RBS 5: Access to online electronic sales note system

Initial user set-up form

Buyers and sellers must submit sales notes for all purchases of first-sale fish. If your annual turnover of first-sale fishery products is more than €200,000 you **must submit** your records electronically through the UK's Electronic Recording System (ERS). Buyers and sellers with a turnover less than €200,000 are recommended to submit sales notes electronically. Information you supply to us will be used to register you or your company with our appointed software supplier. Once registered, a password and user name will be sent by email to the primary contact.

Access to ERS and guidance on the methods of electronic submission is at <https://fishhub.cefas.co.uk>
