

Appendix A: supporting documents for sponsor licence application

Introduction

This document is for organisations that want to apply for a sponsorship licence. It is an appendix to the full policy guidance on [sponsoring a worker](#) or [student](#). It lists the documents you must provide to support your application for a sponsor licence.

You need to provide at least 4 documents unless you are a:

- public body recognised by the UK government, such as a local authority
- company listed on the London Stock Exchange Main Market

The documents must be the originals or certified copies.

Supporting evidence

The following tables list all of the information we will need to check and tell you whether you need to send a document. The easiest way to work out which documents you need to send is to work your way through each of the following tables starting with Table 1.

Note: extra information must be provided if you are applying for a **Tier 2 (General) and/or Tier 2 (Minister of Religion)** licence.

Table 1: sets out some limited circumstances when you **do not** have to send 4 documents. If you are listed in this table, you need only send the documents described, and, in some cases, you may not need to send any documents at all. **If you are not listed in Table 1, you should then look at Table 2.**

Table 2: sets out all the documents which you must send. We describe these as 'mandatory' based on the kind of organisation you are. It also sets out some other documents we will accept from you in addition to those which are mandatory. **Once you have identified any documents in Table 2 that you must send us, you should then look at Table 3.**

Table 3: sets out all of the documents which are mandatory based on the tier and category you are applying for. If you have **not** identified 4 documents to send to us (after looking at Tables 1, 2 and 3), **you must then look at Table 4** which lists all of the other documents we will accept to make your total up to **4 documents**.

Table 4: sets out all other documents you can send if you still need to make your total number of documents up to a **minimum of 4**.

You must make sure you have read the full '[Tiers 2 and 5: guidance for sponsors](#)' and/or '[Tier 4: guidance](#)' on GOV.UK before you apply for your licence. The guidance has examples which explain how to put together the right documents to send to us to validate your sponsor licence

application.

Table 5: contains a template you must send to us if you wish to apply for permission to assign a certificate of sponsorship (CoS) for a [Tier 2 \(General\) shortage occupation digital technology post](#). This is in addition to the 4 documents needed above.

Once you have applied online for your licence, you must send the following documents:

- the original submission sheet, not a certified copy, signed and dated by the authorising officer (all pages must be sent)
- all of the mandatory documents listed on the submission sheet, originals or certified copies

All the documents must be sent to us together within 5 working days of the date on which you applied online for your sponsor licence application to be valid.

If any of the items are missing or incorrect, your application will be invalid.

Invalid applications will be rejected and the application fee refunded.

If there are any documents specified in this appendix missing from your application, or if we require any additional documents, we will contact you by email.

We will give you 7 calendar days to send those documents to us. If you do not send them to us within 7 calendar days, we will refuse your application and your fee will **not** be refunded.

Online checks

As you work through the tables, you may find that we could do an online check but will need some help from you to locate the relevant web page. If this is the case, you must send us a covering letter giving the address of the website where the information can be found. This could be if you are a care home in England and must provide evidence of your registration with the [Care Quality Commission \(CQC\)](#). If that registration is in a different name to the one you have given on your licence application, you will need to tell us what name you are registered under with the CQC and you can do this by enclosing a covering letter with your submission sheet and any other documents you send to us. We will then be able to look you up on the [CQC's](#) website.

Appendix A: supporting documents for sponsor licence application

Tier 2 (General) and/or Tier 2 (Minister of Religion)

If you are applying for a licence to sponsor workers in the Tier 2 (General) and/or Tier 2 (Minister of Religion) categories, you must also provide the information below (as well as the documents from the following tables) or your application will be rejected.

Tell us:

- why are you applying for a sponsor licence
- what sector do you operate in
- what are your opening/operating hours during the week

You must provide an up to date hierarchy chart detailing any owner, director and board members. If your business has 50 employees or fewer, you need to list all employees and set out the names and titles of all staff.

Tell us about the jobs you wish to fill:

- what job or jobs do you intend to assign a certificate of sponsorship (CoS) for - this information must include the:
 - job title and [Standard Occupational Classification \(SOC\) code](#)
 - duties of each job
 - where each job sits on the hierarchy chart referred to above
 - salary you would guarantee for each job if it were vacant today
 - skill, experience and qualifications required for each job

You must indicate which jobs are currently vacant and for which you intend to assign a CoS. If you have already identified someone that you wish to employ via the sponsorship system, you should provide evidence of how you identified this person. If you identified this person as a result of a recruitment process, you should include copies of advertisements placed to recruit for the job, details of any applicants and why they were not suitable for the job. You should confirm whether the person is already working for you.

If you have not advertised the job and the migrant is not currently working for you, you should confirm how you identified that this person was the most suitable for the job.

Appendix A: supporting documents for sponsor licence application

If you have already identified a person, including if they are a migrant already working for you, and intend to assign a CoS to them, you should provide the following details of the person:

- full name
- date of birth
- nationality
- current immigration status
- current job title and duties
- 3 monthly payslips, if applicable

Security is important to us. You should give the names of all the people who have access to the email address supplied with your online sponsor licence application.

You should also provide a landline telephone number, if you have one. If you do not have a landline, please indicate this in your response.
