## Paper 1: spelling

The following information explains how to administer the key stage 1 English grammar, punctuation and spelling test Paper 1: spelling. If you have any questions, you should check with your headteacher or key stage 1 test co-ordinator before you administer the test. The transcript for administration of the test is included in these instructions.

Please follow these instructions correctly to ensure the test is properly administered. Failure to administer the test correctly could result in a maladministration investigation.

### Format

- Paper 1: spelling consists of an answer booklet for pupils to complete and a test transcript to be read by the test administrator. The transcript is included in this guidance.
- It is expected that Paper 1 will take approximately 15 minutes to complete, but it is not strictly timed.
- It is at your discretion to choose when, or if, a pupil requires a break during the test or whether, if appropriate, to stop the test early.

### Equipment

Each pupil will need the equipment specified below:
- a pencil or blue/black pen
- a rubber (optional).

If rubbers are not provided, tell pupils that they should cross out any answers they wish to change.

Pupils are **not** allowed:
- dictionaries
- electronic spell checkers
- bilingual word lists or electronic translators.

### Assistance

- Pupils should not require any assistance during the administration of Paper 1: spelling. You must ensure that nothing you say or do during the test could be interpreted as giving pupils an advantage, for example indicating that an answer is correct or incorrect, or suggesting the pupil looks at an answer again.
- You should take care not to overemphasise spelling when reading out the words that pupils need to spell.
- There is no specific hearing impairment guidance for this test, but be careful when signing to ensure you do not convey information that could give pupils an advantage. If this paper is presented through sign language, finger spelling must not be used.
- Guidance for administering the test to pupils with a visual impairment is contained in the relevant modified test pack.

### Before the test begins

- Review the list of pupils with any particular individual needs, for example pupils who may need support from a scribe or a transcript made at the end of the test.
- Ensure you know how to administer any access arrangements correctly by referring to the 2018 key stage 1 access arrangements guidance.
- Check there are enough test administrators to maintain supervision and support during the test. You should consider the possibility that at least one test administrator might need to leave the room with a pupil.
- Ensure you understand how to deal with issues during the test.

| How to deal with issues during the test | It is impossible to plan for every scenario. Whatever action you take, pupil safety must always be your first consideration. In the following circumstances, you will need to stop the test either for an individual pupil or for the whole cohort:  
- test papers are incorrectly collated or the print is illegible  
- an incorrect test has been administered  
- a fire alarm goes off  
- a pupil is unwell  
- a pupil needs to leave the room  
- a pupil is caught cheating.  
If you need to stop the test:  
- make sure the pupils are kept under test conditions and that they are supervised  
- if the pupils have to leave the room, ensure they do not talk about the test  
- speak to your test co-ordinator or a senior member of staff for advice on what to do next  
- consider contacting the national curriculum assessments helpline on 0300 303 3013 for further advice.  
You should brief your headteacher on how the incident was dealt with once the test is over. |
