

Preliminary flood risk assessment: Oxfordshire County Council

This addendum by Oxfordshire County Council (2017) updates the council's preliminary flood risk assessment report published in 2011. Read the addendum in conjunction with the [preliminary assessment report](#).

Addendum

The preliminary flood risk assessment (PFRA) and flood risk areas (FRAs) for Oxfordshire County Council were reviewed during 2017, using all relevant current flood risk data and information.

There is no change to the assessment of risk following the review.

Past flood risk

No change to the assessment of risk since the PFRA was published in 2011.

Future flood risk

No change to the assessment of risk since the PFRA was published in 2011.

Flood risk areas (FRAs)

No FRAs have been identified in the Oxfordshire County Council lead local flood authority are for the purposes of the Flood Risk Regulations (2009) second planning cycle:

Other changes

None applicable
