

Revision history

When requesting performance indicator data for the current year we also ask our bodies to check the data they provided for the previous year. This sometimes leads to corrections to the data.

Please find corrections to the 2008/09 data below:

No. of visits by UK adults aged 16 and over and from NS-SEC groups

We stated that in 2008/09 there had been a total of 4,035,949 visits from UK adults aged 16 and over and from NS-SEC groups. We have now revised this to 3,736,949:

- Tate: Previously reported 857,000. This was a reporting error which included child and overseas visits and has now been revised to 558,000.
