

SUPERVISION – LOG BOOK

All Authorised supervisors must complete the supervision log book below for each supervisee and a copy of this should be stored for inspection by the OISC.

The Supervision log is only intended to be a summary of the supervisor/supervisees' discussions and files reviewed. Detailed supervision records must be kept on individual clients' files and the supervisee's personal file. Such records must be available for inspection by the Commissioner.

Organisation Name		OISC Registration Number	
Supervisor's Name		Supervisor's OISC Adviser Number	
Supervisee's Name		Authorised Supervision Period	
Supervision Commencement Date		Signature of Supervisor:	

Review of Work

Date and Duration of Meeting	Type of Application Reviewed	Summary of Findings and Learning Points	Agreed Action and Training Identified
