Dear Proprietor

I refer to the inspection by Ofsted that was carried out at the above school under section 109 of the Education and Skills Act 2008 on 14 February 2018. You will see from the enclosed report that Ofsted noted serious regulatory failings.

Taking account of the report the Secretary of State is satisfied, pursuant to section 114(1) of the Education and Skills Act 2008, that any one or more of the independent school standards¹ is or are not being met in relation to the school.

In these circumstances I enclose a Notice, served by the Secretary of State for Education under section 114(5) of the 2008 Act, requiring an Action Plan which details the steps that will be taken to meet all of the standards set out in the Annex to the Notice and the time by which each step will be taken, to be submitted by 19 April 2018.

You are reminded that the independent school standards require that a copy of the inspection report is sent to parents and a copy is published on the school's website or, where no such website exists, is provided to parents on request. This will be checked at the next inspection.

The Action Plan must contain reasonable timescales for implementation within which the necessary action will be taken and it is expected that the implementation dates given in the Action Plan should not extend beyond 19 June 2018. A template and supporting advice is enclosed which may help you in drawing up a satisfactory Action Plan.

The deadline by which the Action Plan must be received by me is 19 April 2018. If this date is not met, the Secretary of State may remove the school from the Register of Independent Schools or may impose a requirement restricting the school's operations (from a date following the period during

¹ [The Education \(Independent School Standards\) Regulations 2014 \(SI 2014/3283\)](#)

which you may appeal).

I must warn you that the Secretary of State may reject an Action Plan, and in these circumstances the Secretary of State may remove the school from the Register of Independent Schools or may impose a requirement restricting the school's operations (from a date following the appeal period).

If an Action Plan is accepted, Ofsted may be asked to visit the school again to check that the school has fully implemented the plan and that it is fully meeting the independent school standards.

You may wish to note that this letter, the enclosed Notice and Annex(es) will be published shortly on the Gov.uk website.

Yours faithfully

Independent Education and Boarding Team
