Use these notes to help you fill in the National Assembly pages of your tax return

You should fill in the ‘National Assembly’ pages if you were:
• a Member of the National Assembly
• a Minister in the Welsh Government

You will need to fill in one ‘National Assembly’ page for your role in the National Assembly and as a Minister. You don’t need to fill in separate ‘National Assembly’ pages if you changed Ministerial posts or were re-elected during the year.

If you had a separate job or directorship, you’ll also need to fill in an ‘Employment’ page.

If you don’t have the information you need, put your best estimate and, in box 14, tell us when you expect to give us your final figures.

Your name and Unique Taxpayer Reference

Fill in your name and Unique Taxpayer Reference (UTR) in the boxes at the top of the form. You’ll find your UTR on your Self Assessment tax return or a letter from us about your Self Assessment.

Income from office

You can find out what you have earned and the tax you paid from your:
• P45, ‘Details of employee leaving work’
• P60, ‘End of Year Certificate’
• Fees Office form

Any employer you work for on 5 April 2018 must give you a P60 by 31 May 2018.

Box 1 Payments from P60 (or P45 or payslips)

Use the figure from your P60, P45 or your Fees Office form to fill in box 1.

If you left office during the year, put the figure in the ‘Total pay in this employment’ section on your P45 in box 1. If you have a P60, put the figure from the ‘In this employment’ section in box 1. Your Fees Office form will show your pay and tax details for the year.

If you had more than one job in the tax year, your P60 may include details of your previous job. These will be added together to show your total earnings. You should only put your pay as a National Assembly member on the ‘National Assembly’ pages. Put your pay from your other job on an ‘Employment’ page.

Total pay in this employment
£9,283.91
Total tax in this employment
£1,336.42

Example of a P45

Example of a P60

You need to put all the income you received from 6 April 2017 to 5 April 2018 in box 1. This includes any:
• work you did in an earlier year but weren’t paid for until after 5 April 2017
• work you’ll do in a later year that you were paid for between 6 April 2017 and 5 April 2018
• payment you didn’t take but arranged to use in some other way, for example, as a charity donation

Don’t include:
• benefits and expense payments you received – these go in boxes 3 to 9
• lump sums paid when leaving or retiring – these are post-employment income and go in boxes 3 to 9 on page Ai 2 of the ‘Additional information’ pages
• payments to the Assembly Pension Scheme
Box 2  Tax taken off box 1
Put the amount of tax you paid on your income in box 2.

Benefits from your office
If you received any benefits or non-exempt expenses from your office, you’ll need to include them on your ‘National Assembly’ pages. The Fees Office will give you details on form P11D, ‘Expenses and benefits’. If you don’t receive a copy of your P11D by 6 July 2018 contact the Fees Office.
If your office has ‘payrolled’ your benefits and expenses, (this means the tax was deducted from your pay and included in your P60), don’t included them in boxes 3 to 9.
If not, your employer must give you details of your benefits and expenses on a form P11D, ‘Expenses and benefits’. Put the details from your P11D in boxes 3 to 9.
Don’t include any item covered by the exemption for paid or reimbursed expenses. These aren’t on your P11D and you should not include them in boxes 3 to 9.

Box 3  Family travel costs
If you used your family travel allowance, put the figure on your P11D in box 3. If the P11D figure includes some business travel by a family member, who works for you as a secretary or researcher, you can claim the cost of the business travel in box 10.

Box 4  Accommodation, excluding Residential Accommodation Expenditure
If your living accommodation is taxable, put the figure on your P11D in box 4.
Don’t include your Residential Accommodation Expenditure payment – you don’t pay tax on this.

Box 5  Office Costs Allowance
If the Fees Office paid for or reimbursed you for any office expenses, add up the amounts and put the total in box 5. This can include:
• office rent, including business rates
• heating, lighting, phone calls and stationery
• wages for secretarial or research assistants, including casuals you hire
• employers National Insurance contributions
You can claim these expenses in boxes 10 to 13.
Don’t include capital items such as office equipment – these go in box 13.

Box 6  Group Support Allowance
If you are a Party Leader, include the amount of Group Support Allowance you received in box 6. You can claim these expenses in boxes 10 to 13.
Don’t include capital items paid as Group Support Allowance – these go in box 13.

Box 7  Other cash reimbursements
Put in box 7 the amount the Fees Office reimbursed you for:
• vehicle hire or taxi fares
• other costs you haven’t put elsewhere on your ‘National Assembly’ pages
You can claim these expenses in boxes 10 to 13.

Box 8  All other benefits
Put in box 8 the total amount on your P11D that you haven’t put elsewhere on your ‘National Assembly’ pages. This can include:
• car and fuel
• home phones
• vouchers or credit cards

Box 9  Balancing charges
If you sell or no longer use an item for work that you claimed capital allowances for, you may have to pay a balancing charge.

Office expenses paid out by you
You can only claim for the costs you had and needed to pay out to do your job. Not all the costs you can claim from the Fees Office may qualify for tax relief. For more information on claiming tax relief on expenses speak to the Fees Office or phone our helpline on 03000 534 720.
Don’t claim for any costs you can claim as an expense from the Finance Office and are covered by the exemption for paid or reimbursed expenses
Your expenses can’t total more than your income plus any payments you receive from the Fees Office.

Box 10  Family travel costs
If the figure you put in box 3 included some business travel, for example your spouse or partner travelling for their job as your secretary or researcher, you need to work out the cost of their business travel and put the amount in box 10.
Example
John used his family travel allowance to pay for train tickets of £520. His employer shows this on his P11D. However, this includes £120 business travel that John’s partner spent on travel as John’s researcher.
John must show the cost of his family’s business and personal travel separately in his ‘National Assembly’ pages.
John puts £520 in box 3 for his family travel allowance and £120 in box 10 for the cost of his partner's business travel.

Box 11 Secretarial, clerical and research assistance
You can claim the cost of employing someone to help you with your paperwork. Put in box 11 the total staff wages:
• you paid directly from your own funds
• Fees Office paid or reimbursed you for staff wages that you included in box 5

Box 12 Office expenses
You can claim the cost of the day-to-day running of your office in box 12. This includes:
• heating, lighting, phone and stationery costs – this may be the same amount you received from the Fees Office for these costs and put in box 5
• any office expenses you paid directly, and not through the Fees Office – for example, if you need an item to run your office but have spent the Office Costs Allowance, you can claim tax relief for it in box 12, even though you can’t claim the cost from the Fees Office
Don’t include:
• staff wages – these go in box 11
• any expenses if you have claimed Residential Accommodation Expenditure for the same property

Box 13 Other expenses and capital allowances
You can only claim for items that any National Assembly member would need to do your job.
In box 13, you can claim the cost of any other expenses you haven’t put elsewhere on your ‘National Assembly’ pages.
You can also claim capital allowances for the cost of buying and improving equipment you need to do your job, such as desks and filing cabinets. The type of capital allowance and amount you can claim will depend on the cost and other circumstances.
You can’t claim capital allowances for:
• IT equipment provided under the Assembly arrangements
• items you buy for or to use in your own home
• the cost of buying a car
If you bought equipment you may be able to claim these allowances:
• Annual Investment Allowance (AIA) – the maximum annual amount of AIA is £200,000
• Writing Down Allowance (WDA) – if the cost of buying the equipment is more than the maximum AIA (£500,000), the excess goes into a ‘pool’ – the cost of most equipment goes into the main pool – you can claim 18% of the balance of the ‘main pool’ as WDA and carry forward any amount left over to the next year
• you can claim 8% of the balance in the special rate pool as WDA
• Small Pools Allowance (SPA) – if the total value of your ‘pool’ is £1,000 or less, you can claim the whole amount as SPA instead of claiming a WDA
If you use the equipment for both business and private use, you need to reduce your claim by the private use amount.

Example
Gareth sets up an office at home, spending £5,000 on IT equipment. The Fees Office does not reimburse Gareth for this cost. He uses the equipment 70% for work and 30% for personal use, so he must reduce the amount of Annual Investment Allowance (AIA) by the amount of his personal use – 30%.
Gareth can claim AIA of £3,500 (£5,000 less 30% private use).

If you were a National Assembly member for part of the year, you need to reduce the maximum AIA to the number of days you were in office.
**Example**

Jennifer becomes a National Assembly Member on 11 May 2017 and spends £20,000 setting up her office. The fees Office doesn’t reimburse this cost. She also uses a laptop that was a gift to her. It was worth £500 on 11 May.

**Days Jennifer was a National Assembly member**
11 May 2017 to 5 April 2018 = 330 days

The maximum annual amount of AIA is
\[
\frac{330}{365} \times £200,000 = £180,822
\]

Jennifer can claim AIA up to the reduced annual amount. She can’t claim AIA on the value of the gift. She can claim £20,000 AIA. She can claim WDAs on the value of the gift.

Maximum WDA she can claim

The WDA is reduced by \(\frac{330}{365}\) as Jennifer wasn’t a National Assembly Member for a full year

\[
18\% \times \frac{330}{365} = 16.28\%
\]

£500 \times 16.28\% = £82

Jennifer can claim WDA of £82. She carries forward the £418 (£500 less £82) that remains in the pool to next year.

Jennifer claims capital allowances of £20,082 (£20,000 AIA plus £82 WDA) in box 13.
