

River Thames Lock mooring charges 1 April 2018 to 31 March 2019

Base moorings at locks

Charges increased by 5.7% for the year ending 31 March 2019

Lock base moorings are invoiced annually in advance, based on the appropriate tariff under one of the boat type descriptions below. To calculate the cost, the tariff is multiplied by the length of the boat (in metres) and then multiplied by the number of months depending on whether a summer (6 month) or winter (12 month) mooring. See Additional charges and discounts below. Tariff descriptions on page 2.

The tariffs shown below include VAT at 20%
