

Introduction

This notice is to inform customers that a new version of the guidance document has been produced as a reference guide to support the Transport of Very Low Level Waste. This notice also covers the minor changes made to the Transport of LA-LLW / VLLW Questionnaire.

Guidance for the Transport of Very Low Level Waste

This document is primarily intended to support the nominated Customer for VLLW projects by explaining the basis of the conditional requirements. Nothing in the Guidance Note will be legally binding upon the operator.

In an event of any conflict between the provisions of the Guidance Note and any requirement in the Transport of Dangerous Goods and the Waste Acceptance Criteria (WAC) of the disposal site, the regulatory requirements and the WAC shall prevail in all aspects.

Transport of LA-LLW / VLLW Questionnaire

Minor changes to the contact email addresses have been made to the Transport Questionnaire.

A new version of both the Guidance Note and Transport Questionnaire can be found on the LLWR website, under Transport of the Waste Services section.
