

2017 Commercial Victimisation Survey

Agriculture, Forestry and Fishing sector

Key findings:

- **Just over a quarter (27%) of businesses in the Agriculture, Forestry and Fishing sector experienced crime in 2017, a similar proportion to 2013 (30%).**
- **The sector experienced 113,000 crimes in the 2017 CVS, remaining stable compared with 2013 (133,000 crimes).** In 2017 there were 1,335 crimes per 1,000 premises in the Agriculture, Forestry and Fishing sector, a similar incidence rate to 2013 (1,475 incidents per 1,000 premises).
- **The most common crime type experienced by the Agriculture, Forestry and Fishing sector in 2017 was vandalism.** There were 37,000 incidents of vandalism in this sector, accounting for a third of all incidents.
- **Medium-sized businesses in this sector experienced a higher crime rate compared with larger and smaller businesses.** The fraud incidence rate against medium-sized businesses (10-49 employees) in this sector was around 11 times higher than larger-sized businesses (50+ employees) and around 7 times higher than smaller-sized businesses (1-9 employees).

Proportion of businesses that experience agriculture-related ASB, by type of ASB, Agriculture, Forestry and Fishing premises, 2013 and 2017 CVS

The most common type of agriculture-related ASB experienced by businesses in the Agriculture, Forestry and Fishing sector was trespassing or unauthorised access of land or buildings, with just over a third (35%) of premises having experienced this type of ASB in 2017. Prevalence rates across all types of ASB have increased since 2013 however none of the changes are statistically significant.

Crime type	Number of crimes (000s)	Number of crimes per 1,000 premises	Number of victims (000s of premises)	Proportion of premises that experienced a crime	Average number of crimes experienced by each victim
All burglary (inc. attempts)	18	216 ↓	10	12 ↓	2 ↓
Vandalism	37	437 ↓	7	8 ↓	5 ↑
All vehicle-related theft	6	73 ↑	3	4 ↓	2* ↑
All robbery (inc. attempts)	2	29 ↑	1	2* ↑	-
Assaults and threats	7	85 ↓	3	3 ↓	-
All theft	28	335 ↓	9	10 ↑	3 ↓
All fraud	14	161 ↑	3	3 ↓	-
ALL CVS CRIME	113	1,335 ↓	23	27 ↓	5 ↓

Estimates are based on CVS responses from 1,019 premises.

Table notes: An upward arrow (↑) indicates an increase compared with 2013, a downward arrow (↓) indicates a decrease compared with 2013. Statistically significant changes are denoted with an asterisk (*). A hyphen (-) indicates that a figure is not shown because its unweighted base is fewer than 50 respondents.
