List of medical facilities/medical practitioners in Ho Chi Minh City, Vietnam.
Updated: January 2018

This list is in alphabetical order.

The following list of medical facilities/practitioners has been prepared by the British Consulate-General in Ho Chi Minh City for the convenience of British Nationals who may require these services. It is provided on the understanding that we (the British Consulate-General) do not assume or undertake any legal responsibility, to you, or those affected, if you choose to use a medical facility or practitioner listed here.

Further and alternatively, we cannot accept any liability to any person or company for any financial loss or damage arising from the use of this information or from any failure to give information.

Our aim is to provide our customers with as much relevant information to enable them to make better informed decisions but our lists are not recommendations and should not be treated as such.
