Biometric Residence Permits

What is a Biometric Residence Permit?

1. The Biometric Residence Permit is a residence permit which holds a migrant's biographic details (name, date and place of birth) and biometric features (facial image and fingerprints), and shows their immigration status and entitlements while they remain in the UK.
2. It replaces the vignette (or sticker) and ink stamps previously placed in the passports of those granted permission to remain in the UK. If a migrant is issued with a Biometric Residence Permit, they will receive a leaflet giving more information about it and explaining any obligations.

What are biometric features?

3. Biometrics features are the unique physical characteristics that can be used to identify a person such as facial image and fingerprints. This is done by taking a digital photograph of all applicants and scanning the finger fingerprints of applicants aged 6 or over.

Requirement to apply for a Biometric Residence Permit

4. Applications for a Biometric Residence Permit must be made if an application is:
 - a. for limited leave to remain for a period which, together with any preceding period of leave to enter or remain, exceeds a cumulative total of 6 months leave in the United Kingdom;
 - b. for indefinite leave to remain;
 - c. to replace a stamp, sticker or other attachment in a passport or other document which indicated that the individual had been granted limited or indefinite leave to enter or remain in the United Kingdom;
 - d. to replace a letter which indicated that the individual had been granted limited or indefinite leave to enter or remain in the United Kingdom;
 - e. to be recognised as a refugee or a person in need of humanitarian protection;
 - f. to be recognised as a stateless person in accordance with Article 1 of the Stateless Convention;
 - g. for a Convention Travel Document, Stateless Person's Travel Documents or a Certificate of Travel Document and the individual does not already hold a valid Biometric Residence Permit; or
 - h. as the dependant of a person who is making an application in accordance with sub-paragraph (a), (b), (e) or (f).

Applying by post

5. If you make a postal application you will be sent a letter notifying you of the need to make arrangements for you and any dependants applying with you to have your biometric features recorded.
6. You must record you biometric features within 15 working days of the date of the letter. For the majority of applicants this will be done at a Post Office.

7. The Post Office offers a walk-in service, with no need to book an appointment; however, there may be a queue for this service. The Post Office branches where the applicant can record biometrics will be detailed on the Post Office website which will be highlighted in your Biometric Enrolment letter.
8. You must take the back page of the letter (which includes your case reference number, full name and date of birth) when you attend the Post Office branch. If you fail to bring the back page of the letter with you the Post Office will not be able to record your biometrics features.
9. You will be charged an additional handling fee payable to Post Office Ltd. Payment to Post Office Ltd can be made by cash or debit card.

Why do applicants over 5 years old have to give their fingerprints?

10. The law states that everyone over 5 years old must provide their fingerprints when applying for a Biometric Residence Permit.

Who should accompany children under the age of 16?

11. We cannot record the biometric features of children under the age of 16 unless they are accompanied by a responsible adult.
12. If any such children are applying with an applicant as their dependants, we would expect the applicant to be with them when their biometric features are recorded. If not, the person accompanying them must be a responsible adult aged 18 or over who is either the child's parent or guardian, or a person who for the time being takes responsibility for the child. Any such person must be named on the application form.
13. If the applicant is a single person under the age of 16, they must be accompanied by their parent, guardian or other responsible adult aged 18 or over.
14. If the person accompanying the child, or children, under 16 is not their parent or guardian, that person must bring with them a letter confirming that they are authorised to take responsibility for the child, or children, when they have their biometrics recorded.
15. At the appointment the responsible adult will also be asked to provide an acceptable form of identity, such as a passport or driving licence.

What happens when I enrol my biometric information?

16. Enrolling your biometric information is a quick and clean process. A digital photograph is taken of your face, and you then put your fingers on a glass screen to be scanned - there is no ink or mess.
17. We are aware of the need to protect the dignity, privacy and modesty of applicants, and there will be special arrangements for applicants where needed.

How long does it take to enrol biometrics?

18. The biometric enrolment process takes 5-10 minutes. There may then be a short wait whilst data checks are made.

What about any medical or physical conditions that may require special arrangements?

19. If you or any dependants who are applying with you have a medical or physical condition which may require special arrangements to be made in order for your biometric features to be recorded, you must obtain a letter or other document giving the details of any such condition and enclose it with your application.

20. Appropriate documentary evidence would be a letter from a treating clinician, such as a practising doctor registered with the General Medical Council, giving details of the condition and / or special needs and explaining any arrangements that may be necessary.

What if the migrant has no fingers or hands?

21. If you are physically unable to provide fingerprints, a photograph will be taken of the facial image and record on the database the fact that you are physically unable to provide fingerprints.

22. You will not be able to use the biometric enrolment service at a Post Office branch.

Do I need to make any special preparations before my biometric features are recorded?

23. Before you attend your appointment, we recommend that you check your hands and fingers are clean. If your hands are not clean, you may be asked to wash them before scanning your fingerprints.

24. We would advise you not to have any colouring or similar substances (such as henna) on your hands as this could prevent the recording of your fingerprints on the day of your appointment. You would then have to make a new appointment which would delay the consideration of the application.

Why do I need to give my biometrics as part of my application?

25. Providing biometrics helps to protect the identities of genuine applicants. Biometric Residence Permits make it easier for individuals to prove their identity, immigration status and entitlements in the UK. Individuals are locked into a single identity which helps tackle immigration abuse, child trafficking, illegal working and identity fraud.

What if I fail to record my biometrics?

26. If you fail to record your biometric features or book an appointment within 15 working days from the date of the notification letter you will be sent a warning letter giving you another opportunity within a limited period. The letter will also advise that failure to record your biometric features or to book an appointment within the stated period will result in your application being rejected as invalid.

What if I do not comply with the recording process at the appointment?

27. If you do not co-operate fully with the biometric recording process, for example by attempting to obscure your fingerprints or face, you will be warned that your refusal to comply may result in your immigration application being refused on the grounds of non-compliance.

Will I be interviewed?

28. If the fingerprint check reveals any queries around your identity, these matters may be resolved through an interview. However, this will not be routinely required.

Will I be issued with a Biometric Residence Permit?

29. If the application is successful, you will be issued with a residence permit in the form of a Biometric Residence Permit.

30. The permit will be sent to you by secure delivery.

31. If you do not receive your permit within 10 working days of the date of your decision letter you should contact us on 0300 123 2412.

32. You cannot enquire about undelivered permits in person at our offices or biometric enrolment centres. This applies to both premium and postal services.

When will I get my biometric residence permit?

33. If you apply by post, we will post your permit to you by secure delivery, separately from the decision about your application and the return of your documents.

34. We advise that you do not book any non-urgent travel before you have received your permit.

What must I do when I receive my biometric residence permit?

35. You must check your permit carefully when you receive it, to ensure that all the details on it are correct. If you find a mistake, you must phone us on 0300 123 2412 within 10 working days of receiving the permit - otherwise you may be charged for a replacement and will need to apply again.

36. We advise you to make a photocopy of the front and back of your permit, in case it is lost or stolen. If you want to make another application in the future, you will need to send your permit to the Home Office, so you may want to retain a copy for your records.

What should I do if my biometric residence permit is not delivered?

37. If you have not received your permit 10 working days after the date on your letter from us extending your permission to stay in the UK, you should phone us on 0300 123 2412. You cannot ask about undelivered permits in person at our public enquiry office or biometric enrolment centres.

How do I use my biometric residence permit?

38. Your biometric residence permit is evidence of your permission to stay in the UK, and shows the conditions of your stay. It enables you to confirm your identity and your rights to study and / or work here, and to access public services.

39. You must show the permit to your employer or approved education provider before you start to work or study.

40. You must take your permit with you if you go abroad while you have permission to stay in the UK. You may need to show the permit to an immigration officer at the border when you leave the UK. You will also need to show it as well as a valid travel document before you begin your return journey, and again when you re-enter the UK. The permit proves that you are allowed to return to the UK, but it cannot be used instead of a passport or travel document.

What should I do if my biometric residence permit is lost or stolen?

41. If your biometric residence permit is lost or stolen, you must report the loss or theft to the Card Management Services as soon as possible by phoning 0300 123 2412 from the UK or (+44) 20 8527 3623 from abroad.

42. You must also report the loss or theft to the police and get a police report and crime reference number as soon as possible.

43. If your permit is lost or stolen when you are in the United Kingdom you must apply for another permit within 3 months of reporting the loss or theft of your original permit, using form BRP(RC).

44. If your permit is lost or stolen when you are abroad you must apply for a short-term Single Entry Visa in order to travel and re-enter the United Kingdom. You must then apply for another permit within 3 months of re-entering the United Kingdom, using form BRP(RC).

45. If you do not apply for a replacement permit you could be liable to a sanction, such as a Civil Penalty Notice of up to £1,000 and/or curtailment of your leave to stay in the United Kingdom.

How do I change my personal details on my biometric residence permit?

46. You must tell us as soon as you can if:

- you change your name (for example, because of marriage or by deed poll);
- you change your gender, legally or permanently;
- you change your nationality; or
- your facial appearance changes significantly.

47. If you change any personal details listed above or any details shown on your biometric residence permit, you must apply for a new permit within 3 months using application form BRP(RC). If you do not do this, you may have to pay a financial penalty of up to £1,000 or we may shorten your permission to stay. You can download the application form and guidance from the gov.uk website: www.gov.uk

What should I do if I change my address or circumstances?

48. If you change your address before you have received your biometric residence permit you must tell us immediately by phoning 0300 123 2241.

49. If you change your address at any time after you have received your biometric residence permit, and you think you are likely to be at the new address for at least 6 months, you should tell us by sending a fax to 020 8196 5454 or by writing to:

50. You must tell us immediately by phoning 0300 123 2241 if:

- you change your circumstances so you no longer qualify to stay under the Immigration Rules that were in place when we gave you permission to stay in the UK; or
