

# Countryside Stewardship and Environmental Stewardship

## Minor and Temporary Adjustment form

#### **About this form**

This form should be completed if you wish to request a minor and temporary adjustment from option rules (e.g. weed control) in a Countryside Stewardship (CS) or Environmental Stewardship (ES) agreement.

Please complete a separate form for each Minor and Temporary adjustment (MTA). Do not use this form to request an amendment to extend your CS Capital Works plan.

#### How to fill in this form

- Please complete the form as follows:
  - If your request includes **conventional** land only, please complete Sections 1, 2, 5 (and 4)
  - If your request includes **organic land**, please complete Sections 1, 2, 3 and 5
- The Rural Payments Agency (RPA) will send you a signed copy of this form notifying you of the outcome of your request. You must **not** carry out any work until you have received confirmation that your request has been approved. **If you act without approval you will be in breach of your agri-environment agreement.**
- You should keep a copy of this form for your records.
- If you need more space for any section please continue on a separate sheet. Make sure that you add the agreement reference or SBI to each sheet, and sign and date it.
- Enter all dates in the 'dd/mm/yyyy' format (e.g. '01/11/2019').
- Make choices by clicking on relevant boxes to mark 'X'; if completing by hand mark 'X' in black ink.

#### **Returning your form**

Before returning your form please check that you have filled in all parts of the form and answered all questions that apply to you. Remember to include a map showing the parcel reference(s) and location of the request within the parcel(s).

To help us to respond more quickly please email a saved or scanned copy of your completed form to: ruralpayments@defra.gov.uk Make sure you put 'Adjustment request' and either 'Environmental Stewardship' or 'ES', or 'Countryside Stewardship' or 'CS', as relevant, in the subject title of the email.

Or post your form to: Rural Payments Agency, PO Box 324, Worksop, S95 1DF.

		ve the correct permission level or the agreement holder?	s in Rural	No	Yes

For CS you need 'Full Business', 'Make Legal Changes' or 'Amend' permissions for the business. For ES you need to have either:

- 'Full Business' or 'Make Legal Changes' permissions for the business, **or**,
- if you only have 'View' or 'Amend' permissions, you need to have completed an ES agent authorisation form, authorising you to act as an Agreement Management Agent.

If 'Yes', go to Section 2.

If 'No', you will need someone with 'Business Details: Full Permission' level for the business to change your permission level. And for ES, if you are only given 'View' or 'Amend' permissions and have not already completed an ES agent authorisation form, you and the agreement holder will need to do this - search 'Agent authorisation Environmental Stewardship' on GOV.UK or call RPA to request one.

For ES (only): please tick to confirm that if you are only given 'View' or 'Amend'

Yes
permissions you have previously completed an ES agent authorisation form
authorising you to act as an Agreement Management Agent, or have attached one.

## Section 2 - Details of your Minor and Temporary Adjustment (MTA) request

**6.** List the land and options included in the MTA. Include a map showing the parcel reference(s) and location of the request within the parcel(s) when you submit this form.

(Field) Parcel number. (for example. SZ1234 5678)	Option code (example GS2)	Option title (For example 'Permanent grassland with very low inputs (outside SDAs))'	Is this parcel in or bordering a SSSI/N2K site?* ('X' if yes)	Is this parcel organic? ('X' if yes)

(Field) Parcel number. (for example. SZ1234 5678)	Option code (example GS2)	Option title (For example 'Permanent grassland with very low inputs (outside SDAs))'	Is this parcel in or bordering a SSSI/N2K site?* ('X' if yes)	Is this parcel organic? ('X' if yes)

<sup>\*</sup> If the land is SSSI or N2K (SAC, SPA or Ramsar) you must also contact Natural England to get consent for planned activities and give notice. (See GOV.UK for further details.)

If necessary continue on an extra sheet, and enter the number of extra sheets used in this box:

## Section 2 - Details of your Minor and Temporary Adjustment (MTA) request continued

#### **7.** Reason for the MTA

In the box below please confirm the following:

- · Why the adjustment is required
- · What exactly the proposed course of action is; and
- That the situation was unforeseen and that other solutions which are within the allowed management requirements have been considered.

## Section 2 - Details of your Minor and Temporary Adjustment (MTA) request continued

**8.** MTA type (please tick one box only, e.g. the main impact of the adjustment)

Access Boundary management Drainage and water levels

Fertilizer and lime Field Operations Meadow or Pasture management

Stocking/ supplementary feeding

Weed control

Other \*

\* If 'Other', please enter details in the box below.

**9. Start and finish date of the adjustment** (this should be for the minimum period necessary and not exceed one year or the remaining life of the agreement)

Start date

Finish date

#### **Section 3 - Organic Inspection Body declarations**

Your Organic Inspection Body must authorise any adjustment to land registered with them that is 'in conversion' or fully organic. This is to make sure that the temporary derogation is reasonable, will not affect the objectives of your agreement, meets with organic farming standards, and is the most appropriate response to the situation.

#### Supporting statement by your Organic Inspection Body

I declare that:

- the adjustment summarised in Section 2 of this form has been approved by the Organic Inspection Body identified below;
- all the information entered into this form is correct to the best of my knowledge.
- the proposed adjustment is compatible with the specified standards established by Council Regulation 2092/91 (as amended) and set out in the Compendium of Organic Standards.

This declaration must be completed by a representative of your Organic Inspection Body

Signature	Name and address in BLOCK letters	Name of Organic Inspection Body	Date

### Section 4 - Agrochemical use on conventional land

1.	Is the use of agrochemicals involved in the adjustment?	No	Yes
	If ' <b>No</b> ' go to Section 5 – Declarations and undertakings.		

If 'Yes' please complete questions 1 (a) - (g). It is recommended that that you seek advice from a BASIS qualified agronomist to help complete this Section and preferably include a

from a BASIS qualified agronomist to help complete this Section and preferably include a pesticide recommendation sheet from an agronomist when submitting this form.

Are any fields adjacent to a water-course? (including lake or pond)	No	Yes (Please show on your map.	Does <sup>1</sup> LERAP apply? (see below and refer to product label)	No	Yes
---	----	-------------------------------------	---	----	-----

a) Field details

<sup>1</sup> LERAP is the Local Environment Risk Assessment For Pesticides. Certain pesticides have an aquatic buffer zone requirement. If you want to reduce this aquatic buffer zone there is a legal obligation to carry out and record a LERAP. Further information is available from the Chemical Regulation Directorate (CRD) – part of the Health and Safety Executive.

**b) Non-target** vegetation: (base crop, please tick):

**Notes** 

Arable field

Hedgerow

Newly sown grass

Watercourse (inc. lake or pond) \*(see Notes)

Arable field margin

Low value (species poor) \*\* (see Notes) established grass

Species rich grassland \*\* (see Notes)

\* When spraying on or near a watercourse you must submit a copy of an approved AqHerb01 form available from GOV.UK.

\*\* If you intend to carry out work on unimproved or species rich grassland, for example using pesticides, you must check if Environmental Impact Assessment (Agriculture) regulations apply-check on GOV.UK. You must submit any screening decisions with this form. You may want to seek advice on this.

Growth stage/height (cm) of **non-target** vegetation

Ground cover (%)

c) Target weeds to be controlled

## Section 5 - Declarations and undertakings

#### **Declaration**

I/We declare that the details I/we have provided in this form are correct and I/we accept full responsibility for them.

#### **Undertakings**

In signing this form I/we undertake that I/we:

- will comply with my/our agreement save for any properly approved minor and temporary adjustments;
- are capable and willing to fulfil the terms of the minor and temporary adjustment I/we have requested in this form;
- will allow access to any land and any relevant records to which the request relates, to any
  authorised person for the carrying out of an inspection or audit in order to verify the accuracy
  of any information provided to the Rural Payments Agency, Natural England and the Forestry
  Commission and to ensure compliance with this undertaking;
- agree to disclose all information relevant to this request, provide any additional information as
  may be required by the Rural Payments Agency or inspectors or auditors and co-operate with
  or take part in any economic environmental or other monitoring and evaluation of the scheme
  (including any research and development studies) conducted by Natural England and the
  Forestry Commission or by anyone appointed by it for that purpose;
- have full authority and capacity to represent and bind the agreement holder(s) named at Section 1 of this form

and, if the minor and temporary adjustment requested in this form is approved by the Rural Payments Agency,

#### I/we will:

- comply with the details of the approved minor and temporary adjustment;
- continue to comply with the original agreement to the extent its provisions are not temporarily superseded by the approved minor and temporary adjustment; and
- continue to fulfil the obligations set out in the scheme manual and supplements (if any) for the duration of the agreement.

I/We hereby request a minor and temporary adjustment to my/our Countryside Stewardship / Environmental Stewardship agreement as set out in this form.
