Subject: Re-determination of the application for two windfarms (Llanbrynmair & Carnedd Wen Wind)

Dear Sir

Re-determination of the application for two windfarms (Llanbrynmair & Carnedd Wen Wind)

I wish to object to the re-determination of both windfarms.

I live in the Llanidloes area and believe that the landscape and the natural mountains and uplands surrounding Wales are some of our most valuable assets. These gigantic turbines are starting to creep into the landscape and if allowed to continue, will discordantly change the way in which our visitors and residents see Montgomeryshire for generations to come.
