Franchisee as soon as he becomes aware of whether or not any such asset is to be so used.

2.3 NOT USED.

2.2 The Secretary of State may at any time, by serving notice on the Franchisee, designate as a Key Contract:

5. Direct Agreements

5.1 Unless the Secretary of State otherwise agrees, or unless directed to do so by the ORR, the Franchisee shall not enter into any prospective Key Contract unless the counterparty to that prospective Key Contract:

(a) is a Train Operator; or

(b) has entered into a Direct Agreement with the Secretary of State in respect of that prospective Key Contract, providing on a basis acceptable to the Secretary of State, amongst other things, for the continued provision of the Passenger Services and/or the continued operation of the Stations and Depots in the event of:

(a) may enter into on a short-term basis such contracts, licences or other arrangements as it considers necessary or appropriate to deal with the emergency;

(c) shall promptly inform the Secretary of State of any such emergency and contracts, licences or other arrangements which it proposes to enter into; and

(d) shall take such action in relation to such emergency, contracts, licences or other arrangements as the Secretary of State may request.

7. **No Amendment**

The Franchisee shall not without the prior consent of the Secretary of State (which shall not be unreasonably withheld) vary, or purport to vary, the terms or conditions of any Key Contract at any time, unless directed to do so by the ORR.

8. **Replacement of Key Contracts**

The Franchisee shall, prior to the scheduled expiry date of any Key Contract (or, if earlier, such other date on which it is reasonably likely that such Key Contract will terminate), take all reasonable steps to enter into an appropriate replacement contract (whether with the counterparty to the existing Key Contract or not) and shall comply with the reasonable instructions of the Secretary of State in relation to such replacement contract.

(ii) when aggregated with the Franchise Assets already designated as Investment Assets in a Franchisee Year have an aggregate acquisition cost exceeding five million pounds (£5,000,000)
(apportioned proportionately where a Franchisee Year is less than thirteen (13) Reporting Periods;

(iii) when aggregated with Franchise Assets already designated as Investment Assets during the Franchise Term have an aggregate acquisition cost exceeding fifteen million pounds (£15,000,000); or

(iv) are already designated as Primary Franchise Assets (including for the avoidance of doubt an RV Asset).

(c) The Secretary of State shall designate any Franchise Asset nominated by the Franchisee as an Investment Asset within three (3) months of the Investment Asset Request Date unless he serves notice on the Franchisee of designation of such Franchise Asset as a Primary Franchise Asset in accordance with paragraph 3 of this Schedule 14.4 or if in his reasonable opinion such Franchise Asset:

(i) is an information technology or computer system which is of a specification which, in the reasonable opinion of the Secretary of State, materially limits its utility to a Successor Operator including because it is constructed to a bespoke specification of or otherwise intended to work with the systems of a Parent or any company of which a Parent has Control; or

(ii) has had branding applied to it which renders it unsuitable for continued use by a Successor Operator; or

(iii) is not reasonably appropriate for the purposes of delivering the Franchise Services in a reasonable, proper and cost effective manner.

(d) The Franchisee acknowledges the definition of Franchise Assets and agrees not to put forward for designation as an Investment Asset any asset not falling within such definition including, without limitation, accounting entries and assets in which the Franchisee does not have title.

(e) On the final Investment Asset Request Date the Franchisee shall in addition to the list referred to in paragraph 2.2(a) also provide an additional list in two parts confirming:

(i) in part 1 of such additional list which Investment Assets that have already been designated as such should be designated as Primary Franchise Assets and not be capable of de-designation as such without the prior agreement of the Franchisee and which Investment Assets should not be capable of being designated as Primary Franchise Assets without the prior agreement of the Franchisee and the Secretary of State; and

(ii) in part 2 of such additional list which Franchise Assets which the Franchisee is proposing should be designated as Investment Assets should be designated as Primary Franchise Assets and not be capable of de-designation as such without the prior agreement of the Franchisee and which should not be capable of being designated as Primary Franchise Assets without the prior agreement of the Franchisee and the Secretary of State in both cases only if such Franchise Assets are
designated as Investment Assets in accordance with paragraphs 2.2(a) to 2.2(c).

(f) The Secretary of State shall comply with the requirement of the Franchisee set out in the list referred to in paragraph 2.2(e) (i) above. The Secretary of State shall comply with the requirements of the Franchisee in the list referred to in paragraph 2.2(e) (ii) above in relation to any Franchise Assets on such list which are actually designated by the Secretary of State as Investment Assets in accordance with paragraphs 2.2(a) to 2.2(c) but not otherwise. This paragraph is without prejudice to the other rights of the Secretary of State to designate Franchise Assets as Primary Franchise Assets.

3. **Designation of Additional Primary Franchise Assets**

Subject to paragraph 2.2(f) the Secretary of State may at any time and from time to time during the Franchise Period, by serving notice on the Franchisee, designate any or all of the Franchise Assets as Primary Franchise Assets. Such designation shall take effect from the delivery of such notice and may refer to all or certain categories of property, rights or liabilities. Any such notice shall specify the reasons for such designation. On or before designation of any Franchise Asset as a Primary Franchise Asset, the Secretary of State may agree not to subsequently de-designate such Primary Franchise Asset without the prior written consent of the Franchisee. If the Secretary of State so agrees, the notice designating the relevant Franchise Asset as a Primary Franchise Asset shall state that the Secretary of State shall not de-designate such Primary Franchise Asset without the prior written consent of the Franchisee.

4. **Designation during last twelve (12) months of Franchise Period**

If the Secretary of State designates a Franchise Asset as a Primary Franchise Asset under paragraph 3 at any time during the last twelve (12) months of the Franchise Period then, within twenty eight (28) days of such designation, the Secretary of State may de-designate such Primary Franchise Asset by serving notice on the Franchisee provided that, in relation to any Primary Franchise Asset in respect of which the Secretary of State agreed pursuant to paragraph 3 that he would not de-designate without the prior written consent of the Franchisee, such consent has been obtained. Such de-designation shall take effect upon delivery of such notice.

5. **Designation of Key Contracts as Primary Franchise Assets**

The Secretary of State shall, subject to paragraphs 1.2(b) and 7, be entitled to designate any Key Contract as a Primary Franchise Asset at any time during the Franchise Period by serving notice on the Franchisee. Such designation shall take effect from delivery of such notice.

6. **Designation of Fares and Discount Cards**

The Secretary of State may designate any Fare or Discount Card as a Primary Franchise Asset at any time during the Franchise Period by serving a notice on the Franchisee. Such designation shall take effect from delivery of such notice.
7. **Rights and Liabilities**

The Secretary of State, in designating the rights and liabilities of the Franchisee (whether under a particular contract or other arrangement) as a Primary Franchise Asset may, in his discretion, elect to designate some but not all of the rights and liabilities under a particular contract or other arrangement, or to designate only those rights and liabilities arising after or otherwise relating to a period after a particular time (including the period after the expiry of the Franchise Period) or to those relating only to the Franchise Services or a particular part thereof.

8. **Disputes over Designation**

8.1 The Franchisee may object in writing to the Secretary of State to any designation pursuant to paragraph 3 or 4.

8.2 Such objection may be made solely on the grounds that the designation of the relevant property, rights or liabilities specified in the objection is not, in the Franchisee's opinion, reasonably necessary to secure the continued provision of the Franchise Services by a Successor Operator on the expiry of the Franchise Period on a basis reasonably acceptable to the Secretary of State or to facilitate the transfer to such Successor Operator of the provision of the Franchise Services at such time.

8.3 Any such objection may only be made within twenty eight (28) days of a designation made more than twelve (12) months prior to the end of the Franchise Period or fourteen (14) days of a designation made during the last twelve (12) months of the Franchise Period.

8.4 The Secretary of State shall respond to any such objection as soon as reasonably practicable and shall take account of any representations made by the Franchisee regarding the use of the relevant Primary Franchise Asset otherwise than in the provision and operation of the Franchise Services.

8.5 If the Franchisee's objection cannot be resolved by agreement within a period of fourteen (14) days from the date of submission of that objection, the Franchisee may refer the dispute for resolution in accordance with the Dispute Resolution Rules.

8.6 Any body duly appointed to resolve such dispute shall determine whether or not the designation of the relevant property, rights or liabilities was reasonably necessary for securing that the Franchise Services may continue to be provided by a Successor Operator on the expiry of the Franchise Period on a basis reasonably acceptable to the Secretary of State or otherwise facilitating the transfer of the provision of the Franchise Services at such time, and accordingly whether or not they should cease to be so designated.

8.7 If any dispute as to any designation pursuant to paragraph 3 remains outstanding on the expiry of the Franchise Period, then such dispute shall be deemed to cease immediately before the expiry of the Franchise Period and the relevant Franchise Assets shall continue to be designated as Primary Franchise Assets on and after the expiry of the Franchise Period.
9. **Provision of Information to the Secretary of State**

9.1 The Franchisee shall provide such information as the Secretary of State may reasonably require in order to satisfy the Secretary of State that any Franchise Assets which are to be designated as Primary Franchise Assets after the Start Date under this Schedule 14.4 will at the time of such designation be vested in the Franchisee. Such information may include details of any Security Interests over such property, rights and liabilities.

9.2 The Franchisee shall further provide such information as to the property, rights and liabilities of the Franchisee as the Secretary of State may reasonably require in connection with the designation of Primary Franchise Assets. Such information shall be supplied to the Secretary of State within such timescale as the Secretary of State may reasonably require.

10. **De-Designation of Franchise Assets and Primary Franchise Assets**

10.1 The Secretary of State and the Franchisee may agree in writing at any time during the Franchise Period that a Franchise Asset shall cease to be so designated as a Franchise Asset or that a Primary Franchise Asset shall cease to be so designated as a Primary Franchise Asset, and the relevant Franchise Asset or Primary Franchise Asset (as the case may be) shall cease to be designated upon such agreement coming into effect.

10.2 The Secretary of State may in addition at any time during the Franchise Period, by serving notice on the Franchisee, cause a Franchise Asset which is not a Primary Franchise Asset to cease to be so designated as a Franchise Asset. Such Franchise Asset shall cease to be so designated on the date specified in such notice.

10.3 The Secretary of State may in addition, at any time during the Franchise Period, by serving notice on the Franchisee, cause a particular Primary Franchise Asset to cease to be designated as such provided that, in relation to any Primary Franchise Asset in respect of which the Secretary of State agreed pursuant to paragraph 3 that he would not de designate without the prior written consent of the Franchisee, such consent has been obtained. Such Primary Franchise Asset shall cease to be so designated on the date specified in such notice. Such right may be exercised, in respect of any rights and liabilities in respect of a Fare or Discount Card, at any time and, in respect of any other Primary Franchise Asset, no later than one (1) year prior to the expiry of the Franchise Term.

11. **Amendment of the List of Primary Franchise Assets**

The table in Appendix 1 (List of Primary Franchise Assets) to this Schedule 14.4 shall be amended as the Secretary of State considers necessary or desirable from time to time to take account of designation and de-designation of Primary Franchise Assets pursuant to this Schedule 14.4.

12. **Spares**

The obligation of the Franchisee to maintain, preserve and protect the Operating Assets (as such term is defined in paragraph 1.1 of Schedule 14.2 (Maintenance of Operating Assets)) under Schedule 14.2 (Maintenance of Operating Assets) shall, in respect of Spares, include the obligation to replace any Spare which has been designated as a Primary Franchise Asset, which subsequent to its designation ceases to be part of the stock of Spares available to the Franchisee for use in the
provision of the Franchise Services, with an equivalent Spare of equal or better quality than the Spare so replaced.

Residual Value Mechanism

1. Provisions relating to RV Assets

1.1 The provisions of paragraphs 3, 4, 7, 8 and 10 to 12 of Schedule 14.4 (Designation of Franchise Assets) (inclusive) shall not apply in respect of any RV Asset.

1.2 De-Designation of RV Assets as Primary Franchise Assets

The Secretary of State may, at any time during the Franchise Period, by serving notice on the Franchisee cause a particular RV Asset designated as a Primary Franchise Asset pursuant to paragraph 2.1(h) of Schedule 14.4 (Designation of Franchise Assets) to cease to be designated as such on the occurrence of any of the following:

(a) such RV Asset is lost, destroyed or otherwise beyond repair after the date upon which it is designated as a Primary Franchise Asset pursuant to paragraph 2.1(h) of Schedule 14.4 (Designation of Franchise Assets) and such RV Asset is not replaced; or

(b) the Secretary of State and the Franchisee agree in writing at any time during the Franchise Period that such RV Asset shall cease to be so designated as a Primary Franchise Asset; or

(c) for an RV Asset that is a Network Rail Fixture Asset the applicable Station Access Conditions or Depot Access Conditions are amended at any time after the date of designation of such RV Asset such that the Franchisee ceases to be responsible under the applicable Station Access Conditions or Depot Access Conditions (as the case may be) for the maintenance, repair and renewal of such RV Asset.

Such RV Asset shall cease to be designated as a Primary Franchise Asset with effect from the date specified in any notice served by the Secretary of State pursuant to this paragraph 1.2 and the table in Appendix 1 to Schedule 14.6 (List of the RV Assets) shall be deemed to be amended and thereafter shall be amended to take account of any such de-designation.

1.3 Process for issue of a Certificate of Completion for RV Assets

(a) Within twenty (20) days of the date upon which an RV Asset is brought into operational use the Franchisee shall provide to the Secretary of State such information as is required by the Secretary of State for, and in the detail needed for demonstrating that such RV Asset has been brought into operational use and evidencing the actual capital cost incurred by the Franchisee on the procurement of such RV Asset including the following:

(i) the information described in paragraph 9 of Schedule 14.4 (Designation of Franchise Assets), including such information as the Secretary of State may require pursuant to paragraph 9.2 of Schedule 14.4 (Designation of Franchise Assets);

(ii) information which shows the actual date upon which such RV Asset was brought into operational use (including photographic evidence
or any other kind of record which shows that such RV Asset has been brought into operational use);

(iii) in respect of an RV Asset that is a Network Rail Fixture Asset, written confirmation from Network Rail that:

(A) such RV Asset will be owned by the Franchise and remain the unencumbered asset of the Franchisee for the duration of the asset life of such RV Asset or the duration of the Franchise Period (whichever is the shorter);

(B) the Franchisee has the responsibility under the Station Access Conditions or the Depot Access Conditions (as the case may be) applicable in relation to such Station or Depot (as the case may be) to maintain, repair and renew such RV Asset from the date upon which such RV Asset property is brought into operational use for the duration of the asset life of such RV Asset or the duration of the Franchise Period (whichever is the shorter);

(iv) information evidencing the actual capital cost of procuring such RV Asset (including receipts and other supporting evidence) or where all information required to evidence the actual capital cost of procuring such RV Asset is not yet available the Franchisee’s reasonable estimate of such actual capital cost with a commentary explaining how the estimate has been arrived at;

(v) information which shows that such RV Asset satisfies the requirements of the Committed Obligations to which it relates; and

(vi) the information required by paragraph 2.1; and

(vii) such other information as the Secretary of State may reasonably require for the purposes of satisfying himself that such RV Asset has been brought into operational use by a date that is no later than four (4) years after the Start Date and verifying the actual capital costs incurred by the Franchisee on the procurement of such RV Asset.

(b) Subject to receipt of the information required in paragraph 1.3(a) and none of the events described in paragraph 1.2 having occurred, the Secretary of State shall issue to the Franchisee a certificate of completion (“Certificate of Completion”) which shall specify for the purposes of this Agreement the date upon which the relevant RV Asset was brought into operational use provided that nothing in this paragraph 1.3(b) shall oblige the Secretary of State to issue a Certificate of Completion in respect of any RV Asset:

(i) if the Secretary of State, acting reasonably is not satisfied that such RV Asset will at the time of such designation be vested in the Franchisee;

(ii) if the Secretary of State reasonably determines that such RV Asset does not satisfy the requirements of the Committed Obligation to which it relates;

(iii) that is brought into operational use on a date that is later than the date which is four (4) years after the Start Date; or
(iv) where the confirmation from Network Rail referred in paragraph 1.3(a)(iii) has not been issued.

(c) The Secretary of State may, prior to the issue of a Certificate of Completion in respect of an RV Asset, exercise his rights under paragraph 6 (Right to Inspect) of Schedule 11.2 (Management Information) to inspect an RV Asset for the purposes of satisfying himself that such RV Asset satisfies the requirements of the Committed Obligation to which it relates.

(d) Where the Franchisee is only able to provide an estimate of the capital cost of procuring an RV Asset pursuant to paragraph 1.3(a)(iv) above it shall notify the Secretary of State of the actual capital cost of procuring the RV Asset (with receipts and other supporting evidence) as soon as reasonably practicable and in any event within six months of the date of issue of a Certificate of Completion of such RV Asset. The Franchisee shall provide the Secretary of State with further information as he may reasonably require for the purposes of verifying the actual capital costs incurred by the Franchisee on the procurement of such RV Asset.

1.4 Adjustments to the Transfer Value

If:

(a) the Franchise Agreement is extended as contemplated in clause 5 (Duration of the Franchise Agreement) then the Secretary of State shall adjust the RV Asset Transfer Value applicable to each RV Asset by depreciating each such RV Asset on a straight line basis from the date specified for such RV Asset in Column 3 of Appendix 1 to this Schedule 14.6 (“Planned Delivery Date”) until the end of the Franchise Period (as extended) and so that:

(i) the Revised RV Asset Transfer Value will be the residual value of the RV Asset following such depreciation as at the end of the Franchise Period (as extended) or, if the RV Asset has been fully depreciated on that basis at that time, nil; and

(ii) from the date of the extension of the Franchise Agreement Column 2 of the table in Appendix 1 to this Schedule 14.6 (List of the RV Assets) shall be deemed to be and shall be restated in the amounts of the Revised RV Asset Transfer Value; or

(b) the actual capital cost incurred by the Franchisee in procuring any RV Asset is less than the amount specified in Column 5 of the table in Appendix 1 to this Schedule 14.6 (List of the RV Assets) in respect of any such RV Asset, then:

(i) the Secretary of State shall adjust the RV Asset Transfer Value applicable to such RV Asset by using the same principles as were specified in the Financial Model and Record of Assumption for the calculation of the initial RV Asset Transfer Value except that actual capital cost for such RV Asset shall replace the capital cost specified for such RV Asset in Column 5 of the table of Appendix 1 to this Schedule 14.6 (List of the RV Assets) in order to calculate the Revised RV Asset Transfer Value. Such adjustment shall be deemed to take effect from the date upon which a Certificate of Completion is issued including in the circumstance where the actual capital cost
is notified to the Secretary of State pursuant to paragraph 1.3(d) after the date of issue of a Certificate of Completion; and

(ii) Column 2 of the table in Appendix 1 to this Schedule 14.6 (List of the RV Assets) shall be restated and shall be restated in the amounts of the Revised RV Asset Transfer Value such restatement to be deemed to be effective from the date of issue of a Certificate of Completion.

(c) For the purposes of this paragraph 1.4:

(i) "RV Asset Transfer Values" means each of the transfer values relating to the RV Assets as specified in Column 2 of the table in Appendix 1 to this Schedule 14.6 (List of RV Assets);

(ii) "Revised RV Asset Transfer Values" means each of the RV Asset Transfer Values as adjusted by the Secretary of State in accordance with the provisions of paragraph 1.4(a) or paragraph 1.4(b) (as applicable).

2. Maintenance Requirements for RV Assets

2.1 At the same time as the Franchisee provides the information required pursuant to paragraph 1.3(a) in respect of any RV Asset, the Franchisee shall submit to the Secretary of State a schedule of condition specifying the condition of such RV Asset as at the date upon which such RV Asset was brought into operational use as specified in the applicable Certificate of Completion. Such schedule of condition must be approved by the Secretary of State and shall be in respect of such aspects of an RV Asset as the Secretary of State may reasonably require. The Franchisee shall ensure that each RV Asset is maintained, preserved and protected in at least the same condition, subject to fair wear and tear, as specified in the applicable schedule of condition as approved by the Secretary of State in respect of such RV Asset pursuant to this paragraph 2.1. In respect of any RV Asset that is a Network Rail Fixture Asset the Franchisee shall ensure that any schedule of condition prepared as required by this paragraph 2.1 shall comply with the Franchisee’s maintenance obligations relating to such Network Rail Fixture Asset under the applicable Station Access Conditions and/or Depot Access Conditions (as the case may be).

2.2 Subject to paragraph 2.3, where the Franchisee has failed to demonstrate to the reasonable satisfaction of the Secretary of State that it has complied with its maintenance obligations in paragraph 2.1 in respect of any RV Asset then the Secretary of State may by notice in writing to the Franchisee require that the RV Asset Transfer Value payable by a Successor Operator required pursuant to the Supplemental Agreement to pay to the Franchisee the RV Asset Transfer Value for such RV Asset ("Relevant Successor Operator") is adjusted downwards by an amount that is equal to the amount that is agreed by the Franchisee and the Relevant Successor Operator (or on failure to agree, as reasonably determined by the Secretary of State) as being the amount reasonably expected to be incurred by the Relevant Successor Operator for putting such RV Asset in the condition required pursuant to paragraph 2.1.

2.3 The provisions of paragraph 2.2 shall not apply in circumstances where the Franchisee and the Relevant Successor Operator agree that the Franchisee shall either:
(a) rectify any relevant non-compliance with the requirements of paragraph 2.1; or

(b) indemnify the Relevant Successor Operator (the form of such indemnity to be in a form that is acceptable to the Relevant Successor Operator) against the reasonable costs of putting the relevant RV Asset in the condition required by paragraph 2.1.

Incentivising Long Term Investment

This Schedule sets out the Secretary of State’s guidance on how he approaches incentivising long term investment. Nothing in this Schedule is intended to limit or be limited by the provisions of paragraph 2.2 of Schedule 14.4 (Designation of Franchise Assets)

1. The Secretary of State wishes to encourage the Franchisee to:
   (a) improve the efficiency;
   (b) reduce the cost; and
   (c) enhance the revenue earning potential of the delivery of services to passengers, from the commencement of the Franchise, through the Franchise Term and into the successor franchises.

2. It is recognised however that the Franchise Term may be perceived to be a barrier to undertaking investment or change programmes where:
   (a) the time scale for implementation limits the benefit to the Franchisee; or
   (b) the business case for such investment or change has a payback period longer than the Franchise Term.

3. In this context investment or change may be considered to encompass:
   (a) capital investments undertaken solely by the Franchisee;
   (b) capital investments undertaken by the Franchisee in association with others;
   (c) total or partial substitution of certain train services by bus services where an enhanced service level could be provided for reduced cost or where the provision of bus services improves the overall capacity of the network or delivers other benefits;
   (d) changes in working practices of the Franchisee's employees;
   (e) changes in the contracted roles and responsibilities between the Franchisee and its major suppliers; and
   (f) operational changes.

4. Accordingly, the Franchisee is encouraged to propose schemes that seek to achieve the objectives set out in paragraph 1 for consideration by the Secretary of State during the Franchise Term.

5. In considering the Franchisee's proposals for any investment or change proposed to be undertaken, the Secretary of State will recognise:
   (a) the capital cost and proposed payment profile;
(b) legitimate costs of the Franchisee in developing, procuring, delivering and project managing the project;

(c) the life of any capital assets and the duration of the benefits stream arising;

(d) the remaining Franchise Term and the projected payback period;

(e) the benefits associated with undertaking the investment early rather than waiting until the Franchise is re-let;

(f) the risks of cost overrun or under performance of the projected benefits;

(g) a profit element for undertaking the project commensurate with the risks of the proposed project; and

(h) alternative benefit sharing arrangements which could be based on:

   (i) a capital lump sum when the expenditure is incurred;

   (ii) an enhanced Franchise Payment over the Franchise Term;

   (iii) a balloon payment on expiry of the Franchise which allocates a proportion of future benefits to the Franchisee;

   (iv) an ongoing payment if the benefits materialise after the Franchise Term; and/or

   (v) any combination of any of paragraphs 5(h)(i) to 5(h)(iv) inclusive.

6. In evaluating the Franchisee’s proposals for any investment or change proposed to be undertaken and to enable best value for money to be obtained from third party financiers, the Secretary of State shall also give consideration to the appropriateness of the provision, by the Secretary of State, of an undertaking (or other form of comfort) pursuant to Section 54 of the Act.

1. **Last Twelve (12) or Thirteen (13) Month Period**

1.1 Where reference is made in the Franchise Agreement to the last twelve (12) or thirteen (13) months of the Franchise Period, such period shall be deemed to commence on the earliest of the following dates:

   (a) the date which is twelve (12) or thirteen (13) months, as the case may be, prior to the Expiry Date or if the actual date of expiry of the Franchise Period is known the date which is twelve (12) or thirteen (13) months prior to that date;

   (b) the date on which the Secretary of State notifies the Franchisee that such period of twelve (12) or thirteen (13) months shall be deemed to commence on the grounds that the Secretary of State reasonably considers that an Event of Default may occur within the following twelve (12) months; or

   (c) the date on which the Secretary of State notifies the Franchisee that such period of twelve (12) or thirteen (13) months shall be deemed to commence on the grounds that the Secretary of State considers it reasonably likely that the Franchise Agreement will be terminated by agreement between the Parties within such period.

1.2 Any such period (which may be longer or shorter than twelve (12) or thirteen (13) months, as the case may be) shall expire on the Expiry Date or, if earlier:

   (a) in the case of periods commencing under paragraph 1.1(b) or 1.1(c), the date falling twelve (12) or thirteen (13) months after the date of any notice under paragraph 1.1(b) or 1.1(c); or

   \[
   \frac{MAWE + JAWE + SAWE + DAWE}{4}
   \]

(b) wholly or partly first takes effect after the end of the Franchise Period;
(c) results in any such employment not being terminable by the Franchisee or other relevant employer within six (6) months of the expiry of the Franchise Period;
(d) relates to a payment or the provision of a benefit triggered by termination of employment;
(e) relates to the provision of a benefit (excluding base salary) which any such employee will or may have a contractual right to receive after the expiry of the Franchise Period; or
(f) prevents, restricts or hinders any such employee from working for a Successor Operator or from performing the duties which such employee performed for the Franchisee.

It is agreed that the Franchisee will be permitted to make a decrease in the remuneration of any Franchise Employee that takes effect in the last twelve (12) months of the Franchise Period without first obtaining the consent of the Secretary of State in circumstances where such decrease is in the ordinary course of business and when aggregated with any other variation which takes effect during such period, represents a decrease in the remuneration of a Franchise Employee of no more than the amount determined in accordance with the formula contained in paragraph 2.1(a) where a calculation pursuant to such formula gives rise to a negative percentage. In any other circumstances the prior consent of the Secretary of State will be required to any decrease in the remuneration of a Franchise Employee in the last twelve (12) months of the Franchise Period.

2.2 Without limiting the foregoing, the Franchisee shall consult the Secretary of State as soon as reasonably practicable in any circumstances in which the Secretary of
State's consent under paragraph 2.1 may be required. Further, it shall always be deemed to be reasonable for the Secretary of State to withhold his consent to a variation or addition which is prohibited without such consent under paragraph 2.1(a) provided the Secretary of State:

(a) makes an overall increase in Franchise Payments equal to the amount of the direct net losses suffered by the Franchisee on the days when the Passenger Services are affected by Industrial Action taken by the Franchise Employees which is a consequence of a refusal by the Secretary of State to agree to the variation or addition; and

(b) agrees that, to the extent that the Franchisee would otherwise be in contravention of the Franchise Agreement as a consequence of the Industrial Action referred to in this paragraph 2.2, no such contravention shall have occurred, save where such contravention relates to safety requirements.

2.3 The expression “promise to vary” when used in paragraph 2.2 includes any offer or indication of willingness to vary (whether or not such offer or willingness is made conditional upon obtaining the Secretary of State's consent).

3. Terms of Employment of New Employees

3.1 The Franchisee shall not, and shall secure that each other relevant employer shall not, without the prior consent of the Secretary of State (which shall not be unreasonably withheld), create or grant, or promise to create or grant, terms or conditions of employment for any Franchise Employee where the employment of such Franchise Employee by the Franchisee or such other relevant employer may commence on or after the Start Date if and to the extent that:

(a) such terms or conditions are, in the reasonable opinion of the Franchisee, materially different from the terms or conditions of employment of equivalent or nearest equivalent Franchise Employees at the date on which such employment is scheduled to commence; and

(b) if such terms or conditions were granted to such equivalent Franchise Employees already employed by the Franchisee by way of variation to their terms or conditions of employment, the Franchisee would be in contravention of paragraph 2.1.

4. Changes in Numbers and Total Cost of Employees

4.1 Subject to and excluding any increase in the remuneration of Franchise Employees permitted under paragraph 2.1, the Franchisee shall not, and shall secure that each other relevant employer shall not, without the prior written consent of the Secretary of State (which shall not be unreasonably withheld) increase or decrease in the last twelve (12) months of the Franchise Period the number of Franchise Employees such that:

(a) the total number of Franchise Employees or the total cost per annum to the Franchisee and each other relevant employer of employing all Franchise Employees is increased; or

(b) the total number of Franchise Employees is decreased,

in each case, by more than five per cent (5%) during such period of twelve (12) months provided that where the last twelve (12) or thirteen (13) months of
the Franchise Period has been deemed to have commenced under paragraph 1.1 and the period of the restriction contemplated by this paragraph 4 lasts longer than twelve (12) months such restriction shall apply in respect of the longer period.

5. **Fares**

5.1 **Reduction in Prices of Fares**

(a) During the last thirteen (13) months of the Franchise Period the Franchisee shall not, without the prior written consent of the Secretary of State (not to be unreasonably withheld), set the Price or Child Price of or sell (except to the extent required to do so under the terms of the Ticketing and Settlement Agreement as a result of the Price or Child Price of a Fare being set by another person) any Fare which would entitle the purchaser of such Fare to travel on all or any of the Passenger Services after the Franchise Period for an amount which is less than the Price or the Child Price of that Fare immediately before the commencement of such thirteen (13) month period or, in the case of a new Fare, the Price of its nearest equivalent immediately before the commencement of such period.

(b) Paragraph 5.1(a) shall not prevent the Franchisee from giving any discount or reduction to which the purchaser of a Fare may be entitled by virtue of:

(i) presenting a Discount Card (or any equivalent replacement thereof) issued by the Franchisee before the commencement of such thirteen (13) month period and to which the purchaser would have been entitled before the commencement of such period;

(ii) presenting a Discount Card issued by another train operator;

(iii) the Passenger's Charter or the passenger's charter of any other train operator; or

5.2 **Percentage Allocations**

(a) Except to the extent that the Secretary of State may consent from time to time (such consent not to be unreasonably withheld), the Franchisee shall not, in the last thirteen (13) Reporting Periods of the Franchise Period, take any action or step which may result in its Percentage Allocation (as defined in the Ticketing and Settlement Agreement) in respect of any Rail Product (as defined in the Ticketing and Settlement Agreement) being reduced.

(b) The Franchisee shall notify the Secretary of State before taking any such action or step in the last thirteen (13) Reporting Periods of the Franchise Period and upon becoming aware of any other person proposing to take any action or step which may have the same effect. The Franchisee shall take such action as the Secretary of State may reasonably request in order to
prevent any such reduction, including submitting any dispute to any relevant dispute resolution procedures.

5.3 Restrictions in respect of Sale of Advance Purchase Train-specific Fares

(a) It is acknowledged that the Franchisee will make available for sale prior to the end of the Franchise Period Advance Purchase Train-specific Fares which are valid for travel after the end of the Franchise Period.

(b) In making such Advance Purchase Train-specific Fares available for purchase the Franchisee shall not change its commercial practice in terms of the number of such Advance Purchase Train-specific Fares made available or the Passenger Services on which they are valid for use when compared with its previous commercial practice in respect of Advance Purchase Train-specific Fares valid for travel prior to the end of the Franchise Period.

(c) The Franchisee will be permitted to take into account reasonable seasonal factors in determining its previous commercial practice. In assessing reasonableness, account will be taken of the Franchisee’s practice in addressing such seasonal factors in the corresponding period in the previous year.

(a) any meeting referred to in paragraph 6.1(a);
(b) any resolutions to be voted upon at any such meeting where such resolutions might reasonably be considered to affect the interests of such Successor Operator; and

6.3 If HM Revenue & Customs direct that the transfer of the Transferring Assets and Liabilities cannot be treated as a TOGC, the Transferor shall provide the Transferee with a copy of such direction within five (5) days of receipt thereof by the Transferor.
6.4 The Transferee shall thereafter pay upon the receipt of a valid tax invoice the amount of any Value Added Tax which as a result of that direction may be chargeable on the transfer of the Transferring Assets and Liabilities. If the aforementioned direction was issued as a result of any action or inaction of the Transferee then the Transferee shall in addition to the Value Added Tax indemnify the Transferor for any penalties and interest that may be incurred upon receipt of such evidence from HM Revenue & Customs.

6.5 If the Transferee considers the direction issued by HM Revenue & Customs referred to in Clause 6.3 to be incorrect then, without prejudice to the Transferee's obligation under Clause 6.4 to pay to the Transferor the amount of any Value Added Tax which as a result such direction may be chargeable on the transfer of the Transferring Assets and Liabilities, the Transferee may, within thirty (30) days of receipt of such notice from the Transferor, give notice to the Transferor that it requires the Transferor to appeal such direction. Upon requesting such an appeal the Transferee agrees to indemnify the Transferor for all reasonable costs that the Transferor may incur in taking such action upon receipt of evidence of those costs.

6.6 If any amount paid by the Transferee to the Transferor in respect of Value Added Tax pursuant to this Agreement is subsequently found to have been paid in error the Transferor shall issue a valid tax credit note for the appropriate sum to the Transferee and promptly repay such amount to the Transferee.

6.7 If any amount is payable by the Transferor to the Transferee in respect of the transfer of the Relevant Franchise Assets, Relevant Contract Liabilities, Relevant Debits and Credits and Relevant Employee Liabilities pursuant to this Agreement, Clauses 6.3 to 6.6 inclusive shall apply mutatis mutandis to such payment substituting Transferor for Transferee and vice versa.

6.8 All of the records referred to in Section 49 of the Value Added Tax Act 1994 relating to the Business (being the purchase records) shall be retained by the Transferor and the Transferor shall undertake to the Transferee to:

(a) preserve those records in such manner and for such periods as may be required by law; and

(b) give the Transferee as from the Transfer Date reasonable access during normal business hours to such records and to take copies of such records.

7. **EMPLOYEES**

7.1 **Transfer Regulations**

The parties accept that, to the extent that the undertaking or part of the undertaking of the Transferor is continued by the Transferee after the Transfer Date, this Agreement and the transfer of the Business which is effected in connection with the Transfer Scheme are governed by the Transfer Regulations and the following provisions shall apply in connection therewith:

(a) the contract of employment of each of the Relevant Employees (save, to the extent provided by the Transfer Regulations, insofar as such contract relates to any occupational pension scheme) shall be transferred to the Transferee with effect from the Transfer Date which shall be the “time of transfer”
under the Transfer Regulations and the Transferee shall employ each such Relevant Employee on the terms of those contracts of employment (save, to the extent provided by the Transfer Regulations, insofar as such contract relates to any occupational pension scheme) with effect from the Transfer Date;

(b) the Transferor shall perform and discharge all its obligations in respect of all the Relevant Employees for its own account up to and including the Transfer Date including, without limitation, discharging all wages and salaries of the Relevant Employees, all employer's contributions to any relevant occupational pension scheme and all other costs and expenses related to their employment (including, without limitation, any Taxation, accrued holiday pay, accrued bonus, commission or other sums payable in respect of service prior to the close of business on the Transfer Date) and shall indemnify the Transferee and keep the Transferee indemnified against each and every action, proceeding, liability (including, without limitation, any Taxation), cost, claim, expense (including, without limitation, reasonable legal fees) or demand arising from the Transferor's failure so to discharge;

(c) the Transferor shall indemnify the Transferee and keep the Transferee indemnified against each and every action, proceeding, cost, claim, liability (including, without limitation, any Taxation), expense (including, without limitation, reasonable legal fees) or demand which relates to or arises out of any act or omission by the Transferor or any other event or occurrence prior to the Transfer Date and which the Transferee may incur in relation to any contract of employment or collective agreement concerning one or more of the Relevant Employees pursuant to the provisions of the Transfer Regulations or otherwise including, without limitation, any such matter relating to or arising out of:

(i) the Transferor's rights, powers, duties and/or liabilities (including, without limitation, any Taxation) under or in connection with any such contract of employment or collective agreement, which rights, powers, duties and/or liabilities (as the case may be) are or will be transferred to the Transferee in accordance with the Transfer Regulations; or

(ii) anything done or omitted before the Transfer Date by or in relation to the Transferor in respect of any such contract of employment or collective agreement or any Relevant Employee, which is deemed by the Transfer Regulations to have been done or omitted by or in relation to the Transferee save where the thing done or omitted to be done before the Transfer Date relates to the Transferee's failure to comply with its obligations referred to in Clause 7.3;

(d) if any contract of employment or collective agreement which is neither disclosed in writing to the Transferee by the Transferor prior to the Transfer Date nor made available to the Secretary of State under Schedule 15.3 (Handover Package) of the Franchise Agreement prior to the Transfer Date shall have effect as if originally made between the Transferee and any employee (the “Undisclosed Employee”) or a trade union or employee representatives as a result of the provisions of the Transfer Regulations
(without prejudice to any other right or remedy which may be available to the Transferee):

(i) the Transferee may, upon becoming aware of the application of the Transfer Regulations to any such contract of employment or collective agreement terminate such contract or agreement forthwith;

(ii) the Transferor shall indemnify the Transferee against each and every action, proceeding, cost, claim, liability (including, without limitation, any Taxation), expense (including, without limitation, reasonable legal fees) or demand relating to or arising out of such termination and reimburse the Transferee for all costs and expenses (including, without limitation, any Taxation) incurred in employing such employee in respect of his employment following the Transfer Date; and

(iii) the Transferor shall indemnify the Transferee in respect of any Undisclosed Employee on the same terms mutatis mutandis as the Transferor has indemnified the Transferee in respect of a Relevant Employee pursuant to the terms of Clauses 7.1(b) and 7.1(c); and

(e) the Transferor shall indemnify the Transferee and keep the Transferee indemnified against each and every action, proceeding, cost, claim, liability (including without limitation, any Taxation) expense (including, without limitation, reasonable legal fees) or demand which relates to or arises out of any dismissal (including, without limitation, constructive dismissal) by the Transferor of any employee (not being a Relevant Employee) and which the Transferee may incur pursuant to the provisions of the Transfer Regulations.

7.2 Transferee's Indemnities

The Transferee shall indemnify the Transferor and keep the Transferor indemnified against each and every action, proceeding, liability (including, without limitation, any Taxation), cost, claim, loss, expense (including reasonable legal fees) and demand arising out of or in connection with:

(a) any substantial change in the working conditions of the Relevant Employees to his or her detriment or any of them occurring on or after the Transfer Date;

(b) the change of employer occurring by virtue of the Transfer Regulations and/or the Franchise Agreement being significant and detrimental to any of the Relevant Employees;

(c) the employment by the Transferee on or after the Transfer Date of any of the Relevant Employees other than on terms (including terms relating to any occupational pension scheme) at least as good as those enjoyed prior to the Transfer Date or the termination of the employment of any of them on or after the Transfer Date; or

(d) any claim by any Relevant Employee (whether in contract or in tort or under statute (including the Treaty of the European Community or European Union and any Directives made under any such Treaty or any successor thereof)) for any remedy (including, without limitation, for unfair dismissal, redundancy, statutory redundancy, equal pay, sex or race discrimination) as a result of any act or omission by the Transferee after the Transfer Date.
7.3 The Transferee shall indemnify the Transferor and keep the Transferor indemnified against each and every action, proceeding, liability, cost, claim, loss, expense (including reasonable legal fees) and demand which arises as a result of it not providing or not having provided, in accordance with its obligations under the Transfer Regulations, the Transferor in writing with such information and at such time as will enable the Transferor to carry out its duties under Regulation 13(2)(d) and 13(6) of the Transfer Regulations concerning measures envisaged by the Transferee in relation to the Relevant Employees.

7.4 **Details of Relevant Employees**

Without prejudice to the Transferor's duties under the Transfer Regulations, the Transferor warrants to the Transferee that it has (to the extent not made available to the Secretary of State under Schedule 15.4 (Provisions Applying on and after Termination) of the Franchise Agreement prior to the Transfer Date) provided the Transferee prior to the Transfer Date with full particulars of:

(a) each Relevant Employee, including name, sex, and the date on which continuity of employment began for each Relevant Employee for statutory purposes;

Net Asset Statement

The Net Asset Statement shall be drawn up (except to the extent otherwise agreed by the Transferor and the Transferee) in accordance with accounting principles generally accepted in the United Kingdom and such that the Transferring Assets and Liabilities are valued on the following basis:

1. Rights and liabilities relating to an obligation of carriage under the terms of any Fare shall be valued in accordance with the following formula:

\[
(C - D) \times \frac{A}{B} + E
\]

Where:

<table>
<thead>
<tr>
<th>C</th>
<th>equals the Credit (exclusive of any Valued Added Tax) received by the Transferor in respect of the Fare provided that:</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a)</td>
<td>such Credit shall be deemed not to include any reduction in respect of a discount allowed to the purchaser of the Fare pursuant to the Passenger’s Charter or any other passenger’s charter of the Transferor;</td>
</tr>
<tr>
<td>(b)</td>
<td>if the Fare is a Season Ticket Fare, such Credit shall be the New Credit (as defined in the Ticketing and Settlement Agreement) relating to that Season Ticket Fare on the Transfer Date if different to the Credit that was in fact received by the Transferor in respect of such Season Ticket Fare;</td>
</tr>
<tr>
<td>(c)</td>
<td>such Credit shall be net of any Private Settlement Credit (as defined in the Ticketing and Settlement Agreement) arising in respect of that Fare; and</td>
</tr>
<tr>
<td>(d)</td>
<td>such Credit shall be deemed to exclude any Credit received by the Transferor in respect of any commission due to it in respect of the sale of such Fare (provided that for these purposes the amount of such commission shall not exceed the National Standard Rate of Commission (as defined in the Ticketing and Settlement Agreement) in respect of the Fare);</td>
</tr>
</tbody>
</table>

| D | equals the Debit (exclusive of any Value Added Tax) received by the Transferor in respect of the commission due in respect of the sale of the Fare (provided that for these purposes the amount of such commission shall not exceed the National Standard Rate of Commission (as defined in the Ticketing and Settlement Agreement) in respect of the Fare); |
\[
\frac{A}{B} \text{ equals: }
\]

(a) in the case of a Season Ticket Fare, the number of journeys which the purchaser of the Fare is estimated to make from (and including) the Transfer Date to (and including) the last day on which the Fare is valid (including any extensions to its original period of validity) divided by the total number of journeys which the purchaser of the Fare is estimated to make with that Fare (as determined in each case in accordance with Schedule 28 of the Ticketing and Settlement Agreement);

(b) in the case of any other Fare which entitles the holder thereof to make more than two journeys, the number of days for which the Fare continues to be valid after the Transfer Date (including any extensions to its original period of validity) divided by the total number of days for which such Fare is valid on issue (except to the extent that it can reasonably be estimated what proportion of the journeys which could be made on issue of the Fare have not been made prior to the Transfer Date); or

(c) in the case of any other Fare, zero; and

\[
E \text{ equals, if } \frac{A}{B} \text{ is greater than zero: }
\]

the amount of any discount to which it can be reasonably estimated that the purchaser of the Fare would be entitled pursuant to the Passenger's Charter or any other passenger's charter of the Transferor on purchasing an equivalent Fare on the expiry of the relevant Fare,

and for these purposes a Credit or Debit shall be deemed to be received when the relevant Fare is Accepted for Clearing (as defined in the Ticketing and Settlement Agreement).

2. Rights and liabilities relating to an Excess Fare, Reservation or Upgrade (as such terms are defined in the Ticketing and Settlement Agreement) shall be valued at zero unless such Excess Fare, Reservation or Upgrade involves more than two journeys, in which case they shall be valued in accordance with paragraph 1 and references to Fare in paragraph 1 shall be construed accordingly.
3. Rights and liabilities under a Discount Card shall be valued in accordance with the following formula:

\[
(C - D) \times \frac{A}{B}
\]

*Where:*

| C  | equals the Credit (exclusive of any Value Added Tax) received by the Transferor in respect of the Discount Card; |
| D  | equals the Debit (exclusive of any Value Added Tax) received by the Transferor in respect of the commission due in respect of the sale of the Discount Card (provided that for these purposes the amount of such commission shall not exceed the National Standard Rate of Commission (as defined in the Ticketing and Settlement Agreement) in respect of the Discount Card); and |

\[
\frac{A}{B}
\]

equals the number of days for which the Discount Card continues to be valid after the Transfer Date (including any extensions to its original period of validity) divided by the total number of days for which such Discount Card is valid on issue, or in the case of any Discount Card listed in Schedules 12 or 39 of the Ticketing and Settlement Agreement on the Start Date, zero,

and for these purposes a Credit or Debit shall be deemed to be received when the relevant Discount Card is Accepted for Clearing (as defined in the Ticketing and Settlement Agreement).

4. Relevant Debits and Credits shall be valued at the full amount of such Debits and Credits (inclusive of any Value Added Tax) but excluding any Debits and Credits arising in respect of Adjustment Amounts (as defined in the Ticketing and Settlement Agreement) which are received by the Transferee in respect of a change to the Credit which is used to value any relevant Season Ticket Fare under paragraph 1 of this Schedule to the extent such Adjustment Amounts (as defined in the Ticketing and Settlement Agreement) relate to a period after the Transfer Date.

5. Rights and liabilities in respect of any contract, lease, licence or other equivalent arrangement (excluding rights and liabilities valued under paragraphs 1 to 4) shall be valued at nil except to the extent that the relevant rights and liabilities include matters specified in the left hand Column of the following table, which shall be valued on the basis specified in the right hand Column of the following table:

SCHEDULE 16

Pensions

1. Definitions

Unless otherwise defined in the Franchise Agreement, terms used in this Schedule 16 shall have the meanings given to them in the Railways Pension Scheme.

2. Franchise Sections

The Franchisee shall participate in and become the Designated Employer in relation to the Shared Cost Sections of the Railway Pension Scheme as specified in Appendix 1 to this Schedule 16 (together the "Franchise Sections") in respect of the Franchise Services. Subject to paragraphs 3 and 4.2(d) membership of a Franchise Section will be offered to each employee of a Franchisee only.

3. Closed Schemes

3.1 Subject to any requirements of Her Majesty's Revenue and Customs, the Franchisee shall take any necessary steps (including entering into any relevant deed of participation) to allow Closed Scheme Employees to continue in membership of the British Railways Superannuation Fund or the BR (1974) Pension Fund in accordance with their terms during the Franchise Period.

3.2 For the purposes of this paragraph 3, "Closed Scheme Employees" means such of the employees of the Franchisee who were, immediately prior to the commencement of their employment with the Franchisee, members of either of the British Railways Superannuation Fund or the BR (1974) Pension Fund.

4. Variations in benefits, contributions and investment

4.1 If a Franchisee is considering making a proposal that falls within the scope of paragraphs 4.2(a) to 4.2(g) inclusive, it shall promptly consult with the Secretary of State in relation to that proposal prior to putting such a proposal to the Pensions Committee of any Franchise Section, the Trustee of the Railways Pension Scheme (the "Trustee"), or to any trade union. The Franchisee must otherwise consult in good time with the Secretary of State in relation to any proposal falling within the scope of paragraphs 4.2(a) to 4.2(g) inclusive.

4.2 Separately and in addition to complying with its obligations under paragraph 4.1, the Franchisee shall not, without the prior written consent of the Secretary of State (which may be given on such terms and subject to such conditions as the Secretary of State thinks fit):

(a) restructure or change the composition of the earnings of employees of the Franchisee in such a way as to increase the part of those earnings which qualifies as pensionable earnings under the rules of the Railways Pension Scheme applicable to any Franchise Section (the "Franchise Section Rules") or take any action (or consent to the taking of any action) which could detrimentally affect the funding of any Franchise Section, including varying or providing different or additional benefits under that Franchise Section or promising to do so, unless this change:

(i) is required by Law; or
(ii) only affects benefits payable in respect of past service of members of that Franchise Section and on or prior to the effective date of the change the Franchisee pays an additional cash payment to the Trustee which, in the opinion of the Actuary, meets in full the additional funding cost imposed on that Franchise Section; or

(iii) would not lead to substantial changes in the funding of any Franchise Section and is the result of the normal application of the Franchise Section Rules in the ordinary day to day running of the business of the Franchise, for example, where individual employees are, from time to time promoted or transferred to higher paid or different employment which has a different composition of earnings;

(b) make or consent to any proposal to change any of the provisions of the Pension Trust in respect of the Franchise Sections unless the change is required by Law;

(c) provide retirement, death or life assurance benefits in respect of any of its employees other than under any Franchise Section or as provided in paragraph 3;

(d) omit to provide the above-mentioned benefits in respect of its employees save that, without prejudice to any rights which any such employee may otherwise have, the Franchisee shall not under this Schedule 16 be obliged for the purposes of the Franchise Agreement to offer such benefits to any employee employed on a fixed term contract of twelve (12) months or less;

(e) take any action (or consent to the taking of any action) which could affect the contributions payable by Participating Employers under any Franchise Section, including exercising any discretion allowed to the Franchisee as Designated Employer arising out of any actuarial valuation of a Franchise Section, and varying or providing different or additional benefits under the Franchise Sections in respect of future service, unless such action is required by Law;

(f) close a Franchise Section to new members; or

(g) take (or omit to take) any action which could result in any Franchise Section being wound up, in whole or in part.

4.3 The Franchisee shall consult with the Secretary of State on:

(a) any proposal made by the Trustee to change the statement of investment principles applicable to any Franchise Section; and

(b) any proposal to alter the rate of contributions payable by the Franchisee or its employees under a new schedule of contributions for the Franchise Section.

4.4 With respect to any proposal falling within the scope of paragraph 4.3(a) or 4.3(b), the Franchisee shall also consult with the Trustee on the basis of any response it receives from the Secretary of State in relation to any such proposal.
5. **Funding Liabilities**

5.1 The Franchisee shall pay the employer contributions required under the schedule of contributions applicable to each Franchise Section (or either of the British Railways Superannuation Fund or the BR (1974) Pension Fund to which it participates) in respect of the Franchise Term subject to the provisions of paragraph 5.2 below.

5.2 Where, during the Franchise Term, Franchise Services are aggregated or disaggregated by the Secretary of State (for example, as a result of remapping) and, as a consequence, a Franchise Section of which the Franchisee is the Designated Employer is required to accept a transfer in or to make a transfer out of members, the Secretary of State shall ensure that the Franchisee has no liability for any resulting deterioration immediately arising in the funding level of the Franchise Section measured in accordance with the Franchise Sections' technical provisions in Part 3 of the Pensions Act 2004, or for any amount arising under Article 7(4) of the Railway Pensions (Protection and Designation of Schemes) Order 1994. Notwithstanding the above the Secretary of State shall have no liability for any future deterioration in the funding levels of the Franchise Section linked to such transfer in or out of members.

6. **Discharge of Obligations**

6.1 The Secretary of State may at any time during the Franchise Term seek information from the Trustee with a view to satisfying himself that the Franchisee and the other Participating Employers (if any) have fully discharged their respective obligations under the Railways Pension Scheme, including their obligations in respect of the payment of contributions to any Franchise Section.

6.2 The Franchisee shall, at its expense, promptly provide such information in relation to any Franchise Section, including actuarial advice and information, as the Secretary of State may from time to time request and shall authorise and consent to the Trustee doing so.

6.3 The Franchisee shall, in respect of the Franchise Term, use all reasonable endeavours to provide to the Secretary of State:

(a) within one (1) month of the expiry of each Franchisee Year; and

(b) at other times as soon as practicable following a request by the Secretary of State,

a certificate signed by the Trustee in relation to the Franchise Sections stating either that the Franchisee has fully complied with its obligations under the Railways Pensions Scheme, including its obligation to contribute to the Franchise Sections or, if it has not so complied, stating the extent to which it has not done so. Where the certificate is given pursuant to paragraph 6.3(a), it shall cover the relevant Franchisee Year. Where the certificate has been given pursuant to paragraph 6.3(b), it shall cover such period as the Secretary of State shall specify.

6.4 If the Trustee does not certify under paragraph 6.3 in relation to the Franchise Sections that the Franchisee has fully complied with its obligations under the Railways Pension Scheme or if the Secretary of State otherwise reasonably considers that the Franchisee has not complied with such obligations, the Secretary of State may adjust Franchise Payments payable under Schedule 8 (Payments) by an amount which is, in his opinion, no greater than the amount of any contribution that the Franchisee has thereby failed to make or avoided making.
6.5 The Secretary of State may, under paragraph 6.4, continue to make such adjustments to Franchise Payments payable under Schedule 8 (Payments) until such time as he reasonably determines that the relevant contributions have been made in full by the Franchisee. Following that determination, any amounts so withheld by the Secretary of State shall become payable (without interest) on the next day on which a Franchise Payment becomes payable under Schedule 8 (Payments), being a day which falls no less than seven (7) days after such determination or, if there is no such day, fourteen (14) days after the date of such determination. To the extent that the Secretary of State has not so determined within four (4) weeks after the expiry of the Franchise Period, the Franchisee's right to receive the amount so withheld under the Franchise Agreement shall lapse and the Secretary of State shall not be obliged to pay such amount.

7. Termination of Franchise

The Secretary of State shall at the end of the Franchise Period ensure that the Franchisee has no liability for any deficit in the Franchise Sections (other than for contributions due and payable by the Franchisee to the Franchise Sections for any period prior to the end of the Franchise Term) and shall have no right to benefit from any surplus which may exist in the Franchise Sections. For the avoidance of doubt, this paragraph 7 shall apply where the Franchise Services are either aggregated or disaggregated (for example, as a result of remapping).
