## English-speaking lawyers in Italy

Prepared by British Embassy Rome – British Consulate-General Milan

[www.gov.uk](http://www.gov.uk)

The following list of lawyers has been prepared by the British Embassy in Rome for the convenience of British Nationals who may require legal advice and assistance in Italy. It is provided on the understanding that we (the British Embassy/Consulate) do not assume or undertake any legal responsibility, to you, or those affected, if you choose to take it into account when instructing a local lawyer.

Further and alternatively, we cannot accept any liability to any person or company for any financial loss or damage arising from the use of this information or from any failure to give information.

Our aim is to provide our customers with as much relevant information to enable them to make better informed decisions but our lists are **not recommendations and should not be treated as such**.

**Updated: September 2017**

This list is in alphabetical order, following the Consulates' Honorary Legal Advisers.

Please note: An Italian qualified lawyer (*Avvocato*) unlike a Solicitor or a Notary, does not have the authority to certify legal documents for use in the UK or in Italy.
