

What to do if you find a British passport

If you find a British passport please send it to us straight away. Cut off the top right hand corner of the passport and fill in this form to tell us where it was found.

You can either:

- fill in the form online and print it
- complete it by hand in black ink and capital letters

01

Details printed on the passport

Surname
First and middle names
Date of birth (DD/MM/YYYY)
Passport number

02

Where the passport was found

Address or location where the passport was found

Date it was found

03

Your details

You don't need to provide them if you don't want to

Surname
First and middle names
Telephone number

04

Where to send the form and passport

If you're in the UK, post them for free to:

Freepost
HM Passport Office

If you're outside the UK, post or take them to:

Your nearest British Embassy, High Commission or Consulate. Go to www.gov.uk to find the address.
