

**Further Process for Procurement of Civil Legal Aid Services in England and Wales
from 1 September 2018
Face to Face Invitation To Tender Information for Applicants**

On 19 September 2017 the Legal Aid Agency (“LAA”) launched a Main Procurement Process to award contracts in all Categories of Law for the delivery of publicly funded civil legal aid services from 1 September 2018 across England and Wales. Whilst in the vast majority of Categories of Law and geographic areas there was a good level of demand for the available work, the LAA considered it was necessary to launch a Supplemental Face to Face Procurement Process to procure additional services in a small number of areas in the Family, Housing and Debt and Immigration and Asylum Categories of Law. The two procurement processes are referred to in this document either singularly or collectively as the “Previous Procurement Processes”.

The LAA are aware that some organisations did not submit a tender or failed to submit compliant tenders for specific Categories of Law or Procurement Areas in the Previous Procurement Processes. As the LAA wants to ensure as many organisations who wish to offer civil legal aid services are able to do so, it is inviting further tenders in all Procurement Areas and in all Categories of Law as part of a discrete procurement process referred to in this document as the “Further Face to Face Procurement Process” or “this procurement process”. This Further Face to Face Procurement Process will enable organisations who bid in the Main Procurement Process and/or Supplemental Procurement Process to submit further bids should they wish to do so and give new organisations the opportunity to deliver civil face to face advice under a 2018 Standard Civil Contract. Alongside this Information for Applicants document, the LAA has published the number of successful bids received in each Category of Law per Procurement Area/Access Point in the Previous Procurement Processes. This is available on the LAA’s website (<https://www.gov.uk/government/publications/civil-2018-contracts-tender>).

If an organisation has correctly tendered as part of the Previous Procurement Processes for all the Contract Work it wishes to deliver under the Face to Face Contract it does not need to tender as part of this Further Procurement Process.

Under the Further Face to Face Procurement Process, the LAA is inviting responses from Applicants to its Invitations To Tender (“ITTs”) for the delivery of publicly funded civil legal aid services under a 2018 Standard Civil Contract (“**Face to Face Contract**” or “**Contract**”) in the following Categories of Law:

- Family (includes private law family and public law child care);
- Housing, Debt and Welfare Benefits;
- Immigration and Asylum;
- Mental Health;
- Community Care;
- Claims Against Public Authorities (formerly known as ‘Actions Against the Police etc’);
- Clinical Negligence;
- Public Law;
- Family Mediation.

The Contract Work available under this Further Face to Face Procurement Process is in addition to any awarded to bidders under the Main Procurement Process and/or Supplemental Procurement Process. The purpose of the rules at paragraphs 1.21 and 1.22 below is to preserve this position and to prevent duplication across a Previous Bidder's Tender under the Main Procurement Process and/or Supplemental Procurement Process and Tender under this Further Face to Face Procurement Process.

The Deadline for submitting Tenders is 5pm on 10 August 2018 ("Deadline")

Applicants wishing to deliver services under a Face to Face Contract must submit a Tender which consists of:

- i. a response to the Selection Questionnaire ("**SQ Response**" or "**SQ**"); and
- ii. a response to one or more ITT(s) for a Face to Face Contract ("**ITT Response**").

A Tender consists of a response to the SQ plus at least one ITT Response.

All Applicants must submit a response to the SQ, regardless of whether they have already submitted a SQ Response as part of the Main Face to Face Procurement Process and/or the Supplemental Face to Face Procurement Process.

This Information for Applicants document ("**IFA**") provides information about the Face to Face Contract ITTs, including how Applicants submit a Tender, and the rules governing this element of the procurement process.

Before submitting their Tender Applicants must read this IFA in its entirety and all supplementary information provided, such as Frequently Asked Questions ("**FAQs**"). Applicants are also strongly advised to read the Face to Face Contract in full to ensure that they understand the full nature and extent of the obligations they are proposing to accept.

Where an Applicant is notified of the LAA's intention to award them a Face to Face Contract subject to verification, it is the Applicant's sole responsibility to ensure they provide all necessary verification information.

Applicants will have the opportunity to submit their verification information with their ITT Response(s).

Where a successful Applicant has not submitted any above top Lot Individual Bid(s) and submits compliant verification information with their ITT Response(s), if no assessment issues are identified in Applicant's ITT Response(s) the LAA will take all reasonable steps to upload their Contract documentation to enable the Applicant to deliver Contract Work awarded through this procurement process from 1 September 2018.

Otherwise successful Applicants must provide all compliant verification information by the final verification deadline of 23:59 on 7 September 2018. If an Applicant completes the verification process they will be able to deliver Contract Work awarded through this procurement process from 1 October 2018.

Where not defined in the body of this IFA, capitalised terms are either defined in the glossary at Annex E or in the Face to Face Contract which is available alongside this IFA and words denoting the singular include the plural and words denoting the plural include the singular.

All Applicants who are successful under either the Previous Procurement Processes and/or this Further Face to Face Procurement Process will be awarded a single Face to Face Contract. This means that where an Applicant is successful under one or both of the Previous Procurement Processes and this Further Face to Face Procurement Process, its entire award will be made through a single Face to Face Contract.

SECTION 1: INTRODUCTION AND BACKGROUND

About the LAA and this procurement process

- 1.1 The LAA, on behalf of the Lord Chancellor, is responsible for commissioning and administering legal aid services (publicly funded advice and representation) across England and Wales in accordance with the Legal Aid, Sentencing and Punishment of Offenders Act 2012 (“**LASPO**”) and associated legislation. All contract documentation is issued by the LAA on behalf of the Lord Chancellor.
- 1.2 The Deadline for submitting Tenders is **5pm on 10 August 2018**. All Tenders must be completed and submitted using the e-Tendering system. Late submissions will not be accepted. It is the Applicant’s sole responsibility to ensure that the LAA receives its Tender before the Deadline.

About the Face to Face Contract

- 1.3 All Face to Face Contracts will be awarded for a period of three years from the Contract Start Date (subject to rights of early termination and the LAA’s right to extend for up to a further two years).
- 1.4 Applicants may be party to no more than one 2018 Standard Civil Contract. Therefore, all Applicants who are successful under both/either of the Previous Procurement Processes and/or the Further Face to Face Procurement Process will be awarded a single Face to Face Contract (see paragraph 1.22 for further information). This means that where an Applicant who is successful under both/either of the Previous Procurement Processes and this procurement process, its entire award will be made through a single Face to Face Contract.

About the services

- 1.5 The LAA will award Face to Face Contracts to deliver face to face legal advice and representation in the following Categories of Law:
 - Family (includes private law family and public law child care);
 - Housing, Debt and Welfare Benefits (Housing and Debt may be delivered alone or in combination with Welfare Benefits);
 - Immigration and Asylum;
 - Mental Health;
 - Community Care;
 - Claims Against Public Authorities (formerly known as ‘Actions Against the Police etc’);
 - Clinical Negligence;
 - Public Law;
 - Family Mediation.
- 1.6 Contract Work in each Category of Law is organised by geographic areas known as Procurement Areas. In Immigration and Asylum these are further broken down into Access Points (see Annex A).
- 1.7 There is no limit to the number of Face to Face Contracts that may be awarded. Organisations that meet the LAA’s minimum requirements to hold a Face to Face Contract (the SQ requirements) and who can meet the relevant general and Category-specific requirements set out in this IFA will be awarded a Face to Face Contract.

- 1.8 In addition to the SQ there are 9 separate Category ITTs, as set out at paragraph 1.5. Applicants must bid to deliver Face to Face Contract Work in at least one Category of Law and complete the corresponding ITT(s) in addition to completing and submitting an SQ Response.

Who can bid?

- 1.9 Any organisation who can meet the minimum contract requirements may tender to deliver services under a Face to Face Contract.
- 1.10 The LAA will only contract with single legal entities (including individuals). Subcontracting and consortium bids are not permitted. The contracting entity will be responsible for performing all provider obligations under any and all 2018 Contracts awarded as a result of this procurement process.
- 1.11 Each separate legal entity which submits a Tender will be known as an Applicant for the purposes of this procurement process.

What if organisations are considering merging or changing their status?

- 1.12 Applicants must bid as the contracting entity that they intend to be to deliver Contract Work.
- 1.13 Applicants may not assign, novate or otherwise transfer their Tender or any part of their Tender to any other organisation. Please note, this means that following the final submission of their Tender, an Applicant will not be able to make any changes to their status until after their Face to Face Contract is operational. For the avoidance of doubt, organisations seeking to change their status from a partnership to a Limited Company, for example, will only be considered once any Face to Face Contract is in operation.
- 1.14 The LAA understands that organisations may be thinking about the organisational structure they will use to deliver Contract Work and may be considering merging with other organisations to do so. Where this is the case, whilst it is not a requirement for the contracting entity to have been formed at the time it submits its Tender, the Applicant's Tender must be based on the single merged entity providing the Contract Work under any Face to Face Contract awarded.
- 1.15 Organisations may submit Tenders through more than one legal entity, if they wish, in order to deliver Contract Work under the Face to Face Contract through those different legal entities.
- 1.16 By submitting a Tender, an Applicant bids for, and commits to delivering, all of the Contract Work tendered for. Where an organisation submits more than one Tender for Contract Work which it intends to deliver through different legal entities, that commitment applies to each of those Tenders. This means that the organisation is not permitted to 'transfer' the Contract Work awarded to a specific entity to any other entity under any of its other Tenders.

When do organisations need to have been formed as legal entities?

- 1.17 It is not necessary for the contracting entity to have been formed at the time an Applicant submits its Tender, however it must be clear from the Tender which organisation intends to hold the Contract(s) for which it bids.
- 1.18 The contracting entity must be fully constituted and be able to demonstrate it meets the minimum Face to Face Contract requirements at the latest by 23:59 on 7 September 2018.
- 1.19 Where the Applicant:
- has been dissolved or is, for any other reason, incapable of executing a contract;
 - is not fully constituted as the contracting entity named in its Tender; or
 - is unable to meet the Contract requirements by the applicable deadlines,

any contract offer made to it may be withdrawn.

Operation of the Face to Face Contract

- 1.20 Successful Applicants will be awarded a Face to Face Contract to provide the applicable Contract Work subject to them meeting all necessary verification requirements (see section 7).
- 1.21 Applicants may only tender for and, if successful, be party to a single Face to Face Contract. Under that Contract an Applicant will have one or more Schedules (i.e. one Schedule for each Office covering Categories other than Family Mediation and, where applicable, one Schedule for the Applicant's Office covering the Family Mediation Category). Each Schedule will detail the Contract Work (including Categories of Law and Matter Start allocations) authorised at the Office. For example, if an Applicant successfully tenders to deliver Contract Work in the Family and Community Care Categories of Law from a single Office, the Applicant will be awarded a Face to Face Contract and one Schedule which will detail the Family and Community Care Contract Work they are authorised to deliver from their Office.
- 1.22 In the event that an Applicant successfully tenders under this Further Face to Face Procurement Process and the Previous Procurement Processes paragraphs 1.21 – 1.26 will apply. The Applicant's Individual Bids submitted under both processes will be merged for the purposes of issuing a Contract. Once the Applicant has completed verification as part of the Previous Procurement Processes a single Contract will be awarded. That Contract will include one or more Schedules to reflect the Contract Work awarded across each of the Applicant's Offices from which they have successfully tendered under the Previous Procurement Processes.
- 1.23 Where an Applicant:
- has not submitted any above top Lot Individual Bid(s) and no assessment issues are identified in the Applicant's ITT Response(s); and
 - is able to submit compliant verification information with their ITT Response(s) and complete verification under the Further Face to Face Procurement Process before 1 September 2018 (Contract Start Date)

the LAA will take all reasonable steps to include the Contract Work awarded under that process in their original Schedule(s) issued under the Previous Procurement Processes.

- 1.24 Where an Applicant is not able to complete the verification process under the Further Face to Face Procurement Process by the Contract Start Date, an Applicant must submit verification information by the Final Verification Deadline of 23:59 on 7 September 2018. A new and/or amended Schedule would then be issued to reflect the Contract Work awarded across each of the Applicant's Offices from which they have successfully tendered under this procurement process. Whether a new Schedule is issued or the original Schedule amended would be determined by the Contract Work awarded under this procurement process, as shown in the two examples in paragraphs 1.25-1.26.
- 1.25 For example, if an Applicant successfully tendered for Contract Work in the Mental Health Category from an Office as part of the Previous Procurement Processes and successfully tendered for Contract Work in the Housing and Debt Category from the same Office as part of this Further Face to Face Procurement Process, the Applicant would, after completing verification in the Previous Procurement Processes, be issued with a single Contract and one Schedule. The Schedule would reflect the Mental Health Contract Work awarded under the Previous Procurement Processes. After completing verification in the Further Procurement Process an amended Schedule would be issued to include the Housing and Debt Contract Work awarded under this procurement process.
- 1.26 For example, if an Applicant successfully tendered for Contract Work in the Family Category from an Office as part of the Previous Procurement Processes and then successfully tendered for Contract Work in the Family Category from a second Office as part of this Further Face to Face Procurement Process, the Applicant would, after completing verification in the Previous Procurement Process, be issued with a single Contract and one Schedule. The Schedule would reflect the Family Contract Work awarded under the Previous Procurement Processes and cover the first Office only. After completing verification in the Further Procurement Process a second Schedule would be issued covering the second Office. The second Schedule would cover the Family Contract Work awarded under this procurement process.
- 1.27 The Face to Face Contract will start on 1 September 2018 (the "Contract Start Date") and will run for three years i.e. until 31 August 2021 (subject to the LAA's rights of early termination and the LAA's right to extend the Contract for up to a further 2 years i.e. until 31 August 2023).
- 1.28 Each Face to Face Contract consists of and is formed by the following parts:
- Contract for Signature;
 - Standard Terms (applicable to all contracts irrespective of the specific services to be provided);
 - Specification (governs how work must be delivered and includes the key performance indicators that Providers must meet. There are two parts to the Specification – the General Specification which applies to all services under the Face to Face Contract, except Family Mediation, and the Category Specific Specifications which only apply to individual Categories);
 - Schedules (set out the Categories of Law a Provider is authorised to undertake work in, the volume of work and any bespoke terms relevant to the delivery of Services at a particular Office location); and
 - Category Definitions – set out what work is permitted in each Category of Law.
- 1.29 Face to Face Contract documentation, is available on the LAA's website: <https://www.gov.uk/government/publications/standard-civil-contract-2018>.

- 1.30 Applicants providing services under current LAA contracts should note that the Contract contains new provisions (previously consulted on with Consultative Bodies). All Applicants are strongly advised to read the Face to Face Contract in full before submitting their Tender Response.
- 1.31 Contract Work is divided into two broad areas:
- Controlled Work: generally basic levels of advice and assistance prior to issue of proceedings; and
 - Licensed Work: generally representation – issue and conduct of proceedings and advocacy.
- 1.32 Controlled Work cases are known as ‘Matters’ or ‘Matter Starts’. Controlled Work permits Providers with available Matter Starts to assist clients directly without prior authority from the LAA. Except in relation to the Clinical Negligence and Family Mediation Categories, a certain number of Matter Starts will be allocated to Providers through this procurement process and then set out in the applicable Face to Face Contract Schedule. In the Clinical Negligence and Family Mediation Categories of Law, while no Matter Starts will be awarded, successful Applicants will be given authorisation in their Schedule(s) to open Matter Starts, reflected on a Provider’s Face to Face Contract Schedule by a notional allocation of 1 Matter Start.
- 1.33 There is no limit to the volume of Licensed Work that a Provider may undertake. However, funding applications must be submitted to the LAA for each Licensed Work case.
- 1.34 Whilst the LAA may allocate a certain volume of Matter Starts to Providers, no guarantee is provided in relation to the volume or value of work which individual Providers will receive/be paid for under any Face to Face Contract. Services are provided under open market conditions and clients are free to choose from those Providers holding a Face to Face Contract.
- 1.35 Payments under all Face to Face Contracts will be at the rates set out in Legal Aid Legislation.

What are Applicants tendering for?

- 1.36 An Applicant is tendering for authorisation to conduct Contract Work from an Office(s) in one or more Categories of Law under a Face to Face Contract. An Applicant is not permitted to hold more than one Face to Face Contract or more than one authorisation in a Category at any one Office.
- 1.37 Contract Work will be delivered at individual Offices (and Outreach in the case of Family Mediation). Except in the Mental Health Category, an Applicant must detail in its ITT Response the Contract Work that it is tendering to deliver from each Office. In the Mental Health Category, an Applicant must detail the work they wish to deliver in a Procurement Area and specify one Office in the relevant Procurement Area. A Tender to deliver Contract Work in a specific Category of Law from a particular Office is known as an “**Individual Bid**”. Consequently, the ITT Response of an Applicant wishing to deliver Contract Work from multiple Offices will contain an Individual Bid for each Office in each applicable Category of Law, except for Family Mediation. In Family Mediation Applicants will tender for a single Office only to which their Schedule will be attached and any additional Outreach locations will be collected as part of verification.
- 1.38 In the event that the LAA identifies that an Applicant has submitted Individual Bids under the Previous Procurement Process and the Further Face to Face Procurement Process

for the same Category of Law from the same Office, the LAA will treat these as duplicate bids. Where the LAA identifies duplicate bids in these circumstances only, at the point it verifies successful Tenders the LAA will require the Applicant to select the single Individual Bid it wishes to proceed with. Once the Applicant has selected that Individual Bid, all bids which duplicate that bid will be treated as though they have been withdrawn. For example, if an Applicant were to have submitted a successful Individual Bid in Lot 1 for the Family Category of Law from its Office under the Main Procurement Process and a Family Category Individual Bid in Lot 2 from the same Office under the Further Face to Face Procurement Process, an amalgamated award would not be given. The Applicant would be required, as part of verification, to select which one Family Category Individual Bid it wishes to proceed with at that Office.

- 1.39 There is no limit to the number of Matter Starts the LAA intends to award in any Procurement Area (or in the case of Immigration and Asylum, Access Point). Successful Applicants will be awarded the volume of work as relevant in the Category of Law they bid for (see the 'Lots' section below), subject to completing verification.
- 1.40 It is the Applicant's sole responsibility to ensure they provide the LAA with all the necessary information to verify their Tender at the latest by 23:59 on 7 September 2018.

Lots

- 1.41 Lots will apply to the Categories of:
- Family;
 - Housing;
 - Immigration and Asylum;
 - Mental Health;
 - Community Care;
 - Public Law; and
 - Claims Against Public Authorities.
- 1.42 In the Categories of Debt, Welfare Benefits, Family Mediation and Clinical Negligence Lots will not apply and Applicants will not be required to tender for a specific Lot. Successful Individual Bids within these Categories will be awarded a fixed allocation for the first year of the Contract as specified in the table at paragraph 1.47.
- 1.43 Applicants tendering in Categories where Lots apply must specify a Lot for each Individual Bid, based on the volume of Matter Starts they intend to be capable of delivering in the first year of the Face to Face Contract.
- 1.44 In some Categories there are additional Lot-specific quality requirements (see paragraph 2.40) and the Category-specific requirements in section 2). Applicants intending to deliver the largest volumes of work may additionally be required to complete a Delivery Plan as part of their Individual Bid (see paragraphs 1.50 - 1.51).
- 1.45 Where an Applicant is unable to evidence that they meet the requirements of the Lot for which they have bid, the relevant Individual Bid will be re-classified in accordance with the evidence supplied by the Applicant. For example, if an Applicant bidding in Lot 2 for Housing (which requires the Applicant to employ an Authorised Litigator from the relevant Office) is unable to provide the necessary evidence that they meet the requirement, they would have their Individual Bid re-classified to Lot 1 (for which there is no Lot-specific quality requirement) and be allocated a Lot 1 Matter Start allocation.
- 1.46 In all Categories (except Clinical Negligence and Family Mediation – see paragraph 1.56), successful Applicants will be able to deliver up to the volume of Matter Starts

awarded, subject to Face to Face Contract rules on the award of Supplementary Matter Starts (see paragraphs 1.57 – 1.60 below).

1.47 Matter Start allocations for Categories (and Lots, where applicable) are outlined below:

Categories where Lots apply

- 1.48 In the Categories of Family, Housing, Immigration and Asylum, Mental Health, Community Care, Public Law and Claims Against Public Authorities Applicants must tender for a volume of Matter Starts for the first year of the Face to Face Contract in specific geographic areas known as 'Procurement Areas'. In the Immigration and Asylum Category Procurement Areas have been broken down into smaller 'Access Points' and Matter Starts are available in those Access Points.
- 1.49 Applicants are not required to stipulate a specific number of Matter Starts as part of their Tender, unless they tender for above the top Lot. Rather, Applicants must choose the 'Lot' that corresponds with the volume they expect to be capable of delivering. A successful Applicant will be authorised to deliver up to the volume of Matter Starts associated with the Lot in which it bids, subject to meeting any Lot-specific requirements, assessment of any above top Lot Individual Bids and Delivery Plans and verification.
- 1.50 An Applicant submitting an Individual Bid for above the top Lot (e.g. for Family this would be 'Above Lot 3' (over 250 Matter Starts)) must:
- confirm as part of their Individual Bid the volume of Matter Starts they anticipate being able to deliver in the first year of the Contract; and either
 - confirm that from the Office associated with the Individual Bid they have started the same volume or more Matter Starts under a legal aid contract in the relevant Category of Law between 1 July 2017 and 30 June 2018; or
 - complete a Delivery Plan.
- 1.51 The Delivery Plan is replicated in Annex C as part of the relevant Category ITT questions and assessment and includes questions on how the Applicant:
- intends to build capacity and caseload to deliver the volume bid for;
 - anticipates clients will access services; and
 - will ensure supervision arrangements are in place to effectively manage the intended volume of work.

- 1.52 An Applicant wishing to bid from multiple Offices within a single ITT (and therefore submitting multiple Individual Bids) may submit Individual Bids for different Lots. For example, an Applicant may have one Family Individual Bid from Office A for Lot 1 (up to 20 Matter Starts) and another Family Individual Bid from Office B for Lot 2 (up to 100 Matter Starts). Further detail on how to complete Individual Bids is contained at Section 4.
- 1.53 When submitting an Individual Bid an Applicant should take into account the scope of legal aid work available to ensure it is bidding for realistic volumes. Information on volumes of work started in previous years can be found in the LAA's published statistics, available at: <https://www.gov.uk/government/collections/legal-aid-statistics>. In addition, for Immigration and Asylum, further detail on the dispersal of asylum seekers at a local authority level can be found at: <https://www.gov.uk/government/collections/immigration-statistics-quarterly-release>. Within each quarter's data set, information on dispersal by local authority can be found under: 'List of tables' > 'Asylum data tables volume 4' > 'as 16 q Asylum seekers in receipt of Section 95 support, by local authority, as at end of quarter'.
- 1.54 An Applicant should ensure it bids for the correct Lot according to the number Matter Starts it considers it can realistically deliver.

Debt and Welfare Benefits

- 1.55 In the Debt and Welfare Benefits Categories of Law Applicants are not required to tender for a specific allocation of Matter Starts. All successful Individual Bids will be awarded a fixed allocation for the first year of the Face to Face Contract.

Clinical Negligence and Family Mediation

- 1.56 In the Clinical Negligence and Family Mediation Categories of Law, Applicants are not required to tender for a volume of Matter Starts. They are tendering for a licence to undertake the work from their Office. That means there will be no fixed limit to the volume of Controlled Work Providers in this Category can undertake. Schedules for successful Applicants will include a notional allocation of 1 Matter Start to indicate the Applicant has authorisation to conduct Contract Work.

Supplementary Matter Starts

- 1.57 Applicants awarded a Face to Face Contract will, subject to notifying their LAA Contract Manager and receiving Contract Manager confirmation, be able to self-grant up to an additional 50% of their Matter Start allocation at that Office each year if required. For example, where an Applicant has a successful Family Individual Bid for Lot 1 (up to 20 Matter Starts) they will be able to self-grant up to an additional 10 Matter Starts (50% of 20), resulting in a total of 30 Matter Starts for year one. Assuming the organisation has an allocation of 30 Matter Starts at the beginning of the second year of the Face to Face Contract, they could self-grant an additional 15 Matter Starts (50% of 30) in year two. This self-grant facility will not apply in respect of any Miscellaneous Matter Start allocation. Providers must apply to their Contract Manager for Supplementary Matter Starts in the Miscellaneous Category.
- 1.58 During each year of the Contract Period Providers will also be able to re-allocate up to 50% of Matter Starts between Offices authorised to deliver the same Category of Law, subject to following the process at paragraph 1.57 For example, an Applicant with two successful Lot 2 Family Individual Bids (up to 100 Matter Starts at each Office) could re-allocate up to 50 Matter Starts (50% of 100) from one Office to another. This would result

in an allocation of 50 Matter Starts at one Office and 150 Matter Starts at the other. Applicants will not be permitted to re-allocate Miscellaneous Matter Starts between Offices.

- 1.59 Where during the life of the Contract the self-grant of Matter Starts and/or the reallocation of Matter Starts, referred to at paragraphs 1.57 – 1.58 results in an allocation which is equivalent to a Lot in which higher quality requirements apply (for example, in the Family Category this would be 250 Matter Starts or more) Applicants will be required to meet the relevant Lot-specific requirement and receive confirmation from their LAA Contract Manager that these are met before Supplementary Matter Starts are authorised.
- 1.60 Applicants should familiarise themselves with the Face to Face Contract provisions regarding the award of Supplementary Matter Starts and re-allocating Matter Starts at clauses 1.21 - 1.24 of the General Specification.

Miscellaneous Contract Work

- 1.61 Applicants awarded a Face to Face Contract to undertake Contract Work in any Category of Law (except Family Mediation) will receive an additional allocation of 5 Miscellaneous Matter Starts included on each Schedule. This number applies irrespective of how many Categories of Law a Provider is authorised to deliver under a Schedule.
- 1.62 Detail on the work classified as 'Miscellaneous' for the purposes of the Face to Face Contract is included in the Category Definitions which forms part of the Face to Face Contract.

- i. a response to the SQ; and

Where an Applicant submits more than one SQ Response and/or more than one ITT Response for the same Category of Law, only the last submitted prior to the Deadline shall be assessed by the LAA.
- 2.5 If an ITT Response is not submitted or is incapable of assessment it will be rejected.
- 2.6 An Applicant must ensure that its entire Tender is capable of concurrent delivery. Where it submits a response to multiple ITTs it is warranting that it will be able to deliver concurrent services under all of those ITTs if successful.
- 2.7 By submitting a Tender, Applicants commit to meeting the Face to Face Contract requirements at the latest by 23:59 on 7 September 2018. Some requirements vary by Category of Law and by Lot.

Quality Standard requirement

- 2.10 Contract holders (except those delivering Family Mediation only) will be required to hold a Quality Standard throughout the Contract Period.

- 2.11 For Family Mediation under the Face to Face Contract the LAA will no longer require Family Mediation Providers to hold the Mediation Quality Mark (MQM). Instead, the Contract requires that mediators and Family Mediation Providers meet the standards set out by the Family Mediation Council (FMC) and the Family Mediation Standards Board. The Mediation Specification includes the key quality standards from the MQM and these requirements will be direct contractual obligations.
- 2.12 Applicants (except those tendering for Family Mediation only) must be able to evidence at the latest by 23:59 on 7 September 2018 that they hold either the LAA's Specialist Quality Mark ("**SQM**") following audit by the LAA's SQM Audit Provider or the Law Society's Lexcel Practice Management standard ("**Lexcel**").
- 2.13 Applicants are solely responsible for paying all necessary fees to the Quality Standard auditing organisation.
- 2.14 Where an Applicant already holds the SQM following audit by the LAA's SQM Audit Provider or is in the process of being audited by them, it need not reapply for the SQM, unless it must do so to continue to hold the SQM.
- 2.15 Requirements according to the Quality Standard an Applicant chooses to hold are detailed below:

- 2.16 It is an Applicant's responsibility to ensure it meets the LAA's requirements at the latest by 23:59 on 7 September 2018 (see paragraph 9.7-9.8). Applicants are therefore advised to apply for their chosen Quality Standard as early as possible.
- 2.17 It is the sole responsibility of the Applicant to contact the Quality Standard auditing organisation and arrange any necessary audits. The LAA assumes no responsibility for monitoring Applicants' progress towards achieving a Quality Standard.
- 2.18 Further information about the SQM and how to register with the LAA's current SQM Audit Provider can be found at <http://www.recognisingexcellence.co.uk/sqm/>. Applicants

this, an Applicant must enter the postcode for their Office (or intended Office) into the 'Find your local council' tool on the Gov.uk website: <https://www.gov.uk/find-local-council>. SECTION 3: e-TENDERING SYSTEM

- 3.1 All Tenders must be completed and submitted using the e-Tendering system. This can be accessed either through a link on the tender pages of the LAA website or directly at www.legalaid.bravosolution.co.uk
- 3.2 Applicants already registered on the e-Tendering system whose registration details remain up to date do not need to register again. Applicants are encouraged to ensure that they review the contact details held in the e-Tendering system to ensure these are up to date.
- 3.3 Where an Applicant already has multiple registrations on the e-Tendering system it should ensure that it uses the registration which matches the name and trading status of the organisation on whose behalf the Tender is submitted.
- 3.4 Applicants who have forgotten their password, must click on the 'Forgotten your password?' link on the e-Tendering system homepage to get their password reset.
- 3.5 Applicants must familiarise themselves with the e-Tendering system guides available through the 'Technical Support and Guidance' link on the e-Tendering system home page. These provide detailed guidance on how to complete a Tender.
- 3.6 The LAA will communicate with Applicants about this procurement process through the e-Tendering system message board. Applicants must check the message board regularly to ensure that any messages are read promptly. The LAA highly recommends that Applicants set up multiple additional users under their e-Tendering system registration (see 'Technical Support and Guidance' link) as back-up to ensure that urgent messages, which may affect an Applicant's Tender, can be actioned as necessary.
- 3.7 The SQ and Face to Face Contract ITTs are available via the 'Project' or 'ITT Open to all Suppliers' link on the front page of the e-Tendering system.
- 3.8 All Bidders must submit a Response to the SQ and at least one of the Category ITTs.
- 3.9 Applicants are not obliged to respond to all of the ITTs; they only need to submit a response to the SQ and to the ITT(s) relevant to the Face to Face Contract in the Category(ies) of Law they wish to deliver. Applicants must ensure that they access and respond to the SQ and the correct ITT(s) for the Category(ies) of Law they wish to deliver under the Face to Face Contract.
- 3.10 Applicants must click 'Edit response' to be able to complete their responses to the questions asked. Applicants must click the 'Save Changes' or 'Save and Exit Response' buttons to ensure information inputted is saved.
- 3.11 Once Applicants have completed their response to a Face to Face Contract ITT, they must submit it by clicking on the "Submit Response" button.
- 3.12 Applicants may amend and re-submit their response at any time up to the Deadline. If so amended and re-submitted, only the last response shall be assessed.

- 3.13 An Applicant may check that it has successfully submitted its SQ Response and ITT Response(s) by going to the 'My ITTs' screen, which should show the 'Response status' as 'Response submitted to Buyer'. The registered email address will also receive confirmation when the Applicant submits its SQ Response and ITT Response(s) for the first time. It is therefore important for an Applicant to ensure that any and all contact details held in the e-Tendering system are up to date.
- 3.14 SQ and ITT Responses are sealed. This means that the LAA is unable to access submitted SQ and ITT Responses prior to the Deadline. The LAA cannot confirm receipt of an SQ Response, ITT Response or Tender, nor can it confirm or if an SQ Response, ITT Response or Tender has been completed correctly.
- 3.15 All questions marked with a red asterisk on the e-Tendering system are mandatory. The e-Tendering system will not permit an Applicant to submit its SQ/ITT Response(s) unless answers to those questions are provided.
- 3.16 There is a button in the e-Tendering system called 'check mandatory questions'. By clicking on this the e-Tendering system will check that an Applicant has provided a response to all mandatory questions and will flag where a response to a mandatory question has not been given. For the avoidance of doubt, it does not provide an assessment of the responses to those questions or confirmation that they have been answered correctly.
- 3.17 When an Applicant submits its SQ Response/ ITT Response(s) for the first time, it will receive an automated message confirming that its response has been successfully submitted. This only provides an indication of whether the SQ Response/ ITT Response has been transmitted to the LAA and not whether the SQ Response, ITT Response or Tender is fully completed and/or will be assessed as being successful.

SECTION 4: COMPLETION OF THE SELECTION QUESTIONNAIRE

- 4.1 A Response to the SQ must be submitted by all Applicants, regardless of whether an Applicant has submitted a SQ Response as part of the Main Procurement Process or Supplemental Face to Face Procurement Process.
- 4.2 The SQ can be found in Project 88 at ITT 573 – ‘Selection Questionnaire for the Further Face to Face Procurement Process’ in the e-Tendering system.
- 4.3 The SQ contains a series of questions covering the following areas:
 - Section A (non-assessed) - Organisation and contact details
 - Section B - Grounds for mandatory exclusion
 - Section C - Grounds for discretionary exclusion
 - Section D – Declarations
- 4.4 A full breakdown of each of the questions and what would constitute a pass or a fail is set out in Annex B

Section A - Organisation and contact details

- 4.5 This information is non-assessed but may be used in the verification of the Applicant’s Tender. Applicants who have yet to form legal entities may provide “N/A” responses to some questions within this section. Where successful, and as part of verification, they will be required to confirm, for example, their head office address or other details not provided as part of the Tender.

Sections B and C – Grounds for mandatory and discretionary rejection

- 4.6 For each question the Applicant is presented with a series of drop down options from which to select a response.
- 4.7 Where a requirement is not met outright the Applicant will be provided with a series of ‘free text’ boxes in which to give further details (known as ‘exceptional circumstances’). These will be used by the LAA to consider whether those exceptional circumstances are deemed to be satisfactory for the Applicant to meet the SQ requirement.
- 4.8 Where the opportunity to provide exceptional circumstances is given, specific details in response to the supplemental questions are requested within the SQ. This must not be used as an opportunity to provide other supplementary information to an Applicant’s SQ Response and any information provided that is not relevant to the particular SQ requirement and explanation of exceptional circumstances will not be considered.
- 4.9 Subject to paragraph 4.10 below, the LAA will assess SQ Responses on the basis of information submitted by the Applicant in its SQ Response. SQ Responses for Sections B and C will be assessed on a pass or fail basis.
- 4.10 Where an Applicant’s SQ Response states it does not meet the SQ requirements outright in questions C.8 (LAA contract terminations), C.9 (Peer Review) and C.10 (individuals prohibited from undertaking publicly funded work) the LAA will review its own records in assessing whether the requirements have been met. For all other questions in Section B and C, the LAA’s assessment will be solely reliant on information provided by the Applicant. That information must be complete and accurately expressed. Applicants’ attention is drawn to the LAA’s right to disqualify an Applicant for submitting false and/or misleading information as provided at paragraphs 10.30-10.32 of this IFA.

Section D – Declaration

- 4.11 A declaration in the form set out at Section D of the SQ (see Annex B below) must be provided by:
- (a) the Compliance Officer for Legal Practice (COLP) or the individual intending to be the COLP where Applicant is or intends to be authorised by the Solicitors Regulation Authority (SRA); or
 - (b) the Head of Legal Practice (HOLP) or the individual intending to be the HOLP where Applicant is or intends to be authorised by the Bar Standards Board (BSB); or
 - (c) the Compliance Manager (CM) or the individual intending to be the CM where Applicant is or intends to be authorised by CILEx Regulation (CILEx); or
 - (d) where the Applicant is not (and will not be) authorised by the SRA, the BSB or CILEx, a member of Key Personnel who either (i) has decision and / or veto rights over decisions relating to the running of the Applicant; or (ii) has the right to exercise, or actually exercises, significant influence or control over the Applicant.

SECTION 5: COMPLETION OF THE FACE TO FACE CONTRACT ITTS

- 5.1 A Tender will consist of a response made through the e-Tendering system to the SQ and one or more of the Face to Face Contract ITTs.
- 5.2 The Face to Face Contract ITTs can be found in the e-Tendering system as follows:
- ITT 574 – Face to Face Contract ITT for Family
 - ITT 575 – Face to Face Contract ITT for Housing, Debt and Welfare Benefits
 - ITT 576 – Face to Face Contract ITT for Immigration and Asylum
 - ITT 577 – Face to Face Contract ITT for Mental Health
 - ITT 578 – Face to Face Contract ITT for Community Care
 - ITT 579 – Face to Face Contract ITT for Claims Against Public Authorities
 - ITT 580 – Face to Face Contract ITT for Clinical Negligence
 - ITT 581 – Face to Face Contract ITT for Public Law
 - ITT 582 – Face to Face Contract ITT for Family Mediation
- 5.3 Applicants must complete an ITT Response for each Category of Law they wish to deliver. Applicants must also submit a SQ Response.
- 5.4 Each ITT contains a series of questions covering the following areas:
- Bid details (Section A)
 - Verification information (Section B)
 - Warranties and Declarations (Section C)
- 5.5 A full breakdown of each of the questions for each Face to Face Contract ITT is included in the relevant ITT and is replicated at Annex C.
- 5.6 Applicants must respond to each question in the relevant ITT by selecting the correct drop down option or by providing a typed answer in the free text box provided. Each free text box is limited to 2000 characters (including spaces).

- 5.7 Where a question requires a response from a drop-down menu, Applicants may either select an option from the drop-down list or, if they know the answer option they wish to select, use the quick search functionality by typing in the 'response' box in the e-Tendering system.
- 5.8 For all Categories except Family Mediation and Mental Health, where an Applicant wishes to tender from more Offices as part of an ITT Response than is catered for in an ITT, the Applicant must send a message to the LAA via the e-Tendering messaging portal no later than **23:59 on 18 July 2018** requesting a form on which they can provide details about additional offices. The LAA will then supply a form which the Applicant must complete and save it to their own computer before attaching it to a message in the e-Tendering system and sending this to the LAA before the Deadline.
- 5.9 Where an Applicant completes a Delivery Plan (for an Individual Bid 'above the top Lot' in a Category of Law) as part of its response to Section A of an ITT it must ensure it provides specific details in response to each question. Questions are included in Category ITTs where applicable and are replicated at Annex C.
- 5.10 An Applicant must only provide information relevant to the particular question in its Delivery Plan. Any information provided that is not relevant to the particular question will not be considered.
- 5.11 Applicants who want to submit compliant verification information with their ITT Response can do so at Section B. An Applicant who confirms in Section B that they wish to provide compliant verification information must provide all the information required to verify its ITT Response.
- 5.12 Where an Applicant submits a response to more than one ITT they must submit the verification information required to verify each ITT Response. In some instances the same information may be required to be submitted for each ITT Response.
- 5.13 Where an Applicant wishes to submit more than one Supervisor Declaration Form for an ITT Response the completed Supervisor Declaration Forms must be merged into a single document and the single document uploaded into the e-tendering system.
- 5.14 Where an Applicant tendering for Family or Mental Health wishes to submit more than one certificate of accreditation to meet Lot-specific requirements they must be merged into a single document and the single document uploaded into the e-tendering system.
- 5.15 Before submitting its ITT Response an Applicant must check that it has answered all questions correctly. If an ITT Response is incomplete it may be assessed as unsuccessful.
- 5.16 Tenders, including ITT Responses, will not be opened by the LAA until after the Deadline and therefore if an Applicant's Tender is incomplete, this will only be identified on assessment, at which point it shall be too late for Applicant to submit any further information.

SECTION 6: APPLICANTS' QUESTIONS

- 6.1 If an Applicant has a question about the procurement process to which they cannot find an answer either in this document or in the guidance provided in the e-Tendering system, they will be able to direct it through two different channels depending on the nature of the query.

Questions about this IFA

- 6.2 If an Applicant has any questions about the content of this IFA, it may submit them up until **23:59 on 18 July 2018**. This is referred to in the e-Tendering system as the 'End date for supplier clarification messages'.
- 6.3 All such questions must be submitted using the e-Tendering system message boards.
- 6.4 Because of the way the LAA downloads messages from the e-Tendering system, it may appear that Applicants' messages have not been read. Applicants should not assume that this is the case and re-send messages to the LAA. All messages will be responded to, however, during peak periods of activity it may take the LAA longer to respond due to the increased volumes of messages received.
- 6.5 Applicants should assume that questions and answers may be published. Questions that the LAA considers to be of wider interest may be collated and answered centrally in writing to ensure that all potential Applicants have equal access to information. Questions and answers will be published on the LAA's tender pages <https://www.gov.uk/government/publications/civil-2018-contracts-tender> in the 'Further Procurement Process for Face to Face Contracts from September 2018 Frequently Asked Questions (FAQ)'.
- 6.6 Applicants should note that this is the only opportunity to ask questions about the procurement process. The LAA will not be able to provide responses to questions about the process through any other method.

Technical questions about how to operate the e-Tendering system

- 6.7 There is an e-Tendering helpdesk to provide technical support in relation to the use of the e-Tendering system. The helpdesk is **unable** to assist with problems with Applicants' own computer hardware or systems. For these types of issues Applicants should contact their own IT support.
- 6.8 Questions for the e-Tendering helpdesk should be emailed to: help@bravosolution.co.uk Alternatively, the telephone number for the helpdesk is 0800 069 8630 and lines are open from 8am to 6pm Monday to Friday.
- 6.9 The LAA recommends that Applicants start to complete their Tenders early so that they identify any areas in which they need help as soon as possible as the helpdesk is likely to be very busy in the days leading up to the Deadline. The LAA cannot guarantee that queries received close to the Deadline will be dealt with in time and accepts no responsibility if they are not.
- 6.10 Applicants should note that the e-Tendering helpdesk is the only method by which they can receive assistance on using the e-Tendering system.

SECTION 7: TENDER ASSESSMENT

7.1 ITT Responses will be assessed in the following stages:

- Stage 1 – SQ assessment
- Stage 2 – ITT requirements check
- Stage 3 – Verification (where applicable)
- Stage 4 – Assessment of above top Lot Individual Bids and Delivery Plans (if applicable)
- Stage 5 – Contract award (subject to verification)
- Stage 6 – Verification (where applicable)

Stage 1 – SQ assessment

7.2 The LAA will conduct an assessment of an Applicant's SQ Response in accordance with the assessment approach detailed in Annex B.

7.3 In the event that no SQ Response has been submitted this will be considered an incomplete Tender and the LAA will reject the Applicant's Tender in its entirety.

7.4 The sole right of appeal is set out at paragraph 10.41 of this IFA. For the avoidance of doubt, that right of appeal applies solely where the LAA assesses the Applicant's SQ Response as unsuccessful.

7.5 Applicants that are assessed as having passed the SQ will proceed to stage 2 for the applicable ITT(s).

Stage 2 – ITT requirements check

7.6 The LAA will conduct an assessment of:

- any address and postcode details provided as part of an Individual Bid; and
- the declarations and warranties provided as part of an ITT Response.

Address and postcode assessment

7.7 The LAA will review any address and postcode details provided as part of an Individual Bid for an Office. For Family Mediation the LAA will check the Office is in England or Wales. For all other Categories, the LAA will check the Office is in the relevant Procurement Area (or Access Point in the case of Immigration and Asylum).

7.8 Where an Applicant is assessed as having provided the address of an Office which is not in the Procurement Area (or Access Point for Immigration and Asylum) stated in the corresponding Individual Bid, the LAA will act in accordance with paragraph 2.39. This will also apply in the event that an Applicant for Family Mediation provides details of an Office which is not in England or Wales.

7.9 Where no address details are provided as part of an Individual Bid, an address check will be conducted as part of verification (stage 3 or stage 6, as appropriate). Applicants must be able evidence an Office in the relevant Procurement Area / Access Point (or in England and Wales in the case of Family Mediation) at the latest by 23:59 on 7 September 2018.

Declarations and warranties assessment

- 7.10 The LAA will review the warranties and declarations given in an Applicant's ITT Response (Section C of each Face to Face ITT) to ensure the Applicant has provided the necessary declarations and warranties.
- 7.11 The LAA will assess the declarations and warranties on the basis of information submitted. Responses will be assessed on a pass or fail basis.
- 7.12 Where the Applicant fails to provide the necessary declarations and warranties, the whole ITT Response may fail.
- 7.13 Applicants who are assessed as having provided the necessary declarations and warranties will be eligible for the award of a Face to Face Contract, and their Tender will be assessed as successful subject to verification (stage 3 or stage 6, as appropriate).
- 7.14 In the Categories where Lots do not apply (Clinical Negligence, Welfare Benefits, Debt and Family Mediation) successful Tenders will, subject to verification, be awarded the volume of Matter Starts for the relevant Category as detailed at paragraph 1.47).
- 7.15 In the Categories where Lots apply (Family, Housing, Immigration and Asylum, Mental Health, Community Care, Public Law and Claims Against Public Authorities), successful Individual Bids which are not classified as 'above the top Lot' (for example, up to Lot 3 or 250 Matter Starts in the Family Category), will be awarded the volume of Matter Starts associated with the Lot tendered for, subject to verification (stage 6).
- 7.16 Where an Applicant's Individual Bid is for an 'above the top Lot' volume of Matter Starts in any Category, the number of Matter Starts awarded to the Applicant will be subject to stage 4 assessment.

Stage 3 – Verification (if applicable)

- 7.17 If an Applicant has submitted verification information with their ITT Response(s), provided they have not submitted an Individual Bid for above the top Lot and no matters are identified in an Individual Bid which require detailed assessment, the LAA will verify an Applicant's ITT Response(s) at this stage in accordance with the process set out in Section 9 of this IFA.

Stage 4 - Assessment of above top Lot Individual Bids and Delivery Plans (if applicable)

- 7.18 If an Applicant bids for a volume of Matter Starts which is below the volume which applies to the top Lot, the LAA will re-classify the Individual Bid to the correct Lot. For example, an Applicant confirms as part of its Family tender that it is submitting an above top Lot Individual Bid (i.e. over 250 Matter Starts). Were it then to bid for 50 Matter Starts the LAA would re-classify this Individual Bid as Lot 2 and award the Individual Bid up to 100 Matter Starts.
- 7.19 The LAA will validate the number of Matter Starts bid for against its own data where the Applicant confirms it has delivered at least the volume bid for in the 12 months preceding this procurement process. The LAA will be able to do this only where an Applicant provides a valid, current LAA Account Number for the Office associated with the Individual Bid. Where LAA data does not support an Applicant's Individual Bid i.e. LAA records show that the Applicant has not started at least the volume tendered for in the relevant Category from the relevant Office (or Procurement Area in the case of

Mental Health), the LAA will award the Applicant the volume of Matter Starts reported as opened from that Office between 1 July 2017 and 30 June 2018.

- 7.20 For example, an Applicant, as part of its Individual Bid for Family tenders for 300 Matter Starts (i.e. above Lot 3, or over 250 Matter Starts) and also self certifies that it started at least this volume from this Office between 1 July 2017 and 30 June 2018. If LAA records show the Applicant to have started 275 Matter Starts from this Office in between 1 July 2017 and 30 June 2018 the Applicant's Individual Bid would be awarded up to 275 Matter Starts for this Individual Bid, subject to verification.
- 7.21 The LAA will not be able to perform the check outlined at paragraph 7.19-20 for new Applicants or Offices or where an Applicant fails to provide a current, valid LAA Account Number for the relevant Office. Applicants that do not currently hold a LAA contract, or are submitting an Individual Bid for a new Office should answer 'No' to question A.3.ii. Where an Applicant answers 'Yes' to question A.3.ii but does not provide a valid, current LAA Account Number as part of its Individual Bid, the LAA will be unable to compare the volume of work bid for against its own data and the Applicant's Individual Bid will re-classified down to the next Lot.
- 7.22 For example, an Applicant as part of its Individual Bid for Family tenders for 300 Matter Starts (i.e. above Lot 3, or over 250 Matter Starts) and also self certifies that they started at least this volume from this Office between 1 July 2017 and 30 June 2018. Where the Applicant does not provide a valid, current LAA Account Number, the Applicant's Individual Bid would be re-classified to Lot 3 (up to 250 Matters). The Applicant would be awarded 250 Matter Starts for this Individual Bid, subject to verification (including meeting any higher quality requirements).
- 7.23 Where an Applicant tenders for above the top Lot and confirms in answer to question A.3.ii that they have not started at least the volume of Matter Starts tendered for in that Category of Law and from that Office, the LAA will assess the Applicant's answers to questions A.3.iii – A.3.v.
- 7.24 Where an Applicant fails to provide sufficient information to allow the LAA to make an assessment of a Delivery Plan it will be rejected.
- 7.25 Delivery Plans will otherwise be accepted. However, the LAA reserves the right to award fewer Matter Starts than bid for if it considers an Applicant has tendered for more Matter Starts than can be realistically delivered based on the information provided in the Delivery Plan.
- 7.26 The LAA's decision to accept a Delivery Plan is subject to the Applicant satisfactorily verifying the information they provided in their Delivery Plan (stage 6). The award of Matter Starts will therefore be subject to verification and the LAA reserves the right to award fewer Matter Starts than bid for or to reclassify an Individual Bid to a lower Lot, based on the information the Applicant can verify.
- 7.27 Where a Delivery Plan is rejected, the Individual Bid will re-classified to the next Lot. For example if a Delivery Plan for 300 Matter Starts (above Lot 3, or over 250 Matter Starts) in the Family Category of Law is rejected, the Individual Bid will be re-classified as a Lot 3 Bid. The Applicant would be awarded 250 Matter Starts for this Individual Bid, subject to verification (stage 6).
- 7.28 The LAA's assessment is final. There will be no right of appeal against the LAA's decision to reject a Delivery Plan.

Stage 5 – Contract award (subject to verification)

- 7.29 All Applicants will be notified of the outcome of their Tender through the e-Tendering message board. Notifications to Applicants whose Tender is unsuccessful will include details of why their Tender is unsuccessful.
- 7.30 The LAA intends to notify Applicants of the outcome of their Tender in August 2018.
- 7.31 Where an Applicant's SQ Response is assessed as unsuccessful the Applicant's ITT Response(s) will not be assessed, unless any appeal made by the Applicant is successful.
- 7.32 The sole right of appeal right is set out at paragraph 10.41 of this IFA. This applies only to the outcome of the LAA's assessment of an Applicant's SQ Response as unsuccessful.
- 7.33 There is no right of appeal against the LAA's assessment of ITT Responses.

Stage 6 – Verification

- 7.34 Applicants who have not already concluded the verification process at Stage 3 of the tender assessment process and are notified that they have been successful in this procurement process will be required to verify their Tender following the verification process detailed at Section 9 of this IFA.

SECTION 8: NOTIFICATION OF TENDER OUTCOMES

- 8.1 The LAA will notify Applicants whose SQ Response has been assessed as unsuccessful in accordance with the timetable set out earlier in this IFA at page 3.
- 8.2 Where unsuccessful, Applicants will be notified of the outcome of their SQ Response through the e-Tendering system message board. Notifications to those Applicants will include reasons why their SQ Response has been assessed as unsuccessful.
- 8.3 Where an Applicant's SQ Response is assessed as unsuccessful the Applicant's ITT Response(s) will not be assessed, unless any appeal made by the Applicant is successful.
- 8.4 The sole right of appeal is set out at paragraph 10.41 of this IFA. The sole right of appeal applies only to the outcome of the LAA's assessment of an Applicant's SQ Response as unsuccessful.
- 8.5 Where the LAA assesses an Applicant's SQ Response as being successful, the ITT Response(s) submitted by the Applicant will then be assessed and Applicants will be notified in accordance with the timelines set out in this IFA.

SECTION 9: VERIFICATION OF FURTHER FACE TO FACE PROCUREMENT PROCESS TENDERS

- 9.1 All successful Applicants will be required to verify their Individual Bids and all Contract awards will be conditional on Individual Bids being satisfactorily verified by the LAA. Details of the verification requirements for each Category of Law are set out at Annex D of this IFA. Verification must be concluded at the latest by 23:59 on 7 September 2018 unless otherwise stated at Annex D.
- 9.2 Applicants will have the opportunity to submit verification information with their ITT Response(s).
- 9.3 Where a successful Applicant has not submitted any above top Lot Individual Bid(s) and submits compliant verification information with their ITT Response(s), if no assessment issues are identified in Applicant's ITT Response(s) the LAA will take all reasonable steps to upload their Contract documentation to enable the Applicant to deliver Contract Work awarded through this procurement process from 1 September 2018.
- 9.4 If an Applicant submits compliant verification information with their ITT Response(s) but they have submitted an Individual Bid for above the top Lot or an issue is identified in an Individual Bid which requires detailed assessment, the LAA will be unable to upload their Contract documents to enable the Applicant to deliver Contract Work awarded under this procurement process from 1 September 2018. If verification is successfully concluded an Applicant's Contract documents will be uploaded to enable them to deliver Contract Work awarded under this procurement process from 1 October 2018.
- 9.5 For the avoidance of doubt to successfully conclude verification and begin Contract Work awarded through this procurement process on 1 September 2018 all required verification information at organisational level and relating to each Individual Bid must be submitted with the ITT Response(s).
- 9.6 For example, where an Applicant submits an Individual Bid in the Family Category of Law and an Individual Bid in the Housing and Debt Category of Law, and only submits compliant verification information with their ITT Response for the Individual Bid in the Family Category of Law all Contract Work awarded through this procurement process in both Categories of Law will start on 1 October 2018, subject to successfully completing verification.
- 9.7 Where an Applicant does not submit compliant verification information with their ITT Response(s), requests for verification information will be sent to Applicants at the same time as they are notified that they have been successful. They must submit verification information no later than 23.59 on 7 September 2018. If verification is successfully concluded an Applicant's Contract documents will be uploaded to enable them to deliver Contract Work awarded under this procurement process from 1 October 2018.
- 9.8 It is the Applicant's sole responsibility to ensure they provide us with all the necessary information to evidence they meet the relevant verification requirements no later than 23:59 on 7 September 2018.
- 9.9 Where the Applicant has not submitted information in accordance with the verification process for either an Individual Bid or its entire face to face Contract award by 23:59

on 7 September 2018, then the award in respect of an Individual Bid or the entire Face to Face Contract may be withdrawn as applicable.

- 9.10 The LAA will reclassify an Individual Bid in the Family, Housing, Immigration and Asylum and Mental Health Categories of Law where an Applicant is unable to provide satisfactory evidence that they meet the requirements of a higher Lot but is able to provide satisfactory evidence that they meet the requirements of a lower Lot. For example, if an Applicant is unable to provide satisfactory evidence that its Family Individual Bid meets the requirements of Lot 3 but is able to provide satisfactory evidence that they meet the requirements of Lot 2 then the Individual Bid will be awarded a Lot 2 Matter Start allocation (100 Matter Starts).
- 9.11 Where an Applicant is unable to satisfactorily evidence the commitments made in a Delivery Plan for an above the top Lot Individual Bid, the Matter Starts awarded to the Individual Bid will be reduced based on the evidence the Applicant can provide. This may mean the Individual Bid is reclassified to a lower Lot.
- 9.12 For the avoidance of doubt, if it becomes necessary for the LAA to withdraw the award to an Individual Bid or an entire Face to Face Contract as a consequence of their failure to satisfactorily verify any aspect of their Tender, the LAA shall have no responsibility whatsoever to the Applicant (or any related party) for any cost, expense or any other liability they have incurred or may incur in the course of submitting their Tender.
- 9.13 Please note, the LAA will not enter into contract with Applicants until pre-contract verification process is concluded i.e. the Applicant satisfactorily verifies information required at the latest by 23:59 on 7 September 2018.
- 9.14 In addition to meeting the verification requirements, Applicants must complete the two following administrative processes where relevant before the LAA can issue Contract documentation to an Applicant:
 - a. Provide a completed indemnity where an organisation with a limited liability
 - b. Provide a completed AC1 form and associated documentation for each new Office
- 9.15 The LAA will be unable to enter into contract with an Applicant that fails to provide this information where necessary. Where an Applicant fails to provide a properly completed indemnity at the latest by 23:59 on 7 September 2018, the LAA will withdraw its offer of a Contract. Where an Applicant fails to provide a completed AC1 form and associated documentation at the latest by 23:59 on 7 September 2018 the LAA will withdraw its offer of Contract Work to the relevant Office(s).

Indemnity

- 9.12 Applicants with limited liability (unless a registered charity) must supply the LAA with a properly completed indemnity.
- 9.13 The indemnity must be signed by the ultimate owners of the Applicant and/or such persons as the LAA might reasonably regard as being controllers and/or senior managers of the Applicant and/or where the Applicant is a limited company, from any company which is its holding company.
- 9.14 A copy of the indemnity form is available at:

AC1 form

- 9.15 Where Applicants intend to open an Office to deliver the Contract Work tendered for, in addition to confirming the Office address and postcode, they will be required to complete and return an AC1 form and supporting documents so the new Office can be allocated a LAA Account Number and set up on the LAA systems. Applicants cannot be issued with Contract documentation or start, or be paid for, Contract Work until a completed AC1 form has been received and processed by the LAA. The AC1 form is available at:
www.gov.uk/guidance/update-your-details-with-laa.

Issuing of Face to Face Contract documentation

- 9.16 When an Applicant satisfactorily verifies their Individual Bids through the verification process, they will be notified that their Face to Face Contract documentation is available to view and, where necessary, execute online. For the avoidance of doubt and subject to the rules on duplicate bids at paragraph 1.38, the Face to Face Contract will include any award made to a Bidder under the Main Procurement Process and/or Supplemental Procurement Process.
- 9.17 Face to Face Contract documentation will be issued and executed electronically in the LAA's Controlled Work and Administration ("CWA") system. Successful Applicants that have not previously executed their Contract under a Previous Procurement Process will need to access this system to execute their Face to Face Contract by clicking the "Accept Contract" button within the system. By doing this, a successful Applicant agrees to be bound by the terms of the Contract in full.
- 9.18 To execute their Face to Face Contract an Applicant must have been set up on the LAA systems and issued with an LAA Account Number for each new Office.
- 9.19 In addition, an Applicant must have set up the requisite number of 'Designated Signatories' on CWA before they can execute their Contract. Guidance on how to do this will be provided at the verification stage. Guidance on allocate the Designated Signatory role in CWA can be found on the LAA's website at:
<https://www.gov.uk/government/publications/cwa-detailed-user-guides>.
- 9.20 Contracts that have not been executed two weeks after the Contract Start Date or Service Commencement Date, as applicable, may be withdrawn at the LAA's sole discretion. The LAA will have no liability to an Applicant whatsoever as a consequence of any such withdrawal.

SECTION 10: GENERAL RULES OF THIS PROCUREMENT PROCESS

Introduction

- 10.1 This procurement process is governed by this IFA which represents a complete statement of the rules of the procurement process. This IFA supersedes all prior negotiations, representations or undertakings, whether written or oral. References to 'Tender' include, as applicable, any submission forming part of a Tender such as the SQ Response and Response to ITTs.
- 10.2 'Legal services' are classified as Social and Other Specific Services to which The Public Contracts Regulations 2015 (the "Regulations") only apply in part. The LAA is not bound by any of the Regulations except those which specifically apply to the procurement of Social and Other Specific Services.
- 10.3 This IFA and any supplementary documents issued as part of this procurement process (including the SQ and the ITTs) are governed and construed in accordance with English Law.

Submitting a Tender

- 10.4 The Applicant agrees to comply with the rules (contained in this Section 10 and elsewhere in this IFA) of this procurement process, the terms of the user agreement governing the use of the LAA e-Tendering system and any contract awarded to them by the LAA (including any conditions of contract award). If the Applicant fails to comply with the rules of this procurement process and/or the terms of the user agreement, the LAA will assess the Applicant's Tender as unsuccessful.
- 10.5 The Applicant must submit a complete Tender (in accordance with paragraph 10.8) by the Deadline. For the purposes of the Deadline, the time specified on the e-Tendering system shall be the definitive time. A Tender will be rejected if it is submitted by the Applicant after the Deadline. The LAA will not consider:
- (a) any requests by the Applicant to amend or submit the Tender after the Deadline; or,
 - (b) any requests by the Applicant for an extension of the time or date fixed for the submission of the Tender
- and the Applicant accepts all responsibility for ensuring all parts of its Tender are submitted through the e-Tendering system by the Deadline.
- 10.6 The Applicant must submit a complete Tender (in accordance with paragraph 10.8) using the e-Tendering system at www.legalaid.bravosolution.co.uk. The LAA will not consider any Tender submitted by the Applicant in any other form, or by any other method.
- 10.7 A Tender must be authorised by one of the following:
- (a) the Applicant's COLP, HOLP or CM (or proposed COLP, HOLP or CM); or,
 - (b) where the Applicant is not authorised by a Relevant Professional Body, a member of Key Personnel who either:

- (i) has decision and / or veto rights over decisions relating to the running of the Applicant; or
- (ii) has the right to exercise, or actually exercises, significant influence or control over the Applicant

- 10.8 The Applicant must submit a complete Tender prior to the Deadline. The Applicant must reply to every question in the Tender and upload all requested documentation, even if it has previously provided this information or if it is otherwise of the view that the LAA is already aware of such information.
- 10.9 The Applicant may only submit one Tender (i.e. one SQ Response and a maximum of one ITT Response per Category). Where an Applicant submits more than one ITT Response for a 2018 Contract in the same Category of Law, the LAA will assess only the last ITT Response submitted prior to the Deadline.
- 10.10 The Applicant may amend and re-submit its Tender at any time up to the Deadline. Only the last Tender submitted by an Applicant prior to the Deadline will be considered by the LAA.
- 10.11 The Applicant must ensure that its Tender is fully and accurately completed. The Applicant must ensure that information provided as part of its response is of sufficient quality and detail that an informed assessment of it can be made by the LAA.
- 10.12 Subject to the LAA's right to clarify at paragraph 10.27, the Applicant will not be permitted to amend or alter the Tender after the Deadline except in circumstances expressly permitted by the LAA.
- 10.13 In the event of any conflict between the information, answers or responses submitted as part of a Tender, without prejudice to the other rules of the procurement process, including the LAA's right to clarify, the conflict will be resolved by accepting the information, answer or document least favourable to the Applicant. This may mean that the LAA may reject the Tender in whole or in part.
- 10.14 When providing Contract Work within Wales, the Applicant must ensure it is accessible to, and understandable by, clients whose language of choice is Welsh, in accordance with the Welsh Language Act 1993 and Welsh Language (Wales) Measure 2011 and any other relevant statutory instruments which come into force from time to time.
- 10.15 The Applicant, by submitting a Tender, warrants to the LAA that:
- (i) it has complied with all the rules and instructions applicable to this IFA and the e-Tendering system in all respects;
 - (ii) all information, representations and other matters of fact communicated (whether in writing or otherwise) to the LAA by the Applicant are true, complete and accurate in all respects; and
 - (iii) it has capacity to concurrently deliver all of the services it has submitted a Tender for.
- 10.16 The Applicant must keep any Tender valid and capable of acceptance by the LAA up to the Contract Start Date or, for Applicants commencing Contract Work from 1 October 2018, by the Service Commencement Date.

- 10.17 By submitting a Tender the Applicant agrees to be bound by the Contract without further negotiation or amendment.
- 10.18 In submitting its Tender, the Applicant acknowledges the prohibition on duplicate bids and the fact that a single Face to Face Contract only is capable of being awarded across both the Main Procurement Process and/or the Supplemental Procurement Process and this procurement process. Further, the Applicant acknowledges that subject to the provisions on duplicate bids and a single Face to Face Contract as referred to in this paragraph 10.18, this procurement process is entirely independent of any other procurement processes that have been run by the LAA or any predecessor organisation. Accordingly, no previous conduct or decisions of the LAA can be relied upon by the Applicant as setting any precedent for the LAA's conduct in respect of this procurement process
- 10.19 The Applicant must monitor and respond as appropriate to messages received through the e-Tendering system throughout this procurement process and the LAA accepts no liability where the Applicant fails to do so. All communication with Applicants through the e-Tendering system, including that outlined in 10.22 will be deemed to have been received by the Applicant at the time of transmission in the e-Tendering system. The time specified in the e-Tendering system shall be the definitive time.
- 10.20 Any Frequently Asked Questions published through the e-Tendering system in accordance with Section 6 of this IFA will form part of the documentation for this procurement process. Applicants should have regard to the relevant Frequently Asked Questions documents prior to submitting a Tender.
- 10.21 Without prejudice to any warranties given, these rules of the procurement process do not form a separate collateral contract between the Applicant and the LAA. The Applicant's Tender will form part of any Contract subsequently awarded.

Right to Cancel or Amend the Procurement Process

- 10.22 The LAA reserves the right to amend the procurement process (including any related documentation) at any time. Any notices of amendments will be published on the LAA's website at <https://www.gov.uk/government/publications/civil-2018-contracts-tender> and notified to individual Applicants through a message on the e-Tendering system.
- 10.23 A Tender submitted by an Applicant which does not comply with any amendments made in accordance with 10.22 before the Deadline may be rejected.
- 10.24 The LAA reserves the right to suspend or cancel the procurement process in its entirety or in part, and not to proceed to award contracts at any time at its absolute discretion.
- 10.25 While the LAA has taken all reasonable steps to ensure, as at the date of the issue of the IFA, that the facts which are contained both within it and associated documents are true and accurate in all material respects, it does not make any representation or warranty as to the accuracy or completeness or otherwise of these documents, or the reasonableness of any assumptions on which these documents may be based. If contradictory information is contained in this IFA and / or associated documents, the provisions of this Section 10 will take precedence.

10.26 All information supplied by the LAA to the Applicant, including that within the IFA, is subject to that Applicant's own due diligence. The LAA accepts no liability to the Applicant whatsoever resulting from the use of the IFA and any associated documents, or any omissions from or deficiencies in them.

Right to Clarify / Verify

10.27 The LAA may at its sole discretion seek to clarify or verify the Applicant's Tender. It will not do so where this would afford an Applicant the opportunity to improve its Tender by submitting a changed bid which would constitute a new tender. Where it does exercise its discretion to seek clarification or verification, in making its decision following receipt of an Applicant's response, the LAA will not take into account any information received which falls outside of the scope of the specific clarification or verification it is seeking.

10.28 Where the LAA contacts the Applicant in circumstances outlined in 10.27, the Applicant must provide the information requested by the date specified by the LAA. Any information provided by the Applicant after the specified date may not be taken into account by the LAA when evaluating the Applicant's Tender.

10.29 The ITTs request some non-assessed information that the LAA requires to be able to progress the issuing of contract documentation. Where this non-assessed information is not provided or is inaccurate in the Tender, the LAA may contact the Applicant for these details. If the Applicant fails to provide the accurate information requested this will not result in a Tender being unsuccessful. However, this may delay the issuing of contract documentation to an Applicant who has been successful. That may prevent the Applicant from commencing and being paid for services under the Contract.

Right to Exclude

10.30 If the LAA receives information to suggest that any aspect of the Applicant's Tender is false, misleading or incorrect in any material way it may undertake such enquiries as it considers necessary to determine the accuracy of the Tender. The Applicant must assist with any such enquiries.

10.31 The LAA reserves the right at its absolute discretion to disqualify from the procurement process any Applicant for submitting:

- (i) false information; and/or
- (ii) information which misrepresents the Applicants actual position; and/or
- (iii) misleading information.

10.32 Paragraph 10.31 of this IFA applies regardless of whether the information concerned was submitted with the intention of misleading the LAA or misrepresenting the Applicant's actual position or whether it was submitted recklessly, negligently or innocently.

Canvassing

10.33 The Applicant (including its employees and agents) must not, whether directly or indirectly:

- (a) canvass, or attempt to obtain any information from, any Ministers, officers, employees, agents or advisers of the LAA in connection with this procurement process; or
- (b) offer or agree to pay or give any sum of money, inducement or valuable consideration to any person for doing or having done or causing or having caused to be done any act or omission in relation to this procurement process.

Collusion

10.34 The Applicant must not collude with any other person or organisation in any way during this procurement process. This would include, but not be limited to, the following examples:

- (a) Fixing or adjusting any element of its Tender by agreement with any other person, unless such an act would reasonably be permitted as part of this procurement process;
- (b) Communicating to any other person any information relating to any fees or rates contained in the Applicant's Tender which will be competitively assessed as part of the procurement process, unless such communication is with a person who is a participant in the Applicant's Tender;
- (c) Entering in to any agreement with any person for the purpose of inciting that person to refrain from submitting a Tender;
- (d) Sharing, permitting or disclosing access to any information relating to its Tender.

10.35 If the LAA reasonably believes that the Applicant has colluded with another person in any way that breaches paragraph 10.34, the LAA may (without prejudice to any other criminal or civil remedies available to it) immediately exclude the Applicant from any further involvement in this procurement process.

Award

10.36 Where a material change occurs to the Tender information submitted by an Applicant, including issues relating to any current contract the Applicant holds, the Applicant must inform the LAA. The LAA will conduct a re-assessment to ensure the Tender is not adversely impacted. If upon re-assessment, the Applicant's Tender is deemed to be unsuccessful or any conditions of contract award are not met, the LAA will not proceed with any decision made to award a contract. Failure to notify the LAA of a material change may result in disqualification from the procurement process and/or termination of the contract.

10.37 The LAA reserves the right, prior to any execution of a Contract, to carry out further due diligence checks as it deems necessary or appropriate. Where, as part of any due diligence, an Applicant is found not to comply with any of the minimum contract requirements which the Applicant committed to meeting in its Tender, the LAA will not proceed with any decision made to award a contract.

- 10.38 The LAA reserves the right to place additional contractual conditions on the award of a contract to an individual Applicant.
- 10.39 The award of a contract does not guarantee a minimum amount of work for the Applicant or that a minimum level of income will be generated for the Applicant as a result of that contract.

Appeal and costs and expenses of Tender

- 10.40 There is no right of appeal against the LAA's assessment of Face to Face Contract ITT Responses.
- 10.41 The Applicant's sole right of appeal is limited to circumstances where an Applicant, reasonably, on the information contained in the SQ Response (subject to paragraph 10.27), considers that the LAA has made an error in its assessment of the Applicant's SQ Response.
- 10.42 There is no other right of appeal, including, for example, in respect of any mistakes, inaccuracies or errors made by the Applicant in its Tender. Where an Applicant seeks to appeal on other grounds not covered by this paragraph, any such appeal will be rejected. For the avoidance of doubt there is no right of appeal based on a purported failure of the LAA to clarify Tender information.
- 10.43 Appeals must relate to the specific grounds of failure set out in the notification letter received from the LAA.
- 10.44 Appeals should be submitted using the appeals pro forma which will be made available at <https://www.gov.uk/government/publications/civil-2018-contracts-tender>. The LAA will not accept any appeal submitted after the date detailed in the notification letter for receipt of appeals.
- 10.45 The LAA's Principal Legal Adviser (or an appointed representative) will review all appeals on the papers only and make a determination on the outcome of the appeal. For the avoidance of doubt, there is no further right of appeal.
- 10.46 The Applicant is solely responsible for its own costs and expenses incurred in connection with the preparation and submission of a Tender irrespective of any subsequent cancellation or suspension of this procurement process by the LAA. Under no circumstances will the LAA, or any of its employees, be liable for any costs incurred by the Applicant.

Confidentiality, Data Protection & Freedom of Information

- 10.47 The LAA may share any information contained in an Applicant's Tender with the provider of the e-Tendering system for the purposes of administering the procurement process.
- 10.48 The Applicant should note that under the Freedom of Information Act 2000 (the "FOIA") the LAA may be required to disclose details of its Tender in response to a request from third parties, either during or after the procurement process. The LAA can only withhold information where it is covered by a valid exemption as set out in the FOIA.
- 10.49 If an Applicant is concerned about possible disclosure it should contact the LAA and clearly identify the specific parts of the Tender that it considers commercially

- sensitive or confidential (within the meaning of the FOIA), the harm that disclosure may cause and an estimated timescale for that sensitivity. The Applicant must familiarise itself with the Information Commissioner's current position on the disclosure and non-disclosure of commercially sensitive information and accordingly should not notify the LAA of a blanket labelling of its entire Tender as confidential.
- 10.50 The Applicant must be aware that the receipt by the LAA of information marked 'confidential' does not mean that the LAA accepts any duty of confidence in relation to that marking. Neither does the LAA guarantee that information identified by the Applicant as confidential will not be disclosed where the public interest favours disclosure pursuant to the LAA's obligations under FOIA.
- 10.51 The LAA, will collect, hold and use Personal Data obtained from and about the Applicant and its Key Personnel during the course of the procurement process.
- 10.52 By submitting a Tender an Applicant consents and confirms that they have obtained all necessary consents from the relevant Data Subject to such Personal Data being processed and used in accordance with and/or for the purposes of administering the procurement process as contemplated by the IFA, the Tender and for the management of any Contract subsequently awarded.
- 10.53 The LAA and the Applicant anticipate that the LAA shall act as a Controller and Processor in respect of any Personal Data provided to it by the Applicant as a requirement of the Tender.
- 10.54 The Applicant warrants and undertakes, as a condition of the Tender, to the LAA, on a continuing basis, that:
- (a) the Applicant has all the requisite and necessary authority (and has obtained and will maintain all necessary consents) required under and/or in connection with the Data Protection Laws to disclose the Personal Data to the LAA in connection with the Tender to enable the LAA to carry out the procurement process; and
 - (b) all the Data Subjects whose Personal Data is provided by the Applicant to the LAA have consented to the Processing of such Personal Data for the purposes of the Applicant's participation in the Tender (and/or that the Applicant otherwise has a legal basis for providing such Personal Data to the LAA for the purposes of its participation in the Tender) and within 7 days of any request by the LAA, the Applicant shall provide the LAA with evidence of such lawful basis and/or consent (as the case may be); and
 - (c) the Applicant shall at all times during the Tender process comply with the Data Protection Laws.
- 10.55 The Applicant agrees that it shall notify the LAA immediately if any Data Subject revokes, withdraws and/or changes their consent to the disclosure of the Personal Data to the LAA in connection with the Tender.
- 10.56 The LAA shall implement and maintain appropriate technical and organisational security measures to comply with the obligations imposed on the LAA by the Security Requirements.

- 10.57 The LAA may disclose any documentation or information submitted by the Applicant as part of a Tender, whether commercially sensitive or not, for the purposes of complying with any control and/or reporting obligations, to any other central Government Department or Executive Agency. For the avoidance of doubt, information will not be disclosed outside Government for these purposes. By submitting a Tender, Applicants consent to documentation and information being held and used for these purposes.
- 10.58 The LAA will publish details of all contracts awarded in accordance with the Government's transparency standards.
- 10.59 Following completion of this procurement process, the LAA will retain copies of the Tender for such time as it considers reasonable to satisfy the LAA's audit obligations and for any associated contract management purposes.

- ✓ bid in the correct Procurement Area in each bid; and
- ✓ bid for the correct Category(ies) of Law; and
- ✓ bid in the correct Lot(s) in each applicable Category of Law

I successfully tendered in the Previous Procurement Processes for the Public Law Category. Do I need to tender again?

If you intended to bid to deliver Public Law Contract Work and have bid in the correct Procurement Area then you do not need to tender again unless you wish to deliver Contract Work from another Office, or deliver Contract Work in another Category of Law.

If you intended to bid to deliver Family Contract Work which includes Public Family Law, then you should submit a Tender for this Category of Law from each Office from which you wish to deliver the work as part of this Further Face to Face Procurement Process.

Please check carefully that you bid correctly in the Previous Procurement Process(es) as the Further Face to Face Procurement Process is the final opportunity to correct any errors made in your previous tender response(s).

I bid in the Previous Procurement Processes and want to bid in the Further Face to Face Procurement Process, can I rely on my previous SQ Response?

No. If you wish to tender under the Further Face to Face Procurement Process, an Applicant must submit a compliant Tender which consists of a response to the SQ plus at least one ITT Response.

All Applicants must submit a response to the SQ, regardless of whether they have already submitted a SQ Response as part of the Main Face to Face Procurement Process and/or the Supplemental Face to Face Procurement Process.

I successfully tendered in the Previous Procurement Processes in the Housing and Debt Category of Law. I want to deliver Contract Work from another Office. Can this be added to my schedule?

If you wish to tender to deliver work from additional Offices which you did not tender for under the Previous Procurement Processes, you will need to submit a response to the Further Face to Face Procurement Process to tender for the **additional work only**. You do not need to submit Individual Bids again for work where you have already been notified you have been successful as part of the Previous Procurement Processes.

To tender for an additional Office(s) you will need to submit another response to the SQ plus at least one ITT Response.

I missed the deadline for the Previous Procurement Processes. What can I do?

Any organisations able to meet our minimum contract requirements can submit a response to the Further Face to Face Procurement Process.

The Deadline for submitting Tenders is 5pm on 10 August 2018

I successfully tendered in the Previous Procurement Processes and plan to tender in the Further Face to Face Procurement Process. Can I submit verification information to verify my ITT Responses under both procurement processes by 7 September 2018?

No. The deadlines to submit compliant verification information under the Previous Procurement Processes have not changed.

If you are not able to meet the deadline(s) you will need to withdraw your Individual Bid(s) under the Previous Procurement Processes and tender again for that Contract Work under the Further Face to Face Procurement Process.

The verification deadline of 7 September only applies to an ITT Response(s) submitted as part of the Further Face to Face Procurement Process.

The verification deadlines are summarised in the table below:

Procurement Process	Verification deadline
