

Further to LLWR's letter to our Customers, Waste Services Contract Extension Update, dated 28th November 2017, this notice is to inform Customers that the proposed extension for the Waste Services Contract is now available for comment at <http://llwrsite.com/waste-services/customer-consultation/>.

LLWR has provided a 'track changed' version of the contract to enable Customers to quickly identify the proposed changes, for this phase of the project.

Waste Services Contract

As stated within your original letter the Waste Services Contract (WSC) is due to expire on 31st March 2018. It is LLWRs intention to issue a deed of amendment to extend the existing contract, which will reflect changes within the contract and special conditions. In parallel to this extension, LLWR will commence with phase two of the project to create a new WSC.

This extension is subject to LLWR and NDA sanction and validation approvals.

After consultation and internal approvals LLWR will issue the final deed of amendment to each Customer for signature. For Customers to access LLWR's service from 1st April 2018, the deed of amendment to the WSC will need to be signed and returned to LLWR.

Customer Comments

LLWR would welcome comments and feedback from Customers on the proposed extension to the Waste Services Contract and request that comments are sent to customerteam@llwrsite.com no later than **Wednesday 14th March 2018**. All comments will be responded to and a spreadsheet containing all Customer comments will be published on the website after the consultation period had ended.

Further Information and Questions

If you require any further information or have any queries relating to this Customer Notice, please send an e-mail to: customerteam@llwrsite.com or call Laura Dixon on 019467 70284.
