

# Unregistered schools team management information

1 January 2016 to 31 March 2018

---

The unregistered schools team investigates and inspects suspected illegal schools.

Between 1 January 2016 and 31 March 2018, we identified 371 possible settings that may be unregistered: 218 inspections have taken place, 52 warning notices have been issued, 46 settings have closed or ceased operating illegally and the remaining cases remain under active investigation.

An inspector issues a warning notice at the end of the inspection if she or he believes the setting is operating illegally as a school.
