How you can pay

You can pay by the following methods:

- Credit card¹ - Mastercard, Visa (including Electron) or American Express (Amex)
- Debit card - Delta, Maestro* (including Solo)

¹ **Please note that when making large or multiple payments using your credit card, the anti-fraud measures that banks operate sometimes stop the full payment being taken. This can happen for a number of reasons. To prevent this you may inform your bank of your intention to make large or multiple payments in advance so that your bank allows the full payment to be taken when you submit your application. Please be aware that not all banks offer this service.**

* Maestro - We can only accept Maestro cards issued in the UK.

Please note that your application is invalid if you do not pay the specified fee in full or if you pay by any method other than those specified above. You will be required to make a fresh application, and any delay in doing so may affect your appeal rights if your application is subsequently refused.

Completing the payment details page

To ensure that your payment is processed without any delay, please follow this guidance when completing Section A of this form (Payment Details).

If a solicitor or other authorised immigration adviser is submitting the application, it should be their address at **A2** and their name at **A3**. These details will also be used to acknowledge receipt of the application.

This fee will be payable once the application form is received by the Home Office, regardless of the outcome of the application. If your application contains errors or is missing information it may be rejected as invalid.
