Questions

Send all Questions up to March 2nd. We will be answering and circulating all questions asked this week, and publish them at the end of March.

ITT Notification

We will also be notifying once the Invitation To Tender (ITT) is published, which we expect to go live during summer.

Opportunity

We expect the inception phase to run from December 2018 to May 2019. Delivery is expected to last from June 2019 to March 2021 as a minimum.

Market Engagement

Further support for building supply chain will be provided to Framework suppliers for our Multi-year programme separately to this event. Any questions about the central framework should be directed via Bravo.
