RE: Determination of the application for Llanbrynmair and Carnedd Wen Wind Farms – OBJECTION

Dear Mr Sir, I wish to record my objection to both of these proposed wind farms. The reasons given by our councils and CUP and MAP from the previous rounds, still stand.

If "localism" counts for anything, then here in Montgomeryshire, we could not shout any louder, to Developers, Government, MP's, and Councillors.

I trust that the revised decision of these applications will allow the countryside to remain intact for the generations to come.
