Additional New Burdens funding to meet the costs of implementing Welfare Reform changes in 2018-19

Introduction

1. This circular is to inform you of additional funding of £20.6 million that will be allocated to local authorities (LAs) to support the costs of implementing Welfare Reform changes in 2018-19.
2. The funding is intended to meet New Burdens incurred by LAs as a result of the ongoing implementation of the following areas of Welfare Reform:
 - Discretionary Housing Payment (DHP) administration and existing Welfare Reform funding including:
 - changes to Local Housing Allowance (LHA)
 - Removal of the Spare Room Subsidy (RSRS)
 - the limitation of temporary absence outside Great Britain (GB) to four weeks
 - restricting Migrant Access to Benefits
 - removal of Assessed Income Periods
 - benefit cap
 - Limiting support to 2 Children

Details

3. In order to provide transparency, a breakdown of the total funding is given below and detailed in **Annex A**:

Area of activity	Funding distribution based on	Funding
DHP administration (England and Wales only) and existing Welfare Reform funding (Great Britain) including: LHA changes Distribution based on the current LHA caseload in each LA area RSRS Distribution based on the current affected caseload in each LA area		£10.6 million
Limitation of temporary absence outside GB	Distribution based on the Housing Benefit (HB) subsidy caseload in each LA area	£0.4 million
Restricting Migrant Access to Benefits	Distribution based on the HB subsidy caseload in each LA area	£0.5 million

Assessed Income Period	Distribution based on the pensioner caseload in each LA area	£0.6 million
Benefit cap	Distribution based on the expected benefit cap caseload, taking into account the estimated impact of the lower cap and rollout of Universal Credit (UC) to LAs	£7.9 million
Limiting Support to 2 Children 2018-19	Distribution is based on the forecast caseload of HB claimants with 3 or more dependent children in 2018-19	£0.6 million

4. This funding is intended to meet the identified costs arising from the implementation of the above measures in 2018-19.

Future known funding

5. The New Burdens funding for the following Welfare Reform changes will be notified in due course:
- Transition to UC Housing Payment
 - Removal of temporary accommodation from UC
6. This is not exhaustive and there may well be additional policies generating the need for further New Burdens payments as the year progresses. LAs will be informed as soon as this information is available.

Key Points

7. Some LAs will notice that their allocations differ from 2017-18. This is, in part, due to caseload changes from the previous year and the benefit cap funding, which has been reduced for 2018-19 as the 2017-18 funding included additional funding to cover the initial costs of implementing the lower cap.
8. The allocation methodology has remained the same as previous years. Each element of the funding has been distributed amongst LAs on a basis that reflects the likely distribution of costs, as indicated in the table above. The aggregate allocations are included in the attached Annex A.
9. Each LA will receive their allocations in the week commencing 2 April 2018.

Allocation (£) of additional funding

* Note – Scottish LAs receive allocations for ongoing Welfare Reform changes, LHA and RSRS, but do not receive DHP Administration funding as the DHP scheme has been devolved to the Scottish Government since April 2017.

LA	DHP admin. and existing Welfare Reform funding *	Limiting temporary absences	Migrant Access to Benefits	Assessed Income Period	Benefit cap	Limiting support to 2 Children 2018-19	Total
