Subject: Re-determination of Carnedd Wen and Llanbrynmair Wind Farms

Llandysilio Community Council wishes to maintain its stance with regard to the above proposals and urge that these are rejected for the reasons outlined in the Public Enquiry.

Mid Wales has a unique landscape which will be lost forever if these proposals go ahead. We are dismayed that it has taken so long for the Secretary of State to make a final decision regards

Clerk to Llandysilio Community Council
