AUTHORIZED AMENDMENT

Note to provide a summary/overview of the amendment and to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.

The input here should be your 'one minute' to explain what, why and how.

NAA 18/02 inadvertently introduced a conflict with RA 1028 - Contractor Flying Approved Organization Scheme - Responsibilities, regarding the use of contractor flying organizations for the contracted delivery of UK military registered Air System flying operations. This amendment provides correction to that conflict by reverting the AMC requirement in RA 1005(4) to that of Issue 6.

The previous amendments to Issue 7 remain highlighted in red font to allow the regulated community sufficient time to digest those changes.
