

Request for an adjournment

Administrative Court Office
Room C324
Royal Courts of Justice
Strand
London WC2A 2LL

All requests must be made no later than 2 working days before the hearing.

A request for an adjournment can be considered only when the views of all parties have been received.

It is the responsibility of the party seeking the adjournment to ensure the views of all parties are included in this form before it is lodged with the court. All parties must sign this form before the court can deal with your request for an adjournment.

Where there are more than 3 parties, please use additional forms. Please note that there is a fee payable for any application to adjourn made within 14 days of the hearing date, unless you are entitled to fee remission, in which case you must lodge an Application for a Remission of Fee (Form Ex160) with your application.
